THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII. LEWISBURG, PENNA., MONDAY, SEPTEMBER 29, 1913. NUMBER 1

VARSITY FOUND HILLMAN EASY

HEAVY ACADEMY TEAM GIVEN DECISIVE DEFEAT.

COACH DICKSON'S MEN SHOW UP WELL IN INITIAL GAME

Many New Faces in Orange and Blue Line-up, But Team Seemed Able to Gain at Will Through Line of Opposing Team.

The Varsity football team successfully inaugurated the 1913 season Saturday afternoon on the home grounds, when they humbled the heavy Hillman Academy team by the score of 24-0. A good sized crowd of students and townpeople were present to witness the contest.

Bucknell used two full teams during the game, the scrubs being substituted for the Varsity in the third quarter and taken out again in the last quarter. Several new faces appeared on the Varsity line-up, and from present indications the team will be considerably heavier this year than it has been for several seasons. The playing Saturday was very ragged in places, but with practice a good team should be developed. Coach Dickson has purposely developed the team somewhat slowly, owing to the heavy schedule which is to follow, and he was well pleased with the showing of the team Saturday.

Bucknell used the forward pass to advantage on three occastons for a total gain of 90 yards, while the same play resulted in failure four times. Markle, of last year's scrub team, played a remarkable game, making some fine tackles besides recoving several fumbles. The end runs of Sturgis and Cruikshank added several touchdowns to the score. For Hillman Hathaway played the best game.

Bucknell kicked off in the first quarter, and Markle soon got the ball on a fumble. Here Platt was sent through the line several times and he carried the pigskin over the line for the first touchdown of the season. Sturgis kicked the goal. Another touchdown was added inside of three minutes when Gdaniec carried the ball over after Sturgis and Cruikshank had both made long end runs. Sturgis kicked the goal. The Orange and Blue then tried two forward passes, but both failed, and the quarter ended with the ball on the opponent's 18-yard line.

Hillman opened the second quarter by making a long end run. Several losses, however, gave Bucknell the ball. An 11 yard plunge by Keiser followed by a long forward pass to Sturgis, advanced the ball to the Hillman 2-yard line, but the Varsity was unable to score.

In the third quarter after Hillman had lost the ball on downs, Bucknell made an unsuccessful attempt at a forward pass. Sturgis soon had to kick, and Hillman obtained possession of the ball on their 30-yard line. But a Hillman man made a bad fumble, and Archer, recovering the ball, romped over for a touchdown. Most of the scrub team was then substituted for the Varsity

After Shipman had made some big gains in the last quarter, the Varsity was sent back and the scrub recalled. Sturgis soon took the ball over the line and kicked the goal. In the last five minutes of play a 25 yard end run by Cruikshank and a 35-yard forward pass gave the Orange and Blue her fifth and last touchdown.

The line-up:

Bucknell.		Hillman Acad.
Archer	Left end	Hathaway
Markle	Left tackle	Hughes
Reading	Left guard	Langdon
Shaffner	Center	Ward
Fisher	Right guard	Sibert
Whitted	Right tackle	Parish
Sturgis	Right end	Williams
Cruikshank	Quarterback	Gray
Keiser	Left halfback	McCormick
Platt	Fullback	McGuire

Touchdowns—Platt, Gdaniec, Archer, Sturgis 2. Goals from touchdowns—Sturgis 4. Substitutes—Bucknell, Archer for Whitted, Jordan for Platt, Platt for Archer, Donaldson for Shaffner, Rogers for Platt, Mahoney for Jordan, Shipman for Keiser, Aleshoukas for Gdaniec, Felton for Archer, Fulton for Fisher, Marshall for Sturgis, Sanders for Reading. Referee—Wolfe, Cornell. Linesman—Cockill, Bucknell. Umpire—Church, Bloomsburg N. C. Time of quarters—10 minutes.

LYCEUM TICKETS ON SALE.

Tickets for the Lyceum Course given under the auspices of the Y. M. C. A. during the coming season are now on sale and can be secured from Goodwin, '15. Every college man and woman should secure one of these season tickets at once, as the course this year is to be one of the finest ever presented at Bucknell. A season ticket admitting one to five entertainments can be secured for the reasonable price of $1.50. Single admission tickets will sell for 50 cents.

LEBANON VALLEY THE NEXT GRIDIRON FOE

WHEELOCK, THE FAMOUS INDIAN, AND FAST TEAM COMING SATURDAY.

The next game on the Orange and Blue football schedule is that with Lebanon Valley College next Saturday on the local campus, and the contest should be an interesting one from start to finish.

Although the Lebanon Valley school is somewhat smaller than our own Alma Mater the team that represents it on the gridiron this fall is an exceptionally good one and will prove a worthy foe for our warriors. Wheelock, the Aborigine who has played a halfback position on the Carlisle Indian team for several years, has entered Lebanon Valley college and is playing a whirlwind game in their backfield. Whether or not he will be able to break through the Bucknell line for any consistent gains is exceedingly doubtful. However the fact that such a prominent player is to appear on the campus gridiron will attract many people to the game next Saturday.

The Varsity will need every bit of encouragement possible in their battle this week and every student should attend and show the players their continued confidence and faith.

ESSAY BY JAMES, '15, WINS INTERNATIONAL HONORS

WON FIRST PRIZE OF $100 FOR BEST ESSAY ABOUT WELSH.

A Bucknell man won international honors last summer when the first prize of $100 for the best essay on the subject, "The Welshman's Contribution to the Development of the United States and Canada," was awarded to Thomas L. James, a member of the present Sophomore class, at the International Eistoddfod held in Pittsburgh last June. Out of the many entries, four were kept in the finals, and James' production was finally adjudged the best. It was a comprehensive work, showing considerable research work and deep study. The essay, which will fill a book of about 100 pages, is now being published, and copies of it will no doubt be in great demand among the Welsh people in America and Europe.

ALUMNUS NOMINEE FOR MAYOR.

Dr. Fred W. Brown, '96, of Franklin, who is now president of the board of school directors and a state committeeman of the Washington party, was a recent successful candidate for the nomination for mayor of that city. Dr. Brown served one term in that office several years ago.

GOOD START FOR ASSOCIATION

ANNUAL RECEPTION ENJOYED BY MANY STUDENTS.

FIRST MEETING ADDRESSED BY PROFESSOR PHILLIPS

Interesting Talks and Palatable Eats Make Initial Gathering Auspicious. —Banner Year for Y. M. C. A. Expected.

It was a spirit of good fellowship that marked the opening reception of the college Y. M. C. A. in Bucknell Hall on Saturday evening, September 20th. It was the first opportunity that the old men had to shake hands with old acquaintances, after the summer vacation, and it marked the introduction of the new men to Bucknell's social life. It was gratifying to the old students to see such a large number of new faces in college, and the good feeling and enthusiasm evidenced at the gathering bespeaks a banner year for the college and the Association.

After everybody had shaken hands with everybody else and each others names had been ascertained from tags which were given to every man at the door, and worn on the coat lapel, good feeling reigned supreme and the men lost no time in finding seats around the walls when it was announced that next in order would be a little of that popular and pleasing article, "eats." An able committee under the direction of Parmenter, '14, then dispensed ice cream cones and a varied assortment of cakes which were consumed with alarming alacrity.

Pres. Zinn, '14, of the Y. M. C. A., then gave a short address of welcome, telling of the purpose of the Association and what it hoped to accomplish during the coming year. Dr. Harris was next called upon and gave a very excellent talk, which was appreciated by everyone. The students, new and old, were welcomed to the various churches of Lewisburg in a short talk by Rev. Thomas, who was followed by his son, R. L. Thomas, '08, the former State Secretary of the College Y. M. C. A., and "Bill" Goehring, '12, Secretary of the local Association, both making addresses very interesting and vital to college men.

The occasion marked the initial appearance of the Bucknell Band this season, strengthened by a number of new members and to judge from the quality of music dispensed, it is evident that Bucknell will be able this year to boast of an even better musical organization than ever. The cheering was ably led by Peters, President of last year's Freshman class.

After several cheers the delightful evening was brought to a close with an announcement that a quantity of ice cream and cake was available to those who wished to remain.—and nearly everybody stayed.

An Active Year Planned.

Never in the history of Bucknell have the prospects for a bright and successful season for the Y. M. C. A. been better than this. With the excellent leadership of General Secretary Goehring, who is entering upon his second year in this important position, and with the hearty co-operation of Pres. Zinn, '14, we can predict a year marked for its results in college and Y. M. C. A. work. Every new and old student who has not already done so, should hasten to ally himself with this most excellent feature of college life.

Dr. Phillips Speaks.

At the first Y. M. C. A. meeting of the year held Thursday night, Dr. Phillips addressed the fellows, taking for his subject "Religion and its Tragedy." Taking the life of Jacob and Esau for an illustration the speaker brought to the minds of the men the fact that the elements of character which draw men to an individual and which are the assets of a great future, avail one nothing if he throws away his birthright, which is his life and his possibility of success. A man must not live for his appetite and the things that fade but walk on the same ground that God has trod.

Religion, he said, makes a man live with his appetite under his control and contributes to the bigness of life. No one should put off with the thought of correcting his mistakes. Religion should pervade all life so as to energize it, for only when it finds a place in the life, in those times when habits are not formed, can it find a predominant place.

NOW RIGHT ARM OF THE LAW.

The many friends in school of "Mum" Smith, ex-'15, will be surprised and pleased to learn that he has recently been appointed and sworn in as a deputy sheriff of Kings County, Washington, in which section he has been located for the past year.

FRESHMEN COLLEGE GIRLS AT SEMINARY WERE HAZED

SOPHOMORES WIELD PADDLES AND MAKE THEM PERFORM "STUNTS."

"Freshman out!" was the cry thru the halls of the Sem on Friday night when the Freshies went thru the trying ordeal of being hazed. Each Soph dragged her allotted members of the new class to the gym, where the upperclassmen joined hands to welcome and entertain the newcomers.

Meanwhile the Sophs vanished to appear next, after the lights had been extinguished, in a line of masked and moaning ghosts, armed with paddles and carpet beaters. The presiding officer, Marybelle Lees, seated upon an improvised throne, read a fearful proclamation after which the Freshmen were assigned various stunts, such as discoursing on "the finess of but," four others singing "How green I am" to as many different tunes at the same time, and other equally funny stunts.

After each Freshman had bowed to her fate, the Sophs removed their masques and the rest of the evening was spent in a general good time and friendly spirit.

FRESHMEN WON CLASS SCRAP

SOPHOMORES ARE OUTNUMBERED BUT SHOW PLUCK.

The annual underclass scrap, which was held on the athletic field the first Saturday following the opening of college, resulted in a decisive victory for the Freshmen. Marshalled by their president pro-tem., assisted by a number of Juniors, the first-year men marched onto the field with a determination to win that could not be denied. Although outnumbered by almost a score of men the Sophomores fought stubbornly to the last and took considerable time for the Freshmen to drag the last man across the line. The delegation selected from among the upperclassmen had roped off the field of battle and succeeded admirably in keeping non-participants off the field, giving the large crowd of spectators a better view than usual of the struggle.

WON ELOCUTION CONTEST.

Miss Bertha McCauley, of Brockwayville, a special student in elocution last year, won a signal honor last month when she was accorded first prize in an elocution contest held at Ridgeway, Pa. A dozen competitors, representing various elocution schools throughout the State, took part in the competition, and Miss McCauley's victory attests her ability and reflects much credit upon her instructor and the college.

LARGEST CLASS EVER ENROLLED

ONE HUNDRED AND SIXTY STUDENTS ENTERED B. U.

NEW YEAR BRINGS BIG BOOM FOR OLD BUCKNELL

Many Alterations and Improvements Made in College Biuldings and Several Changes Made in Faculty of Various Schools.

The largest class in the history of the institution has been enrolled at Bucknell this fall, figures at the office of the Registrar showing that over 160 new students entered the classic walls of the college on the Hill last week. New names are being added almost every day and it is expected that by the opening of next term at least 175 new students will have been received.

Of the new students about sixty are of the fairer sex. The enrollments for the Academy and the Institute are about the same as last year, while that of the School of Music is understood to be somewhat larger.

During the summer numerous alterations and improvements were made in the college buildings, especially in the Old Main Hall, where the office of the Registrar has been completely transformed, a drawing room has been fitted up for classes under Prof. Burpee, and a reading room and Athletic Committee room have been provided. A liberal application of paint has greatly improved the interior looks of Main Building.

Several changes and additions have been made this year to the teaching and managing staff of the school. Walter S. Wilcox, '04, who has been principal of the Academy for the past three years, is now the Registrar of the University, filling the office formerly held by Joseph M. Wolfe, '89. Leo L. Rockwell, '07, has returned from a leave of absence covering two years and resumed his position as instructor of German. Perry A. Carls, '13, has been added to the staff of instructors at the Academy, filling the vacancy caused by the resignation of Hedge, '10. In the department of Music Miss Slear, of Sunbury, will teach Piano and Clavier technic, formerly taught by Miss Rice. Miss Way, a former student of the Institute, has taken the position held by Miss Scott as instructor of Art.

Y. W. C. A. NOTES

Two days before the opening of the term, the Y. W. C. A. girls met the trains to see that all new girls reached the Sem and became settled in their college home.

The reception to both old and new girls was held Saturday night when there was ample opportunity for all to become acquainted. The reception took the form of a Harvest Social, at which a general good time prevailed and made all realize that the Y. W. C. A. was very much alive.

On Tuesday evening was held the regular meeting of the Association, led by the President, Rachel Davis, who took as her subject, "Is It for Me?" Many of the new girls responded to the appeal to become members.

Miss Duffield, Student Volunteer Secretary, has been with the girls for several days and has inspired all to work for a Bucknell representative at the Kansas City convention in December. Plans are being made to raise money sufficient to send a delegate.

To-morrow night will be a Kansas City meeting and a general discussion of plans will follow.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

To the members of the Freshman class and all others who have come to Bucknell this fall for the first time, we bid a most hearty welcome, an direct to you this little message.

College life is an entirely new experience to you, something about about which you have heard much but doubtless have seen little. The atmosphere and environs are far different than in high school or "prep" and bespeak Work from the first day of school until the last. Work is what we all are primarily here for and what we must do would we complete our course and be honorably graduated with our class.

Bucknell life is filled with traditions as is every school and is the bounden duty of every man to uphold these traditions to the best of his ability. Student activities are likewise numerous and every man should feel it a duty to himself and to the college to enter at least one and persevere in it until he has accomplished something worth while in that particular line, whether it be athletic, musical, or literary.

Lastly, cherish your own good reputation and the fair name of old Bucknell. Make every act and every deed the best possible and consider well before committing any thoughtless act, "What effect will this have on my reputation,—what effect will this have on the reputation of the college?". It is by the manly conduct of former students that Bucknell has gained its fair name, and it is only by like actions of its students that it can be maintained.

Y. M. C. A. HANDBOOKS.

The Bucknell Y. M. C. A. handbooks of the present year made their appearance early last week and have been distributed among the old and new students. The books are neatly and well gotten up and contain a wealth of information concerning the college and its traditions that is of benefit to men of all classes, plenty of space being also provided for memoranda. The book reflects much credit upon the committee of the Association which had its publication in charge, which was comprised of: Editor, Rishel, '15; Manager, Geiger, '15; Associates, Earle, '15, Malin, '16, and Long, '16.

Owing to the difficulty of seeing every student there are many who have not yet received a copy and those men can do so by applying at the office of the General Secretary.

SCHOOL OF MUSIC OPENS.

The department of Music began this year with very promising material, a large enrollment, and a splendid faculty. Miss Slear is the new teacher who will take charge of the beginners' class in Harmony and teach private lessons in Piano and Clavier Technics.

The Oratorio Society had a very successful rehearsal on Thursday night. Rehearsals are held every Thursday at 7.30 o'clock, P. M., in Bucknell Hall, and you invited to membership.

The team needs financial as well as moral support. Buy a season ticket and give it both.

Buy a Season Ticket—It is your duty as a true and loyal student.

CLASS ELECTIONS.

At the meetings of the four classes of the College held Friday, September 19th, the following list of officers were elected for the ensuing year:

Senior Class.

President—Jesse Riley.
Vice President—Walter Baker.
Secretary—J. W. Rice.
Treasurer—K. W. Ripple.
Historian—John Gehman.
Poetess—Miss Etzweiler.

Junior Class.

President—Frank Whittam.
Vice President—W. L. Moyer.
Secretary—H. Smith.
Treasurer—F. Harris.
Poetess—Miss Miller.
Historian—Miss Lenington.

Sophomore Class.

President—C. E. Glass.
Vice President—Ed. Campbell.
Secretary—Miss Reynolds.
Treasurer—M. B. Cook.
Historian—D. W. Bartholomew.
Poetess—Miss Woods.
Football Manager—James Foley.

Freshman Class.

President Pro Tem—Johnson.
Football Manager—Trust.
Football Captain pro tem—Collins.
Treasurer—Sandel.

SUNDAY MORNING BIBLE CLASS.

Dr. Harris lectured on the General teaching of Christ in respect to morals and said that all teachings of Christ have a natural basis; that the laws of God are exemplified most perfectly in the family. Then the family love, which is the appreciation of the command "Thou shalt love thy neighbor as thyself", is extended to friendships among fellow men and women.

The speaker said that wars are not necessarily expressions of hate but as a rule manifestations of love; Friends enjoy being together while the presence of an enemy makes an uncomfortable feeling which every man seeks to destroy. This is true to such an extent that man will destroy the one causing the unpleasantness. Hence it is true in a sense that "he who hates his brother is a murderer." We should do good to everyone and harm to none.

NO FOOTBALL AT THE PREP.

Owing to the fact that not enough football men could be mustered from the Academy to make up a team that sport has been dropped from the athletic repertoire of the "Prep" for the persent season, and the schedule that had been arranged has been turned over to Assistant Football Manager Rawson, who will have charge of the Varsity second team this year.

ALUMNUS WRITING A HISTORY.

Captain John C. Groff, '05, commanding Co. I, Sixth Regiment, N. G. P., of West Chester, is preparing a history of that command from the time of its organization up to the present time.

NOTICE!

Those who receive the O. B. but who do not wish to subscribe will oblige the management if they will advise to that effect within one month.

The team needs financial as well as moral support. Buy a season ticket and give it both.

See Bachman, '14, at once about a season ticket.

WOMAN'S COLLEGE

Anna Williams, '15, has gone home on account of the illness of her mother.

Beatrice Richards, ex-'08, visited her Pi Beta Phi sisters over the weekend.

Miss Way, a former student of the Seminary, is filling the position of art instructor.

Miss Slear, of Sunbury, is the new member of the Piano department of the institute.

Ramona Lenington, '15, had as her guests over Sunday her father, mother and sister, Mrs. Oliver Gay (Ruth Lenington, ex-'15.)

The initiates of Pi Beta Phi on Saturday night were Dorothy Bunnell, Ruth Embrey, Helen Groff, Sarah Hegerty and Cecilia Kitlowski.

On Friday evening, Sept. 19, Delta Delta Delta initiated Harriet Carpenter, Amy Patterson, Grace Sutton, Louise Trescott, Emma Weddell, Flora Weddell and Blanche Wood.

PHILADELPHIA ALUMNI

NEWS AND NOTES CONCERNING THE QUAKER CITY GRADS.

Fellow Alumnus:

Sometime ago we sent you a copy of the Orange and Blue and Commencement News, with an open letter telling you of the attempt that the Philadelphia Alumni were making to get together and accomplish something for the College. Our letter concluded by asking you to be one of the good red-blooded fellows who were sure to take advantage of the offer made.

We followed that up with postal cards telling you the same thing in a different way.

The burden of our tale then was and still is:

Orange and Blue for 1913-1914,	ALL
Commencement News for 1914,	FOR
One year's dues in Philadelphia Alumni Club,	$1.50

A number of fellows have responded—you write to us, too, and enclose the following order:

Mr. Clement K. Robb, Treasurer,
Centennial National Bank,
Philadelphia, Pa.

Dear Sir:—

I enclose herewith one dollar and fifty cents ($1.50) in payment of my subscription to your combination offer.

.....

Of the 1913 graduates who are seeking their fortunes in the Quaker City, Ralph Still is chasing political news for The Philadelphia Press, Leslie Stout is working in the Franklin National Bank, Paul Wendt is employed in the circulation department of the Curtis Publishing Co., Fay Eshelman and Albert Redelin are entering Jefferson Medical College, and Maxwell Glover who has been working during the summer in the Franklin National Bank will enter the Law School of the University of Pennsylvania.

Stanton (Van Why) Smith, '09, who has been Bucknell representative in Philadelphia and vicinity during the summer, will resume his medical studies at Pennsylvania next month.

Street, '12, and Tegtmeier, '12, are connected with R. G. Slifer, '98, as representatives of the Equitable Life Insurance Co. of Iowa, with offices in the Bulletin Building.

Bretmeier, '10, has been reporting for the Philadelphia Record during the summer. This fall he takes up graduate work at U. of P.

Barnes, ex-'11, is connected with the Instruction Department of the Central Y. M. C. A. He took his A. M. from Pennsylvania last June and is about to resume graduate studies there tending toward a Ph. D. in psychology.

Heacock, '11, who has resigned his position as professor of mathematics and science at Broaddus Institute, has arrived in Philadelphia to begin his course in the U. of P. Medical School.

"Dutch" Woods, '10, has graced Philadelphia with his presence for a few days at a time this summer while on his trips for the University. "Dutch" is Superintendent of Schools at Glassboro, N. J., this year.

J. Weldon Wyckoff, ex-'15, whom Connie Mack considers as one of his promising youngsters who will bring future pennants to Philadelphia, pitched a full game for the American League "champs" on Sept. 24, and won 10-9.

ALUMNUS IN NEW FIELD.

Frank W. Dillon, '98, has accepted a position as business agent and assistant secretary of the Erie, Pa., Board of Trade, which will be 40 years old next spring. He is also still connected with the newspapers in special work. Mr. Dillon is one of a general committee of 20 college and university men residing in Erie who are endeavoring to organize the University Club of Erie. The city and vicinity have 300 or more college graduates, seven being Bucknell men. The club movement was recently launched at an inauguration dinner in the new Hotel Lawrence.

SUMMER WEDDINGS

BEATTIE—SEABRIGHT.

Miss Erma Beattie, of Wheeling, W. Va., and Louis C. Seabright, ex-'12, of Martins Ferry, Ohio, were married during the summer at Wheeling, and after a extensive wedding trip will make their home on South Third Street, Martins Ferry. Farquhar, '12, and Frye, '15, were among the ushers. The bride is a graduate of Oberlin Conservatory of Music and was quite prominent in Wheeling musical circles, while "Sunny," as he is best known to us, is chief draftsman with the Stanton Heater Company, of Martins Ferry.

HARE—SHOLL.

In a pretty lawn wedding at the home of her parents, Rev. and Mrs. Calvin A. Hare, on University Avenue, Lewisburg, Miss Helen Hare, '10, became the bride of James Gurney Sholl, '10, of Pitman, N. J. The ceremony was performed by the bride's father, Rev. C. A. Hare, '77, assisted by the bride's uncle, Rev. J. M. Hare, '85, of Jersey City, N. J. Among the ushers were Goehring, '12, Igler, '12, Davies, '12, and Richards, '14. After a short wedding trip they will be at home at Pitman, N. J.

COBER—ROCKWELL.

The wedding of Miss Vera Cober, '12, and Prof. Leo L. Rockwell, '07, was an event of the summer at Dayton, Ohio, the home of the bride. The ceremony was performed in the Memorial Baptist church by the father of the bride, Rev. A. A. Cober, '96. Mr. and Mrs. Rockwell are now residing in Lewisburg, the former having resumed his position on the faculty of the University as an instructor in German language after a two years' leave of absence.

LINCOLN—LAWSHE.

Miss Marie Lincoln, of Mifflinburg, was united in marriage last Wednesday at the home of her parents in that place to Edwin Irland Lawshe, '09, of Altoona. After a wedding trip spent in the South the young couple will be at home in Altoona, where the groom is employed in the laboratory of the Pennsylvania Railroad.

WHEELER—ARMSTRONG.

Jessie June Wheeler, '04, who has been teacher of English in the Erie, Pa., high school for several years, is on her wedding trip in the West and along the Pacific coast. She was married in August to Mr. Edwin J. Armstrong, a manufacturer, and will reside at No. 954 West Ninth Street, Erie, Pa., after October 1st.

KOLB—TYSON.

Miss Alice L. Kolb, who will be remembered by many friends here, was married August 20 to James Arthur Tyson, '11, at the home of her parents in Montgomery, Ala. The young couple are now at home to their friends at 323 George Street, Williamsport.

HASTINGS—HUMPSTONE.

Mr. and Mrs. Sinclair Graham, of London, England, recently announced the marriage of their daughter, Mabel Louise, to Dr. John Humpstone, '71, pastor of the Emanuel Church of Brooklyn, N. Y., which took place in London on July 10th.

MEEK—LONG.

Miss Grace Meek, '06, was married September 24th at her home in New Kensington to William Long, a prominent architect of Punxsutawney.

ELECT L'AGENDA MANAGER.

The Junior class held a special meeting in Bucknell Hall last Friday afternoon and elected Roland K. Hoke, of Emmittsburg, Md., as manager of the 1916 year book, to fill the vacancy caused by the resignation of Michael, who had been elected to the position last spring.

At the meeting Nichols, a new member of the class, was elected Class Chaplain.

NEW FRAT HOUSE.

Ground was broken late last month for the new chapter house for the Delta Theta Upsilon fraternity on their property near the Bucknell laboratory. The structure will be of brick and will have all modern conveniences, and its completion will be rushed right through.

HILL GOSSIP

Rockey, '12, recently visited his D. T. U. brothers.

Corrin, ex-'16, is visiting his S. A. E. brothers for a few days.

McNeal, '12, who is reading law at Towanda, is spending his vacation in town.

Steele, '08, was in town for the Sholl-Hare wedding. He is now teaching at Clarion.

E. F. Gilbert, '04, and wife, of New Castle, recently visited relatives of the latter in town.

Rev. R. M. Hunsicker, '82 filled the pulpit of the Baptist church one Sunday during the summer.

Hedge, '10, has resigned his position in the Academy to take up Y. M. C. A. work in Philadelphia.

Lesher, '11, of Washington, D. C., spent the opening days of college with his Phi Gamma Delta brothers.

Miss Grace Royer, '08, who taught last year at Mifflinburg, is now instructor of Latin in the Athens high school.

White, '13, spent several days in town before going to Pittsburgh to enter the University of Pittsburgh Law school.

Reiter, '13, spent several days on the Hill before going to Bellefonte where he will teach science this year in the Bellefonte Academy.

Redelin, '13, and Eshelman, '13, visited their S. A. E. brothers recently, enroute to Philadelphia to enter Jefferson Medical school this fall.

Robinson, '12, was here to see the opening football game. He is now head of the department of mathematics of the Shamokin high school.

Prof. C. G. Fries, '09, of the college faculty, underwent a very successful operation for appendicitis at the Williamsport hospital during the summer.

Miss Eva Himmelreich, '12, has resumed her duties as teacher of the high school after spending the summer at her home in Lewisburg.

Baldwin, '09, Beemer, '10, McAnulty, '11, Murray, '13, and O'Leary, ex-'13, visited their Kappa Sigma brothers during the first few days of school.

Farquhar, '12, was operated on during the summer for appendicitis and has sufficiently recovered to resume his studies in the U. of P. Medical school.

Speare, '15, who is coaching the Lewisburg high school football team, took his aggregation to Mt. Carmel Saturday where it was decisively defeated by the high school team of that place.

Davies, '12, a former editor of the O. & B., was a recent visitor on the Hill. He is now located in Philadelphia and employed as manager of the Employment Bureau of the Central Branch of the Y. M. C. A.

Ben. Harris, '13, has gone to Randolph, N. Y., where he will teach Science and Literature and have charge of the coaching of the football and track teams in the Chamberlain Military Institute.

Rev. C. S. Keen, '99, and wife and son, of Nanking, China, were recent visitors on the Hill. For the past ten years Dr. Keen has been in charge of a mission is the Eastern Empire and is now with his family enjoying a vacation in his home land.

Harry McCormick, ex-'06, of New York, a member of the famous New York Giants, the wonderful baseball club which is just about finishing another season at winning the pennant in the National League, was here last week for a brief visit among old friends

Jordan, '13, visited his Phi Kappa Psi brothers for a few days before leaving for Deland, Fla., where he will be head coach of all athletic teams of John B. Stetson University. He was accompanied by Dunkle, '12, who will pursue post-graduate law work and assist in coaching football at the Southern school.

THE COLLEGE BIBLE CLASS.

The College Bible Class meets on Sundays at 9.30 A. M., in the Baptist church. The general subject will be "Present Day Problems in the Light of Christ's Teaching", and will cover a wide range. A feature during the coming year will be addresses to the class by prominent speakers from neighboring cities. The teacher is President Harris, and all students are invited to attend.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, OCTOBER 6, 1913. NUMBER 2

LEBANON VALLEY BOWS TO BUCKNELL'S ATTACK

VISITING TEAM FAILS TO MAKE SINGLE TALLY.

VARSITY EXCELS IN EVERY POINT IN GAME

Orange and Blue Varsity Played Much Better Game Than Previous Saturday.—Result of Game Never in Doubt.

Before one of the largest crowds that ever witnessed an early-season game on the Bucknell campus the Orange and Blue warriors defeated Lebanon Valley college Saturday afternoon by the score of 46 to 0.

The heavy visiting team, which includes in its line-up Wheelock, the Carlisle Indian star, put up a hard fight to check the onslaughts of the Bucknell team, but the superiority of the Orange and Blue machine asserted itself after the first few minutes of play and from then on the result of the contest was never in doubt, although the game was at all times exciting and intensely interesting.

The playing of Bucknell was altogether different from that exhibited in the game the week before. With the exception of a few fumbles, there was very little loose playing such as characterized the first game, and this fact alone augers well for a successful season. The presence in the game of "Tip" Topham, the speedy little fullback of the past two seasons, seemed to give the team additional confidence, and although he was only in a part of the time he was of material assistance in rolling up the large score. Platt, a freshman from Dubois, was shifted during the past week to right tackle, and he showed up well in the new position.

Bucknell was especially successful in the use of the forward pass. The Orange and Blue made ten attempts, and of these six were successful and netted the team a total of 125 yards. Lebanon Valley did not try the forward pass. They succeeded in getting only one first down. Wheelock, the Carlisle Indian, being the only consistent ground gainer on the team. Cruikshank, Gdaniec and Topham all made big gains for Bucknell.

On account of the hard battles with Princeton and Cornell which the Varsity will negotiate during the next few weeks Coach Dickson did not wish to run any more chances than were necessary of having his first string men injured and so made many substitutions during the last quarter of the game. He was well pleased with the showing made by several of the second string men.

Two fumbles and an unsuccessful forward pass prevented the Orange and Blue from scoring two touchdowns in the first quarter. Lebanon Valley kicked off, and Bucknell soon had the ball advanced to the opponents' five-yard line. Here came the first fumble, and it meant the loss of a touchdown. A second fumble came within five minutes, and Lebanon Valley recovered the ball for the second time. The quarter ended with the ball in the visitors' possession on their 32-yard line.

In the second quarter Bucknell soon obtained the ball and made 31 yards on a forward pass. A fumble gave the ball to Lebanon Valley. They were soon compelled to kick, however, and Topham, receiving the ball, eluded the whole Lebanon Valley team and carried the ball to the line. Here the ball was fumbled, but Hern recovered it and scored the Orange and Blue's first touchdown. Topham kicked the goal. Lebanon Valley then kicked off to Topham, who ran 35 yards before being downed. Here the forward pass was again successful, and Topham romped over the line for another touchdown. The third touchdown came within three minutes of the second, Keiser taking the ball over that time.

Bucknell ploughed through the visitors' line and around its ends at will in the last half of the game. Cruikshank added one to Bucknell's collection of touchdowns after Sturgis had carried the ball thirty yards and a forward pass had netted ten more. Platt kicked the goal. A 35-yard gain by Gdaniec and a spectacular forward pass to Sturgis gave the Orange and Blue another six points.

The fourth quarter was practically a repetition of the third, and the visitors were completely outclassed. A big gain by Gdaniec and a forward pass placed the ball on the Lebanon Valley 30-yard line. Here Shipman caught a forward pass in back of the line, giving Bucknell a touchdown. A few minutes later Donaldson blocked a kick on the visitors' 20-yard line, and carried the ball back for the final touchdown.

The line-up:

Bucknell.		Lebanon Valley.
Shipman	Left end	C. Suarely
Hern	Left tackle	Mackert
Reading	Left guard	Mickey
Shaffner	Center	Vonberghy
Fisher	Right guard	Dehuff
Platt	Right tackle	Stratton
Sturgis	Right end	E. Suarely
Cruikshank	Quarterback	Lerew
Keyser	Left halfback	Donahue
Gdaniec	Right halfback	Wheelock
Topham	Fullback	Pell

Touchdowns—Topham. Keyser, Cruikshank, Hern, Sturgis, Shipman and Donaldson. Goals from touchdowns—Topham, Platt 3. Substitutes—Bucknell: Sturgis for Topham, Archer for Sturgis, Markle for Hern, Aleshoukas for Sturgis, Rogers for Archer, Saunders for Fisher, McWhinney for Shipman, Donaldson for Shaffner, Whitted for Reading; Lebanon Valley: Huber for Mackert, Bachman for Stratton. Referee—Wolfe, Cornell. Umpire Church Bloomsburg S. N. Time of quarters—12 minutes.

PEE-RADE AND SEND-OFF FOR VARSITY NEXT FRIDAY

STUDENTS WILL CHEER TEAM ON DEPARTURE TO FIGHT THE TIGER.

Next Friday afternoon at 4:00 o'clock it is desired that every man in college be at the Athletic field, to form into a mammoth pee-rade, march to the P. & R. station, and give the Orange and Blue warriors a rousing send-off on the journey to meet Princeton in the New Jersey town Saturday.

The Bucknell band will be out in uniform on this occasion and will lead the procession from the college campus to the railway station. It is hoped that every man on the Hill will respond to the first call and appear on the field with pennant and armbands, ready to march to the 4:50 train and with lusty cheers assure the football men that we are with them body and soul, confident that they will fight to the finish and bring back honor to Old Bucknell.

SONG BOOK NEARLY READY.

The new Bucknell song book is expected to arrive from the printers within a few weeks when it will be sold to those who subscribed for them last year at $1.00 per copy. All Freshmen and members of other classes may secure copies at the price by subscribing now. After the first day of sale the books will positively not be sold for less than $1.25. Hand your subscription now to Sect. Goehring or Glass, '16.

FORMER COACH TRAINS RED SOX

KEEPS BIG LEAGUE PLAYERS IN CONDITION.

"DOC" HOSKINS HAS MADE GOOD IN HIS NEW ROLE

Success Due to His Interest in Athletes and Untiring Efforts.—Coached Many Record Makers While Here.

Friends of George Hoskins, who was for more than ten years Bucknell's athletic coach and trainer, will be glad to learn of his success in his present position as trainer for the Cincinnati baseball club of the National League. George, as he was affectionately called by all Bucknell men who were trained by him, entered upon his present duties at the beginning of the 1912 pennant race. Cincinnati was not then, and is not now, a team of championship calibre; but Hoskins cared for his men so well that the team physically was always in excellent condition.

At the beginning of the present season, it will be recalled, "Joe" Tinker, who had long been Chicago's star short stop, became manager of the Cincinnat team. He wanted to take with him to Cincinnati the Chicago trainer; and when the latter had trouble with the new Chicago manager and was discharged, it was commonly supposed that Tinker would engage him. In fact Tinker was about to do so when the men of the Cincinnati team came forward with a petition asking for the retention of Hoskins. The latter had so won their confidence and friendship that they wanted no other trainer, no matter how able or famous he might be. Of course George stayed with the Cincinnatis.

Bucknell athletes who were in college during the decade of Hoskins' service here, will understand perfectly why the Cincinnati ball players wanted Hoskins retained. In his desire to see his men well conditioned and the college successful in sports, Hoskins was willing to go to any lengths of service. He not only planned the plays and directed the games and practice, but he was willing to do the most menial sort of work. He personally rubbed his men down before and after games, and none of his old men will ever forget how George used to go to the hill every night to "put his athletes to bed." This meant an additional task of rubbing sore muscles. When funds were scarce, as they generally are in the athletic association treasury, Hoskins would appear on the track in spring with rake and roller and personally put the field in good physical shape.

That one who works so faithfully should achieve success goes without saying. George Hoskins came to Bucknell in the fall of 1899 and was here during the first decade of the present century. During those years Bucknell achieved in athletics the greatest successes she has ever won. It is interesting to compare scores. Bucknell annals for the years shortly preceding Hoskins' incumbency show such football scores as: U. P. 10, Bucknell 0;: Cornell 54, Bucknell 0, and many others of an equally one-sided nature. Soon after his coming one finds such scores as these: U. P. 6, Bucknell 6: Cornell 6, Bucknell 0. Those who were undergraduates at the time these scores were made will recall, what the record does not show, that these six points were made by the winning colleges only after the most desperate play, and sometimes after the tired Bucknell men had had to face an entirely new line-up during the latter parts of the games; for there were many of these desperately close games. Yale, Cornell, Pennsylvania, West Point, the Navy, and other big institutions all learned to respect the prowess of Bucknell.

In track athletics Bucknell achieved many triumphs during the incumbency of Hoskins. The record for the 100 yard dash was lowered to ten seconds; the 220 dash to 22 1-5 seconds; the 440 dash to 52 seconds; the high jump record was raised to 5 feet 11 inches; the pole vault to 11 feet; the shot put to 42 feet 5 inches; all by men trained by Hoskins. And some of the track teams were the best that ever represented the college, the team of 1902 being particularly able. In that year Bucknell met Dickinson, Carlisle, and Lafayette, all of whom had fair teams. The scores of all the meets, all in favor of Bucknell were respectively 80-24, 75-29, and 81-23. During this period, also, Bucknell was winning her races at the Pennsylvania relay races regularly.

Athletics at Bucknell occupy their present advanced position largely because of the tireless and faithful ministrations of George Hoskins; and the many friends of the latter will rejoice that he is achieving such success in his new field.

FIRST MASS MEETING

CHEER LEADERS ELECTED BY ENTHUSIASTIC CROWD.

Bucknell Hall was the scene of a fairly large sized and very enthusiastic mass meeting Thursday evening. The meeting was opened by Riley, president of the Senior class, and an election was conducted for head and assistant cheer leaders. Windsor, '15, received the largest number of votes and was elected head cheer leader, while Fahringer, '15, and Lowther, '14, were accorded the next highest number of votes and declared assistant cheer leaders.

Although there were but few members of the Varsity football squad present the short speeches that they gave evoked much enthusiasm and the men were greeted by hearty cheers. Darlington, ex-'03, was present and in a short address urged the students to support the team by buying season tickets, and assured the fellows that a special train would again be run to the Gettysburg game at Harrisburg next month.

The college band was in attendance and discoursed excellent music during the meeting. A number of special speakers from the faculty could not be on hand as expected. Another mass meeting of all students is being planned for the near future when a much larger attendance will be expected.

TO GRANT EXCUSES TUESDAY

The Registrar of the University wishes to announce that students may obtain excuses for absence from classes from him on Tuesday mornings only of each week at his office in the Main Building.

FAHRINGER, '15, LEADS BAND.

Fahringer, '15, has again taken charge of the Bucknell band as leader. Houser, '16, who led the organization last year, is now playing with a Milton orchestra.

MANY CANDIDATES OUT FOR VARSITY

THREE TEAMS PRACTICE ON GRIDIRON DAILY.

COACH "BY" DICKSON PLANS ANOTHER SUCCESSFUL TEAM

Development of Team Has Been Slow Because of New Players.—Men Will be Given New Plays This Week.

The fact that it has been necessary to "break-in" several new men to fill the positions left vacant by the graduation of four of Bucknell's Varsity squad last summer has compelled Coach "By" Dickson to go slow in developing this year's Orange and Blue team, and it will probably be a week or two before the Varsity is going at top speed.

During the past week Coach Dickson gave more time than usual to the rudiments of the game, giving the linemen considerable practice at falling on the ball, and tackling, the latter department having appeared especially weak in the practice scrimmages. The plays used by the Varsity thus far have been only those used during last season, but new plays and formations will be given to the men during the coming week in preparation for the battle next week with Princeton.

Material aid has been given Coach Dickson in developing a successful eleven by the daily presence on the field of three full teams against which the Varsity lines up daily for a scrimmage.

In writing for the Lewisburg Saturday News, R. M. Darlington, ex-'03, says: "There was rejoicing in the Bucknell camp this week when Tip Topham put on a uniform for the first time this season, and got into the scrimmage work. His first night out he booted the ball on several trials for more than sixty yards.

"Very few men on the Bucknell team are very sure of their places. The line candidates are having a great battle. Reading, Hern and Schaffner are playing a faster game than a year ago, and should hold their places. Hern and Schaffner are very srtong and get down the field with the ends. These three players are almost impregnable, but on the other side of the line at guard and tackle new men will have to be developed.

"Fisher and Platt, Freshmen, look very good, both being over six feet and weigh more than 200 pounds. When they learn a little more about the college game they should make stars. They are having a hard fight for their places, as Markle, Felton and Sanders from last year's second team and Felton, from last year's Academy, are playing good ball.

"Sturgis is playing a wonderful game at end. His work on the defensive is the best of any Bucknell end since the days of Barrett.

"In the backfield the Orange and Blue has the sterling quartette who

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year, $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

One of the greatest encouragements of the football season is a large and enthusiastic crowd of students present at practice. At no time in Bucknell's history have prospects been so bright for a successful football season. In the first two games 80 points have been scored by the Orange and Blue, while our own goal line has not yet been crossed. An unusually large number of candidates are competing for places on the Varsity. Each day's practice shows a decided improvement in the work of the team, and chances are indeed favorable for victories in the big games to follow. But the team cannot do its best without the hearty co-operation and earnest support of the student body. A little applause is a good thing, but it has none of the blood-stirring qualities possessed by enthusiastic, hearty, resounding cheering. A full attendance at the practices and plenty of hearty, spirited cheers will show the team that the students are behind them to a man and will spur them on as they battle for the "College on the Hill." Let every man in college support the team by his presence at practice and by his cheers.

PROF. STEWART THE SPEAKER.

Prof. Stewart used for his subject "Loyalty" when he addressed the Y. M. C. A. last Thursday evening. He laid special emphasis on less loyalty to material things and more to the greatest of friends, Jesus Christ. "It is one thing to walk around in a large crowd and it is another to be satisfied with abiding friendship, the nearest earthly approach to which is marriage. The characteristic of real true friendship is that when ever you approach your friend you find him always the same; open-hearted, sincere and willing to serve. It is perfectly natural to crave such a friendship. Materially, we are like a ship; we demand a rock on which to anchor. Nothing makes a better anchor than high and lofty principles of life; to line-up with some great cause. The material things did not count with Jesus. Since the earthly institutions to which we belong fail us, we should always anchor in loyal friendship to Christ and we in return will find Him loyal.

SMALLPOX EPIDEMIC AT SWARTHMORE COLLEGE

FACULTY, FOOTBALL TEAM, AND MANY STUDENTS ARE VACCINATED

Members of the faculty, the football team and more than 300 students of Swarthmore College were vaccinated Saturday and Sunday, after it was discovered that an assistant professor and his wife were suffering from smallpox.

The patients are Joel Thomas, assistant to Doctor Trotter ,professor of biology, and Mrs. Thomas. They became ill Saturday and their cases were diagnosed as smallpox by Dr. F. J. Kistler and Doctor Martin.

On account of the condition of the football players it is rather doubtful if the annual game between Swarthmore and Penn which is scheduled for next Saturday, will be played.

FEW CHANGES MADE IN NEW FOOTBALL RULES

SEVERAL SLIGHT ALTERATIONS AFFECTED BY RULE'S COMMITTEE.

College football this fall will conform in practically every respect with the code of rules which governed the sport last season.

The football rules committee, in session during the summer, made a few changes for the season of 1913. What few alterations were made proved of a technical nature and for the most part served only to make the wording of the rules more clear.

One somewhat important change will permit the kicker to stand at any distance from the line of scrimmage when booting the ball intead of at least five yards back, as heretofore. It is expected that this will put a premium on quick kicking from directly behind the forwards and add a new feature of always welcome uncertainty.

Another alteration makes possible unrestricted substitution in the last or fourth period of the game. Previously men who had been removed from the game could not again be put in play except at the beginning of some subsequent period.

It often happened that an unexpected substitution was necessary in the last period, but under the rules no one who had before taken part in the contest could be used. The rule relating to substitution was therefore changed to read: "Player may be returned once at the beginning of any period or at any time during the fourth or last period."

A specific penalty has been placed upon advancing the lines in case of a punt-out. In this case the punter's angle will be moved five yards away from the nearest goal post along the goal line. If the punter-out makes a deliberate attempt by a feint to draw the opponents off-side the referee must not permit him to kick the ball until the opponents have had time to return behind the restraining line.

In the rules regarding the conduct of players after a forward pass or after a forward pass or after a kick insertion of the words "after the pass has been made" now makes it clear that players may interfere with one another until the pass is actually made.—Exchange.

MANY CANDIDATES OUT FOR VARSITY.

(Concluded from first page.)

have been the Varsity backfield since they entered college three years ago consisting of Crulkshank, at quarterback, who in addition to being a good open field runner can throw the forward pass a distance of forty yards. Topham, the diminutive fullback, is a wonder at open field work, one of the hardest tacklers on the team and a punter and drop-kicker of the highest class. Gdaniec and Captain Keisser are the halfbacks, two of the best Bucknell ever had at one time, both hit the line hard and when they are backing up the line very few of the opponents pass the second line of defense.

"The bright part about Bucknell's prospects for the season is the great number of good candidates for the positions back of the line and the ends. Outside of the players mentioned above, Aleshoukas, a veteran of three years, is trying for a backfield berth. Glass, from last year's Freshmen team, is developing into a good quarterback with Sullivan and Dirizulatis making strong fights for places. Hopler, Mahoney and Weddell are strong candidates for ha back and fullback.

"At the ends Shipman and Archer are having the greatest fight of any players on the team to be a running mate to Sturgis. Both of these players are exceptionally good on both the defense and offense. Marshall and Ritchie are playing good ball on the extremities, and will be heard from before the season is over."

ADDRESS BY J. G. READING, ESQ.

On Sunday the 19th John G. Reading, Esq., of Williamsport, will address the College Bible Class in the Baptist church. The exercises of the class begin at 9:30 and close at 10:15 and every student is urged to attend.

PHILADELPHIA ALUMNI

There will be a general get-together meeting of the Philadelphia Alumni the first week in October. The expense will be nominal. We expect at that time to talk over the plans for the coming year.

Make arrangements to come both for the help you will give and the help you will get.

Further particulars will be forthcoming in subsequent issues of this column.

(Up to the time of going to press no copy has been received for this department from those who have it in charge. It is hoped that we may publish an extra-large amount of news from the Philadelphia alumni next week.—Editor.)

YOUNG COUPLE ELOPE

FORMER WELL-KNOWN STUDENT "SLIPPED ONE OVER."

Under a Wilkes-Barre dateline of Sept. 29, the following appeared in a Philadelphia paper:

"After their parents had refused to consent to their marriage, Miss Anna B. Evans, nineteen years old, of Nanticoke and Frank Kerstetter, 20, ex-'13, son of a wealthy lumber dealer of the same place, went to New York, where they were married. News of their wedding came in a telegram sent to their parents today in which they asked forgiveness and parental blessing.

"Kerstetter and Miss Evans have been sweethearts for several years and the young man who has been a student at Bucknell, asked permission to marry, but the parents on both sides opposed the match and suggested that the couple wait a few years. Kerstetter and Miss Evans left Saturday and nothing was known of their whereabouts until the message was received to-day telling of their marriage."

WEDDED DURING SUMMER.

Eduardo Maldonado, a graduate of the Bucknell Academy last June, and Miss Helen Miller, daughter of Mr. and Mrs. Edward Miller, of Lewisburg, slipped away to Baltimore, Md., and were married by Rev. Neilly on June 27.

The home of the groom is in Merlidia, Yucatan, Mexico, but he attended school at Bucknell for a number of years. The young couple are now living in State College where the former has enrolled as a student in the agricultural department of the institution.

YARNALL—VORSE.

Miss Emma Yarnell, of Ardmore, was married in June to Albert O. Vorse, '0. They are now at home to their friends at Glenn Road, Ardmore.

WOMAN'S COLLEGE.

Grace Rossiter, '13, visited in the "Sem" Tuesday.

Ruth Overfield spent the week-end with relatives in Sunbury.

Mr. and Mrs. Birth visited their daughter, Jennie, '17, over Sunday.

Ruth Edwards, '14, spent the week-end at her home in Williamsport.

Frances McNall, '14, entertained her mother and her grandmother over Sunday.

Dean and Mrs. T. A. Edwards were guests at dinner in the Seminary on Friday evenig.

DEATH OF MRS. JONES.

Mrs. Mary Bliss Jones, widow of the late Jonathan Jones, '68, at one time principal of the Bucknell Institute, and a daughter of the late Geo. . Bliss, a former resident of Lewisburg and professor at Bucknell, died at her home in Chester on Monday. She was aged sixty-eight years. Her remains were brought to Lewisburg Thursday for burial. Services were conducted by Dr. John T. Judd.

ENTERTAINED AT DANCES.

Phi Gamma Delta fraternity entertained at a dance in the armory on Thursday evening. The Grange orchestra furnished the music.

Sigma Chi fraternity gave a very enjoyable dance in the armory last Friday evening. Music was supplied by the Grange orchestra.

GAVE RECEPTION FOR NEW COLLEGE STUDENTS

BAPTIST C. E. SOCIETY GAVE A DELIGHTFUL ENTERTAINMENT FRIDAY.

The college men and women were entertained by the Christian Endeavor Society of the Baptist church at a social in the church parlors last Friday evening. An unusually large crowd attended the social this year. The guests were divided into groups, each of which represented a prominent college. Each groupe wore arm-bands and gave yells for the college they represented. The many novel yells given furnished no little amusement.

The following program was well rendered:

Vocal solo—Miss Wilma Knapp.
Setting from "The Hunch Back"—Mr. Campbell and Miss McGee.
Violin Quartett—Misses Armstrong, Prescott, Jones, Mr. Wolfe.
Two short selections—Miss Wood.
Vocal solo—Miss Williams.
"Speech on Woman Suffrage"—Miss Cooper.

After the completion of the program, light refreshments were served.

Y. W. C. A. NOTES

Watch for posters for the Y. W. C. A. candy sale which will be held down town soon. All sorts of home made candy will be on sale.

Miss McKay, of Philadelphia, will be the speaker at the meeting tomorrow night. There will also be several new features during the meeting.

Great enthusiasm is being shown by the girls in reference to the Kansas City convention. There is no doubt that Bucknell will be represented there as such enthusiasm must accomplish its purpose.

The Y. W. C. A. girls gave a circus for the girls Saturday evening. The main features were the parade with comb band, elephants, camels and giants, the three rings and side shows. Class and college spirit was shown in the "yells" with which the party ended. Ice cream cones, pop-corn balls and the like were on sale for the girls who had brought their pennies.

COLLEGE BIBLE CLASS.

At the college Bible class Sunday morning Dr. Harris spoke on the second phase of the great moral law "Thou shalt love thy neighbor as thyself," showing how the law implies a rational self-love in everyone. The lack of this self-love evidences itself in the lack of self-confidence while too much self-love results in selfishness. Inasmuch as we must know before we can teach we must love before we can express our love outwardly toward others. Evil springs from all kinds of excessive love. Dr. Harris concluded by saying there are three manisfestations of self-love, first, self-respect; second, self-development and third, self-expression.

CHANGE IN PREP FACULTY.

In addition to the changes in the faculty of the various departments of the university noted in the issue of last week the following have been added to the staff of instructors at the Academy, filling vacancies caused by resignations: Fred Igler, '12, E. L. Rogers, Kimber Boyer, and E. B. Glover.

INTERCOLLEGIATE

The football squad of Pennsylvania State number about 110.

By an action of the trustess of Bryn Mawr, the number of students is limited to 400.

Williams College has a total enrollment of 493, which is the smallest in the past eight years.

President Swain of Swarthmore was elected president of the National Education society on July 10th.

Prof. J. P. Jackson, former dean of the Engineering school at State, has been appointed state commissioner of labor.

One hundred and sixty-six men from Carnegie Tech., aggregated wages amounting to $34,350.00 during the summer.

The University of Chicago, has appointed Toyokichi Iyenagee, Ph. D., a Japanese, professional lecturer in Political Science.

HILL GOSSIP

Glover, '14, spent last Saturday in Williamsport.

Buy a Season Ticket—It is your duty as a true and loyal student.

Hill, ex-'16, was down from Williamsport for a few days last week.

Haman, '17, was visited by his parents and aunt from Eagles Mere on Sunday.

Wendt, '13, of Philadelphia, spent the latter part of the week with his S. A. E. brothers.

The team needs financial as well as moral support. Buy a season ticket and give it both.

Willard M. Bunnell, '97, prothonotary of Luzerne county, is a candidate for mayor of Scranton.

Have you secured that season ticket yet? An initial payment of two dollars will get one from Bachman, '14.

A large number of people from Sunbury and Milton were here Saturday to see the victory over Lebanon Valley.

C. D. Wolfe, '93, was the successful Republican nominee for prothonotary of Union county at the recent primaries.

Rockey, '12, of Liverpool, and Hollenbaugh, '12, of Williamsport, spent the week-end with their D. T. U. brothers.

A. M. Weaver, '05, principal of the Williamsport high school, spent Saturday with his Phi Gamma Delta brothers.

Lyne, '14, has returned to school after a short trip to England. "Louie" made the trip as a cadet on a large ocean liner.

Henszey, who has been visiting at the Phi Kappa Psi house for several weeks, returned to his home in Philadelphia to-day.

Coughanour, ex-'15, who had entered the Jefferson Medical college at Philadelphia, spent the week-end with his Phi Psi brothers.

"Vic" Schmid, '12, is coaching the various athletic teams of Johnstown High school and has charge of the Draughting Department.

Dr. Mary Wolfe, '96, of Philadelphia with her mother, Mrs. Charles S. Wolfe, have returned to Lewisburg where they will reside.

Sprout, '12, was on the Hill for a few hours today. He is enroute to Baltimore to resume his medical work in Johns Hopkins.

The pulpit of the Evangelical church of Lewisburg was filled Sunday morning by Fahringer, '15, and in the evening by Prof. Hamblin, of the faculty.

Perley, ex-'13, who was graduated from Allegheny college last June, is an instructor in mathematics at Sharon high school and is coaching the football team.

Prof. Carl Millward, '06, for several years assistant principal of the Milton high schools, was elected principal by the schol board of that town recently at a salary of $1200.

Hon. J. Warren Davis, '96, who was recently appointed a United States District Attorney, presided over the Democratic Gubernatorial convention which recently was held in Trenton, N. J.

Y. M. C. A. NOTES

Prof. Davis will address the men next Thursday evening at nine o'clock. A good crowd should turn out as he always has something vital to every college man.

An orchestra of eight pieces has been formed and they will afford music at the next meeting.

A call will soon be made for men interested in dramatics. The Play Committee expects to present several productions during the college year.

The annual conference of the Student Young Men's Christian Associations of the Middle Atlantic States was held at Eagles Mere, Pa. from the thirteenth to the twenty-third of June, this year. Practically all of the Middle Atlantic colleges were represented by nine men last June but because of the nearness of the conference grounds we should have twenty-five fellows at Eagles Mere next spring. Determine in the early part of the year to attend the next annual gathering.

$5.00--A Special Lot of All-Wool Serge Dresses

In the best shades of blues, browns and black, with trimmings of braids and buttons. THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, OCTOBER 13, 1913. NUMBER 3

SCORED ON TIGERS IN EXCITING GAME

HELD WORLD'S CHAMPIONS TO A CLOSE SCORE.

BUCKNELL'S FORWARD PASSES A REVELATION TO OPPONENTS

Varsity Threw a Scare Into Tiger Camp.—Sturgis Made Touchdown on Forward Pass.—Team Does Excellent Work.

Bucknell met Princeton on the gridiron Saturday afternoon and, according to the New York World, they "threw a full sized scare into the Tiger camp." From beginning to end the contest was a gruelling, hard-fought battle, and in the opinion of the several thousand spectators gathered in the Princeton stadium, the Orange and Black was exceedingly fortunate in getting away with the long end of a 28-6 score.

Princeton, flushed with a 69-0 victory over Fordham the week before, was anticipating a rather easy victory, but events proved them sadly mistaken. Never before did an Orange and Blue team fight so stubbornly as did the Bucknell warriors last Saturday afternoon. Unable to make any great gains by long end runs because of the slippery condition of the field, they nevertheless battled like eleven demons from the first to the last whistle, and Princeton fought, and fought hard, for every inch she gained. The thirty Bucknell rooters went wild with joy in the first quarter when Sturgis caught a forward pass hurled at him by Cruikshank and dashed 40 yards for the first touchdown made against the Tigers this year.

The punting of "Tip" Topham was one of the features of the game, the Bucknell wonder easily outclassing the famous "Hobey" Baker in this spect. Several times the game seemed to be narrowing down to a booting contest between the two stars, but Topham always came out victorious. The average length of his punts was 50 yards, while Baker's averaged only 22 yards.

According to the New York Herald, "Bucknell surpassed Princeton in every department of the game except in end runs and line plunges, while the use of the forward pass by the Pennsylvania visitors was superior to anything of its kind seen on the Princeton field in years." The Orange and Blue warriors were especially hard tacklers. Topham sending big Streit five feet in the air in the second quarter and forcing him to retire from the game until the next period.

Bucknell gained most on the forward pass, and if the field and the ball had not been so slippery, the Tigers would probably have been decisively defeated. In all the Orange and Blue tried 21 forward passes, four of which were successful, while several others were missed by inches.

Gdanlec proved to be the best Bucknell ground gainer on line plunges. The Orange and Blue took good advantage of the wide-open Tiger defense to send the husky half-back through the line and "Joe" frequently showed his heels to opposing tacklers.

Streit scored for Princeton three minutes after the game began. He hit the Bucknell line at the same time that the referee's whistle sounded for a penalty on the visitors. The coincidence seemed to discourage the Bucknell defense for an instant, and Streit ambled down the field for a touchdown. Capt. Baker kicked the goal, and it looked like a walkover for the Tigers. Within two minutes after the next kick-off, however, Stewart Baker fumbled and Bucknell promptly showed a real offense. Cruikshank opened a fusillade of forward passes that the Princeton defense could not touch, Sturgis each time receiving the ball. Topham failed in two tries at a field goal and then Cruikshank sent a beautiful long toss to Sturgis, who ran 40 yards past the Tiger's secondary defense for a touchdown.

Under the sting of this score the Tigers fought hard the rest of the half, and, due to the great line plunges of Streit, made another touchdown.

In the third quarter the Tigers again used Streit to tear the Bucknell line and he frequently made gains of from 10 to 20 yards. The Orange and Blue fought with all the power that was in them, but slowly and irresistibly the great Tiger machine swept down the field until it came to the Bucknell 2-yard line. The Orange and Blue defense exerted every muscle, but weight was the deciding factor, and the Orange and Black scored another touchdown

The fourth period yas practically a repetition of the third. During the

(Continued on second page.)

ALUMNI PROMINENT IN WORLD'S SERIES GAMES

"BIG SIX" MAINTAINS TITLE OF WORLD'S MASTER TWIRLER.

The eyes of the baseball world have been centered during the past week on one of Bucknell's former students and athletes, "Christy" Mathewson. With him two other Bucknellians also figured in the World's Championship games, McCormick, also of the Glants, and Wychoff, of the Athletics.

The work of Mathewson during the recent series brought words of praise from sporting writers throughout the country while he was again demonstrating that he is the world's greatest pitcher.

He pitched two marvelous games, the first one a shut-out 3 to 0 against Plank, was the third time he has beaten the Gettysburg pitching marvel by that score. The first time he accomplished this feat was when they opposed each other while pitching for their Alma Maters.

McCormick, the great "pinch hitter," showed his worth to his team by making a timely single with men on second and third base, scoring both runners, when called upon to bat for a weaker hitter in the opening game.

Wychoff, the Bucknell pitching mainstay in 1912, did not get into the Athletic box score but he gave his team-mates batting practice before several of the games and to judge from the manner these men hit during the games, he must have done his work well.

ALUMNI AT INAUGURATION

B. U. WELL REPRESENTED AT EVENT AT URSINUS.

At the inauguration of Dr. George Leslie Omwake as President of Ursinus on Tuesday, Oct. 1, a great many of the college presidents and other distinguished educators did him honor with their presence and their addresses.

George M. Philips, Ph. D., L. D., Bucknell, represented the State Normal Schools; Albert Roland Garner, M. S., M. D., '99, represented Bucknell University on the platform, while Colonel Joseph K. Weaver, '61, and Dr. Theodore Heyshem, ex-'91, were also present.

Big Mass Meeting in Bucknell Hall Wednesday night at 8.00 o'clock. All out!

ATTEMPTS TO OUST ALUMNUS FAILED

DR. PHILLIPS, '71, UPHELD AS WEST CHESTER NORMAL HEAD.

COURTS WILL DECIDE IF STATE OWNS NORMAL SCHOOL

Dr. Phillips Held by Court as an Asset of the School, and Not Within Power of Trustees to Remove Him as Head of the School.

Recently the Trustees of the West Chester Normal School undertook to oust Dr. G. M. Philips, '71, from the principalship. The case was taken before the Dauphin County court by the State Board of Education and a decision was rendered last week. The court decreed that as the State had bought the school, Dr. Philips, as principal, was one of the assets; hence the trustees, after having disposed of the school, could not get rid of any of the assets.

This contention is sustained by the court who says:

"The school was purchased as a going concern. It was in successful operation at the time. And a change in its principel, whose administration as testified to by witnesses, has been exceptionally efficient, and whose personality was one of the chief considerations which influenced the plaintiff to purchase, will tend to demoralization, and result in a loss which it will be hard to fairly estimate in money. The plaintiff should not be compelled to take such a risk, brot about by those who appear to have no other interest in the school and its property under the contract than to receive the purchase price.

The action of the Dauphin County Court means that the injunctions will prevent the removal of Dr. Philips from the head of the school until the question of ownership of the institution is finally settled by the Courts."

Dr. Philips was one time professor of mathematics here and for many years has been a member of the Board of Trustees.

Y. W. C. A. NOTES

The candy sale last Saturday was a grand success, netting the association between $20 and $225.

At nine o'clock to-morrow night in the parlors there will be an informal tea for all the girls. Come and get some of the ethusiasm which will be there.

Dr. Phillips will address the meeting to-morrow night. This is the first of a series of talks which Dr. Phillips will give during the year. The discussion to-morrow night will be "God."

SCORES GIVEN AT ORPHEUM

Through the courtesy of Mr. Kosier, ex-'99, owner of the Orpheum theatre, frequent returns from the Bucknell-Princeton game were given at the play-house Saturday afternoon and the large crowd of students and townspeople that gathered there were kept well informed of the progress of the game. The new remodeled Orpheum will be opened next Friday night, and a special matinee will be given Saturday afternoon at which the returns from the game at Cornell will be announced.

PRACTICAL TALK BY DR. DAVIS.

Last Thursday evening Dr. Davis gave one of his practical talks to the Y. M. C. A. He dwelt upon the good a man can do for his chum and friend, pointing out various ways to help him along. Dr. Davis said we can all have a good time, but we should be decent about it. When Brotherhood and Good Times go hand in hand, they work wonders in the college.

STUDENTS HEAR DR. HEADLAND.

Seldom does Lewisburg and Bucknell students have such a man as Dr. Isaac T. Headland come to speak in our community. We have heard two of his lectures in the Methodist church and everyone who heard them have pronounced them excellent.

Dr. Headland is personally acquainted with men of affairs both in this country and across the waters and is able to give facts which prove his statements in regard to international affairs. For the last twenty years he has been a member of the faculty of the University of Peking, China,—a college of six hundred students, and has been in close touch with the present leaders of the Chinese Republic.

He will deliver his third and last lecture in the Methodist church this Saturday evening at eight o'clock.

PROC SCRAP THIS WEEK.

According to the rules for underclassen recently issued by the Junior and Senior classes the time for the posting of the Sophomore proclamations is set for the present week, while that for the Freshmen is set as next week. The rules prohibit the underclassmen from pasting their procs on "public buildings, residences and store windows".

NEW FRATERNITY, LAMBDA CHI ALPHA, IS INSTALLED

ALPHA SIGMA LOCAL BECAME NATIONAL FRAT. LAST WEDNESDAY.

The installation of the members of Alpha Sigma into the Delta Zeta of Lambda Chi Alpha took place at the Alpha Sigma rooms on Wednesday evening. Warren A. Cole, of Swansea, Mass. a representative of the national fraternity, took charge of the initiation.

The charter roll consists of fifteen Bucknell undergraduates, and four "1913" men. Haines, Smith, and Brush are entered at the U. of Pa chapter, while Eisenmenger, '12, and Caris, '13, were present at the Bucknell installation.

After the installation all the active and pledged men of Lambda Chi Alpha assembled at the Baker House for the observation of the Foundation Banquet.

Mr. Cole extended the welcome to the new chapter in behalf of Lambda Chi Alpha, and received a number of hearty responses. Prof. Colestock, guest of honor, addressed the fraternity on the fundamental principles of brotherhood.

CHRISTY MATHEWSON, EX-'02.

"The Glants, as I see it, can only be called Glants when the old master, the balance wheel and the governor for their baseball machine—Mathewson—occupies the mound."—Ty Cobb.

STUDENTS ENJOY RECEPTION

A large number of students from the college and institute attended a reception given by the Young People's Society of the Methodist church Friday evening and enjoyed the hospitality of the society to the full.

Big Mass Meeting in Bucknell Hall Wednesday night at 8.00 o'clock. All out!

NEW SONG BOOK ON SALE SOON

VOLUME IS WITHOUT A PEER AND A WORK OF ART.

SPECIAL PRICE TO HOLD GOOD FOR A FEW DAYS MORE

Expected That Book Will Arrive Next Week.—No Effort Spared to Make Book First-class in Every Respect. —Subscribe Now.

"The Songs of Bucknell, Old and New," the new song book which is being published under the direction of Dr. Bartol, 72 and Prof. Stolz, '08, members of the faculty, will be placed on sale and distributed to those who have already subscribed for copies, during the coming week, as it is expected that the books will be received in a few days.

Several advance copies of the Song Books have already been received and it is the opinion of everyone who has seen the volume that it does not have a peer in the college world. The books are strikingly handsome and are comprised of 140 pages. They contain a number of reproductions of men prominent in Bucknell affairs and scenes of the campus and student life. The books are bound in blue cloth and have the title and the university seal impressed on the cover in gold. The paper on which the songs are printed is of the best quality and gives the volume a stamp of quality and distinction.

Bucknell is the fortunate possessor of as many if not more songs than any other college in the nation, many of which have been written in her honor by alumni who have become prominent in the musical world since being graduated. Not all of these songs and anthems in praise of Alma Mater have been published in the new book, to be sure, but they have been carefully and judiciously selected and arranged, the popularity and the possibility of each song being taken into consideration.

For years the need of such a Song Book has been keenly felt among the students but until last year no one had stepped forward to assume the managership of its publication. At that time Dr. Bartol and Prof. Stolz being convinced that the project would be given the financial support of the students and alumni, undertook the task of compiling the material. The volumes which will be offered to Bucknell students next week stands boldly out as a testimonial to their ability in that line and as a lasting monument and testimonial of their ability in that line and their devotion to Old Bucknell.

During the spring term an offer was made to the students that all who subscribed at that time for copies of the Song Book could get them at a special price of $1.00, the regular price of the volume being $1.25, and a large number availed themselves of the opportunity. In order that the members of this year's Freshmen class may get the benefit of the reduced rate the offer has been continued until the first date that the book goes on sale, and any student may in the meantime subscribe for copies at the reduced price by handing their names to Dr. Bartol, Prof. Stolz, Sect. Goehring, Glass, '16, or Miss Olive Cooper, 14. The price will positively be $1.25 after the first date of sale. Subscribe now.

GAVE TEAM BIG SEND-OFF.

A large delegation of students turned out Friday afternoon at the Pennsy station and gave the Varsity a rousing send-off on the trip to Princeton. Stirring speeches were made by Coach Dickson, Prof. Wilcox and several of the players.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year, $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

At this time of the year we wish to call the attention of our readers to a statement made last spring when the present staff went into office, that we invite all criticism and suggestions. Already this term we have received several and we have tried to profit by them. This paper belongs primarily to the students of Bucknell and its success depends largely on the interest you take in it and the support you give it. All of us cannot be on the staff but we can all feel our share of the responsibility for its success and by making suggestions or, better still, by writing and submitting articles make it the best ever. It is only by such co-operation of the students with those who are in active charge that the Orange and Blue can be truly representative of the student body. And our appeal is directed not only to these who are now students of the college but to the alumni who are scattered in every corner of the land. To connect the alumni with the college of today is one of the most important missions of the college paper and to do so successfully we must be well supplied with notices of the doings of the 'old grads., especially do we solicit news of that nature.

Editor Orange and Blue:

Every Bucknell man is proud of our beautiful campus. There is no one thing which adds more to the attractiveness of the institution than the well kept lawns and terraces. The institution spends a great deal of money each year in keeping the grass cut nicely and in raking leaves, twigs, etc., off the ground. In spite of all this work thru the thoughtfulness of a few persons, the grounds that are in close proximity to the dormitory buildings and to the paths which are most used are always in a more or less unsightly condition. Tobacco cans, match boxes, ink bottles, waste paper, and cigar stubs are only a few of the unsightly objects that are carelessly hurled from the windows from time to time. Cannot a little more cooperation be secured between the students and the school? The school is doing its part. It is certainly time that the students take measures to prevent this objectionable practice. In some schools the student body spends a day or two each year in beautifying the campus. It is certainly the least that can be expected to ask that a student do not mar that which the school has already made beautiful.

Senior.

WHY YOU SHOULD JOIN Y. M. C. A.

(Contributed.)

In a few days, if you have not already, you will be invited to join the College Y. M. C. A. Some will not hesitate to join it, but others will have various objections. The biggest objections will be unspoken. Many will not wish to join it for fear others will sneer at them. Remember, fellows, the biggest men on the "Hill" belong and many of our athletes and best students hold prominent places in Y. M. C. A. work. To belong means to join yourself with the most influential body of fellows on the "Hill." Think it over. No one considers it a drawback.

The membership fee is small but yet is one of the best investments that can be made. The fellows who have heard Professors Phillips, Stewart and Davis will testify to this. The privileges attendant unto membership are immeasurable. Investigate.

But whether you join or not, attend the Thursday evening meetings. They will do you a great amount of good. Practical talks upon the problems facing college men are what you hear. They will cause you to think once a week at least. Then the new orchestra furnishes music.

GRADUATES OF CHEMICAL DEPT. ARE MAKING GOOD

VALUE OF DEPARTMENT IS ATTESTED BY SUCCESS OF GRADUATES.

Although the course in chemical engineering was established at Bucknell many years after the foundation of the college, the fact is constantly being demonstrated that the men who have graduated in this course have made good and are filling important positions in the chemical world. The present course in chemical engineering fits men to deal with the great manufacturing processes dependent upon chemistry and physics, as the production of iron, steel, and other metals, glass and pottery, cement, paper and other textiles, food products, soda-ash combustiles, illuminants and explosives. In all these departments Bucknell men have held prominent places.

The class of 1913 furnished four chemical engineers, three of whom are now holding important positions as chemists, while the fourth is pursuing graduate work. Alexis W. Keen is now employed in research work in the new laboratories of the United States Rubber Co. of New York. Joseph L. McKeague is pursuing graduate work in chemistry in the Massachusetts Technical School. Hartley C. Powell is now employed as a chemist in the laboratories of the Welsbach Light Co. at Gloucester, N. J. Herman E. Zehner, on graduation, accepted a position in the Nitro-glycerine Works at Tamaqua. Since that time the works have been bought by the DuPont Company and Zehner has been placed in full charge of the acid department of the plant.

SCORED ON TIGERS IN EXCITING GAME

(Concluded from first page.)

quarter Topham by two punts advanced the pig skin for a total of 115 yards, but Streit with his interference again proved superior. The ball was advanced to the Bucknell 1-yard line and then after two line plunges Baker carried it over for the final score.

Purity Candy COMPANY

"Keeping in Front"

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.

PHILADELPHIA ALUMNI

NEWS AND NOTES CONCERNING THE QUAKER CITY GRADS.

Ruth, '12, is instructor in Latin in the West Phila. High School.

Walters, ex-'12, is a Jefferson medical student and is located at 914 Pine St.

J. Elmer Saul, '98, is Washington party nominee for the Norristown, Pa., mayoralty.

Dawson, ex-'10, is studying medicine at Jefferson and is rooming at 255 S. Eighth St.

Hedge, 10, is Assistant Membership Secretary at the Central Branch Y. M. C. A., Philadelphia.

James Loewen, a former student at the Academy, is taking the course in dentistry at U. of P.

Morris, 08, is teaching science in Phila. Boys' High School and is rooming at the Central Y. M. C. A.

Mallery, '09, was graduated last June from Penn. Law School and is at present living at 19 N. 34th St., Philadelphia.

S. Gardner Duncan, '08, is connected with the banking firm of Montgomery, Clothier & Tyler, in the Bullitt Building.

Shoemaker, ex-'15, has entered Hahnemann Medical College in the city and commutes each day to his home in Norristown.

Harry S. Furst, '08, who is practicing law in Lock Haven, spent a few days in the city on business recently and visited a number of the Bucknell-Quaker City contingent.

"Joe" Henderson, '08, who was graduated from the Harvard Law School in June is practicing in the office of Francis Rawle in the West End Trust Building, and is legal adviser to the consul of Italy for the port of Philadelphia.

ALUMNUS IN NEW WORK.

Hassrick, '09, has become publicity representative of the Public Service Committee of One Hundred, 315 Bulletin Building, Philadelphia, having resigned his position with the Public Ledger.

THE COLLEGE BIBLE CLASS.

The subject of the lesson on Sunday was "The Golden Rule." The summary of the moral law given by Confuscius 500 B. C. is contained in the word Reciprocity. Do not do to others what you would not want others to do to you. The rule given by Jesus as summing up the law and the prophets is recorded in Matthew 7:12, and must be interpreted in the light of the preceding verses. Thus taken we find:

1. It is positive. Do to others The summary of Confucius and other writers is negative.

2. It is ideal. We should do to others what we ought to wish others to do to us.

3. It is dynamic. The Holy Spirit freely aids in fulfilling it. The Heavenly Father gives freely the Holy spirit to them that ask him. Ask and ye shall receive.

The address next Sunday, the 19th, will be by John G. Reading, Esq., of Williamsport.

At the Social Evening of the class, October 31, Rev. J. M. Reimensnyder, D. D., of Milton, will speak.

On Sunday, the 26th, Rev. O. C. Horsman, D. D., of Williamsport, will address the class.

TO ADDRESS BIBLE CLASS

John G. Reading, Esq., of Williamsport, will address the College Bible Class and their friends in the Baptist church on Sunday morning at 9.30 o'clock. The subject of the address will be of general interest, and a cordial invitation is extended to the general public.

APPOINTS SENIOR COMMITTEE.

President Riley of the Senior class has announced the 1914 Memorial Committee as follows: Parmenter, chairman; Reading, Boyer, Carver, Zinn, Rice, Lyne, Whited, Lanning, Hillman and Drake. Other committees will be announced later.

The U. S. Naval Academy rates Spanish as a language of first importance. Since the Spanish-American war the number of students taking Spanish in Yale and Harvard has increased 500 per cent.

EXAMINATION FOR RHODES SCHOLARSHIPS THIS WEEK

TESTS WILL BE CONDUCTED AT F. & M. COLLEGE SAYS PROVOST SMITH.

Provost Edgar F. Smith, chairman for the State of Pennsylvania, has announced that the next qualifying examination for the Rhodes Scholarships will be held at Franklin and Marshall college on Tuesday, October 14, and Wednesday, October 15, 1913. The selection of scholars will be completed before the end of January 1914 and the elected scholars will begin residence at Oxford in October of the same year.

The Scholarship is valued at $1500 a year, and is tenable for three years.

A candidate must be a citizen of the United States with at least five years' domicile and be unmarried. By the first of October of the year for which he is elected have passed his nineteenth and not have passed his twenty-fifth birthday. By the first of October of the year for which he is elected have completed at least his Sophomore year at some recognized degree granting university or college.

In accordance with the wish of Mr. Rhodes, the trustees desire that "in the election of a student to a Scholarship, regard shall be had to (1) his literary and scholastic attainments, (2) his fondness for and success in manly, outdoor sports; (3) his qualities of manhood, truth, courage, devotion to duty, sympathy for and protection of the weak, kindness, unselfishness and fellowship, and (4) his exhibition during school days of moral force of character and of instincts to lead and to take an interest in his schoolmates."

Candidates will be examined in the following subjects: (1) Arithmetic; (2) either the elements of Algebra or the elements of Geometry; (3) Greek Grammar; (4) Latin Grammar; (5) translation from English into Latin prose; (6) either unprepared translation from Greek and Latin, or unprepared translation from one of these languages and a book in the other.

INTERCOLLEGIATE

The undergraduates at W. and J. are taking steps to abolish the annual class scrap.

All records were broken in the first three days' registration at the University of Wisconsin for the fall semester, when 4,269 students registered.

During the summer gifts to the amount of over $150,000 have been made to Harvard University. The largest of these amounting to $50,000 was given to the medical school.

The Harvard Tennis Tournament has an entry list of 150 competitors. A hundred men are out for football including the Varsity, Freshmen and second team squads. Crew candidates track and baseball men bring the total of men engaged in athletic sports up to 400.

Chicago University pays Coach Stagg $8,000; $5,000 as athletic director and $3,000 as baseball coach.

A movement to organize a married men's fraternity has been started at Kansas University. The average age of the members is supposed to be forty years.

Dartmouth College has a gymnasium so large that a full-sized baseball diamond was laid out on its floor and men practiced on it daily.

Canadian hockey players are the highest salaried professional athletes in the world. For the number of games they play, they are paid a great deal more than any National League player. The season is of two months duration.

Because a member of the Freshmen class was killed in the class scrap at Purdue this fall, the four classes of the school have decided to abolish the scrap forever.

The students of Vassar are prohibited by action of the faculty from attending vaudeville and moving picture exhibitions in Poughkeepsie in order to uphold the dignity of the institution.

Oxford University takes pride in fact that at least one-half of every cabinet that has been formed in England for the past hundred years has been composed of Oxford men.

Big Mass Meeting in Bucknell Hall Wednesday night at 8.00 o'clock. All out!

James Tyson, '11, of Williamsport, spent Thursday with his S. A. E. brothers.

Clay Sanders, '13, is teaching in the Miami Military Institute at Germantown, Ohio.

Jackson, '13, and Haines, '13, are pursuing post-graduate work at the Rochester Theological Seminary.

Coll, '12, who is teaching in Illinois, has recently been called to Philadelphia by the illness of his father.

Registrar Wilcox was in Philadelphia on business during the week-end and witnessed the game at Princeton.

Fryling, '13, is principal of the high school at Pottsgrove. Miss Reed, ex-'15, is assistant principal of the same school.

Bovard, ex-'05, a former star Bucknell half-back, spent several days last week visiting his Sigma Chi brothers. He is located at Kittaning.

Wendt, '13, who is connected with the Curtis Publishing Company of Philadelphia, has recently been advanced to the position of head of the Education department of the Circulation Bureau.

The following students went down to Princeton to see the game Saturday: Launing, '14, Lotte, '14, Lowther, '14, Musser, '14, Bliss, '14, Worrilow, '14, Whittam, '15, Runk, '16, Tripician, '16, and Hinkley, '16.

Paul J. Snyder has resigned the principalship of the High School at Mifflinburg to accept that of the High School at Elwood City. E. O. Bickle takes his place at Mifflinburg. The changes are to take effect October 13th.

The Rev. F. H. Senft, '88, of the Christian and Missionary Alliance, of Philadelphia, who has been working on the Pacific Coast for the last year, has returned to resume his ministry. Pastor Senft spent his summer holiday in Great Britain.

Among the graduates and former students who attended the game at Princeton Saturday were the following: Davies, '12, Baker, '12, Lister, '12, DeLancey, '12, English, '12, Ruth, '12, Glover, '13, Eshelman, '13, Wendt '13, Cook, ex-'14, Coughanour, ex-'15, Cochran, ex-'15.

Y. M. C. A. NOTES

Various College weeklies can be seen at the Association office.

Secretary Goehring will address the Association this Thursday night at nine o'clock. Let every man turn out and hear "Bill's" message.'

Goodwin, '15, is canvassing the student body with Lyceum Season tickets. Don't fail to take advantage of the opportunity. Price of tickets, one dollar and a half.

The attendance at the last meeting was good. Some of the men were compelled to stand owing to the large number present. There will be more chairs this week. Everybody welcome!

WOMAN'S COLLEGE

Helen Brown, '17, has been entertaining her sister over the week-end.

Kathryn Redelin, '17, spent Sunday at her home.

Margaret Evans, '16, has Miss Lewis, of Plymouth, as her week-end guest.

Aileen Johnston, '17, has been visiting friends in Watsontown.

Miss McKay, field secretary of the Baptist Training School of Philadelphia, spent several days at the Sem during the past week.

The rates of tuition for foreign students in German universities have recently been doubled.

Upon the completion of the improvements at W. & J., they will have the finest track in that part of the country.

The Chief Justice of the state of Maine says: 'The difference between a large university and a small college is that in the large university the student goes through more college while in the small college, more college goes through the student.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, OCTOBER 20, 1913. NUMBER 4

CORNELL WON IN LAST PERIOD ON FIELD GOAL

GAME WAS TIED UNTIL THE LAST PERIOD.

FORWARD PASS TO TOPHAM GAVE VARSITY ITS SCORE

Bucknell Played Strong After First Period and Soon Tied the Score.—Intercepted Pass Robbed Varsity of Last Chance to Win.

It was a small but exceedingly happy crowd of Orange and Blue adherents that witnessed Bucknell shove the ball across the Cornell goal line at Ithaca Saturday and tie the score with the big Red team. The same group was disappointed to an equal degree when, in the fourth period, a Bucknell forward pass, made near Cornell's 15 yard line, went straight into the arms of an opponent who dashed up the field and robbed the Varsity of its last chance to overcome Cornell's field goal and win the game.

Bucknell was handicapped by almost the same weather conditions of last year, when Cornell defeated her by a small score. A heavy rain Friday night had made the playing field slippery, providing treacherous footing for the light Orange and Blue backfield. The heavier Cornell line also enjoyed an advantage on account of this fact.

Although several press reports from Ithaca claimed that a slump was responsible for the near-defeat of the big team, other messages from New York town say that the close score of Saturday's game was not so much due to the loose playing of Cornell but to the superior playing of Bucknell.

Again the Varsity demonstrated that it is without a rival in the use of the forward pass. Quarterback Cruikshank using it repeatedly for gains. "Crook" threw the ball with unerring aim and Sturgis and Topham received it with their usual prowess. Line-bucking was also used by the Varsity with considerable success, taking the ball almost the length of the field in the last quarter on this style of play.

Cornell made nearly all her gains through the line, her heavy linemen and back field players making it almost impossible for the Bucknell defense to stop the runner before he had advanced the ball a few yards. The forward pass was attempted only twice by the Ithaca team and both attempts were broken up by the Varsity.

By stepping on the side line while dashing down the field on a 50 yard run for a tally after he had secured the ball on a fumbled pass, Platt was compelled to bring the ball back to the 20-yard line. Although Captain Kelser tried to show the officials that his foot mark did not extend over the line they would not examine the marks but maintained their decision. Cruikshank then threw a beautiful pass to Topham who dashed over the line for a touchdown.

Never has Bucknell had so many forward passes caught by opponents as was the case Saturday. As a rule when one of the Bucknell players is unable to get under the ball it falls on the ground, and is thereby incompleted. But Saturday at least five passes were successfully intercepted by Cornell men.

Early in the game Shaffner received an injury to his neck that it was thought would put him out of the game, but he soon recovered and continued playing his usual strong game.

As a whole the team came through the contest in a very good condition, none of the men sustaining more than a few bruises and sore spots. Today the Varsity was given a rest.

Edwards and Felton made their first apearance in a big college game Saturday as guards and made a very creditable showing.

Cornell Scored First.

Bucknell won the toss and Captain Kelser chose to receive the kick-off. After several plays Cruikshank made a perfect pass over the line to Sturgis who gained 20 yards on the play. After an exchange of punts Cornell secured the ball on a fumble on the 25-yard line and after several plays Fritz was sent around Bucknell's left end and, throu,a broken field that should have easily stopped him, made a touchdown.

During the period Bucknell used a number of open plays and passes that almost completely baffled the Cornell players. The ball was being rapidly rushed toward the Red and White goal when one of Cornell's back-field players, rushed in and successfully intercepted a forward pass. Cornell kept possession of the ball until the period ended.

Bucknell Ties Score.

Bucknell soon gained possession of the ball and tried several passes. A

Continued on second page.

ALUMNUS, A MISSIONARY, TELLS OF HARDSHIPS

HAINER, '05, NOW ON FURLOUGH, DEPICTS WESTERN LIFE.

Rev. L. Morill Hainer, '05, a young missionary of South Dakota, is now in the East on a short furlough. Clad in full cowboy costume, including chaps and revolver, Rev. Hainer recently made an address on his experiences in the missions of the West before the Baptist Minister's Association of Philadelphia. The self-sacrificing and courageous efforts of the men who labor in the wild districts of the West to Christianize the settlers were graphically depicted by the speaker. Among other experiences Mr. Hainer said that on Christmas of last year he arrived at a small settlement in Dakota with 17 cents in his pocket with which to buy his dinner and procure a Christmas present for his bride. A late mail on the holiday fortunately brought him a check, with which he was able to procure accommodations for the night.

SONG BOOK ON SALE

BOOKS ARRIVE AND ARE READY FOR DISTRIBUTION.

The copies of the new Bucknell Song Book arrived today and will be placed on sale tomorrow. Those who have already subscribed for copies may obtain them from Secretary Goehring, at the Y. M. C. A. office at the contracted special price. Others may secure copies at the Hill Book Store.

BENEFIT FOR PLAYGROUND.

A musical entertainment will be given at the Orpheum Theatre, Friday evening, for the benefit of the Lewisburg playground.

The program will include a vocal solo by Miss Anna Gibson, of Muncy, readings by Miss Edith Schillinger, head of the Bucknell elocution department, and Dr. Edith Matzke; a violin solo by Miss Armstrong, teacher of the violin at Bucknell; a male quartet will sing selections from "Sylvia"; and there will be moving pictures. The admission will be twenty-five cents.

LUTHERANS GIVE RECEPTION

The Christian Endeavor Society of the Lutheran church gave their annual reception to the students Friday night. A large number were present and they enjoyed to the full the hospitality of the society.

LYCEUM COURSE UP TO STANDARD

FINE PROGRAM IS RECEIVING GOOD SUPPORT

EVERY NUMBER COMES TO US HIGHLY RECOMMENDED

Phildelah Rice and The Hand Bell Ringers Have Appeared Here Before.—Miss Virginia Brooks and Prof. Wood Will be Features.

The Lyceum Committee of the Y. M. C. A. is pushing the most vigorous campaign that has ever been made for the sale of season tickets. The results thus far are most gratifying and it is sure that the sale will far exceed that of previous years among the students. Thus far not many of the people of the town have been approached but all who have been seen expressed a hearty approval of the course which is booked for this season.

The only explanation offered to account for the unusual interest manifest in the course this season is the fact that only talent with established reputation has been placed on the course. Some of this year's attractions have been here before and have established a local reputation. Others have never appeared here but have national reputations which guarantee the quality of their entertainment.

Phildelah Rice, who so artistically rendered the touching and beautiful little story, "Deep Valley", last year, will open the season. Mr. Rice had scarcely left the platform last year till requests began to come to the committee for his return again. He will probably give "Great Expectations" or "The Taming of the Shrew" this year.

Probably none of the numbers will be of more interest to those mechanically inclined than Montraville M. Wood's demonstration of the gyroscope, the ultra-violet rays, the monorail car, and the use and probable development of the aeroplane. Dr. Wood is engaged at present by the U. S. Government to build the model of the Panama Canal which will be on exhibition at San Francisco in 1915. Mr. Wood has been "featured" in some of the leading magazines and comes with a reputation which vouches for his ability on the platform.

Those interested in any form of civic righteousness are looking forward with great expectations to the coming of Virginia Brooks. The marvelous work accomplished by Miss Brooks, in South Hammond, Ind., where, in a single year, by her own efforts, she overthrew one of the most powerful political rings that ever dominated politics of any town, securing the election of an honest mayor and council, has attracted the attention of the whole nation. Her recent services in conducting the Chicago Vice Crusade have added still more to her nation-wide reputation. Special cars will probably be run from Milton and Mifflinburg on the night of her appearance.

The local committee scored another point when they secured Edward A. Ott for an evening in Lewisburg. "Sour Grapes," "Will Your Dreams Come True," and "The Spenders" are some of Mr. Ott's popular subjects. Mr. Ott is not the greatest man on the American platform but his audience invariably says that he is. He is called "The Purposeful Orator," driving home fundamental facts and truths with exceptionally fine humor.

Little need be said about "The Dunbar Quartet and Bell Ringers.' Thru past' appearances in Lewisburg they have gained a reputation which will assure a splendid audience for them. Since their last appearance here the company has been reorganized and is now prepared to furnish a more attractive entertainment than ever before. All the members of the present company have good voices and make a strong male quartet.

The season ticket issued by the committee is good for the five entertainments and is $1.50, and may be had upon application to the Lyceum Committee or by seeing Goodwin, '15. If you have not already secured a ticket get once at once.

ALUMNUS FOR GOVERNOR

The Alumni Association of the West Chester State Normal School is planning to start an organized movement to boom Dr. George Morris Phillips, '71, for Governor of the State of Pennsylvania. Dr. Phillips, who is at the present time principal of the West Chester School was once a professor of mathematics at Bucknell and is at present a member of the Board of Trustees.

ALUMNAE RECEIVE HONORS

At the meeting of the Federation of Women's Clubs, which was held at Swarthmore last week, Mrs. J. H. O'Harra, Institute, '82, of Philadelphia, was elected district vice president, and Mrs. G. S. Matlack, Institute, '69, of Lewisburg, was elected one of the directors.

LOCAL TRY-OUT FOR PEACE PRIZE ORATORS

MAY HOLD CONTEST TO DECIDE REPRESENTATIVE SPEAKER.

A local oratorical contest may be held in the near future to decide which student shall represent Bucknell at the annual contest in oratory of the Intercollegiate Peace Association to be held next spring.

Formerly the speakers chosen to represent their various colleges in the district contests were selected by members of the faculties of the schools. E. J. Richards, '14, represented Bucknell in the sectional contest last spring and won the first prize.

A communication from the Association urges this method of selection and calls attention to the fact that last year over 100 colleges were represented in the contests and that more than 400 orations were written by students.

Whether selection by means of an open contest among the upperclassmen of Bucknell would be feasible can only be determined by the number of volunteers and should a sufficient number hand their names to Professor Smith, a local contest will be organized. For this no prize will be given; but the men adjudged the best, taking into consideration the literary and oratorical merits of their productions, will be authorized to participate in the state contest, for which prizes of $75 and $25 are given.

GAVE INTERESTING LECTURE

MANY STUDENTS HEAR LAST TALK OF SERIES.

One of the best and most interesting series of lectures which has been presented to Bucknell students and the residents of Lewisburg came to a close Saturday night when Dr. Isaac T. Headland gave his lecture on "The Making of a Man" in the Methodist church. A large crowd was present, many of whom were students.

Dr. Headland began by showing the value of spare time, saying that the manner in which a man spends his leisure hours determines, in great measure, his character. Then taking up China, where he has gained valuable experience in the last twenty years as a professor in the University of Peking, he unfolded the great social and political system of the Chinese, and showed lessons which the American nation might well learn from the great nation of the Orient.

GREAT ENTHUSIASM AT MASS MEETING

AFFAIR AT BUCKNELL HALL STIRS UP SPIRIT.

SPEAKERS SHOW DUTY OF SUPPORTING TEAM

Speeches of Prof. Wilcox, Coach "By" Dickson, and Riley, and Music by Band Enliven Meeting. —Rousing Send-Off for Cornell Game.

One of the most stirring and enthusiastic mass meetings which has been held at Bucknell in several years was held last Wednesday evening in Bucknell Hall. The speeches made were exceptionally fine and stirred up a spirit which will undoubtedly be felt for a long time to come. The famous Bucknell Band was present and their lively selections did much in enkindling and rousing enthusiasm.

The attendance was larger than at previous meetings of its kind, but should have been larger, for there is no reason why every student cannot spare at least one hour to attend a mass meeting and thus show their appreciation of the work the team representing the college is doing in placing 'Old Bucknell" upon a par with other colleges in the realms of athletics.

The meeting was opened with a rousing Bucknell-el-el led by Windsor, '15, the newly elected cheer leader. Prof. Wilcox, gave the fellows a very intersting and enthusiastic talk on the approaching Cornell game. "The chief thing for the students to do," he said, "is to let the players know that they are expected to win, for one will always do what is expected of him. "Coxey" closed by urging all the students to impress this idea forcibly upon the players and to mention it to them on every available occasion.

"By" Dickson, the next speaker, explained the great disadvantages with which we must contend in playing the larger colleges like Princeton, Cornell and the Navy. These teams are able from their abundance of material to think of the kind of a man they want for a certain position, and they always get just such a man while here we must take the man who comes out for the team and fit him as well as possible to a position. Furthermore, these universities are able to furnish practically each player with individual coaching. Princeton, for instance, has about twenty coaches, each man on the team thus receiving individual coaching from a man who is directly responsible for him. Although the Orange and Blue is thus placed at a great disadvantage, "By" expects within a few week to have the eleven men who will work together in such a way that he will not fear to put them up against any team in the country.

A large number of players were present at the meeting and many of them were called upon for speeches to which they heartily responded. President Riley, of the Senior class, gave an inspiring talk on "College Spirit." He said "We all wish to show our love for our college; the best way for those to do it who cannot play on the teams is to show their appreciation of the work done by those who do play." "It is the duty of every man," conceeded the speaker, "to encourage the team by watching the practice, attending the mass-meetings, joining in the send-offs for the team, and being present at every game played at home."

The result of the meeting was the stirring up of intense enthusiasm, as was shown by the large attendance at the Pennsy station Friday afternoon when the students together with the band gave the team a rousing send-off to the Cornell game.

Miss Marian E. Shivers, '14.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

By the present method of electing the Editor-in-Chief and the Manager of the L'Agenda each one must commence at the beginning of the year with no experience whatever concerning the publication of a year-book. It is at the present time the custom for the Sophomore class to hold their elections sometime in the spring term. Thus the editor and the manager each year must go their own way with no experience whatever, and with no knowledge of the pitfalls which will undoubtedly be met. Our athletic managers on the other hand are elected first as assistants, and the result is that when the time comes to serve as managers, they have had a full year's experience and do not have to grope their way, as it were. Would it not be a good idea to choose the editor and manager of the L'Agenda in the same way? The task of publishing a year book is one of the most important ones to which a man can be elected, for the year book is truly representative of the college, and copies of it scattered broadcast determine for those unacquainted with the college their conception of it. To have each editor and manager enter upon their duties with a year's experience gained in assisting the editor and manager of the previous year would insure each year a better book and one which would be truly worthy of the college. Such a system would go a long way to prevent a manager from heaping up a large debt upon the class through no fault of his own, as has been done in several instances, for each manager, gathering experience from his predecessors, would know just what to count on and just what could be spent for the book. Surely it would be a vast improvement over the old system if each class would elect their L'Agenda officers in the early part of the fall term of their Sophomore year so as to thus enable those elected to serve as assistants in publishing the Junior Book. By such a system each editor and each manager would begin his work with a better idea of the work ahead of him than is now the case, and the result would certainly be a better and a more successful L'Agenda.

COMMUNICATION.

Editor Orange and Blue:

On entering the campus for the first time four weeks ago I noticed a tall, gaunt monument to the left of the main entrance. On inquiring as to the purpose of such an imposing shaft I was informed that it was a flagpole, the memorial of the class of 1912 and that the flag, instead of being tossed about by the autumnal zephyrs as should have been the case, was in reality in a local store waiting to be paid for. It is a sad thing that a graduating class would erect such an imposing piece of architecture and then leave it stand uselessly by without a flag to adorn it, but is it not a sadder fact that the Bucknell student body would leave that piece of architecture on the campus without a flag for over a year? If the financial stringency of one class was so great that a flag could not be bought, should not love for our Alma Mater and our desire for the beauty of her buildings and her campus impel us to crown this prominent tower with a flag worthy of the flag pole which the class of 1912 left? Surely the student body could raise an amount more than sufficient to redeem the banner and allow it to wave from the top of the otherwise useless class memoral.

FRESHMAN.

CORNELL WON IN LAST PERIOD ON FIELD GOAL

Concluded from first page.

fumbled pass was grasped by Platt who dashed down the field and behind the goal posts, a distance of 50 yards, but the officials, in spite of the protests of the Orange and Blue players, claimed that an inch or two of his foot had gone out-of-bounds and brought the ball back to the 20-yard line. A pass to Topham, however, was successful and "Tip" evaded several opponents and scored a touchdown. Sturgis kicked the goal, tying the score.

Bucknell received the kick-off and bucked the heavy Cornell line for substantial gains. An attempted forward pass that was successfully intercepted gave Cornell the ball and Taber made a gain of eight yards before the half was ended, the ball being then in midfield.

During this period Topham booted a spectacular punt of fifty-five yards which bounded almost to the goal-line. "Tip" was down the field in time to tackle the runner before he had returned the ball more than five yards.

Second Half.

Felton and Edwards, Bucknell's guards, were substituted at this juncture by Fisher and Reading. Sturgis kicked off and Cornell, with a series of end and tackle plays made it first down on Bucknell's 33-yard line. Lahr then fumbled and Bucknell recovered the ball on their own 30-yard line.

For some time the ball see-sawed back and forth, neither side gaining much advantage. Archer was then substituted for Shipman. The third period ended with out a change in the score and Bucknell in possession of the ball on her own 37-yard line.

Drop-Kick Won Game.

With the fourth period about half over Cornell took the lead when Barrett kicked a goal from the field. Phillipi had fumbled and Barrett had recovered. Cornell gained to the 20-yard line where Barrett dropped back and placed a drop-kick between the posts.

During the latter part of the period Bucknell worked several pretty passes, on one of which Topham came near to getting away for a touchdown. An opponent downed him, however, after he had made a twenty-yard gain. Bucknell finally got the ball on Cornell's 18-yard line when Cruikshank heaved a forward pass that was hauled out of the air by O'Hearn, of Cornell, who ran it back to the middle of the field before being stopped by Cruikshank and Keiser. The game ended with no change in the score and the ball near the center of the field.

Land Title Bldg.,
Philadelphia, Pa.

Please bear in mind the informal dinner that we expect to hold in the near future. Definite information concerning the date, place and price will be given in the next issue.

Lister, '12, is living at 224 Cooper St., Camden, N. J., and is employed with the county engineer.

Kresge, '09, has resigned his position with the Curtis Publishing Co. and is now Circulation Manager of the Craftsman Magazine, of New York.

DeLancey, '12, is with the Du Pont Powder Co., as chemist at Paulsboro, N. J.

Fritz, '09, is supervising principal of schools at Narberth, Pa., near Philadelphia.

Hinman, ex-'11, is teaching in the High School at Narberth, Pa.

Conover, ex-'12, is a senior in the University of Pennsylvania Medical School.

Odgen, '12, was recently promoted to the position of concrete foreman at the Culebra cut, Panama Canal zone.

DEBATERS MEET

JUNIOR "EX" MEN ADOPT NEW PRACTICE METHODS.

At a meeting of the Junior debaters held at the home of Professor Smith, a new method of conducting the preliminary practice for the Junior Debate was adopted.

Instead of a number of propositions being debated during the Fall term, only one will be attempted and by an intensive study and presentation of both sides of a question for a number of weeks it is hoped that habits of research and an all-round knowledge of the subject will be developed. The results of the experiment will be presented by the instructor at the annual conference of teachers of Public Speaking.

J. G. READING ADDRESSED CLASS

John G. Reading, a leader of the Williamsport Bar, addressed the Sunday morning Bible class and chose as his subject "Faithfulness in Managing Trust Funds."

In an introductory manner Mr. Reading said that Christ laid down no rules but that He gave us broad principles which underly the problems of all centuries. He defined the terms of his topic stating that Faithfulness is the quality of being firm in discharging ones duty. Trust Funds comprise that which is committed to use in faith to receive our honest attention. Man is bound together by the quality of faith—in every department of life we exercise the quality. Our business life is equally dependant on faith, which we call credit, and ninety per cent. of the business in our country is done on a faith or credit basis.

The first thing the trustee is to do, if he is to handle his entrusted property correctly, is to realize that it is not his own. In every earthly affair an accounting must be made and likewise with God we must account for the thing he has entrusted with us. It will not do to mingle trust with anything we call our own.

In conclusion Mr. Reading stated that it is required in stewards to be faithful. If ye are not faithful in the worldly trusts, who will commit to you the truth of Jesus?

ALUMNAE CLUB HOLDS FIRST MEETING OF YEAR

LARGE TURNOUT LISTENS TO A PROGRAM ON STUDY OF ELECTRICITY.

The Bucknell Alumnae Club held its first meeting of the school year Tuesday evening in the Institute parlors. The Club, which was organized in October 1880, has over one hundred and twenty members, of whom a large number were present. The title of Tuesday night's program was "An Evening With the Wizard," and the several numbers dealt with the study of electricity and its uses.

The following program was rendered: Sketch of Edison's Life, Mrs. Gerhart; Electricity and Its Applied Uses, Mrs. Dreisbach; Talking Machines, Miss Elizabeth Kremer; Phonographic Selections.

The officers of the Alumnae Club are: Miss Anna Van Gundy, president; Miss Nanna Stephens, vice president; Miss Hannah Bubb, secretary and Mrs. T. F. Hamblin, treasurer.

SAFE AFTER SHIPWRECK

NOTED ALUMNUS HAS NARROW ESCAPE AT SEA.

A. N. Evans, '00, Commissioner of Education for Alaska, recently arrived safely at St. Michael, Alaska, with several other officials of the Alaskan Bureau of Education, after having been ship-wrecked off the coast of that territory. The power schooner Wasp, on which the pedagogs were passengers, was wrecked while on a voyage from Good News Bay to Nome, laden with a cargo of supplies for the Government schools of the Kuskokwim district. The vessel was a complete loss but all the passengers and supplies were landed safely.

Y. W. C. A. NOTES

The amount realized of the candy sale was $29.41.

The meeting tomorrow night will be along new and novel lines and well worth attending.

On Wednesday night at the social given to receive returns from a week of self denial which had been decided upon by the girls, the amount of $13.01 was received. This with the receipts from the candy sale now assure Bucknell representation to the Kansas City convention in December.

"BILL" SPEAKS ON FAITH.

"Faith" was the subject discussed by Goehring, the general secretary in the Y. M. C. A. meeting last Thursday night. Taking the life of Abraham, the speaker pointed out that the greatest element in the life of the great prophet and the element that since then has influenced over 400,000,000 people was simple faith.

In addition to faith in man, it is important and fundamental that we have faith in God. If a person has such faith he is usually worth something, for the really influential man in the community is the real man, the man who is a Christian, the man who fights for the right and has the moral courage to stand for his convictions.

HILL GOSSIP

Secure a season ticket now, that you may have the use of it next Saturday.

Bliss, '14, has returned to college after a week's illness at his home in Washington, D. C.

Glover, '13, who is attending the University of Pennsylvania Law School visited his Phi Kappa Psi brothers last week.

Dr. E. S. Heiser, ex-'80, will give the second of his series of illustrated lectures on the Holy Land in the Evangelical church this evening.

Fairchilds, '13, drove his auto to Ithaca for the Cornell game. He was accompanied by Goodwin, '15, McCoombs, '14, Campbell, '14, and Burlew, '15.

Hern, '15, a star player on the Varsity line, was called to his home in Passaic, N. J., after the Cornell game by the death of his brother, who was drowned at sea.

The first steel automobile front webbed axle made in Lewisburg was welded last week by Charles Smith, under the supervision of Prof. F. E. Burpee, '01, of the Bucknell faculty.

Miss Nellie Berle, '12, who taught last year in the Berlin, N. Y., high school, has been added to the faculty of the Lewisburg high school. Miss Berle now has charge of half of the large Freshman class.

Among those who witnessed the Cornell game Saturday were Prof. Helm, '93, of the faculty, Prof. Weaver, '95, of Williamsport, Stetler, '13, of Rochester, N. Y., and Nichols, '14, Coleman, '14, Rawson, '15, Smith, '16 and Burlew, '17.

Criswell, '14, Golightly, '14, Bell, '14, Windsor, '15, and Trust, '17, were entertained at dinner Friday evening by Judge Johnson, '96, at his home on University Avenue. In the evening a box party at the Orpheum was given for the same guests by Bernhart, '12.

A carload of finely crushed lime stone was distributed by workmen over the campus paths during the past week. A liberal quantity of salt was mixed with the stone in order that it retain moisture and quickly become hard under the tramp of passing feet.

The active chapter and pledge men of Phi Gamma Delta fraternity were the guests of the Milton and Watsontown alumni members of the fraternity at the Riverside Park Country Club last Thursday evening at a smoker. Delicious refreshments were served during the course of the evening.

After having played away from home for two weeks the Varsity will have its next gridiron encounter on the campus next Saturday with St. Bonaventure, a college that turns out good athletic teams, especially baseball. It is claimed that St. Bonaventure has had more of its students enter the professional baseball ranks than any other institution in the country. But few, however, have ever reached the big leagues.

WOMAN'S COLLEGE

Jeanette Cook, '17, was home over the week-end.

Dorothy Bunnell entertained her parents Sunday.

Ann Carey, '10, spent the week-end with friends at the "Sem."

Frances McNall, '14, spent Sunday at her home in Muncy.

Helen Ruth, '12, visited at the Seminary over the week-end.

Mrs. Haslem, of Philadelphia, visited her daughter, Alice, 14, over the week-end.

Dr. Harris and Dr. and Mrs. Phillips took dinner at the Seminary last Friday evening.

Miss Schillinger, instructor in elocution ,was away for the last few days giving a recital.

Dorothy Jones, '14, Wilma Knapp, '14, and Mae Evans, '15, spent Saturday in Williamsport shopping.

Amy Patterson, '16, Marion Marman, '14, and Kathryn Redelin, '17, spent Saturday with Florence Reimensnyder, '14, at Milton.

To advertise the university all the members of the Freshmen rhetoric classes at Kansas are required to write articles concerning the institution to their home newspapers.

BUCKNELL UNIVERSITY.

VOLUME XVII] LEWISBURG, PENNA., MONDAY, OCTOBER 27, 1913. [NUMBER 5

ST. BONAVENTURE SNOWED UNDER

VARSITY HAS EASY TIME WITH VISITORS.

COACH DICKSON USES TWO TEAMS TO DO THE TRICK

Bucknell Piled up Largest Score of Season Against York State College on Field Covered With Mud.—Tip Topham Injured.

By plowing and wading through a veritable sea of mud for an hour Saturday afternoon the Orange and Blue team was able to pile up a total of 53 points against 6 secured by its opponents, St. Bonaventure College.

A heavy rain which fell during Friday night and Saturday morning put the field in better condition for a game of water polo than for a gridiron contest and gave the light Bucknell backfield very insecure footing. For that reason most of the gains made by both teams were through straight line plunges and tackle plays.

Bucknell played a strong game from start to finish and had little difficulty in rushing the ball down the field. Although the line was weakened by the absence of Hern and Platt, the regular tackles, and by the injured conditions of Sturgis and Shaffner, the men played a formidable game and repeatedly opened wide holes in the opposing line through which the backfieldmen twisted and squirmed for consistent gains.

The Orange and Blue backfield was as usual a tower of strength in spite of its light weight. Crulkshank handled the team with the hand and mind of a master and threw a number of beautiful forward passes, the majority of which fell to the ground incompleted, the ends being unable to get down under them quickly enough on account of the heavy field. Gdaniec and Captain Keiser invariably responded to their signals by tearing through the line for substantial gains, while Topham played his usual brilliant game until injured and taken from the game near the close of the third quarter.

The score the visitors was made in the second quarter when Reagan received a forward pass from a teammate near the middle of the field, and on a spectacular dash down the field, carried the oval to the one-yard line before he was successfully tackled. On the third attempt the ball was shoved over the line for a touchdown. .Knowacki missed goal.

It is hard to tell what the score might have been had Reagan been out of the St. Bonaventure line-up. The big quarter-back was seemingly everywhere on the field at once and his work on the defensive was about the best that has been seen here this year.

Two complete teams were used by Coach Dickson in Saturday's game, and the substitutions made little difference in the scoring ability of the home eleven. Aleshoukes and Weddell played Varsity callbre football during the time they were in the game.

First Period.

Five minutes after Sturgis had kicked-off Gdaniec plunged over the line for the initial score of the game. St. Bonaventure had been held for downs and several line plays and an end run by Topham had advanced the ball to the 5-yard line. Sturgis missed the goal.

Bucknell soon secured possession of the ball again and within three minutes Sturgis had plowed through the line for another six points, missing the try at goal. During the remainder of the quarter the ball was kept in the center of the field, neither side being able to take it far toward their goal. Score: Bucknell 12, visitors 0.

Vistors Make Score.

Bucknell then attempted several forward passes which failed. Sturgis then connected with a 35-yard heave and sped across the line for a touchdown, later kicking goal.

After the kickoff Schaffner recovered a fumble on the 26-yard line, Shipman gained 15-yards through center, Kelser made two yards, and Sturgis plunged through for the score. He also kicked goal.

It was after the visitors has secured the ball near the center of the field that Reagan caught a forward pass and ran the ball to the one yard line, later taking it across on the third attempt.

After having been scored against, Bucknell played with increased aggressiveness and held the opponents for downs with but a foot to gain. On the first play Crulkshank raced around the end for 35 yards and a touchdown. Sturgis kicked goal.

Score at end of half: Bucknell 33, Visitors 6.

Continued on second page.

ENDOWMENT FUND INCREASED BY SIX HUNDRED THOUSAND

SUCCESSFUL EFFORTS BOOST ASSETS TO OVER A MILLION.

The series of efforts that were made during the past few years by the Board of Trustees of the University to increase the endowment funds of the institution were brought to a successful completion early in the summer and resulted in the addition of $600,000 to the fund, thus bringing the assets of the school up to $1,250,000.

The Fund of 1911 was the name given to an effort to raise $100,00 for the institution by general subscription. General Charles Miller, of Franklin, a prominent and beneficent member of the Board of Trustees, agreed to give the last $25,000, provided the amount was raised by the first of January, 1912. A list of subscriptions totaling $75,632 was submitted to General Miller within the time limit and accepted by him as fulfilling the conditions of his pledge. This brought to a successful close that effort.

In view of the fact that Bucknell was raising $100,000, Fund of 1911, the General Board, New York City, offered to contribute $35,000 toward an additional fund of sixty thousand dollars, provided the friends of the Institution would pledge $25,000 in good and legally binding subscriptions before the first day of July, 1913.

This was done and completed the the raising of $600,000 in recent efforts, as follows: (1) July 1, 1911, the amount of cash paid in, and subscriptions was over $440,000, the result of several recent efforts; (2) the fund of 1911, completed December 18, 1912, was $100,632; (3) the Endowment Fund of 1913, now completed is $600,000. This will bring the assets of the institution up to more than $1,250,000, of which $850,000 will be productive.

"CHRISTY" AS A PLAYWRIGHT.

"Christy" Mathewson, ex-'02, the famous pitcher of the New York Giants and the idol of the "fans," made his debut as a playwright in the initial presentation at the Lyric Theatre, New York, on Thursday evening of "The Girl and the Pennant," a comedy of youth, romance and baseball, written in collaboration with Rida Johnson Young, already well known for her comedies "Brown of Harvard" and "The Lottery Man."

HYATT—VILLALON.

Announcements have been received of the wedding in York of Miss Ernestine Susanna Hyatt, Institute, of that city, to Jose Andres Villalon, '11, of Chicago. The bride formerly lived with her parents in Lewisburg. The young couple will reside in Cleveland, Ohio, where the groom is connected with the L. S. & M. S. Railway.

OUTLOOK FOR TEAM IS DISCOURAGING

MANY OF VARSITY SQUAD ARE INJURED.

WHERE ARE FORMER STARS TO HELP WITH COACHING?

Team Handicapped by Many Cripples on Eve of Battle With Pitt.—Big Job for Coach Dickson When No Alumni Help.

Almost on the eve of the football game with University of Pittsburgh, which gives every indication of being one of the hardest on the Varsity schedule, misfortune in the shape of injuries has overtaken the Orange and Blue squad and gives the outlook a decidedly discouraging aspect.

The injury which Topham suffered to his neck and back in the game Saturday confined him to his bed all day Sunday and will keep him entirely out of the game for several days, and maybe out of the game with Pitt. The condition of Sturgis, who was sick at his home for several days last week, is somewhat better and he apparently suffered no ill effect from his work in the game Saturday. The injured knee sustained by Platt is also giving Coach Dickson considerable worry, and it is doubtful if the big fellow will be able to do much work before next week.

Unless Hern, the veteran tackle, returns to college this week the line will be in very poor condition for the Western game. A large number of the second string men are also laid up for repairs.

Aside from the large list of men on the hospital squad the most important thing that helps to lessen Bucknell's chances for success is the fact that Coach Dickson is alone in handling the large squad, with no assistance from the former Bucknell stars. A number of former players have assured the athletic board that they would lend a helping hand, but unless they arrive on the gridiron very soon, their services will be of no value to the team or coach.

Of course Coach Dickson is not complaining as he is willing and entirely capable of handling the big squad, but Bucknell would have greater success this season if he had occasional assistance in rounding the men into shape. This is the year that Bucknell had a chance to make a great reputation on the gridiron, but some of the men who could help bring this about, are laying down on their jobs, and the coach is left helpless.

ISSUED HELPFUL BULLETIN

VALUABLE PAMPHLET PASSED OUT BY Y. M. C. A.

One of the most helpful pamphlets that has been seen on the Hill for some time has been put out by the Y. M. C. A. during the past week. The issue contains many valuable and useful hints about the college and the Y. M. C. A. Among the information to be found is a list of the Lyceum entertainers, when the Association holds its meetings, when the special entertainments for the year will take place, and a general College calendar telling of all important dates during the present term, including football dates, society meetings, and different special features which will be given during the term. Students may secure one of these valuable little pamphlets by inquiring at the Association office.

An educated man is one who knows what to do; when to do it, and does it whether he wants to or not.—President Butler, of Columbia University.

SERENADED BY BAND.

The Bucknell band gave a serenade last Thursday evening for two newly married couples of Lewisburg. The band first went to the home of Mr. and Mrs. Ernst, where they rendered a short musical program, much to the surprise and enjoyment of the bride and groom, then proceeded to the home of Prof. and Mrs. Rockwell, instructor of German, and gave a short serenade. The members of the band were treated to cigars and candy by both the serenaded couples.

SENIORS HUNT SNIPE.

A large number of students are having considerable amusement at the expense of two well-known Seniors who fell prey to the old snipe-hunting joke Thursday night. With one holding the bag and lantern, and the other a club, they waited for some time in the marshes of Shriner's island for the appearance of the snipe and the return of their companions.

WOULD GIVE NO VOTES TO UNMARRIED MEN

SHOULD BE LAW, SAYS FACULTY MEMBER, TO TEACHERS' INSTITUTE.

A press report says that Dr. Henry Colestock, professor of history at Bucknell, in an address to a teacher's institute at Wilkes-Barre, Saturday, declared that no unmarried man, regardless of age, should be permitted to vote. Doctor Colestock advanced the argument that any man who has not a home of his own or who remains single is not sufficiently responsible to be intrusted with the ballot and should never be allowed to vote for public officials.

"An unmarried man," declared Doctor Colestock, "shows that he has not sufficient spirit in him to establish a home. He therefore should not have the right of suffrage. In England this plan is carried out, and as a result suffrage is placed on a higher level. England will not permit a man to vote when he reaches the age of 21 years or when he has paid a few cents in taxes."

SONG BOOKS ON SALE.

The new song books, "The Songs of Bucknell," were placed on sale Wednesday at the office of Secretary Goehring and at the Hill branch of the University book store. Those who subscribed in advance for copies are requested to secure the same as soon as possible at the Y. M. C. A. office. Others may get copies at the book store.

FRESHMEN POST PROCS.

The freshman class turned out almost to a man early last Tuesday morning and during the wee sma' hours posted their "procs" throughout the town. Several efforts of the Sophomores to interrupt operations resulted in a number of scraps. Several of the posters remained up when hostilities ceased at seven o'clock.

BARTLETT—MILLER.

Lester Judson Bartlett, ex-'15, of State College, and Miss Katharine Miller, daughter of Mrs. J. P. Miller, of Lewisburg, were united in marriage last March in Wilmington, Del. The affair was kept secret until during the summer. Mr. and Mrs. Bartlett are now residing at State College.

Y. M. C. A. NOTES.

This coming Thursday evening at 9 o'clock Dr. Perrine will be the speaker at the regular meeting. Special music. All welcome.

Dr. Frances, of Sunbury, will address the Association Nov. 6th.

The Cabinet will meet this week after the regular Association meeting.

Ohio University has received a gift of $20,000 from Andrew Carnegie for the purpose of enlarging the library, of which he is the donor.

MASS MEETING IS A GREAT SUCCESS

ENTHUSIASTIC GATHERING HELD WEDNESDAY EVENING.

GRAHAM AND HOBAN THE PRINCIPAL SPEAKERS

Sporting Writer and Cartoonist of N. A. Write-Up Varsity Team and Give Interesting Talks to Students.

Last Wednesday evening Bucknell Hall was the scene of the most enthusiastic and interesting mass meeting which has been held here within the last two years. Graham, the sporting editor of the Philadelphia North American, together with Hoban, the cartoonist, of the same paper, spent Wednesday on the campus getting up a feature story on the Bucknell team for the North American, and the fact that they were going to speak in the mass meeting brought out an especially large number of students. Fully four hundred were present, and if the cheers and other noises made are any indication, the meeting was a decided success.

President Riley of the Senior class opened the meeting at 8 P. M. and called on District Attorney Steininger, '03, for the opening speech. He made a plea for more symmetrical men in our college—men who train mind and limbs to work in conjunction for the highest good. "The symmetrical man, the man who develops every power within him to the best of his ability," said the District Attorney, is the ideal man, and these are the kind of men we want to represent us on the gridiron and elsewhere."

The next speaker was Sporting Editor Graham, of the North American, and he received a long and loud ovation as he made his way to the platform. With his ready flow of language and wit he soon had the crowd with him. He paid a glowing tribute to the only New York player who really played baseball in the last world's series—"Christy" Mathewson, ex-'02, and said that he was the only stumbling block in the path of the victorious Philadelphia Athletics. He followed this with a ready flow of anecdotes on some of the major league stars, mentioning among them McCormick, O'Neill, Keichner, and others. Mr. Graham criticised the graduates who have been football stars for not coming back to aid Coach "By" Dickson in developing a winning eleven, in all of the colleges which he has visited he said that he had not seen one where all the work of coaching rests upon the shoulders of one man. The speaker closed with urging the entire student body to stand back of "By" and support him to the best of its ability.

Hoban, the cartoonist, was next called upon and his work made a distinct hit with the fellows. He gave what he called an illustrated lecture on the evolution of a football player, rapidly executing large sized caricatures as he talked. He showed the "raw material" as it arrives at the "prep." school. The "raw material" is constrained to don a football suit, although he does not know the difference between a head gear and a shin guard. Then the artist pictured him through all the various football stages, showing him after his first injury, then as a pretty good player, still later as the idol of his college, and finally as an all-powerful coach, adorned with heavy eye-brows. The drawing were exceedingly clever and the cartoonist kept his audience in one big round of laughter.

The meeting closed after all present united in rousing Bucknell-el-els for all the speakers.

BUCKNELL VS. GETTYSBURG

At Harrisburg, Nov. 15.

Start now to save your pennies
And learn a cheer or song.
For we're going down to Harrisburg,
A band five hundred strong.

The battle-field collegians
Have bowed to us before,
So let's us go 'long and do our part—
Cheers help to swell the score.

Our team, the grand old warriors,
Is filled with fire and pep;
On to the fray is now the cry;
Come on, plan now, get hep!

VACANCIES ON O. & B. STAFF.

To students with literary tastes or those who expect to adopt a profession in which the ability to write is a prerequisite a position on the staff of one of the University publications offers manifold possibilities. Especially true is this in respect to the Orange and Blue. At present there are several vacancies on the editorial board of the Orange and Blue to fill which a competition will be held beginning with the next issue. Selections will be made according to the customary method of competition, each aspirant being given several assignments to write up, upon the merits of which the faculty advisors of the paper and the editor will base their appointments. Members of all classes are eligible for positions on the staff and candidates wishing to be given assignments may hand their names before next Friday to Lotte, '14.

FIRST CALL FOR ORATORS.

The call which was made last week for candidates for the contest in oratory to decide which student shall represent Bucknell in the Intercollegiate Peace contest should bring out a goodly number not only from the Sophomores and upperclassmen, but from the ranks of the Freshmen as well. Debating and other forms of oratory constitute a highly intellectual and educational activity which stimulate a man's interest and develop his insight into many of the vital problems of the world. They are branches of college life that are deserving of the most and best that a man has in him.

Aside from being a means of selecting men for the Peace prize contest the competition arranged by Prof. Smith will aid in the development of material for the Varsity debating team which will meet Gettysburg again this winter in an annual contest. To again have Bucknell representatives adjudged the winners in each of these events should be the desire of every man on the Hill, more especially those who are forensically inclined. But only by having every debater in school report for try-out will we be sure of being represented by the best talent on the Hill and consequently more certain of securing honors.

A daring plot to swindle two young Indian youths of the Carlisle Indian School and an Indian girl out of lands they owned, valued at $200,000, has been unearthed.

DR. HORSEMAN SPOKE TO CLASS.

Dr. Horseman, pastor of the First Baptist Church of Williamsport, addressed the College Bible Class Sunday morning on the subject, "The Negro." Rev. Horseman spoke very forcible and said in part as follows: Fifty years ago the Negro came out of slavery with a hatred for manual labor. Now there is scarcely a school in the South, where the Negroes are not taught the value of work. The Negro to-day realizes that he must make good by his own initiative. The Black Man has made more progress, comparatively, in the last half century than any other race in the world's history. When a Negro is entrusted with personal responsibility he generally proves true. Every man deserves a square deal. The Negro should be given the chance to make good.

SIX TAKE EXAMINATION.

Last week President Appel, of F. & M. college, gave the Rhodes Scholarship examination to six. They were Lester W. Armen, Samuel R. Bryson and Henry C. Hicks, from Dickinson College; Henry N. Bowman and George Kunkle, Jr., from Franklin & Marshall, and John W. Moreldge, from Grove City College. These men were examined in Arithmetic, Algebra, Geometry, Latin Grammar, Latin Prose, Greek Grammar and Translation.

ST. BONAVENTURE SNOWED UNDER

Concluded from first page.

Second Half.

Although several substitutions had been made late in the third quarter Bucknell started this period with its original line-up. A long run by Topham and a short pass to Sturgis placed the ball on the 1-yard line, from where Keiser took it over. Sturgis kicked goal.

An intercepted forward pass gave St. Bonaventure the ball on the 30-yard line, from where they attempted a goal from field. The ball went wide of its mark. Bucknell then rushed the oval up the field in ten played, and Gdanice carried it across for the score. Sturgis kicked goal.

Just as the quarter ended Topham was injured while making a beautiful tackle. Sullivan took his place.

Fourth Quarter.

A large number of substitution were made at this point and the fresh players started poste-haste for the goal line, Weddelll soon plunging across for another touchdown. Sullivan missed the goal.

Further substitution left the team with out a Varsity man in the line-up. After the kick-off the visitors were held and forced to punt. Whittam, Aleshoukes and Sullivan took the ball to the 5-yard line where a fumble lost Bucknell the ball. On a trick play and several plunges St. Bonaventure worked the ball to the 35-yard line where they tried again at field goal, but failed. Bucknell gained 40 yards in three downs before time was called. Final score: Bucknell 53, Visitors 6.

The line-up:

Bucknell.		St. Bonaventure.
Shipman	Left end	Philbin
Reading	Left tackle	Murphy
Edwards	Left guard	Barry
Shaffner	Center	Eustance
Fisher	Right guard	McNally
Archer	Right tackle	Broxton
Sturgis	Right end	Launch
Crulkshank.	Quarter back	Reagan
Keiser	Left half back	McCallion
Gdanice	Right half back.	Knovaski
Topham	Full back	Kelly

Touchdowns—Gdanice 2, Sturgis 2, Crulkshank, Keiser, Weddell, Reagan. Goals from touchdowns—Sturgis 5. Substitutions—Bucknell, Sullivan for Topham, Aleshoukas for Gdanice, Whitted for Edwards, Sanders for Archer, Felton for Fisher, Donaldson for Shaffner, Hopler for Sturgis, Topham for Sullivan, Weddell for Keiser, Sullivan for Topham, McWhinney for Aleshoukas, Aleshoukas for Gdanice, Felton for Reading, Smith for Edwards, Whitted for Crulkshank, Soars for Felton, Archer for Sanders. Referee—Wolfe, Cornell. Umpire—Church, Bloomsburg S. N. Linesmen—Tripician, Bucknell; Denhensky, St. Bonaventure. Time of quarters—15 minutes.

PHILADELPHIA ALUMNI

NEWS AND NOTES CONCERNING THE QUAKER CITY GRADS.

Please send all information for this column and communications concerning it to
LOUIS W. ROBEY,
Land Title Bldg.,
Philadelphia, Pa.

A meeting of the Executive Committee was held on Friday, Oct. 24, at which a good many things of interest to the Alumni were considered.

It was finally arranged that the Executive Committee should meet regularly the SECOND FRIDAY of each month and that the bi-monthly dinners, after the first one, should be held the FOURTH FRIDAY of alternate months. The first bi-monthly dinner, however, will be held on next THURSDAY EVENING, OCTOBER 30th.

NOW ABOUT THAT DINNER.

PLACE—Rittenhouse Hotel, 22nd and Chestnut Streets.
TIME—7.00 P. M.
PRICE—Not more than $1.00 and as much less as Brother Bailey can tease the hotel proprietor into giving its to us.
SPEAKER—Prof. Pearson, of the Wharton School of the University of Pennsylvania.

Now, you fellows that want a good INFORMAL time come out and help build up an organization that will make those Lewisburg fellows as proud of us as we are of them when they score on Princeton and barely lose out to Cornell in football and when they beat all the colleges assembled in an oratorical contest as they did last spring.

AND THAT SUBSCRIPTION LIST IS STILL OPEN FOR YOU!

Remember for $1.50 you get Orange and Blue for one year;
Commencement News for one year;
Alumni Dues for one year;
A $2.75 proposition for $1.50.

We have 3 subscriptions—we need 75. We are soon going to publish the names of those who are in on this good work. Get in on the list and in that way recommend it to your alumni friends.

OLDEST SCHOOL BOOK IN THE WORLD DISCOVERED

CHART AND SLATE OF FIFTH CENTURY IN U. OF PA. MUSEUM.

The oldest school book in the world was recently uncovered in the Nippur collection in the Museum of of the University of Pennsylvania. It is a small tablet of clay about as large as a soda biscuit and is known to be at least 4200 years old.

Professor Langdon, of Jesus College, Oxford University, recently spent a few weeks at the University to study parts of the Nippur collection and in the course of his researches turned up a chart, or school book, that was used by a little boy in ancient Sumeria forty centuries ago. Even of greater interest is the "slate" of this school boy, upon which he attempted to copy his "lessons" from the treatise. For a reason that never will be rightly understood the boy failed to complete his task, and even defaced part of what he had written by an energetic use of his thumb.

The thumb prints are as easily seen to-day as they were the day he wiped out his incorrect writing 4200 years back.

This is only one of the many school books which are to be found in the Nippur collections at the Museum, but this and others of the first importance have just been cleaned and deciphered by Professor Langdon. Some years ago some mathematical books, multiplication tables and the like were discovered, but the new books just found are considered of vastly greater importance. They include grammars, geographies, histories and various written exercises which prove that there was a high state of pedagogical knowledge at the Temple University, if it may be so called, which was probably the first education institution of any kind in the history of the world.

MAKING GOOD AT STETSON

FORMER STUDENTS FOOTBALL STARS IN SOUTH.

"Steve" Jordan, '13, captain of last year's football team and an all-American choice for end, is making a marked success as coach of the eleven at John B. Stetson University, Deland, Fla. The Stetson Collegiate recently said: "From the way Coach Jordan handled the men during the few practices the writer has been an onlooker, it is certain that he knows his business. In his talk to the men he said that he had the spirit of Stetson at heart and was here to develop a winning team. If this same Coach Jordan gives us a winner, the students of Stetson will give him the campus with all the buildings thrown in for good measure as at present. We give you a hearty welcome, Mr. Jordan, and hope your stay with us will be pleasant and profitable."

In speaking of the playing of Dunkle, '13, and Fisher, '13, neither of whom have as yet played four years of varsity athletics, and who are playing on the line of the Stetson team, the Stetson paper says: "Dunkle and Fisher, two giants for the line, hail from the State of William Penn, but they have little Brotherly Love the way they hit the line."

DEATH OF MRS. BELL.

Rev. A. W. Fuller, '83, pastor of the Calvary Baptist church of Boston, accompanied the remains of his mother-in-law, Mrs. Catherine Bell, to Lewisburg Wednesday. The deceased was the wife of the late Charles Bell and was one of the best known colored ladies in this section. She is mourned by her daughter, Mrs. Fuller, and two sons, William and Charles, the former janitor of Main College.

TO HOLD SOCIAL EVENING.

The members of the College Bible class and their friends will enjoy a social evening in Bucknell Hall on Thursday, Nov. 6th. Dr. Reimensnyder, of Milton, will give a short address.

A co-operative association is being formed at Ohio State by stewards of fraternities and eating clubs, to enable them to buy foodstuffs in carload lots. It is estimated that $40,000 was spent for eatables by their organizations last year.

At a meeting in Chicago three of the smaller fraternities, Theta Lambda, Alpha Kappa Phi and Delta Phi Delta, were amalgamated into the new fraternity under the name of Delta Theta Phi. The new organization has nearly forty new chapters and over three thousand members.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII. LEWISBURG, PENNA., MONDAY, NOVEMBER 10, 1913. NUMBER 7

VARSITY IS FIRST TO SCORE ON NAVY

ONSLAUGHTS OF HEAVY BACKFIELD TOO MUCH.

LONG RUN AND FORWARD PASS GAVE BUCKNELL SCORE

Midshipmen Avenge Last Year's Defeat by 70 to 7 Victory.—Mrs. Woodrow Wilson and Daughter Witness Game.

Although outclassed and outplayed by the Navy Saturday the Bucknell Varsity has a big consolation in the fact that they were the first team to cross the Midshipmen's goal line this year, and while the defeat is a hard one to bear yet it is pleasant to consider that the record of the Sailors was broken while that of Bucknell, to score against every opponent, has been maintained.

Even the most optimistic supporters of the Orange and Blue did not expect the Varsity to be able to do more than hold the heavy and formidable Navy team to a low score and to spoil their clean slate by tallying against them. But no one was quite prepared for such a large Navy score and for that reason the early returns from the game received at the Orpheum were held to be incredible.

The slump from which the Varsity was undeniably suffering last week was the natural sequence of the gruelling battle with Pitt the previous Saturday, separated by but one minor game from the big battles with Cornell and Princeton. The task of repeatedly facing such powerful opponents, far above the class of Bucknell, left the Varsity minus the services of Fullback Topham and with a number of men in the line-up who were more fit candidates for the hospital than a scrimmage. That the slump was experienced at this particular time, rather than next week or the week following, is decidedly fortunate, for a victory over the Navy would be poor balm for hearts broken by a defeat administered by Gettysburg.

Chafing under the recollection of the 17 to 7 defeat administered to them by Bucknell last season the Midshipmen made no effort to suppress their enmity to the Orange and Blue and even in the open resorted to slugging and kneeing, some of which was detected by the alert officials who inflicted several long penalties on the Navy and ejected four of their players from the game during the first three quarters on account of "unnecessary roughness." Untrained in that manner of play, which has always been absolutely prohibited by Coach Dickson, the Varsity stubbornly withstood the onslaughts of the enemy and were rewarded by twice getting under the shadow of the Navy goal, and finally being the first this year to put the ball behind it.

One of the interesting features of the game was the presence in the grand stand of Mrs. Woodrow Wilson and daughter. Miss Eleanor, who came over from Washington in one of the White House autos with a party of friends. They were apparently much interested in the progress of the game.

Although it was due to the weakened condition of the Bucknell team that the Navy was able to pile up such a large score yet the fact that they won the contest was due entirely to their own superior physical condition and aggressiveness. With but one player weighing over 180 pounds Bucknell's system of play is necessarily of an open nature, close formation working only against teams of equal size. The Navy attack, however, is built about their heavy line and their back field, which they acknowledge outweighs any backfield combination in the country today. The task of stopping the terrific line-plunges of the Midshipmen was Herculean and the Orange and Blue line and secondary defense deserve much credit for having accomplished it as many times as they did.

In spite of the many disadvantages under which the Bucknell Varsity labored it put up a game and spirited fight and seldom did the Navy make the required ten yards inside of the limit number of downs. A field goal and several long spectacular runs contributed to the score. Bucknell, on the other hand, was as a rule not able to retain the ball long after securing possession of it, about half of the attempts to break through the Navy line bringing little gain and an even larger share of end runs being futile.

After the first few downs following the first kick-off to the Navy it was apparent that Bucknell was outclassed by her heavier opponents and the spectators were little surprised when after a few minutes of play the ball was forced over the Varsity's goal for the first touchdown. Brown, an All-American guard, kicked goal. A field goal by Brown and a spectacular run by Nichols for 60 yards through a broken field for a touchdown were features of the first half, which ended with the score 37 to 0 in favor of

Continued on second page.

THURSDAY TO BE "BAND DAY" AT THE ORPHEUM

PROCEEDS WILL BE USED TO SEND THE MUSICIANS TO HARRISBURG.

Through the kindness of the Orpheum management next Thursday will be known as "Band Day" at the local theatre. Concerts will be given both in the afternoon and evening, and the proceeds will be used to pay the Band's expenses to the Gettysburg game Saturday.

For the last two weeks the organization has been working hard on a program which promises to eclipse all former records. In addition to this the Mandolin Club will be present and will render several selections. Wedel, '15, will give a chalk talk which promises to be a rare treat. In addition to the performers from the Hill two reels of good pictures will be shown, making the program highly entertaining and worth many times the price of admission.

The splendid work of the Band at last year's game with Gettysburg is well remembered by all who were present. Their presence this year will no doubt do much to rekindle "Bucknell spirit" and enable the Orange and Blue warriors to duplicate last years' victory over the Battlefield Collegians.

The afternoon concert will begin at 3.30, while two performances will be given in the evening. General admission will be ten cents and reserved seats will be fifteen cents.

ALUMNI ARE ELECTED

TO MUNICIPAL AND COUNTY OFFICES.

In the elections which were held throughout the State last week several Bucknell alumni were successful candidates for local offices. At Franklin Dr. Fred W. Brown, '96, was elected mayor by a majority of 172 votes. At Norristown Rev. J. Elmer Saul, '98, was elected burgess by a 23 vote plurality. Here in Lewisburg Ralph Koser, ex-'99, was accorded the office of burgess by a plurality of 28 votes. All three ran on the Washington party tickets. C. Dale Wolfe, '92, of Lewisburg, was elected prothonotary of Union county by the largest vote given this year to any Republican candidate. His plurality was almost 500. C. B. Comstock, '06, was elected as one of the borough auditors of Lewisburg by a plurality of 92 votes on the Washington ticket.

SEM. GIRLS ADOPT THE HONOR SYSTEM

LARGE MAJORITY IN FAVOR OF NEW RULE.

TO SPURN ALL ASSISTANCE IN EXAMINATIONS

Student Government Association to Enforce the Measure and the Executive Committee to Deal With Offenders.

The unfolding moral consciousness of the girls which expressed itself last spring in the formation of the Women's Student Government Association reached its climax on Wednesday night by the adoption of the Honor System. It was only after a long and spirited debate for and against the system that the motion was adopted by a large and overwhelming majority.

After the matter was fully explained and systems operated in other colleges were set forth by those who have been directly influenced by the same, the President of the Student Government Association, Olive Cooper, gave three reasons for the adoption of the Honor System: First, we owe it to our college; second, we owe it to the world, and third, we owe it to ourselves.

"What are the things that count in this world anyway? What is the true meaning of a college education: is it a sheepskin, is it the wearing of a Bucknell seal ring or the getting of a banner to hang on your wall at home to point out to your friends? College isn't even good marks, nor the strain and glory of being a commencement speaker. The world is looking for people with energy, with sympathy and with character. The true function of college is to train a girl intellectually and morally to meet the crises of life with bravery, with cheerfulness and with a keen sense of obligation to her fellow-men. And how is College to prepare us to serve this purpose? Conscience stands at the head of the list, and conscience implies honor, and honor means honor; honor in thought; honor in actions; honor in character. For such an honor as this the Honor System serves as the foundation upon which the structure of perfect womanhood may be raised. Nor can such an honor be maintained by one small group of girls, the Executive Committee. You must create the sentiment, you must cooperate with it and make the Honor System, a system of honor, honor that shares responsibility, honor that begets sympathy, honor that makes a means to an end, not only for each individual girl but for every other girl in school. What is that end? Character. If you are true to yourself you urge the enforcement of such measures that will meet the demands of all mankind, that will satisfy the obligations of service to those who make college possible for you."

The new system as adopted is expressed in the following resolution:

"Whereas, Honor is the fundamental of cooperation, be it

"Resolved, first that we establish the Honor System in the Woman's Student Government Association of Bucknell University.

"Resolved, second, that the Honor System will be construed to mean that no girl in the Association may either give or receive illegitimate aid, written or otherwise during any examination.

"Resolved, third, that the girls' student body shall be responsible for the enforcement of these resolutions and the Executive Committee shall deal with the breaches thereof."

This year's freshman class of 90 members is the largest class that has ever entered F. and M.

HONORS FOR ALUMNAE.

Bucknell alumnae were again honored when at a recent meeting of the Pennsylvania Conference of the D. A. R., held at Scranton, Mrs. H. Grant Dreisbach, Institute '87, of Lewisburg, was elected Recording Secretary of the organization, and Miss Mary A. Stibbs, of West Chester, a former Bucknell student, was elected State Historian for the eighth time. Miss Anne Dreisbach, Institute '10, was appointed by the State Regent as one of the pages at the conference.

CALL FOR FOOTBALL MEN.

An earnest appeal is made by Captain Keiser and those connected with the Varsity team for more men to come out for football. This is a critical period for the team and every man in college who has ever worn a uniform should respond to-morrow afternoon and get a suit at the gym.

TO PUBLISH PERCENTAGES.

It has been decided by those in charge of the sale of Athletic Association season tickets that the percentage of tickets held by members of the various clubs and fraternities will be again published this year, the list to be compiled next Saturday.

ATHLETIC ASSOCIATION ELECTION APPROACHES

NOV. 20th LAST DAY TO HAND NAMES TO CAUCUS COMMITTEE.

According to the rules governing the Bucknell Representative Caucus Committee, which was inaugurated last year, the time is drawing near when aspirants for recommendation to offices and managerships of the Athletic Association should hand their names to Riley, '14, president of the Senior class and chairman, ex-officio, of the Caucus Committee.

The annual fall-term election is scheduled to be held on Saturday, Dec. 13th, at which time the following offices will be filled: president, vice-president and secretary of the Athletic Association, and assistant manager of football.

The Caucus, which considers the qualifications of the aspirants and recommends two men for each office, will meet on Thursday, Dec. 4th, and according to the rules of the committee, all students who wish to be considered for the various offices must personally hand their names to Riley at least two weeks before the meeting of the committee, or on or before Thursday, Nov. 20th.

The qualifications governing a student's eligibility for an office in the Association require that he be a member of the Athletic Association and in full class standing at the time of election. Members of the present Junior class are eligible for president, vice-president and secretary of the Association, while Sophomores are eligible for assistant football manager.

Each fraternity and the non-fraternity men are entitled to one representative in the Representative Caucus, who must be elected before the meeting on Dec. 4th.

VEREIN ORGANIZES.

Der Deutsche Verein met and organized for the year last Wednesday evening. The outlook for the coming year was discussed and plans were made to increase the interest in German at Bucknell. Tonight Prof. Reimer will give an illustrated lecture in Bucknell Hall to the society. The following officers were elected at the meeting: President, A. S. Van Osten, '14; Vice President, C. E. Geiger, '15; Secretary, Miss Minnie Etzweiler, '14; Treasurer, Miss Helen Waite, '14.

ENTERTAINED AT CARDS.

Phi Gamma Delta fraternity entertained a number of college and Seminary girls at cards last Tuesday evening.

ON TO HARRISBURG ON TO HARRISBURG

HELP THE TEAM TO WIN FROM GETTYSBURG.

FINAL ARRANGMENTS MADE TO RUN SPECIAL TRAIN

Secure Your Railway Ticket Now From Mr. Darlington.—Two Cars To Be Reserved for Ladies and Their Escorts.

Final arrangements for the annual Harrisburg trip Saturday have been made by Robert M. Darlington, ex-'02, and the actual making of the trip itself is all that remains. As was the case last year, the special train will leave the station here at 8.45 returning from Harrisburg at 11.05 Saturday night. The price of the trip, as announced in last weeks' issue, will be $1.95, and admission to the game will be fifty cents.

On account of the large number of ladies who have expressed their desire to see the game with Gettysburg it is announced that two coaches of the special train will be reserved both going and returning for the exclusive use of the fair enthusiasts and their escorts.

As a result of a personal canvas of the students over four hundred already have signified their intention of accompanying the team to the Capitol City, and it is confidently expected that almost double this number will be in line at Harrisburg to "whoop 'er up for Bucknell" and cheer the team to victory.

That the contest this year with the Battlefield Collegians will be interesting as well as stubbornly fought goes without saying. Gettysburg has already made a strong showing this season in the athletic world, and will no doubt put up the hardest kind of a game with the Bucknell warriors. For this reason more than any other it is absolutely essential that as many as can possibly do so should accompany the team and give it all the support they can.

In view of the fact that the special will not leave Harrisburg until 11.05 P. M., the excursionists will be enabled to attend some theatrical performance in the evening in addition to the afternoon's big game, and these two chief attractions together with the trip itself should bring out the largest delegation the Orange and Blue has ever sent to Harrisburg.

The college band, which will accompany the delegation, will have twenty-five men in its line-up. Concert-Master Fahringer has been putting the members through several hard practices during the past two weeks, and will take to Harrisburg an organization equal to any of its kind in the state.

Cheering practice will be held on the athletic field at 4.15 Wednesday for the purpose of familiarizing the students with the new yells which have been composed for this trip. A final drill practice will be held Saturday morning at 8.15 on the athletic field, after which the students, headed by the band, will march to the station.

Many Lewisburgers have signified their intention of accompanying the team on its trip to Harrisburg.

TO GIVE DANCE.

The Pan-Hellenic Committee announces that it will hold an informal dance in the Armory on Wednesday, November 26th, the first night of the Thanksgiving vacation. The Grange orchestra has been engaged and the subscription will be $1.50.

ALUMNAE CLUB MEETING.

The hour of meeting of the Bucknell Alumnae Club for Tuesday, Nov. 11th, has been changed from 7.30 to 7 o'clock.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year, $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

There comes a time in the schedule of every football team, more especially one which is sent against so many "big" teams as is our own, that the players find themselves during some grueling battle unable to, respond physically to the same degree as their minds would have them act. Such a condition is known as a "slump" and generally overtakes every eleven at least once during a season. That the Bucknell Varsity was suffering from just such a malady was known for several days preceeding the Navy game and in the mind of every follower of the team readily explains the large score made against us Saturday. But to loose to the Navy, no matter what the score, is certainly no disgrace, while to be the first team to score against them is an honor that all of us join the team in being proud of. The Navy game is now but history and ahead of us lie several games which MUST be won. The Varsity will come out of their slump this week the better because of it and determined to take out their spite on Gettysburg next Saturday. Student, do you realize your duty to the team; the team tha is giving Bucknell a season-record to be proud of? If so let us see you at every cheer practice this week and at the game next Saturday at Harrisburg.

A date which is being eagerly looked forward to by the majority of the student body is November 15, the date of the annual football game with Gettysburg. As was the case last year, the game is to be played at Harrisburg and a special train is to be run for the student body, provided that 100 persons are guaranteed. Last year three hundred men went and a large parade was held in "The Capitol City" before the game. Led by the famous Bucknell Band the Orange and Blue delegation, tagged with arm-bands and carrying pennants, made a large procession and gave the residents of Harrisburg good cause to "sit up and take notice." The result of this enthusiastic turnout was a well-earned 35-0 victory for the wearers of the Orange and the Blue. This year we want this victory repeated, only with a larger score than last year if possible. The Bucknell student body owes it to the team, which has so nobly fought through so many contests with larger schools to go to Harrisburg and help the team with their cheers. Nothing will give the wearers of the Orange and Blue so much confidence next Saturday as to see the Bucknell section at the game crowded and to hear the plaudits and the cheers of a large number of Bucknell rooters. Enthusiasm displayed before a team's departure does much to help the players, but it hasn't the same effect as good yells while the game is in progress. Let every loyal student plan to accompany the team next Saturday and to thus show his appreciation for one of the best teams in Bucknell's history.

Miss Eleanor Richardson, Student Secretary of the Y. W. C. A., will spend several days with the local Association this week. Miss Richardson will address the meeting on Tuesday evening.

VARSITY IS FIRST TO SCORE ON NAVY.

Concluded from first page.

the Navy. Welchons, '14, a recent football recruit, made his debut in Varsity football in the second quarter, taking the place of Archer at tackle.

Bucknell did not lose heart but returned to the fray in the second half with a number of forward pass plays up their sleeves. Early in the period, after the Navy had made another touchdown, Gdaniec received the ball on a kick-off and by dodging and evading almost the entire Navy team, returned the ball 50 yards. After several short gains had been made a neatly executed forward pass, Crulkshank to Sullivan, sent the diminutive fullback wriggling over the line for the first score that has been made against the Navy this year. Sturgis kicked goal.

Infuriated by having their "shut-out" record smashed the Midshipmen went back to the battle with blood in their eyes. It was about this time that several of their players were sent from the game for rough playing. During the half Gdaniec, and Aleshouckas, who substituted for him, were forced to retire with injuries.

Once more during the second perior Bucknell forced the ball within striking distance of the opponent's goal but did not have the punch to rush it over the line and a long forward pass made to Sturgis on the last down was incompleted and the Navy took the ball on the 20-yard line.

During the last quarter Mawhinney, who had taken Platt's place, sustained a broken nose soon after going into the game. A number of the other players sustained minor injuries that will doubtless not keep them out of scrimmage for more than a couple days.

The line-up:

NAVY		BUCKNELL
Ingram	Left end	Platt
Ralston	Left tackle	Hern
Howe	Left guard	Reading
Perry	Center	Shaffner
Brown	Right Guard	Fisher
Vaughan	Right tackle	Archer
Gilchrist	Right end	Sturgis
Mitchell	Quarterback	Crulkshank
McKeavey	Left halfback	Kelser
Failing	Right halfback	Gdaniec
Harrison	Fullback	Sullivan

Referee—Maurice, U. of P. Umpire—Bergen, Princeton. Head linesman—Stollenwreck, Johns Hopkins. Time of periods—15 minutes. Touchdowns—Mitchell 3, Harrison 2, McKeavey 2, Blodgett, Bates, Sullivan. Goals from field Brown. Goals from touchdown—Brown 7, Sturgis. Bucknell substitutions—Welchons for Archer, Mawhinney for Platt, Aleshouckas for Gdaniec, Shipman for Aleshouckas, Archer for Mawhinney, Edwards for Reading, Welchons for Fisher, Platt for Welchons.

COMMUNICATION.

It seem almost incredible that the practice which we are about to mention should exist among Bucknel students. It is bad enough that there should be in the community persons who would regularly take advantage of the Reading railroad track to view athletic contests on the campus. The limit, however, is certainly reached when a student will have the nerve to stand up on the hill and when approached by the authorized representative of the Athletic Association, and openly and flatly refuse to pay the price of admission. Such an occurrence has happened not once and not twice but several times this season.

But even the student who refuses to pay when approached has something to his credit when compared with that individual or class of individuals who wait till they see a man taking tickets coming their way and then sneak off up the hill till the danger is past when they again boldly take their place among the spectators.

Not only does this detestable practice deprive the Athletic Association of considerable revenue but it is an imposition on those students who do pay. It also gives those individuals who practice it an elementary course is parasitism and prepares them to become cankers in society. Let the student body arouse itself and stop this inexcusable practice of the few.

The Crozer Theological Seminary

Faculty of eleven professors and instructors.

Graduates of approved colleges who are candidates for the degree of Bachelor of Divinity may elect during their Seminary Course sufficient work in the University of Pennsylvania to secure its degree of Master of Arts.

Diplomas awarded in either three or four years, according to degree of preparation at entrance.

Scholarships for students of merit. Tuition and room rent free.

Library modern in administration and facilities for investigation.

MILTON G. EVANS, President, CHESTER, PENNA.

The Newton Theological Institution

(Founded 1825)

Eight miles from Boston, Mass. State House, situated in superb grounds of 52 acres belonging to the institution.

An Eminent Faculty. Convenient Dormitories and Lecture Rooms. Beautiful Chapel, a Noble Library, an Unsurpassed Library Building and Equipments for Laboratory Work.

Courses leading to B. D. degree, and special provision for postgraduate students.

More than one hundred Newton men have served as foreign missionaries. Special courses are offered on missionary history and methods.

The proximity of the seminary to Boston and Cambridge makes it easy for students to attend lectures by eminent specialists and the Lowell Institute courses.

There are many opportunities for engaging in missionary and philanthropic work by which students acquire clinical experience and contribute to their self-support. Address

GEORGE E. HORR, President, Newton Centre, Mass.

Purity Candy COMPANY

"Keeping in Front"

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.

NEWS AND NOTES CONCERNING THE QUAKER CITY GRADS.

Please send all information for this column and communications concerning it to

LOUIS W. ROBEY,
Land Title Bldg.,
Philadelphia, Pa.

Don't forget the joint dinner on December 4, 1913. We will tell you about it next week.

JOINT DINNER.

On December 4th, at the Rittenhouse Hotel, the joint dinner of the two Bucknell Clubs of Philadelphia is to occur. While the ladies have their full share in the meeting, we look upon ourselves as hosts, since we lasted the invitation. We must turn out in full force, for they are acknowledged throughout the city to be the foremost college club of Philadelphia. We owe them recognition, and ourselves fairplay.

The fact has been borne in upon many of us that the number of Bucknell graduates coming to Philadelphia is rapidly increasing. In the last five years 75 men have either located here permanently or entered some department of the various professional schools of the city, to say nothing of the ones going to Crozer. These fellows need and would welcome a friendly touch from some Bucknell fellows.

The committee announces with a great deal of satisfaction that it has been able to secure as the chief speaker on this occasion Mr. Harold G. Murray, of Princeton, who is secretary of the Graduate Council, and who makes to us his 28th address to non-Princeton gatherings. He is talking all the time to Princeton clubs—that's his job. He will tell us of the different ways in which other alumni clubs are working, and he will tell it in an interesting way. This stands to reason, anyway, because he never would have successfully gotten by the first much less the twenty-seventh college speech if there hadn't been something to it. Then two other speakers representing respectively the ladies, and the men, will talk to us. Both of these people will be too well known to need introduction.

The committee asks your co-operation in seeing to it that every Bucknell graduate in your vicinity knows of this meeting, and that you also endeavor to bring with you as large a delegation as possible. Every wife of a Bucknell man is eligible to membership in the Alumnae Club. Unmarried men may bring ladies.

PLACE—Rittenhouse Hotel.

TIME—7.00 P. M.

PRICE—$1.25 per plate. (The ladies accepted our invitation on condition that they pay their own way.)

Now catch the spirit of this thing, men, and turn out. The women of Bucknell have an organization to be proud of—the men have the "makin's", why not? Let's pull together in this affair and have a big time.

TO PRESENT PLAY.

Dickens's "The Cricket on the Hearth", as arranged by Jos. Jefferson, will be presented by a mixed cast at the Orpheum theatre on Tuesday evening, Nov. 25th, for the benefit of the Bucknell Athletic Association. The play will be under the direction of Miss Edith Schillinger, of the Bucknell faculty, and an admission of 25 cents will be charged.

BIBLE CLASS SOCIAL.

The members of the College Bible Class, more than one hundred in number, enjoyed a very pleasant social evening in Bucknell Hall last Friday evening. Dr. and Mrs. Harris, Dr. and Mrs. Phillips, Profs. Owens and Stolz, Mrs. Wilcox and Miss Schillinger were present and contributed largely to the success of the affair. A large delegation represented the Woman's College and there were an equal number there from the Hill.

DR. FRANCES ADDRESSES "Y."

The speaker at last week's Y. M. C. A. meeting was Dr. Francis of the Zion Lutheran church, Sunbury, and he gave one of the strongest and most valuable addresses which the Association has received for some time.

MASS MEETING BRINGS OUT LARGE CROWD

COMMITTEE APPOINTED TO FORMULATE A NEW CHEER.

An enthusiastic mass meeting was held in Bucknell Hall Wednesday evening. Owing to the absence of some members of the faculty who were to be present, speeches were given by members of the team and some of the students who were at the game with Pittsburgh.

Prsident Riley, of the Senior class, called upon "Bob" Hagan for the first speech, and he told of the great spirit displayed by both rooters and players at the game. Whittam, Platt and Manager Keech were the next speakers, after which "Bob" Darlington was called upon to give full details concerning the Harrisburg trip.

An important feature of the meeting was the appointment of a committee to formulate a new college yell. The committee is composed of Lindberg, '14, chairman, Rice, '14, Lowther, '14, and Rishel, '15. This week's mass meeting will not be held until Friday as the Y. M. C. A. Lyceum entertainment is scheduled for Wednesday night. The meeting will be held in the gymnasium instead of the chapel.

1917 FOOTBALL VICTORS

DEFEAT SOPHS IN ANNUAL GRIDIRON CLASH.

Doubtless the most enthusiastic football game ever staged on the athletic field was that on Saturday between the Freshmen and Sophomore classes. The freshmen had little difficulty in winning the annual clash by a score of 20 to 0.

The girls from the Seminary marched to the field in a body, each displaying the colors of her class. Their cheers were frequent and well organized and added much spirit to the game.

Captain Hopler, Matlack and Thomas were the stellar players for the freshmen while Captain Glass was the one brilliant player for the Second year men.

Freshmen.		Sophomore.
Shafer	Left end	Alter
Sowers	Left tackle	Nancarrow
Donaldson	Left guard	Smith
Collins	Center	Menscir
Felton	Right guard	Fulton
Marron	Right tackle	Blackburn
Thomas	Right end	Ritchie
Matlack	Quarterback	Glass
Hopler	Left halfback	Jeffrey
Beers	Right halfback	Smith
Storer	Fullback	Miller

Touchdowns—Hopler 2, Johnson. Goals from touchdowns—Hopler 2. Substitutions—1916: Sweltzer, Peters, Long, McFarland, Everitt, Mahlin, Bryant, Lewis, Wright, Sallsbury. 1917: Petite Swope, Russell, Moser, Poschinskie, Soars, Johnson, Mink.

PHIDELAH RICE WEDNESDAY.

The first number of the Bucknell Y. M. C. A. Lyceum Course will be presented next Wednesday evening when Phidelah Rice, one of the greatest interpreters of the day, will appear in the Methodist church. Mr. Rice has appeared in Lewisburg before and the high standard of his work is well known.

BUCKNELL UNIVERSITY.

VOLUME XVII/ LEWISBURG, PENNA., MONDAY, NOVEMBER 17, 1913. NUMBER 8

VARSITY VICTOR IN GETTYSBURG GAME

BATTLEFIELD TEAM GIVEN A DECISIVE DEFEAT.

MANY STUDENTS AND ALUMNI SEE GAME AT HARRISBURG

Terrific Attack of Bucknell Too Much For Opponents—Muddy Field Restricted Open Plays and Many Forward Passes.

Encouraged and applauded by the cheers of over eight hundred students, alumni and friends the Varsity football team fired volley after volley into the ranks of the Gettysburg host Saturday and came away the victors of the fray by a score of 23 to 0. The battle was staged at Island Park, Harrisburg, before over 2,000 spectators.

The storm of rain and sleet which fell throughout the game did not dampen in the least the spirits of the collegians from both schools who had accompanied their teams to Harrisburg on special trains. The adherents of the teams filled the low bleachers on opposite sides of the playing field, while the grand stand afforded sheltered seats for a large number of the fair football enthusiasts and their escorts.

The Bucknell second team was the first to appear on the field and ran through signals for several minutes before the blanketed Varsity men ran out from the club house and lined up in battle front. Both teams were greeted with enthusiastic cheers. The Gettysburg team soon appeared and it was immediately apparent that the two teams were physically equals, the heavier Gettysburg backfield counterbalancing a slight advantage of weight in the Bucknell line.

That Bucknell has partially, at least, recovered from the slump from which the team was suffering last week, was evident in every play. From the first kick-off the Varsity went after the ancient rival with a determination that could not be denied. Every man played with all that was in him and the result was that the opposition of the Battlefield team was slowly but steadily broken down by the repeated onslaughts of the Lewisburg Warriors.

Gettysburg offered its greatest resistance during the first two periods of the game. In this half the Varsity used almost no open plays, confining its attack to line-rushing. Time and again the Bucknell backfieldmen plunged through the openings made by the linemen for long gains, and end runs met with equal success. But Bucknell did not shine simply on the offense, for rarely could Gettysburg make the required ten yards.

The forward passing of quarterback Crulkshank was little short of marvelous considering the muddy and slippery condition of the ball. With two exceptions his passes were accurate and the fault that more were not successful was due to the inability of the receiving players to handle the slippery leather.

With but three exceptions the Varsity came through the contest in good physical condition, and the injuries sustained by Sturgis, Fisher and Hern are minor ones and not likely to keep them out of the game next Saturday.

Fullback Topham made his first appearance in a game Saturday since he was injured in the contest with Pitt, and his spectacular 60 yard dash for a touchdown demonstrated that he has lost none of his prowess as an open-field running. Gdaniec and Captain Keiser made repeated gains through the line, while Sturgis, Aleshoukas and Platt, played well in every department. Too much praise cannot be given the linemen for the manner in which they repulsed the invading attack and opened the holes through which their collegues advanced the ball.

First Quarter.

Gettysburg kicked off and Platt ran the ball back 20 yards. Topham gained 25 yards on an end run. Crulkshank, Topham and Gdaniec each made five yard gains, giving Bucknell first down. Crulkshank failed to gain and a forward pass was attempted, but proved unsuccessful. Gettysburg received the ball on downs. The first two plays were not successful, but the next resulted in a ten-yard gain. After two yards were gained in two more attempts a Gettysburg man got the ball and ran fifteen yards before he was downed by Schaffner. The Orange and Blue then held and Gettysburg lost the ball on the Bucknell 16-yard line. Topham made a great 55-yard punt. Here the Bucknell defense held like a stone wall, and Gettysburg could only advance the ball two yards in four attempts. A gain by Sturgis and a forward pass to Topham put the ball on the Gettysburg 35-yard line. Sturgis stepped back and kicked the ball toward the goal posts. It hit the crossbar and aid then rolled over, giving the Orange and Blue her first score.

Bucknell kicked off and Gettysburg ran the ball back 35 yards. Gettysburg was thrown for a loss on a fake forward pass. The quarter ended with the ball in Gettysburg's possession on their 30 yard line. Score—Bucknell 3, Gettysburg 0.

Second Quarter.

Gettysburg made 20 yards on their first forward pass. A six yard loss on an attempted end run and two unsuccessful forward passes caused Gettysburg to punt and Crulkshank caught the ball on the Bucknell 18-yard line. Topham made 5 yards around left end. A forward pass, Crulkshank to Sturgis, netted the Orange and Blue 40 yards. Gdaniec made a pretty 25 yard dash through the Gettysburg centre. Sturgis was given the ball and he took it around left end for a touchdown. Sturgis kicked the goal.

Gettysburg kicked off to Bucknell

Continued on second page.

TO GIVE UNIQUE MUSICAL RECITAL ON WEDNESDAY

STUDENTS WILL HEAR THEIR SELECTIONS FOR THE FIRST TIME.

All friend of the School of Music and especially those interested in musical tecnique are invited to the Clavier recital to be given by students of the department in Bucknell Hall on Wednesday afternoon at 4.15 o'clock

This is the first recital of this kind ever given at Bucknell and it will be of as much interest to the pupils themselves as to the audience for in no case has the student ever heard the selection which she will play. Each solo has been carefully studied and diligently practiced and memorized on the Clavier, which acts in every way like a piano except that it gives forth no sound. The duo was practiced on two claviers but no attempt was made to memorize the number.

Recitals of this unique nature were originated at the Virgil School in New York City, where the results were very successful and its introduction here by Prof. Stoltz, director of the Bucknell School of Music, is one of the many valuable features added to the music courses here during the past few years.

The program of the Clavier recital will be as follows:

Solo—Valse Brillante, in A flat—Miss Kramer.

Solo—Bolero—Miss Galloway.

Duo—Forest Brooklet..Miss Reinhardt.

Solo—Bavaradge—Miss Bancroft.

Solo—Polonaise—Miss Jacobs.

Solo—Good-night—Miss Reihardt.

Quartette—Galop de Concert—Misses Grugan, Jacobs, Bancroft, Galloway.

HARRISBURG TRIP A HUGE SUCCESS

OVER THREE HUNDRED WENT ON SPECIAL TRAIN.

CAPITOL CITY INVADED BY JUBILANT STUDENTS

Uniformed Bucknell Band Headed Mammoth Parade Through Streets —Cheering for the Varsity Was a Feature of the Game.

The special train which was run by the Pennsylvania railroad to Harrisburg for the game on Saturday was a huge success in every way, over three hundred students and Bucknell adherents taking advantage of the opportunity to see the Varsity team in its eighth battle of the season.

Upon the arrival of the train at the Capitol city the gay and noisy crowd formed in a double line parade and, headed by the Bucknell band paraded the principal streets of Harrisburg. Everywhere along the line or march the rollicking, cheering contingent was greeted by much applause. The parade terminated in front of the Columbus hotel, where the Varsity made its headquarters.

The college band was arrayed in their striped blazer coats and colored hats ,while the resplendant uniform of Leader Fahringer made a decided hit. The marshals of the parade, Lindberg, '14, and Hagan, '14, marched ahead of the band, while after it came the members of the Senior class, each carrying a ebony walking stick. Nearly every student wore an arm band or carried an orange and blue pennant.

The Bucknell following assembled at the Columbus hotel at 2 o'clock and marched to the football field, where they occupied the South stand and immediately began to give their cheers under the directions of Cheer leaders Windsor and Wuether, each arrayed in white flannels and blue sweaters.

The special train did not leave the city on the return journey until nearly midnight, and many of the students availed themselves of the opportunity to visit the theatres or dance halls in quest of entertainment.

Among the many Bucknell alumni who witnessed the Gettysburg game were the following:—C. K. Robb and M. Shehan, of Philadelphia; W. S. Duncan, of Duncannon; Parke, Snyder and Stoughton, of Altoona; Royer, of Port Royal; Hoffman, of Sunbury; Brandt, Lutzinger, Walters, John and LeRoy Johnson, of Harrisburg; Rockey, of Liverpool; Hean, of Philadelphia; Miss Ruby Stuck of Tower City, and Robinson, of Shamokin.

COMMITTEE FOR FOOTBALL BANQUET NAMED

VARSITY MEN TO BE DINED BY STUDENTS FRIDAY, DECEMBER 5TH

Riley, president of the Senior Class, has appointed the following committee to formulate plans for a banquet to be tendered the Varsity football team and substitutes after the season: Chairman, Musser, '14, Shattuck, '14 and Hagan, '14.

The date of the banquet has been set as Friday evening, December 5th. It is the intention of the committee to make the affair similar to the successful banquet given the team two years ago and a complete announcement of the arrangements will be given in next week's issue of the Orange and Blue.

ORATORIO PRACTICE.

The Oratorio Society will meet in Bucknell Hall Thursday evening at 7.30 o'clock for practice.

GRADUATE COACHES COMING.

Coach "By" Dickson will be assisted this week in the task of whipping the Varsity team in shape for the remaining games on the schedule by Dr. Jennings, '97, of Burlington, N. J., Vic Schmid, '12, of Johnstown, and Clarence Weymouth, '00, of Wynnewood. Dr. Jennings, will have charge of the linemen, while Schmid, who was the Varsity captain two years ago, and Weymouth, who made a reputation as fullback at Yale after graduation here, will coach the backfieldmen. The graduate coaches are expected to arrive today or tomorrow.

GLEE CLUB TRY-OUTS.

Any student who can open his mouth and make a noise is urged to report at Bucknell Hall this evening between 7.30 and 8 o'clock for a try-out for the recently re-organized Glee Club. This organization is planning a pretentious schedule of appearances for the coming term and a large membership is desired. A meeting of players of stringed instruments will be called soon to affect an organization.

COMING IN SPECIAL TRAIN.

A press dispatch from Allentown states that already over 100 students have signed up to come to Lewisburg on a special train next Saturday to cheer their team in its game with Bucknell. Muhlenberg is working hard to win this game and will give the Varsity one of the hardest games of the season for the honors.

WHO'S WHERE OF 1913 CIVILS.

The Civil Engineers of the class of 1913 are located as follows:—Bogart is doing structural designing for Post & MacCord, of New York; Edwards is with the B. & O. railroad on their Magnolia cutoff, a $7,000,000 project in West Virginia; Goehring is in the engineering department of the Midland Railway Company of Manitoba, being located for the present at Winnipeg; Piersol is a civil engineer with the Trenton Division of the Penna. R. R., with headquarters at Camden.

SEASON TICKET PERCENTAGES POSTPONED

UNTIL NEXT WEEK. A GOOD CHANCE TO RAISE THE STANDINGS.

On account of the inability of those having the matter in charge to complete the compilation of the percentage of fraternity men holding season tickets the publication of the list has been postponed until next week. Men purchasing tickets during the coming week will be given credit in the completed list and the fraternities are urged to have their men improve their rating at this opportunity.

To prove that the games remaining on the athletic calendar for the year, if paid for individually, will cost almost twice the price of a season ticket, exclusive of membership in the Association, which is valued at one dollar, the following table is presented:

Muhlenberg game	.50
7 Basketball games	2.35
4 Class games	1.00
8 Baseball games	2.80
Soph-Fresh game	.25
Track Meets	.50
	7.40

Season tickets must be presented at the game next Saturday as admission will not be granted by the ticket-takers to anyone upon the statement that the card has been "left in the room."

ACTORS, ATTENTION.

There will be a rehearsal of Acts 1, 3, and 4 of Julius Caesar at 9 o'clock this evening in the Euepia room. All members of the caste are requested to be present.

MEDIC'S TO MEET.

All medical students are requested to attend the meeting of the Medical Society in the Chemical building next Friday afternoon at 4.15 o'clock.

DRAMATIC CLUB FLOURISHING

ORGANIZATIONS ARE ALREADY MAKING PLANS.

SEVERAL PLAYS TO BE PRESENTED THIS YEAR

Cap and Dagger is Preparing Three Plays, and Frill and Frown is Also Active.—Miss Schillinger Again is Coaching Plays.

Among the several departments of the university, one that has risen within the last few years to a position of paramount importance because of its high standard of excellence, is the Department of Elocution and Dramatics. The plays which have been given under its guidance have been especially well presented and have added materially in bringing the department to the position of prominence which it now occupies.

The Department of Elocution and Dramatics, as now conducted, consists of two distinct organizations, Cap and Dagger for the men of the college, and Frill and Frown for the women, besides the regular private students in Elocution. Both of these societies are under the able leadership of Miss Edith Schillinger, and her coaching has been a wonderful factor in staging many successful plays in the past years. Encouraged by the success of the plays which were presented last year, and by the increased interest on the part of all the students, as well as by the splendid promising material which has just entered college, both Frill and Frown and Cap and Dagger are planning hard to enlarge the scope of their work, and, if possible, to increase in excellence.

Cap and Dagger.

In order to make the organization of Cap and Dagger permanent, it was decided at the beginning of this term to put it under the direction of the Y. M. C. A., a separate committee being appointed to take care of Dramatics. This committee, aided by Miss Schillinger, has already made extensive preparations, and it is confidently expected that the character of the plays presented will be pleasing to the faculty, town people, and students alike. The plans are to present three plays in the very near future, and the castes for these productions are already partially picked. The first of the series will be "The Cricket on the Hearth", which will be presented Tuesday evening, November 25. The proceeds of this play will be turned over to the Athletic Association. On December 12, Shakespeare's masterpiece, "Julius Caesar", will be the attraction, and will be for the benefit of the Y. M. C. A. The date for the third production, entitled "Lend Me Five Shillings", has not yet been announced.

Frill and Frown.

Frill and Frown met and organized some time ago and are already making plans for the present school year. This organization is limited to twenty-five members. At the present time there are four vacancies, and no less than forty Seminary girls are trying out for the much coveted places. Two plays are being practiced in closed meetings by the candidates, and the four who are eventually deemed best by competent judges will be chosen. On November 21 the first Frill and Frown production will be given in the shape of a "double-header" for the benefit of the Y. W. C. A. Later, George Eliot's "Spanish Gypsy," will be presented. At the present time the Seminary organization is exerting every effort to get a full equipment of stage properties, in order to insure even better plays in the future than have been given in the past.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year, $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

THAT HARRISBURG TRIP.

The students of Bucknell are to be congratulated for the large and enthusiastic delegation that journeyed to Harrisburg Saturday and witnessed the Varsity humiliate our Adams county rivals on the Island Park gridiron. From the moment the special train pulled into the Capitol City station it was apparent that it was "College Day" in that city and the mammoth parade of Bucknell students and adherents, headed by the invincible Bucknell band, established the prestige of our own college firmly in the minds of the natives. The cheering of the Bucknell section during the progress of the game was exceptionally spirited and a feature of the game. All in all the day was a gala one for Old Bucknell and one not soon to be forgotten by those who took the trip.

A PAYING INVESTMENT.

It is elsewhere announced that the publication of the percentage of members of the various fraternities holding season tickets has been postponed until next Monday but the understood fact that not as many students have purchased tickets as in previous years makes the question of financial athletic support a vital one.

To have every man in the University subscribe for a season ticket is not expected, although there is undoubtedly not a man here who cannot afford to buy one, foregoing a few Sunbury trips, if necessary, to raise the price. But to have one-fourth or one-third of the student body fail to meet their obligation to student athletics is exceedingly lamentable.

That the Athletic Asso. is badly in need of money to meet its contingent expenses is a well known fact and the condition can only be alleviated by having more students realize their share of responsibility in making a success of athletics from the material side and subscribe for tickets.

In purchasing a season ticket a student may view his action not only as a worthy act for a good cause but also as a money-saving investment for himself. His five dollars is not a munificent gift from which he receives little or no returns. The holder of every ticket is a member of the Athletic Association, a privilege valued at one dollar, and is entitled to admission to every home game during the year, which if paid for at the usual price per game, would amount to almost twice the original cost of a season ticket. This fact alone, to say nothing of college spirit, should prompt every man in college to buy a ticket.

VARSITY VICTOR IN GETTYSBURG GAME.

Concluded from page one.

and Criukshank ran the ball back 5 yards. Topham tore off 18 yards on a double pass and Platt went through centre for five more. Bucknell was penalized for being offside, but Gdaniec made up the loss with a brilliant line plunge. Topham made a 35-yard punt, Gettysburg obtaining the ball on their 25-yard line. All of Gettysburg's attempts to gain were unsuccessful and they were forced to kick. Several forward passes proved unsuccessful and Topham kicked to the Gettysburg 15-yard line. Gettysburg made 6 yards through the line and then kicked to Topham, who ran the ball back 15 yards. The remainder of the half was a punting dual between Topham and Hoar, and the quarter ended with the ball on the Gettysburg 45-yard line. Score Bucknell 10, Gettysburg 0.

Third Quarter.

Gettysburg kicked off and Keiser ran the ball back 20 yards. Gdaniec and Keiser each hit the line for three yards, and Topham kicked to the Gettysburg 33-yard line. Gettysburg was unable to gain a yard and at last was compelled to kick. Big gains by Crulkshank and Gdaniec and a pretty forward pass netted the Orange and Blue first down. Bucknell failed to gain through the line and a forward pass was unsuccessful. Another forward pass, Crulkshank to Topham, was good. Gdaniec made five yards through the line, and Topham contributed 8 yards on an end run. Bucknell attempted a forward pass, but it was intercepted by Gettysburg. Gettysburg made 15 yards on the first play, but then the Bucknell line held, forcing Gettysburg to kick. Aleshouckas made 26 yards on three line plunges and Topham kicked to the Gettysburg 20-yard line. Gettysburg was unable to gain, and kicked to Topham, who made the most spectacular play of the game, eluding the whole Gettysburg eleven and running 60 yards for a touchdown. Gdaniec failed to kick the goal.

Gettysburg kicked off to Keiser, who ran the ball back 20 yards. Aleshouckas and Crulkshank made small gains and the quarter ended with the ball on the Gettysburg 45-yard line. Score 16-0, Bucknell.

Fourth Quarter.

Aleshouckas made a 10-yard plunge through left tackle. Bucknell received a five-yard penalty, but a forward pass and a line plunge by Gdaniec made up for the loss. Gettysburg intercepted a forward pass on their 12-yard line. Two forward passes were unsuccessful and then Gettysburg kicked. Keiser, Aleshouckas, and Crulkshank each made four yards. A forward pass netted ten more. Crulkshank gained 5 yards around end, and Platt then went over the line for a touchdown. Platt kicked the goal.

Gettysburg kicked off and Gdaniec ran the ball back to the centre of the field. Bucknell attempted four forward passes in succession, two of which were successful and netted 35 yards. Gdaniec ploughed the line for 15 yards. Platt made 5 yards, Bucknell was unable to go through the Gettysburg line and lost the ball on downs. Gettysburg made 8 yards, but could not gain on the next two attempts. Gettysburg was compelled to kick. Hoar booting the ball to the Bucknell 8-yard line. Topham kicked out of danger, and Getysburg ran the ball back 35 yards before being stopped by Crulkshank. Gettysburg failed to gain through the line. A placement kick fell wide of the goal posts. Bucknell took the ball and attempted a forward pass, which was intercepted just as the game was over. Score Bucknell 22, Gettysburg 0.

The line-up:

BUCKNELL		GETTYSBURG
Platt	Left end	Diehl
Hern	Left tackle	Zillinger
Reading	Left guard	McCullough
Schaffner	Centre	Witherow
Welchons	Right tackle	Beegle
Fisher	Right guard	Dreilelbis
Sturgis	Right end	Kohler
Crulkshank	Quarterback	Hoar
Keiser	Left halfback	Mahaffie
Gdaniec	Right halfback	Poffenberger
Topham	Fullback	Scheffer

Substitutions—Gettysburg, Wright for Dreilelbis, Brumbaugh for Kohler; Bucknell, Felton, for Fisher, Aleshouckas for Sturgis, Markle for Welchonce. Welchonce for Markle, Markle for Hern, Edwards for Reading, Sullivan for Crulkshank, Crulkshank for Sullivan. Touchdowns—Sturgis, Topham, Platt. Goal from placement—Sturgis, Goals kicked—Sturgis, Platt. Punt out—Sturgis. Referee—Brumbaugh, Lehigh. Umpire—O'Brien. Head linesman—Dietrich, Lafayette. Time of quarters—12 and 15 minutes, alternating.

PHILADELPHIA ALUMNI

NEWS AND NOTES CONCERNING THE QUAKER CITY GRADS.

Please send all information for this column and communications concerning it to
LOUIS W. ROBEY,
Land Title Bldg.,
Philadelphia, Pa.

The Executive Committee met on Friday last and put the finishing touches on the big joint dinner for December 4, ext.

Harold G. Murray, Esq., who is the Executive Secretary of the Princeton Alumni, will be the chief speaker. He has chosen for his subject "The Alumni—Alma Mater's Greatest Asset." Mr. Murray has had a very wide experience in matters connected with his subject and is well equipped to give us a very instructive talk. He is also recommended to us as a very interesting talker. We can, therefore, expect to get a great deal of substance in a pleasing way.

Mrs. O'Hara will speak for the ladies at the dinner and Dr. Nesbit, the President of the Alumni will speak for the men. Time permitting, there will be a short discussion of the subject presented by Mr. Murray.

We expect to have Dr. and Mrs. Harris with us to represent the college.

The price of the dinner will be $1.50 per plate and the place, The Rittenhouse. Anybody desiring so to do may bring as many guests as he desires by paying the regular rate for them.

In order to make proper arrangements for the dinner it was found necessary to ask for acceptances ahead of the dinner. Everybody in the course of the next few days will receive a card of announcement and invitation, and each one is most earnestly solicited to give an immediate answer.

Don't delay—Send your answer immediately on receiving the announcement.

We guarantee you a good dinner and a good time generally—do you want it?

TO YOUNGER ALUMNI.

It is a big question whether the younger Alumni realize the full force of their numbers in Philadelphia. The other day a few of the recent graduates got together and in counting over the Bucknell men since the class of 1908 whom they knew to be located in the Quaker City, arrived at a total of 41. Some of these are students at the University of Pennsylvania, some are attending the medical schools; many have started out in professions or business.

Here's the point. Is there any valid reason why this crowd should not get together and line up in one big Bucknell movement in the city? Doubtless every one of these men knows, but perhaps only in a vague way, that there exists a Phila.-Bucknell Alumni Association. Some are already actively allied with that association but sad to say by no means all. Some may have the impression that the organization is in the exclusive control of the older alumni and that the later graduates can hope at the best to be mere "hangers-on". Not at all.

If you are laboring under that illusion come around for yourself and investigate. At the last dinner the juvenile element made it known that they would not stand for taxation without representation and the veterans only too gladly consented to grant all their demands. Now here's your chance, young ones, to show the old "timers" what some fresh blood will do to prevent stagnation and to stimulate progress.

After all, be we out of college thirty years or three we are all working for the same good cause: Bucknell. It is a wonderful opportunity we Philadelphians have, to pay back part of the big debt we owe to the place on the hill. Let's get in on it, every man! And remember the best thing to do first of all, is to send $1.50 to C. K. Robb, at The Centennial National Bank for the combination offer.

"1912."

BENEFIT PERFORMANCE FOR BAND A SUCCESS

MUSIC AND WEDDELL'S CARICATURES DREW LARGE ATTENDANCE.

Last Thursday was Bucknell Band Day at the Orpheum and the four performances given by that organization were well attended, about thirty-three dollars being realized which was used to defray the expenses of the Band to Harrisburg last Saturday.

Each performance consisted of three reels of moving pictures, a band concert, and several rapid-fire sketches by Weddell, '15.

The concert by the band under the leadership of Fahringer, '15, was of top notch order. The band introduced several new selections and each received much applause. The one entitled "The Haunted House" deserves special mention. At one of the evening performances a beautiful bouquet of flowers was presented to Leader Fahringer.

Weddell's sketches were of different varieties and afforded much amusement to the audience. The sketches entitled "The Snipe Hunters," and "Tip Topham Makes a Tackle," were especially fine. Mr. Weddell demonstrated his genius as an artist and "brought down the house" with every caricature.

Mr. Koser, ex-'99, in a brief address in the evening, paid many compliments to the Bucknell Band and emphasized the statement that "it far exceeds any college band in the country." The band extend their thanks to Mr. Koser for his permitting them to use his playhouse for the concert, thus making their trip to Harrisburg possible.

MASS MEETING.

A rousing and enthusiastic mass meeting was held in the gym on Friday evening before the Gettysburg game. It was the largest and most spirited mass meeting of the year. interesting speeches were made by Prof. Wilcox, '04, Judge Johnson, '96, Dr. Jennings, '97, and Coach "By" Dickson.

The College band was present and added much spirit to the meeting. A number of new yells were practiced under the direction of Lowther, '14, and Windsor, '15.

LYCEUM.

On Wednesday eening was held the first entertainment on the schedule of the Y. M. C. A. Lyceum Course. Phidelah Rice, the noted impersonator, gave an interpretation of several characters in Octave Thanet's play entitled "The Man of the Hour," and the characters were exceedingly well impersonated, the Irish brogue of Falin being particularly well brought out.

The Beaver Memorial Methodist church, which has a great seating capacity, was full, and the interest of all was maintained by the amusing performance of the entertainer. The good attendance and the universal satisfaction of the audience augur well for the success of this year's course.

The next entertainment of the series will be a lecture by Dr. E. A. Ott, on Dec. 1st. Season tickets can still be procured from Goodwin, '14, or Ostorle, '16, for $1.00.

HILL GOSSIP

Fryling, '13, visited his Forum brothers last week.

Two dollars down, the balance in easy payments. Have you purchased a season ticket?

Rogers, '15, entertained his brother and Mr. Whitehead, of Williamsport, over the week-end.

Winkelblech, '14, has returned from Columbus, O., where he attended a convention of the Anti-Saloon League.

Dr. Jos. K. Weaver, '61, of Norristown, a member of the Board of Trustees, was in Harrisburg Saturday to witness the game.

L. O. Piersol, a civil engineer of the class of 1908, has been placed in charge of the New Orleans office of the Lingerwood Cableway Company.

The "dead head brigade", which is usually seen perched along the railroad tracks during the progress of an athletic game on the campus, will not be in evidence next Saturday as a canvas wall will be used to enclose the field.

Dr. George A. Jennings, '97, of Burlington, N. J., a former Varsity football star, spent Thursday and Friday here and helped Coach Dickson whip the line in shape for the Gettysburg game. He will return today to assist in coaching the team for the remaining games on the schedule.

GLEE AND MANDOLIN CLUB HOLDS FIRST MEETING

MUSICAL ORGANIZATION ELECTS OFFICERS AND MAKES PLANS FOR THIS YEAR.

A very interesting and enthusiastic meeting was held recently in the Y. M. C. A. Hall for the purpose of organizing a Glee and Mandolin Club. A large number of students was present and their interest augurs well for the success of the musical organization this year.

Before this year the College Glee and Mandolin Club was always composed of both men and women of the college, and this fact has prevented the organization from making any trips to the surrounding places. This year, however, it is the intention to limit the membership to men. Thus trips can be made by the Club, and its entertainments will be a very good advertisement for Bucknell. An interesting trip is already being planned to be taken during the Spring vacation. In addition, several concerts will be given in Lewisburg and the student body will have plenty of opportunity to hear the new musical organization.

The following officers were elected at the meeting: James, President; Robb, Secretary; and Tilton, Treasurer. Everyone who has any musical ability should endeavor to join the organization immediately, as practice is to be started.

DR. AND MRS. HARRIS ENTERTAIN

President and Mrs. Harris gave a delightful reception Tuesday evening at their home on University Avenue for about ninety guests. The Bucknell orchestra rendered a musical program. A similar reception was held Thursday evening at which over a hundred guests were in attendance.

ENTERTAINED AT CARDS.

The Forum gave a delightful reception in its halls last Friday evening for a number of the college girls. The evening was spent playing cards and other games. Prof. and Mrs. Rockwell were present.

MAY RECEIVE JUDGESHIP.

United States District Attorney J. Warren Davis, '96, of New Jersey, has been mentioned for Judge of the U. S. District Court in that State.

Velvet

THE SMOOTHEST TOBACCO

IN a debate, there is no evading the issue. Does your smoking tobacco bite or doesn't it?

Velvet is aged 2 years—which eliminates the leaf harshness and mellows and tones the richness. Produces a fine flavor and a smoothness that smokers appreciate above all else.

Gentlemen—there is only one side to this smoke question—that's the smooth side—"Velvet." Ask for Velvet at your dealers.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, NOVEMBER 24, 1913. NUMBER 9

RECORD CROWD SAW VARSITY WIN AGAIN

WITH SPEED VERSUS WEIGHT THE FORMER WON.

MUHLENBURG, CONFIDENT, CAME IN SPECIAL TRAIN

Attendance at Game the Largest in Five Years.—Bucknell Forced to Play Best Game in Order to Be Victor.

Before the largest crowd that has witnessed a football game on the Bucknell campus in many years the Orange and Blue won a glorious victory from the heavy Muhlenberg team last Saturday afternoon. The final score was 14-6, and indicates well the comparative strength of the two teams.

The day could hardly be called ideal for football. It was the first time that Bucknell has had clear weather for a big game this year, but the temperature seemed to be running a good race with the cost of living, and the heat affected the players of both teams to a considerable extent. It was a warm as spring and the spectators fairly sweltered.

Several new sections were added to the grandstand, but they were hardly sufficient to take care of the enormous crowd which came from miles around to see the contest. Both sides of the field were lined with autos, many of them from a distance. In order to prevent the usual "railroad delegation" from viewing the game a large canvas was stretched between the stands and the tracks, partially enclosing the gridiron. The Muhlenberg cheering section, numbering almost 200, occupied the seats to the left of the grandstand, while the Orange and Blue contingent, 700 strong, was in its usual place at the right of the reserved seats.

A special train of three coaches arrived at noon from Allentown bearing the visiting team and almost 200 followers. The train left on the return trip shortly after the game was over.

The Muhlenberg team was the first to appear, and they ran through a signal drill before the Bucknell second team made its appearance, soon followed by the Varsity. It was evident that the Orange and Blue eleven was heavily outweighed, the visiting line averaging 190 pounds to the man, as against 175 for Dickson's proteges.

From the first toot of the referee's whistle it was evident that the teams were pretty evenly matched, Bucknell's speed making up for Muhlenberg's advantage of weight. The visitors seemed to be especially coached for the Bucknell system of forward passing, either intercepting or blocking all except three heaves that Crulkshank attempted. Both teams made big gains through the line, and each made some good end runs that resulted in long gains.

For the Orange and Blue Topham, Gdanlec, Keiser and Shafner excelled in running back punts Topham far surpassed any of the Muhlenberg eleven, and his end runs were of the sensational variety. His punts averaged about the same distance as those of Berry, who was his pupil at "Prep." Schafner played a sensational game at centre, recovering two Muhlenberg fumbles and completing a forward pass for a substantial gain, in addition to not missing a tackle.

The Varsity came through the contest in rather poor condition for the W. & J. game Gdanlec had two ribs cracked, and will in all probability be out next Thursday. Keiser received a bad gash on the chin; Hern and Sturgis sustained sprained ankles, and Reading received an injured eye. These men will likely be in good shape in a few days.

The game by plays was as follows:

First Quarter

Muhlenburg kicked off and Crulkshank ran the ball back 20 yards. Topham made 10 yards on an end run and Sturgis carried the ball through the line for 2 more. Sturgis made a 50 yard kick and Skean was downed immediately after catching it on the Muhlenburg 5-yard line. Two line bucks and an end run netted Muhlenburg only 5 yards. Berry punted and Crulkshank ran the ball back 10 yards. Bucknell only succeeded in making 1 yard on two line plunges, but Topham pulled off an end run good for 10 yards, and Gdanlec then carried the ball through the Muhlenburg defense to their 5-yard line. Keiser advanced the ball 4 yards, and on the next play carried it over the line for a touchdown. Sturgis kicked the goal.

Sturgis kicked to Heninger, who was downed on the Muhlenburg 20-yard line. Three line plunges netted 4 yards, and Berry punted 40 yards to Topham, who ran the ball back 15 yards. Crulkshank made a gain of a yard. Bucknell was penalized 10 yards for being offside. A pretty forward pass, Crulkshank to Sturgis, netted the Orange and Blue 30 yards. Sturgis missed the next forward pass

(Continued on second page.)

DR. ELLIS OF JUNIATA COMING DECEMBER 4TH

NOTED EDUCATOR AND ORATOR TO ADDRESS STUDENTS IN BUCKNELL HALL.

On December 4 Dr. Charles C. Ellis, Ph. D., head of the Department of Philosophy and Dean of Juniata College, will address the student body in Bucknell Hall. He is coming under the auspices of the Y. M. C. A. and the association feels especially fortunate in securing a man of his calibre to make an address.

Dr. Ellis is recognized as one of the leading Lyceum lecturers and Institute speakers in this state. In Lyceum work he has lectured in nearly every state in the Union, while he has spoken at Institutes in Pennsylvania, Ohio, Indiana, Illinois, Kentucky, and New Jersey. In Pennsylvania alone he has lectured for twelve consecutive years, and has always been booked for return engagements.

In addition to the work already mentioned Dr. Ellis is very active in the advancements of rural sections and the betterment of conditions for boys. He has for many years been closely connected with the Reformatory at Huntingdon, and takes an active part in cleaning up the slums of many Pennsylvania cities.

SEASON TICKET PERCENTAGES ANNOUNCED

BUT THREE-FOURTHS OF FRAT MEN HAVE PURCHASED TICKETS.

VARSITY WILL BE BANQUETED DEC. 5

BY STUDENTS AND FOLLOWERS OF THE TEAM.

DETAILS OF FUNCTION NOT YET DEFINITELY COMPLETED

Price of Banquet Will Be Within the Reach of Every Student—Excellent Menu and Stirring Speeches Are Promised.

The Committee composed of Musser, '14, Hagan, '14, and Shattuck, '14, which has charge of the arrangements for the banquet which will be tendered the members of the Varsity football team at the conclusion of the season, has not as yet completed the plans for the event although the date of the affair has been definitely set as Friday evening, December 5th.

The committee is following out their intention of making the affair one at which every Bucknell student will be financially able to attend and help in doing homage to the squad of men who have given Bucknell one of the best football seasons in its history. In view of the high cost of living, which has for to, these many years affected students everywhere, the price of the banquet will be kept as low as is consistent with a good meal. It is expected that the committee will be able to sell tickets at the price of a dollar and a half each.

The scene of the repast will be at one of the local hostelries, to be decided in a few days, but wherever it is laid the students may be assured that every effort will be exerted to dish up in the effort to make it completely satisfactory to the most gastronomically fastidious, while the speeches that will be forthcoming from such orators as Hern, Topham and the other gridiron warriors will make the occasion one that will live long in the memory of college days.

The committee has decided not to limit the privilege of attendance at the banquet, and students of all classes, alumni and anyone who is interested in the team and the enviable record it has made this year, is invited to join in this fitting testimonial of Bucknell's appreciation of Coach "Ily" Dickson and his football family.

Early next week the members of the banquet committee will place tickets for the function on sale and make a personal canvass of students.

MEDIC'S MEET

ELECT TREASURER AND HEAR BAKER OUTLINE WORK.

The Medical Society held a well attended meeting in the auditorium of the Chemical building Friday afternoon at which President Baker, '14, addressed the members and outlined the aims of the organization and the plans of the work to be accomplished during the year. Prof. Davis was present and in a brief talk urged the members to attend every meeting.

The Society elected Davenport, '16, to fill the vacancy in the office of treasurer.

The next meeting of the Medical students will be held the first Friday afternoon following the Thanksgiving recess, at which time Prof. Davis will be the principal speaker.

"BIG SIX" PREFERS DRY LAND.

"Christy" Mathewson, '02, accompanied the picked team of major league ball players as far as San Francisco on their tour of the world, but refused to cross the big water on account of his susceptibility to seasickness and his fear of being "stale" next summer should he pitch all winter. He says he will spend the winter in California, playing golf and writing for newspapers and magazines

DEATH OF HONORED ALUMNUS.

Robert E. James, ex-'96, recently died at his home in Easton after an illness of several months. After leaving Bucknell he was graduated from Lafayette college, later becoming principal of the Easton high school. Mr. James was later a member of the state legislature, district attorney of Northampton county, and a United States bank examiner. In 1892 he was made president of the Easton Trust Company, which position he held at the time of his demise.

ELECTRICALS MEET TONIGHT.

The Electrical Engineering Society will meet tonight at 7 o'clock in East College to discuss motor car ignition and self-starters. Inasmuch as these are the leading questions of the motoring world it is to be hoped everybody intersted will attend. Articles on the above by Frank E. Conrad and Alfred E. Waller which are to be presented at the next meeting of the A. I. E. E. will be read and discussed.

ENGAGEMENT ANNOUNCED.

The announcement of the engagement of Miss Elizabeth Baker, Institute '05, of Lewisburg, to Mr. Lowrey Barton, of Cincinnati, was made in Bellefonte last week. Mr. Barton is a graduate of the electrical engineering department of State College, class of '11, and is now employed in Cincinnati, O.

LOCAL TALENT TO PRESENT "CRICKET ON THE HEARTH"

STUDENTS AND ALUMNI FORM CAST OF PLAY AT THE ORPHEUM TUESDAY.

On Tuesday evening next an all-star cast chosen from school and town will present Dicken's "Cricket on the Hearth" as arranged and acted by Joe Jefferson. Under the able direction of Miss Edith Schillinger the production promises to be one of the most effective ever rendered by local talent. The piece itself was a favorite with its famous author and it pleased him to style it his "fairy love story."

In Joe Jefferson's repertoire it stands second in prominence only to the renowned Rip Van Winkle. In fact the fame of the great actor rests mainly on his work in these two pieces the "Cricket on the Hearth" belongs to a higher order of play than is usually attempted by local talent; but the ability of Miss Schillinger as a director and the successful experience of the cast with former plays undoubtedly assure a successful presentation.

The performance begins at 8.15. Tickets are on sale at Heiser's drug store. Admission 25 cents. Reserved seats 10 cents extra.

"Joe Jefferson"—Louis Lyne.
"Jno. Periwinkle"—Horace Teamer.
"Tackleton—the toy-maker"—Geo. Irland.
"The Stranger"—R. G. Rawson.
"Tillie Slowboy"—Hannah Bubb.
"Mrs. Dot Periwinkle"—Elizabeth Baker.
"Miss May Fielding"—Anne Dreisbach.
"Miss Bertha Plumber"—Margaret Stoughton
"Mrs Fielding"—Elizabeth Bates.

DEBATERS MEET TO-NIGT.

All persons interested in debating are urged to be present this evening at 8 o'clock in Theta Alpha room. Arrangements for the annual debate between Gettysburg are progressing rapidly and debators for this event are to be selected in the near future.

A CHRISTMAS SUGGESTION

The Bucknell Song Book, with its local coloring in verse and half-tones, makes an admirable Bucknell souvenir. Send one to your friend. Copies may be secured at the University Book store at $1.25 the volume.

STUDENT PLAYS WELL RECEIVED

COLLEGE GIRLS GAVE TWO PLAYS FRIDAY.

Y. W. C. A. BENEFIT BY WORK OF THE FRILL AND FROWN

Young Ladies Ably Play Parts In "The Corner Lot Chorus" and "The Kleptomaniac".—Kansas City Fund increased.

The members of the Frill and Frown, the dramatic organization of the young ladies of the College, presented two plays before a good-sized audience in the Seminary chapel Friday evening. The entertainment was given for the benefit of the Y. W. C. A.

The members of the castes were coached by Miss Edith Schillinger, of the Department of Elocution, and the able manner in which the actresses performed their parts brought them much deserved applause and reflected considerable credit to their instructor.

The plays, which were entitled "The Corner Lot Chorus", and "The Kleptomaniac", formed the basis of interesting plots and presented many amusing situations, which were well brought out by the performers.

The first mentioned production was a play within a play, the story and action being woven about a rehearsal of a scene in a play.

Many favorable comments were heard at the conclusion of the performances concerning the capable acting of Miss Lucile McGee as Chickie Niles, and Miss Flora Weddell, who took the part of Spriggle, the stage director of the play. In "The Kleptomaniac" the work of Miss Helen Jenkins in the role of Mrs. Burton was exceptionally fine. Miss Jenkins also acted one of the principal characters in the play first given.

The personelle of the plays were as follows:

Corner Lot Chorus.

Spriggle ..... Flora Weddell
Challie ..... Helen Ott
Lavender ..... Helen Jenkins
Penelope ..... Marion Harmon
Mrs. Wiggins ..... Emma Dillon
Chickie Niles ..... Lucile McGee
Pussy Willow ..... Edna Whittam
Jury Girls—Blanche Wood, Mabel Brown, Winifred Miller, Marie Harer, Sarah Hillbish.

The Kleptomaniac.

Mrs. Burton ..... Helen Jenkins
Miss Freda Dickson—a wholesome friend—Edna Whittam.
Miss Evelyn Evans, a journalist—Winifred Miller.
Mrs. Valeria Armsby, a young widow—Lois Reynolds.
Mrs. Chas. Dover, (Mable) a bride—Mabel Brown.
Mrs. Preston Ashley, (Bertha, a friend—Sara Haggarty.
Kittie, Mrs. Burton's maid—Helen Ott.

ONE MORE GAME FOR VARSITY.

The Varsity football team will leave at 1.05 o'clock Wednesday afternoon to play the last game of the season with W. & J. at Washington, Pa., Thanksgiving Day. The squad will spend Wednesday night at the Fort Pitt hotel in Pittsburgh, going to Washington Thursday morning. W. & J. has made an enviable record this year, defeating State, holding Yale to a scoreless tie, and winning the championship of Western Pennsylvania last week from Pitt by a 19 to 6 score. Plans are being made to give the Orange and Blue team a big send-off at the Pennsy station Wednesday noon when they leave for the final game.

—Athletic Benefit at the Orpheum Tuesday night.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

Owing to the fact that the annual Thanksgiving recess extends until next Monday, and the desire of the staff to partake of the ceremonial turkey at "home", there will be no issue of the Orange and Blue next week.

After having stood unadorned through many athletic contests which transpired on the field below it, the 1912 memorial flag pole flaunted from its halyard on Saturday for the first time the Stars and Stripes. To those who brought about the inovation, and to Bliss, '14, who scaled the dizzy heights and put a new rope through the halyard beneath the brass ball we extend our heartiest congratulations and bespeak the gratitude of the student body.

Not since the State-Bucknell game on the campus five years ago has such a large crowd attended a football game here as that of last Saturday. The campus, recently raked of leaves, presented its prettiest appearance, and with the large crowd of gayly dressed followers of the game which filled the stands, joined in a pleasing picture. Bucknell's Warriors did themselves proud in the conflict of the afternoon and their prowess on the field is now more than ever the prides of every student.

RECITAL OF PIANO STUDENTS.

A large number of those interested in musical tecnique were present at the Clavier recital given by the students of the Department of Music in Bucknell Hall Wednesday afternoon. The program was well rendered and it was difficult for many to believe that the performers were playing their selections for the first time on a piano. The following took part in the program: Misses Kramer, Galloway, Reinhardt, Bancroft, Jacobs and Grugan.

RECORD CROWDS SAW VARSITY WIN AGAIN

(Concluded from first page.)

by less than a foot and Topham punted. Two line plunges and an end run gave Muhlenburg 4 yards, but the Orange and Blue received a 10 yard penalty. Cruikshank gained ten yards. Muhlenburg held and Bucknell lost the ball. A fake formation netted 10 yards, and two line plunges added 5 more. Berry was unable to get through the Bucknell line on the next play, and the quarter ended with the ball in Muhlenburg's possession on the Bucknell 32-yard line. Score 7—0, Bucknell.

Second Quarter.

Three line plunges gave Muhlenburg first down. Muhlenburg was penalized 10 yards for holding. A forward pass made 20 yards. Two line plunges added 5 more, and Berry took the ball over the line for a touch down. Muhlenburg kicked to Bucknell, and Cruikshank made two unsuccessful attempts at farward passes. A third forward pass was intercepted by Muhlenburg. Muhlenburg attempted two line bucks without any success. Muhlenburg received a 15-yard penalty. Berry punted 45 yards. Cruikshank made 8 yards around end, and two line plunges netted Bucknell 7 more. Gdaniec made a yard through tackle. Cruikshank was unable to gain ground around end, and an interepted forward pass gave the ball to Muhlenburg on their one-yard line. Berry punted the ball out of the danger zone. Bucknell received a 10-yard penalty. Aleshoukas made two yards through the line. A forward pass was unsuccessful, but another one, Cruikshank to Shaffner, netted Bucknell 12 yards. Platt carried the ball three yards through the centre of the line. Hubbard intercepted a forward pass. Berry attempted a field goal which was unsuccessful, and the ball was put in play on the Bucknell 20 yard line. Gdaniec made 7 yards and Topham kicked 35 yards to Muhlenburg. Muhlenburg made 10 yards on two line plunges. Bucknell 7, Muhlenburg 6.

Third Quarter.

Sturgis kicked off and Muhlenburg made 3 yards on three attempts. Berry punted over 50 yards, but Topham ran the ball back the same distance before he was downed on the Muhlenburg 14-yard line. Topham carried the ball around end for six yards, and Aleshoukas took it to within a foot of the line. Muhlenburg held Bucknell for the next play, which was directed through centre, but Kelser took the ball over the line on the next play. Sturgis kicked the goal.

Sturgis kicked off to Muhlenburg and Berry ran the ball back 25 yards. Here Muhlenburg seemed to take on a new lease of life and for a while outplayed Bucknell. Three end runs and six line bucks advanced the ball to the Bucknell 20-yard line. An end run cut down the distance to the goal by half. A line plunge placed the ball on the 5-yard line, but here the Bucknell defense tightened up and held like a stone wall. Two line plunges proved unsuccessful, Laudenslager was thrown for a loss, a forward pass fell short, and Bucknell got the ball on downs. Gdaniec made 9 yards through the line. Cruikshank advanced the ball 7 more. Topham made a spectacular run around left end which netted Bucknell 22 yards, and Kelser and Cruikshank advanced the ball 10 more. The quarter ended with the ball on Muhlenburg's 43-yard line. Score, Bucknell 14, Muhlenburg 6.

Fourth Quarter.

Gdaniec made a ten yard line buck. Bucknell was penalized 15 yards for offside playing. A forward pass was unsuccessful, and Topham punted 35 yards. Muhlenburg began operations with a ten yard line buck. Two end runs and a line plunge yielded 11 yards. A pretty forward pass worked for a 20 yard gain, but here Muhlenburg fumbled and Schaffner recovered the ball, running it back 15 yards before downed. Cruikshank was thrown for a 2 yard loss. A forward pass was not successful. Topham booted the ball 40 yards. Muhlenburg gained 7 yards on three attempts, and then Topham intercepted a forward pass, returning it to midfield on a brilliant run. Muhlenburg held and Topham was soon forced to kick. Muhlenburg gained a yard through the line. Two forward passes were attempted; the first was not successful, but the second was good for 12 yards. An end run netted 7 yards. Berry attempted a field goal just before the whistle blew, but is was not successful. Final score. Bucknell 14, Muhlenburg 6.

Library modern in administration and facilities for investigation.

MILTON G. EVANS, President,
CHESTER, PENNA.

The Newton Theological Institution
(Founded 1825)

Eight miles from Boston, Mass. State House, situated in superb grounds of 32 acres belonging to the institution.

An Eminent Faculty. Convenient Dormitories and Lecture Rooms. Beautiful Chapel, a Noble Library, an Unsurpassed Library Building and Equipments for Laboratory Work.

Courses leading to B. D. degree, and special provision for postgraduate students.

More than one hundred Newton men have served as foreign missionaries. Special courses are offered on missionary history and methods.

The proximity of the seminary to Boston and Cambridge makes it easy for students to attend lectures by eminent specialists and the Lowell Institute courses.

There are many opportunities for engaging in missionary and philanthropic work by which students acquire clinical experience and contribute to their self-support. Address

GEORGE E. HORR, President, - - Newton Centre, Mass.

PHILADELPHIA ALUMNI

NEWS AND NOTES CONCERNING THE QUAKER CITY GRADS.

Please send all information for this column and communications concerning it to

Louis W. Robey, Sec'y.,
Land Title Bldg.,
Philadelphia, Pa.

We have had some more subscriptions to the combination offer during the past week but we have not yet got the seventy-five. Now won't you get after some good friend of yours who is a Bucknell man and get him to say "Yes" or "No" to the $1.50 proposition? We need (we almost made a mistake) you need your friend's subscription. If you don't believe that ask some member of the Executive Committee and he will tell you why.

Royer, '09, visited friends among the Phila. Alumni last week.

Nicely, ex-'14 and Crawford, ex-'14, are students of the Jefferson Medical College.

Youngken, '09, is assistant professor of Botany at the Medico-Chirurgical college.

Stanton Smith, '05 is now taking his medical work at Medico-Chi, and is assistant to Professor Youngken.

Horace J. Barnes, ex-'11, was recently awarded a scholarship in the Economics Department of the University of Penna.

Dr. J. K. Weaver, '61, of Norristown, has recently been elected Surgeon General of the G. A. R.

Durham Bros., (Glen G., '06, Wm. L., '02, and Jas. G., '04,) are engaged in business together under the firm name of "Durham Bros." They have offices as architects in the Heed Bldg., Philadelphia.

David Weckerly, ex-'68, one of the most prominent residents of St. Davids, a suburb of Philadelphia, recently departed this life at his home.

Fred Barnes, ex-'12, following graduation from the U. of P. medical department, this summer passed the State Board examination and is now serving as interne in the Chestnut Hill hospital. In January he will go to the German hospital.

Did you get your invitation for the big evening of December 4th next? The invitations have been sent out to everybody and if you didn't get yours it is because of some failure of the addressing clerk, the mail man or of somebody, other than the committee. It is the committee's intention that every alumnus in Philadelphia shall get one of those invitations. If you didn't get one let us know and we'll prove to you that we did not intentionally pass you by.

We need you, Brother, and you need us—let's get together on Dec. 4th.

Any alumnus may come alone or may bring a guest, as he pleases. There will be a great number of fellows there "unattached," so don't stay away because you are not coming "double." This is a Bucknell meeting and every Bucknell man in the city must get there. Bring a guest if you want to, but first of all bring yourself.

TOLD ABOUT "BILLY" SUNDAY

The College Bible Class was addressed Sunday by Rev. E. C. Kunkle of Wilkes-Barre. His subject was "'Billy' Sunday—the Man and His Methods."

The speaker said that Mr. Sunday has a great many friends and also a great number of enemies, as every public man has. Lately there is much discussion on both "Billy" Sunday himself and on the methods employed by him, many saying "he is not sincere", but there is not a more honest and sincere religious worker than Mr. Sunday.

Men critisize his methods as vulgar, indecent and crude, but he talks of plain facts in a plain manner to force his meaning although he is capable of the most refined and cultured use of language.

In his last great movement at Wilkes-Barre he converted twenty thousand to Christian churches and he caused the liquor traffic to be reduced about seventy per cent.

MEN WANTED TO-NIGHT FOR GLEE CLUB TRY-OUT

MEMBERS OF MANDOLIN CLUB ELECT KELLY, '15, AS LEADER.

At the meeting of the Glee and Mandolin clubs last week Kelly, '15, was elected mandolin leader and a spirited practice was held. A large number of players of stringed instruments were present at the meeting but more are wanted to report at the next practice.

A larger number of students are urged to report at Bucknell Hall this evening at 7:30 o'clock for the Glee club. Rev. Rose, of Lewisburg, whose musical ability is well known, will be present to conduct the try-outs. The organization gives much promise of being one of the best in the history of the school and trips are contemplated to Wilkes-Barre, Altoona, Williamsport, and a tour during Easter vacation to point in Western Pennsylvania.

LYCEUM LECTURE.

The next number of the Lyceum course will be on Monday evening, Dec. 1st, when Dr. Edward Amherst Ott will deliver one of his popular modern day lectures. Dr. Ott is regarded as one of the strongest men on the lecture platform to-day and wherever he has lectured he has been enthusiastically received.

Dr. Ott has often been called the "Purposeful Orater" and one who is able to combine much humor and entertainment in his great lectures. Every lecture answers some one of the fundamental inquiries of the mind.

Mr. Ott's subject here will be "Sour Grapes" and in his lecture he will answer the following questions: Which has the greater influence on character, heredity or environment? Do our first class men come from the Universities? It is divorce or marriage that the moralist needs to discuss? Why has the Juke family of New York produced nearly twelve hundred criminals of that state?, etc.

Those who desire to secure season tickets can purchase the same of Goodwin, '15, for the sum of $1.00. The course this year is an especially strong one and those who fail to attend the entertainment will miss a rare educational treat.

ALUMNUS GAVE LECTURE.

Thomas Wood, '05, of Muncy, a prominent member of the Lycoming county bar, delivered the 8.15 lecture to the Senior class in Bucknell Hall this morning. His topic dealt with the legal aspect of the relations between parents and children. Mr. Wood has been visiting his Phi Gamma Delta brothers for several days.

LECTURED AT WASHINGTON.

Dr. Nelson F. Davis, of the college faculty, lectured on Monday evening of last week at Washington, D. C., before the Society of Conservation Commissioners, and on Wednesday evening before the National Nut Growers' Association.

THANKSGIVING RECESS.

The annual Thanksgiving recess of the University will be observed this week from Wednesday noon until next Monday noon.

HILL GOSSIP

Hare, ex-'15, of Altoona, was a visitor on the Hill over Saturday.

Hollenbaugh, '12, of Williamsport, spent Saturday with his Delta Theta Upsilon brothers.

Robinson, '12, Johnson, ex-'11, and Hill, ex-'11, visited at the S. A. E. house over the week-end.

Wyckoff, ex-'15, of Williamsport, Henzy, of Philadelphia, spent Saturday as guests of Phi Kapa Psi.

McCombs, '14, has been called to his home in McClellandtown by the illness of a member of his family

"Jimmy" Clark, '11, of Baltimore, has been visiting his Delta Theta Upsilon brothers the past week.

Middaugh, ex-'16, spent the week-end on the Hill and occupied his former place in the band at the game.

James A. Tyson, '11, and bride, of Williamsport, have been spending a few days with Prof. and Mrs. Rockwell.

President Harris gave an appreciated address before the Lewisburg Parent-Teachers' Association Wednesday evening.

Luchsinger, ex-'08, Royer, '05, Hooker, '13, and Brownell, ex-'15, visited their Phi Gamma Delta brothers over Saturday.

Messrs. DeWitt and Copeland, of Keystone Academy, were guests of Phi Gamma Delta fraternity at the Muhlenberg game.

The Johnstown high school team, coached by "Vic" Schmid, '12, defeated Williamsport at Johnstown Saturday by a 20 to 14 score.

The members of the victorious Varsity team were the guests of the management of the Orpheum theatre at the first performance Saturday evening.

The letter head used by John B. Smiley, '05, runs thus: The Smiley Company, Engineers and Manufacturers' Agents, 516 First Street, Edmonton, Canada.

C. J. Leppard, '09, after serving as Assistant Supervisor with the Reading R. R. at Tamaqua and Pottsville, has been promoted to the New York division of that road.

"Bill" Hollenbach, head coach at State College, and Tobin, State's fullback, were interested spectators at the game Saturday, viewing the conflict from the Bucknell side-line.

Clarence Weymouth, '00, of Philadelphia, has been in town the past week helping Coach Dickson round the Varsity in shape for the final games of the football schedule.

A press dispatch Thursday stated that "Jake" Northrop, '10, now a pitcher for the Louisville, Ky., baseball club, was fined $11.98 or shooting a blackbird near Towanda.

James A. Groff, '09, who for a year or more was with the Penna. R. R. assisting in the construction of the Bush and Gunpowder River bridges, has been advanced and is now located at Morton, Delaware Co., Pa.

Lewisburg presented a festal appearance Saturday in deference to the Bucknell-Muhlenberg game. Flags, pennants and orange and blue bunting were profusely displayed on the principal streets and added much to the spirit of the day.

WOMAN'S COLLEGE

Marian Harmon, '14, is spending several days at Syracuse University at a Tri-Delta house party.

Dinner guests at the Seminary on Friday evening were Prof. and Mrs. Helm, Prof. and Mrs. Smith, Florence Reimensnyder, '14, Miss Jenkins, '17, and Miss Grim, of Punxsutawney.

One Sunday the guests at the Seminary were Miss Hoag, Miss Ludwig, and Mr. and Mrs. Clarence Miller, of Sunbury.

Catherine Redelin, '17, spent the week-end in Watsontown.

MATRICULATION TO-MORROW.

The annual matriculation exercises of the University will be held in Bucknell Hall Tuesday afternoon at 3.15 o'clock. The list of first year and other students who have qualified for enrollment as candidates for degrees was posted in Main Hall this morning.

Now when winter, tricky, tyannous
is almost here,
I wonder if the skirt diaphanous
Will disappear. Ex.

VOLUME XVII| LEWISBURG, PENNA., MONDAY, DECEMBER 8, 1913. NUMBER 10

SCHEDULE FOR BASKET-BALL

WILL PLAY FEWER GAMES THAN USUAL.

INTERCOLLEGIATE GAMES WILL BE OF INTEREST

To Play Eight Games on the Local Floor.—Captain Schaffner to Coach Team Which Has Excellent Prospects.

The Varsity basketball schedule as arranged by Manager Jesse E. Riley, '14, has been ratified by the Athletic Executive Committee and although it does not embrace many of the larger colleges, yet gives promises of being one of the best that Bucknell has had in many years.

The season will open at home with Bloomsburg Normal on January 9th. It will be noticed that the Eastern trip usually taken by the team has been discontinued, but the customary trip to the southeastern part of the state will be taken late in February.

A feature of the schedule is that eight of the thirteen games will be played on the local floor, which will be pleasing news to students here.

Inasmuch as this will be the first season of the recently organized Intercollegiate Basketball League of Pennsylvania, of which Bucknell plays in the Central section, the results of the games with the other teams in the section will be watched with much interest.

The new league is divided into three sections, the Eastern, Central and Western. In the Eastern section are F. & M., Lehigh and Swarthmore. In the Central, of which R. W. Thompson, '04, of Lewisburg, is the president, are Bucknell, Albright, Gettysburg and Susquehanna. And in the Western division are W. & J., Pittsburgh and State College. Each team will play twice with each other team in the section, once at home and once abroad, and at the close of the season the champion teams of the various sections will play for the championship title of the state.

The schedule is as follows:

Jan. 9.—Bloomsburg Nor.—at home.
Jan. 16—W. Va. Wesleyan—at home.
Jan. 23—Susquehanna (X) at home.
Jan. 30—Open Away.
Jan. 31—Albright (X) away.
Feb. 6—Albright (X) at home.
Feb. 11—Juniata (pending)-at home
Feb. 14—Susquehanna (X) away.
Feb. 19—Gettysburg (X) away.
Feb. 20—Mt. St. Mary's away.
Feb. 21—Harrisburg Collegians—away.
Feb. 27—Gettysburg (X) at home
Feb. 27—Gettysburg (X) at home.
Mar. 6—W. & J. at home.

The games marked with an (X) are league games. An alumni game will also be arranged for at home.

The Season's Prospects.

The prospects of a successful 1914 basketball season are extremely bright. Practice was started on Monday of last week and Captain Schaffner is more than pleased with the showing of the squad, and especially the new men.

Schaffner is playing his third year on the Varsity and is coaching the team this season. In practice games last week he played an even stronger game than ever before and every indication points toward the development of a team capable of giving him merited support and having a season of victories.

Of last year's squad Schaffner and Gdaniec, guards, and Buffington and Prescott, forwards, are still with us, as well as sub-centre, Hamlin. The new men who have been showing up well at the practices of the week are Archer at centre and Murray at forward. Both were stars of their respective high schools. A number of other Freshmen are expected to begin practice this week among whom are Teamer, at present coaching the Milton high school team, and Brenner, who played guard on the Kiski team last year. Teamer is a centre.

The large number of first class players that have already reported to Captain Schaffner has made him exceedingly confident of having another good team this year, and there is doubtless still a lot of latent material on the Hill that will enter the competition for Varsity positions after the holidays.

ENGAGEMENT ANNOUNCED

The engagement of Miss Carrie Housel, daughter of Postmaster and Mrs. W. E. Housel, of Lewisburg, to Edward Ray Park, '12, of Altoona, was announced at a party given Tuesday afternoon by Miss Ruth Mohn, Institute, '11, at her home on South Third street. Mr. Park is employed as a civil engineer with the Pennsylvania railroad at Altoona.

NOMINATIONS OF THE REPRESENTATIVE CAUCUS

CANDIDATES SANCTIONED FOR THE ATHLETIC ASSOC. OFFICES.

The Bucknell Representative Caucus met Thursday night for the first time this year and nominated men for the offices of President, vice president and secretary of the Athletic Association and assistant manager of football, which offices are to be filled at the regular fall election of the association, to be held next Saturday morning in the Gymnasium.

According to the rules of the Caucus two students were nominated for each office, both to be placed before the members of the Association at the election. The list of candidates for the various offices, who have received the sanction of the Caucus committee is as follows:

For president—Cross, '15, and Geiger, '15.

For vice president—Clapp, '15, and Williams, '15.

For secretary—Beardsley, '15, and Houser, '15.

For assistant football manager—Wright, '16, and Peters, '16.

CALL FOR GLEE CLUB.

The candidates for the Glee Club will meet at 8 o'clock this evening in Bucknell Hall, when Rev. Rose will arrange the voices. There is room for a dozen more men in the organization and a number of good trips are in store for the club. Trips to Mahanoy City, Sharon and Wilkes-Barre are sure things.

GAVE INSPIRING ADDRESS.

Last Thursday evening the Y. M. C. A. and a large number of the Y. W. C. A., listened to one of the most inspiring addresses that have ever been given before either body. Dr. Chas. C. Ellis, Dean and Head of the Department of Philosophy of Juniata College, was the speaker. He took for his subject "Does It Pay to be Good?" The speaker thrilled his hearers with the truth of his statements.

JESSE E. RILEY, '14.
Basketball Manager.

DEFEAT MARKED CLOSE OF SEASON

W. & J. VICTOR IN TURKEY DAY BATTLE.

FIELD OF DEEP MUD MADE OPEN PLAYS IMPOSSIBLE

Light Bucknell Attack No Match for Heavy Opponents.—Spiegel Dodged Through Team for Many Touchdowns.

The curtain fell on the 1913 football season Thanksgiving Day, when the Orange and Blue team, crippled more than at any time during the season, and hampered by a field covered with mud, met defeat at the hands of the strong Washington and Jefferson team, holders of the collegiate title of the state. The contest was staged at Washington, Pa., and was played before a crowd of over 5,000 people.

The weather conditions, which have been decidedly adverse to Bucknell all season, were at their worst Thanksgiving Day, and materially aided the big Red and Black team in rolling up the big 52-0 score against the Orange and Blue. The field was the worst on which Bucknell has played this year, and it was soon evident that speed, the one big essential of the Bucknell offense, was an impossibility. The heavy W. and J. team was able to plough through the lighter Bucknell team for touchdown after touchdown, while the Orange and Blue was unable to present very much in the offensive department, the forward pass being practically out of the question on such a field.

The Orange and Blue distinctively outclassed their opponents only in the third period, when the ball was advanced by straight football forty yards to the W. and J. 30-yard line. Here the Red and Black held, and Topham attempted a field goal, which lacked both accuracy and distance. At no other time during the game did Bucknell get within scoring distance of their opponents goal line. Gdaniec was Bucknell's best ground gainer, going through the W. and J. defense almost at will in the third quarter

(Continued on third page.)

FRESHMEN ELECT OFFICERS.

At a meeting of the Freshmen Class Thursday afternoon the following officers were elected for the year:

President, Wayne Hatfield, of Newark, N. J.

Vice president, Leroy Seeman, Oakmont, Pa.

Treasurer, John I. Shaffer, West Chester, Pa.

Secretary, Clarence Weber, Rebersburg, Pa.

Historian, Miss Harriet Hilty, Vandergrift, Pa.

Poetess, Miss Aileen Johnson, Avonmore, Pa.

ALUMNUS NOW PEDAGOG.

R. R. Sellers, '12, is now in charge of the surveying and drafting courses in the University of Florida, giving special attention to railroad work, for which he has been particularly well prepared by his training with the B. & O. R. R., in whose employ he was advanced in a very short time to the position of Engineer-in-Charge-of-Tests in the office of the Chief Engineer of Maintenance of Way.

EXAM. SCHEDULE POSTED

THOSE WITH 1.15 CLASS LAST TO FINISH.

The schedule of the Fall Term examinations, which will be held next week, has been posted in Main Hall and is being diligently perused by all interested, and most of us are. The first "final" will be conducted next Saturday morning, while the last will be an event of Wednesday afternoon.

The schedule in full is as follows:

Saturday, 8.15—8.15 lectures.
Monday, 8.15—8.15 lectures.
Monday 11.15—11.15 classes.
Monday 2.15—3.15 classes.
Tuesday, 8.15—10.15 classes.
Tuesday, 1.15—2.15 classes.
Wednesday, 8.15—9.15 classes.
Wednesday, 1.15—1.15 classes.

JORDAN HAD GOOD TEAM.

The Stetson University football team, of Deland, Fla., which was coached by Jordan, '12, closed a season of victories by defeating Bingham on Thanksgiving Day. Dunkle, '13, and Fisher, '13, played tackle and centre respectively on the team and were the stellar line-men. Both men are expected to win berths on the basket-ball team, which will also be coached by Jordan.

Varsity Men, Selected, Elect Topham Captain

Earl Topham, of Philadelphia, was elected to captain the 1914 Varsity football team at a meeting of the 1913 letter men held Saturday morning in Main College. The election was conducted by Lindberg, '14, president of the Athletic Association, and all of the "B" men were present.

For three years "Tip" has been one of the mainstays of the Orange and Blue team and has easily won the honor of leading the team through the battles of next season. Although one of the lightest men on the squad he has played the fullback position with remarkable ability and it is his fast open field running and lenghty punts around which the open style attack of the Bucknell team has been built. Topham prepared at North East Manual Training School, in Philadelphia, where he established a reputation as a football player and was selected for the Philadelphia All-Scholastic team.

Varsity "B" Awarded.

The Athletic Executive Committee, in whose hands rests the power to award the Varsity insignia, met on Thursday evening and upon the recommendation of the Coach and Manager awarded the coveted football letter to thirteen of the 1913 squad. The players who were granted the right to wear the big "B" because of having played in the required number of games, or more, were as follows:

Captain Wilmon Keiser, '15, Mt. Carmel, Pa.

George P. Hern, '15, Passiac, N. J.

William D. Reading, '14, Franklin, Pa.

Dwite W. Schaffner, '15, Falls Creek Pa.

Howard C. Fisher, '17, Shamokin Dam, Pa.

Wesley Platt, '17, DuBois, Pa.

Dean D. Sturgis, '15, Union.own, Pa.

Frank P. Cruikshank, '15, Somerville, Mass.

Joseph F. Gdaniec, '15, Mt. Carmel, Pa.

Joseph W. Aleshouckas, '15, Great Neck, N. Y.

Earle Topham, '15, Philadelphia, Pa.

John M. Archer, '17, Bridgeton, N. J.

Norman W. Whited, '14, of Hawthorne, who has played on the Varsity squad for four years, was also awarded a "B" for faithful and meritorious work.

The manager's letter was awarded to Manager George T. Keech, Jr., '15, of Neteong, N. J.

'13 FOOTBALL YEAR HAS BEEN SUCCESS

TEAM WAS ONE OF BEST IN B. U. HISTORY.

BUT ONE REGULAR WILL BE LOST BY GRADUATION

Team Developed Open Style of Play Second to No Other.—Prospects for Next Year Are Excellent for a Winning Aggregration.

The 1913 football season which ended with the Washington and Jefferson game Thanksgiving Day may well be called a successful season. Of the ten games played the Orange and Blue won six, scoring 198 points against 172 for their opponents. Twenty-nine touchdowns were scored by Bucknell, and only two field goals were made during the season, one being scored against Pittsburgh and the other against Gettysburg.

The schedule was by far the hardest that any Bucknell team has ever bucked up against, and the fact that one hard game followed another week after week accounted for the team's poor showing in two of the games. In both of these games, one against the Navy and the other against W. & J. the players were in bad shape from other games and as a result were physically unable to play in true form. In addition, old Jupiter Pluvius was especially hostile to the Orange and Blue throughout the season and supplied a generous supply of rain week after week, rendering forward passes almost impossible to execute and putting the light Bucknell team at a decide disadvantage.

The first two games, against Hillman Academy and Lebanon Valley, were practice games and Bucknell ran up large scores. The first defeat came at the hands of Princeton, 28-6. The Cornell game was a hard one to lose, and the riibeans were very fortunate to win out by a field goal. St. Bonaventure received a severe flogging at Bucknell's hands. The next week Captain Keiser's men were at their best, and completely outclassed the strong Pitt team, winning with a 9-0 score. The team journeyed to Annapolis in very poor shape and received a decisive defeat, although they had the distinction of being the only team, with the exception of the Army, to score on the midshipmen during the season. Most of the student body accompanied the team to Harrisburg the following week, and the Varsity returned a victor over Gettysburg, 22-0. The Muhlenberg game was the big home game of the year, and the Orange and Blue won from the strong Allentown eleven 14-6. In the last game the team was in poorer condition that at any time during the season, and W. & J. got an easy victory.

The success of the Bucknell eleven may be attributed in great measure to the open style of play. The team was exceedingly light and as a result it was almost impossible to rush opposing teams off their feet by line plunges. The New York papers commented that the Orange and Blue had perfected the forward pass to a greater extent than any team which had played at Princeton in years.

The prospects for next year are very bright, as ten of this year's Varsity will still be in school. Reading, left guard, will be the only regular to graduate, and with him will go two substitutes, Whited and Markle. Almost two full teams of this year's scrubs will be out next year, and these, together with whatever new material may enter next year's freshmen class, should give the Orange and Blue the best team she has ever had.

—Glee Club meeting, to-night.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

It gives us considerable pleasure to congratulate the varsity football team upon the close of the successful season through which it has just passed. The team has made a record that we are justly proud of and one that will go down in the annals of the school as a success in every way. The few defeats that the team suffered were at the hands of schools of a far different class than Bucknell, while several larger colleges were forced to bow before the Orange and Blue. For the work of every member of the squad, from the most brilliant regular to the smallest scrub, we are deeply grateful and to Coach "Hy" Dickson, whose master mind and untiring energy developed this, another winning team, for old Bucknell, we extend our thanks and the assurance of our appreciation.

On account of the poor promise of support by the student body the plans for the game which was to have been tendered the Varsity football team this year have been given up. The fact is lamentable in the extreme but the apparent present lack of much college spirit is somewhat explained by the proximity of Christmas and examinations and the much touted high cost of living. It is to be hoped that next season the matter of giving the team a testimonial repast will be taken up before the season ends and given, say on the night of the last game at home, and that the project will then meet with the success it deserves.

DEATH OF DR. GODDARD.

Rev. Dr. Goddard, Brown '62, a former resident of Lewisburg, recently died at Ningpo, China. His daughter, Maude, '00, is a resident of Ningpo; Kate, '97, who has been engaged in missionary work since graduation, is the wife of Dr. John Jones an English medical missionary of Tsowping, Thantung province; and Nellie, '05, is the wife of Mr. Anthony Steinhilper, of Bayonne, N. J.

WOMAN'S SUFFRAGE LECTURE

Dr. Mary M. Wolfe, Institute '91, gave a lecture Saturday evening before a large audience in the court house on Woman's Suffrage. The money realized from the affair will be used by the Lewisburg Civic Club to improve the site of the new town park.

ATHLETIC ASSOC. ELECTION

The annual fall meeting of the Athletic Association for the purpose of electing a president, vice president, secretary and assistant manager of football, will be held next Saturday morning in the Gymnasium at 10 o'clock.

E. O. Lindberg, Pres.

ENGAGEMENT ANNOUNCED.

Announcement has been made of the engagement of Miss Lucy E. Loane, of Oil City, to Mr. Oscar Wolfe, '12, who is employed as a civil engineer with the National Transit Company, of that city. Miss Loane is a graduate of Allegheny College, 1911.

FOUR GOING TO KANSAS CITY

CONVENTION AS THE BUCKNELL DELEGATES.

BOTH CHRISTIAN ASSOCIATIONS TO SEND REPRESENTATIVES

Nearly All North American Colleges Will Be Represented.—Noted Speakers to Discus the Evangelization of Foreign Lands.

At a meeting of the Y. M. C. A. cabinet held last Thursday it was decided to appropriate $20 toward the expense of sending two delegates to the Volunteer Convention to be held at Kansas City, Mo., from December 31, 1913, to January 4, 1914. Messrs. Davenport, '16, and Oesterle, '16, were chosen as delegates to represent Bucknell.

The purpose of the convention is to bring together a representative delegation of students and professors from all the important schools and colleges in the United States and Canada, and leaders in the foreign missionary fields. Also it is to enable these representatives to get a better and more comprehensive view of the problems of the evangelization of the non-christian world, and to gain a vision of the foreign missionary responsibilities.

At this convention there will be gathered some of the greatest speakers in the world. They will take up a systematic discussion of the extension and development of the Student Volunteer Movement of today.

The basis of representation is two student delegates from each institution and one additional delegate for each two hundred students or fraction thereof above the first two hundred students matriculated in the institution. Each institution is entitled to send one member of the faculty as a delegate in addition to the student delegates.

The Y. W. C. A. of the College will also be represented at the convention and Miss Dorothy E. Bunnell, '16, and Miss Harriet M. Carpenter, '16, have been chosen the delegates.

PLEASED WITH TEAM

CONGRATULATIONS ON SEASON OFFERED BY ALUMNUS

Edwin Paul, Esq., '87, of Milton, in a recent note to the editor, expressed his appreciation of the 1913 Varsity football team and the management of the Athletic Association in the following words:

"As an alumnus, I congratulate Bucknell on the successful football season just closed. Considering the top-heavy and very hard schedule, the showing made by the 1913 team is remarkable. I wish also to commend the Athletic Association for the good arrangement for the Muhlenberg game. The attendance showed that a couple good games at home will draw well and pay, especially when so arranged that all spectators must pay. I believe, in fact I know, that games like that pay, for they arouse interest in Bucknell among probable students. Successful athletic teams and manly and clean contests are the best and most favorable advertisements any college can have. I trust B. U. may continue a winner in all its departments."

TO AGAIN TRAIN "REDS."

The many friends of Dr. George Hoskins, for many years the coach and trainer of Bucknell athletics, will be pleased to learn that he has been engaged to look after the physical condition of the Cincinnati baseball team for another season. His services having been satisfactory, Manager Joe Tinker, as soon as he affixed his signature to again manage the "Reds" secured the signature of Dr. Hoskins as trainer for the season of 1914. The "Reds" will train at Alexandria, La.

ALUMNAE CLUB TO MEET.

The Bucknell Alumnae Club will meet on Tuesday evening, Dec. 9th, at 7.30 o'clock in the Institute parlors.

Purity Candy COMPANY

"Keeping in Front"

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.

Liggett & Myers Tobacco Co.

PHILADELPHIA ASSOCIATIONS HAVE JOINT DINNER

FIRST ANNUAL AFFAIR WAS VOTED AN IMMENSE SUCCESS.

Please send all information for this column and communications concerning it to
Louis W. Rebey, Sec'y.,
Land Title Bldg.,
Philadelphia, Pa.

Some time ago the idea was conceived of having a joint dinner of the Alumnae and Alumni Clubs of Philadelphia. This year each organization appointed a committee to consult with the committee from the other organization to make arrangements for such a dinner. Ezra Allen, '95, was chairman of the Alumni committee, and Mrs. A. J. Rowland, of the Alumni.

The dinner was held last Thursday evening at the Rittenhouse Hotel. About 108 people attended. During the evening Bucknell songs were sung by all the diners under the leadership of Weymouth, '09, and several solos by Mrs. Hayes.

The chief speaker of the evening was Harold G. Murray, the secretary of the Graduate Council of Princeton. This council was started for the purpose of organizing the alumni of Princeton. Through its efforts every square inch of territory in the United States is under the care of some local Princeton Alumni Association.

Mr. Murray spoke on the subject "The Alumni—Alma Mater's Greatest Asset." The essence of his speech was that the Alumni could help the college as no other agency could. He also told us of the ways in which this could be done. One way in particular, should be taken to heart by every one of us and should urge us to further efforts for our combination offer, and that way is by an alumni publication. We ought to have his own words on that:

"With publications of this nature you are undoubtedly familiar and if no such bulletin is issued in the interests of Bucknell, I would strongly advise the publishing of an Alumni bulletin at such stated times as seem best."

That ought to mean fifty subscriptions to the combination offer for us.

Mr. Murray was followed by Mrs. O'Hara representing the Alumnae, who gave a strong address showing the activities of the college-bred woman of the present day. She in turn was followed by Dr. Harris, who "reminisced" for a while much to the delight of all present, and by Dr. Nesbit, the president of the Alumni, who gave a very clear presentation of their work and their aims.

The success of the dinner was largely due to the graceful and effective way in which Col. A. G. Hetherington, the presiding officer of the occasion, presented the various speakers.

The common feeling of those present was expressed by President Evans, of Crozer, who said during the dinner: "I vote for another joint dinner next year."

KEEP IN MIND THE NEXT "BI-MONTHLY" ON FRIDAY, JANUARY 23, 1914.

SELECTED TWO B. U. PLAYERS

The "Pitt Weekly" published by the students of the University of Pittsburgh, has come forward with an "All-Opponent" team, picked from its own eleven and those teams with which it played the past fall. Because the list contains the names of two Bucknell players it is herewith given. Ends, Sturgis, Bucknell, and Wagner, Pitt; Tackles, Wagenhurst, Lafayette, and Patterson, W. and J.; Guards, Brown, Navy, and Reading, Bucknell; Centre, Garlow, Indians; Quarterback, Heil, Pitt; Halfbacks, Dillon, Pitt, and Spegel, W. and J.; Fullback, Guyon, Indians.

Y. W. C. A.

Dr. Phillips will address the regular meeting tomorrow night on "The Bible."

A Christmas box of dolls and toys has been collected for a settlement school in Philadelphia in which Miss McSparren is interested.

ROBINSON—FRANK.

At Miramichi, N. B. Can., on October 21st, Miss Suzanne Gertrude Robinson became the bride of Holmes A. Frank, ex-'08, of New York. While on their way to the metropolis Mr. and Mrs. Frank spent several days recently with the former's parents at Montandon. The bride is a daughter of Mr. James Robinson, of Miramichi, a member of the Canadian parliament.

NOTED EXPERT COMING.

Prof. F. J. Gould, of Oxford, England, the foremost living expert in the field of moral instruction in Schools, will lecture at Bucknell University, Feb. 12, 1914.

DEFEAT MARKED CLOSE OF SEASON

Concluded from first page.

by means of line bucks. Schaffner completed the only successful forward pass, in addition to recovering two W. and J. passes and recovering a fumble.

Washington and Jefferson used straight, open and trick plays, and seemed to be always able to pick out the Orange and Blue weak points.

They scored in every quarter, making 20 points in the first, 13 in the second 7 in the third and 12 in the fourth. Spiegel was their shining light, going around the Varsity ends for half of the W. & J. touchdowns.

The line up was as follows:

W. & J.		Bucknell.
Boville	Left end	Kelser
Patterson	Left tackle	Hern
McKean	Left guard	Reading
H. Crulkshank	Centre	Schaffner
Weschecher	Right guard	Welchons
W. Younkins	Right tackle	Platt
Braden	Right end	Sturgis
Goodwin	Quarterback	F. Crulkshank
Spiegel	Left halfback	Aleshonkas
Fleming	Right halfback	Gdaniec
Young	Fullback	Topham

Substitutions—W. & J., Younkins for Weschecher, Springer for Young, Schreckengost for Patterson, Herman for Fleming, McPherson for Boville, Moser for Spiegel; Bucknell, Edwards for Reading, Markle for Kelser, Fisher for Welchons, Sanders for Platt, Mawhinney for Sturgis, Sturgis for Mawhinney, Platt for Sanders, Reading for Edwards, Kelser for Markle, Sanders for Platt, Welchons for Fisher, Felton for Schaffner.

Touchdowns—Fleming 3, Spiegel 4, Goodwin. Goals from touchdowns—Fleming 4. Missed goal from field—Topham. Referee—Walter K. Okeson, Lehigh. Umpire—Dr. Carl Williams, U. of P. Head linesman—Ernest Copens, U. of P. Time of quarters—15 minutes.

Sallie McSparran, '13, has been spending several days at the Sem.

Mrs. A. C. Connor, nee Alberta Bronson, '12, has been visiting in the town.

Mary Galbreath, '07, Emily Ebbling, '03, and Anne Galbraith, '07, were guests at the Seminary over Sunday.

Miss Helena Way, head of the Art Department, entertained at an informal tea in the studio on Saturday afternoon.

ALUMNI NOTES

C. A. Oberdorf, '07, is resident engineer with the Lehigh and New England R. R., with headquarters at Slatington.

W. F. Redclay, '11, civil engineer, has been sent by the Western Union Telegraph Co., from their main office in Chicago, to Duluth to make an inspection for a proposed conduit system.

ALUMNUS NOW EDITOR

Victor E. P. Barkman, ex-'08, has recently purchased the Bedford Gazette, a paper founded over a century ago. While in his senior year at Bucknell Mr. Barkman was elected superintendent of schools of Bedford county and is now serving his second term, which will not expire until next June. After that time he will devote his entire attention to the editorship of the Gazette.

FALLOWS—GOTSHALL.

The marriage of Miss Emma S. Fallows to C. Harold Gotshall, '07, was a recent event at Wyndmoor, Chestnut Hill, Philadelphia. The groom was attended by his brother, Leon Gotshall, ex-'11, while E. S. Burrows, '07, was one of the ushers.

Patrick Ryan, of the Irish-American A. C. hurled the 12-pound hammer 213 feet 9 1-8 inches for a new world's record at the fall games of that club.

The professors at Wesleyan University began the new year with an increase of 10 per cent. in their salaries. This is the first step taken by the trustees toward carrying out a long-cherished intention.

TOYLAND is a Wonderful Land for the BOYS and GIRLS

Never before was our Toy Department so large and packed so full. Our whole second floor is just packed for them. Every nook and corner is holding Toys.

THESE ARE SOME GIFTS THE BOYS and GIRLS APPRECIATE:

Wheelbarrows 25c up to $1.00.
All kinds of Wagons from 25c up to $5.00.
Drums from 25c each and up.
Play Suits of all kinds for the boys.
Mecanno Toys at $1.00 a set up to $36.00 a set.
Rocking Horses from 75c each up to $6.98 each.
Sleds and Sleighs of all kinds from 50c up.
Children's Desks, a good gift, from $1.00 up to $8.50 each.
Air and Target Guns of all kinds from 25c up.
A B C Blocks, Building Blocks of every description.
The Sandy Andy Automatic Sandmill which operates itself.
Mirrorscopes and Magic Lanterns of all kinds.
Doll Furniture of all kinds.
A large assortment of Musical Instruments for the boys and girls.
Separate Locomotives, Cars, Trucks, Cabooses, Track Sections, Switches, Crossovers, etc., all guaranteed to work or repaired free of charge.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, DECEMBER 15, 1913. NUMBER 11

RESIGNED AS HEAD OF NORMAL

DR. PHILLIPS, '71, ENDS STRIFE WITH TRUSTEES.

WEST CHESTER SCHOOL TO BE TAKEN OVER BY STATE

Trustees Then Elect Prof. F. H. Starkey, '91, as Principal.—Friends of Dr. Phillips Expect His Re-Appointment.

The Board of Trustees of the West Chester State Normal School, at a special meeting Tuesday, accepted the resignation of Dr. George Morris Phillips, '71, as principal of the school.

The board appointed the vice principal Prof. Foster H. Starkey, '91, as principal, at a yearly salary of $4500 and house rent free.

The resignation of Dr. Phillips brings to a temporary end, at least, the controversy and litigation between himself and the Trustees of the school which has been waging for nearly a year. The State has been trying for some time to take over the Normal school but the Trustees have refused to sell as they first desired the resignation of Dr. Phillips, but were refrained from dismissing him by an injunction suit started by a number of the stockholders.

The friends of Dr. Phillips regard the settlement as a victory and are confident that he will be re-appointed as principal by the new Trustees who will be appointed by the State Board of Education. The Trustees will file a petition for dissolution of corporation on December 29, and the title will then pass to the State.

At the chapel exercises of the Normal School Tuesday morning, just as the students were being dismissed to their class rooms, they gave three cheers for Dr. Phillips. During the services the Principal read from the Bible: "Cast thy bread upon the waters and thou shalt find it after many days."

Dr. Phillips has declined to make any public statement on the situation, but will take a vacation from business for a few weeks.

ATHLETIC ASSOCIATION ELECTS NEW OFFICERS

REPORT OF ASSISTANT CONTROLLER STILL SHOWS A DEFICIT.

The annual fall term election of the Bucknell Athletic Association was held in Tustin Gymnasium at 10.30 o'clock Saturday morning. The retiring President, Lindberg, '14, conducted the meeting and a financial report was read by Assistant Controller Bachman, which showed the Association to be in the best condition that it has experienced for many years. A large deficit, however, is still being carried on the books.

The list of candidates for the various offices, as recommended by the Representative Caucus and published in the Orange and Blue last week, were placed in nomination and balloted upon by the members. One hundred and thirty three votes were cast in the election. Lotte, '14, Shattuck, '14, and McCombs, '14, were appointed the tellers, and have announced the election of the following men:

President of the Association—Carl E. Geiger, '15, of Williamsport.

Vice president of the Association—Edgar T. Clapp, '15, of Milton.

Secretary of the Association— H. C. Houser, '15, of Wellsboro.

Assistant Football Manager—Clarence W. Peters, '16, of Ligonier.

Have you paid your subscription for the O.& B.? After the first of the year the price will be $1.25. Hand your dollar to one of the managers immediately.

ALUMNUS TO SUPERINTEND MILTON PUBLIC SCHOOLS

Major Wallace W. Fetzer, '04, principal of the Sunbury High School, and a former superintendent of the public schools of Northumberland county, has been elected superintendent of the Milton public schools. He will assume his new position February 1. Mr. Fetzer is the only person graduated from the Milton High School to hold the position of superintendent of the schools of that city and is the first person who has ever been principal of the high school and later elected to the superintendency. He was elected principal before being graduated from Bucknell.

FOUNDERS' DAY BANQUET.

The members of the Forum held their annual Founder's Day banquet last Wednesday evening. All of the student members of the organization and Prof. Rockwell and Dr. Perrine, of the college faculty, were present. After an excellent menu had been served Prof. Rockwell, as toastmaster called upon Whited, '14, Meredith, '15, Kranse, '16, and Peterson, '17, who responded with toasts. The program was closed after an appreciated address by Dr. Perrine on "The Practical Value of Literary Studies."

FINAL TRY-OUT JAN. 5TH.

Thursday night, January 8, at 8.30 in Bucknell Hall, will be the last chance for making the Glee Club and all those who have had any intention of coming out are requested to be present as the final selection will be made that night.

A western trip is being planned for the Glee Club for the spring vacation to DuBois, Brookville, Franklin, Sharon, Greensburg and Johnstown. The combined clubs will make their first appearance during Junior week, probably in Commencement Hall.

PREPARING FOR ANNUAL DEBATE

WITH GETTYSBURG TEAM EARLY NEXT TERM.

QUESTION NOW SUBMITTED FOR OPPONENT'S SANCTION

Those in Charge Expect to Hold Two Try-outs Next Term to Decide the Personnel of the Bucknell Debating Team.

Arrangements are now nearing completion for the annual debate between Bucknell and Gettysburg which will be held some time next term. A good live up-to-date question will be chosen this year and in all probability it will deal with one of the economic questions of the day.

This will be the third year that the two institutions which meet several times annually in athletic contests will have its representatives face each other in a battle of words. In the contests of the past two years, in which two debates have been conducted on the same night, one at Gettysburg and one here, the schools have divided the honors.

Altho a question to be debated has been chosen by those in charge of that work here it will not be made public at the present time for it must first meet with the approval of the Gettysburg debaters. If the question now under consideration meets with the approval of both colleges it will then be posted as the subject to be used in the try-outs.

Plans are now being made to have two try-outs the early part of next term for aspirants for positions on the debating team, the dates to be set by the local Debating League. As it is the custom to hold the debate at both colleges on the same evening and for each college to discuss the negative side of the question at one and the affirmative at the other, it will give four men regular places and two men alternates places on the team.

In the try-outs one may choose either side of the question that he wishes and he will be given five minutes to present his argument. Judges for the try-outs will be selected from the faculty and each person will have a fair show in his efforts to make the team. In passing judgement about 60 per cent. is taken for the argument and 40 per cent. for the delivery.

It is expected that a large number will join in the contest for positions on the Varsity team this year, for it is considered as much of an honor in many ways to be able to make a team through one's mental faculties as to make it through one's physical prowess. Every person who has a talent for public speaking or debating is urged to come out and try for the team and help to bring a double victory to Bucknell this year.

GAVE DEDICATORY ADDRESS

Rev. J. P. Stoler, '98, of the Department of Biology and Geology of Albright College delivered the ceremonial address at the dedication of the new $15,000 science building at that school Tuesday afternoon. The services were participated in by the faculty and student body.

A CHRISTMAS SUGGESTION.

If in doubt about what to give for a Christmas gift, buy a copy of the new Bucknell Song Book. $1.25 a copy at the Book Store. With its local colloring in verse and pictures it makes an admirable Bucknell souvenir.

FAMOUS BUCKNELLIAN NOW IN THE WEST

Christy Mathewson, his wife and son.

This excellent photograph of the famous "Christy" Mathewson, ex-'02, his wife and son, is reproduced through the courtesy of Mr. E. T. Stevenson, '04, of the Franklin News. The picture was taken only several weeks ago in California where "Christy" parted company with the team of the big league baseball players who recently started on a playing tour of the world. Mr. and Mrs. Mathewson have engaged a bungalow in the Coast state and will remain there through the winter. Mrs. Mathewson is the daughter of Mr. and Mrs. F. C. Stoughton, of Lewisburg, who will leave soon after the holidays to spend a month or more with "Big Six" and his family in the West.

It is pleasing to the many local admirers of the former Bucknell star to learn that in the recently compiled statistics of the National League "Christy" leads the list of pitchers and is still accorded the title of "Old Master."

The following from the New York Herald is of local interest:

"Not many years ago Christopher Mathewson, when a member of the Bucknell football team, kicked a field goal from the forty-three-yard line against the West Point cadets. A year later he duplicated the feat against U. of P. By all the traditions of college life this made "Christy" a hero and the medals have hung on him ever since.

"As time went on Mathewson became a pitcher for the New York Giants. He had a great arm, and, unlike many of his profession, he had a head which kept pace with the shoots that whizzed over the plate. The gray matter co-ordinated with the muscles in his good right arm, and therein lay the secret of his success on the diamond. Still, once famous, it is hard to live it down, and that is what has troubled "Matty" on the big trip of the White Sox and Giants.

"Had Mathewson ever dreamed of the adulation which would come his way on the trip the chances are that he would have remained at home, for no such hero worship ever accompanied a man across the continent as was the case with "Big Six." Caruso in his palmiest days never met the reception which fell to the sad lot of "Christy." Not a hamlet or a tank station but that there were calls for "Matty." The gumbo farmer of Iowa was just as well posted in the history of "Christy" as were the prospectors of Arizona. From the start it was one long ovation for Mathewson.

"'We want to see "Matty."' was the greeting across the continent."

SENIORS SELECT THEIR MEMORIAL

WILL GIVE AN OIL PAINTING OF DR. HARRIS.

ARTIST LEAVITT WORKING ON PORTRAIT OF PRESIDENT

Senior Class Meets and Unanimously Ratifies Choice of Memorial Made by Committee.—Work May be Seen Progressing.

At a meeting of the Senior class of 1914 held Thursday afternoon in Bucknell Hall a unanimous vote ratified the selection of the Committee appointed some time ago to choose a Class Memorial to be presented to the University at the Commencement exercises of the Class next June.

The Committee had unanimously chosen a life-sized oil painting of President John H. Harris, to be painted by W. H. Leavitt, of Boston, who exhibited his famous picture of "The Last Supper", in the First Baptist church two weeks ago.

A particular circumstance which makes the action of the Senior class exceedingly appropos is that the class of 1914 will be the twenty-fifth class to have been graduated by Dr. Harris, this year marking the laspe of a quarter of a century of since he assumed the Presidency of Bucknell.

When the question of a Class Memorial was first decided by the Committee a portion of that body interviewed Mr. Leavitt and ascertained that he would gladly accept the commission and begin work immediately. Dr. Harris was then pursuaded to "sit" for the picture and a corner of the art room in the library was converted into a studio where the artist may be seen daily at his work.

It is the intention of the Class to have the portrait, which will be of half-length, with Dr Harris garbed in the purple edged robe of his office, hung in Bucknell Hall.

WESTERN ALUMNI MEET

GRADS IN CALIFORNIA ENTERTAIN CHRISTY.

The Bucknell University Alumni Association of Southern California met at the Jonathan Club in Los Angeles on Dec. 8. Col. Freeman G. Teed, '75, was the host, and Christy Mathewson, ex-'02, was guest of honor. There were present in addition D. D. Hughes, ex-'72, Roy J. Farr, '08, and A. G. Ritter, '09.

Mathewson and his wife are spending the winter in Los Angeles. There are two other Bucknell men located in Los Angeles besides those above mentioned. They are V. S. Anderson, '95, and D. G. Humm, '09.

The Bucknell Alumni Association of Southern California was organized in March, 1913. Freeman G. Teed was elected President and Treasurer, and A. G. Ritter, 1012 Black Building, was elected Secretary. Any Bucknellians in California or who anticipate coming to California are requested to communicate with the secretary of the Association at the above address.

There are several other members of the Association besides those mentioned. They are: Dr. John Elliott, who is a physician in San Diego; Dr. Roberts, pastor of the Presbyterian church of Coalinga; J. H. R. Roberts, '12, of Coalinga; and M. E. Haggerty, of Modesto, California.

The members of the Alumni Association here are anxious to learn the whereabouts of any former Bucknell students who live in Southern California.

—The Christmas season is at hand. What are you going to do to make Some One Else happy?

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

That you have a very merry Christmas and a new year replete with blessings and success is the sincere wish of the Orange and Blue.

The frequent alarm of "Fire", given thoughtlessly and ruthlessly by students in the East College dormatories, is a practice that can justly be decried as an exceedingly bad one. Fortunately there have been few fires on the Hill in recent years, and those that did occur have been small ones and easily put out, but if the practice of giving false alarms is continued and a "real" conflagration should happen, it might gain considerable headway before the students would learn that there was genuine cause for the outcry. Let's not carry the joke too far.

With the completion of the examinations this week the first third of the college year will have flown into history. For many of us the passing merely marks the procession of time which drags rather heavily on idle hands, but for others the completion of the term brings feelings of regret and sadness over the opportunities that have been lost and the gradually decreasing number of college days for many of those now with us. Just at this time of the year, between terms, and with a brand new year ahead of us, is an excellent time to check up ourselves, to take an inventory of our mental resources, and to earnestly resolve that the coming year will find us working harder than ever to make better use of the many opportunities presented to us, striving to live better lives, and to bring more happiness to those around us. That is the true spirit of the holidays.

ALUMNAE CLUB MET.

The Bucknell Alumnae Club held its regular monthly meeting last Tuesday evening in the parlors of the College for Women. The program included papers on "Modern Journalism" by Mrs. L. T. Butler; "The Evolution of the Magazine," by Mrs. Larison, and "Cartoons and Their Makers," by Miss Helen Houghton. Several musical selections were given by Miss Kunkle.

TO LECTURE ON HEALTH.

On Sunday afternoon, January 18, Dr. E. E. Montgomery, Professor in the Jefferson Medical College, Philadelphia, will address the public of Lewisburg on "How Can the Public Health be Improved?" Dr. Montgomery comes under the auspices of the American Medical Association, and is one of the five accredited lecturers of that Association for Pennsylvania.

HOW THICK IS YOUR MIND?

Dartmouth College has instituted a new phychological test for measuring students' minds in order to determine the average mentality of the men and to give each individual an idea of his mental capacity. Among the mental qualities which are tested are: Rapidity and accuracy of perception, immediate memory, rapidity of association, stability of attention and ability to follow closely, instructions. The object of the tests is primarily to get material for compiling facts relating to sensorial tendencies, and the range of mental abilities.

Dartmouth is one of the pioneers among the colleges in applying this test in an exhaustive fashion. Columbia and Oberlin have also introduced the system and it is under consideration at Yale.

CASTLE WALK, NOW ON CAMPUS.

Twelve of Swarthmore College's pretty coeds are now deprived of all social privileges and campussed until the Christmas vacation as a penalty for having danced the Castle Walk at a dance in the village a week ago Saturday night. The Women's Student Government Association, of Swarthmore, which announced early in the year that only the two-step, waltz and Bostons could be danced in their assemblies, announced its punishment Friday. It is alleged that two senior girls "peached" although two faculty appointed chaperones who were present at the dance saw nothing objectionable in the dancing of the young ladies. This was the first time that an infraction of the rules had been noted.

LIGHT ON THE ARMY-NAVY GAME

The publishers of "Football for Public and Player," by Herbert Reed, have announced that early in the season twelve copies of this book were ordered by the West Point Athletic Association for the use of the Army eleven and coach. They say that those who are searching for the reason why the Army by superior tactics and knowledge of the game turned the tables on the Navy, which had been a universal favorite, may be grateful for this bit of news. Football experts are still commenting on the almost uncanny way in which Mr. Reed's book indicated the results of the present season. The unexpected victories of smaller college elevens which have developed the open game, the failure of certain kinds of systems used by the big elevens, the successful field strategy of Harvard in the Yale-Harvard game at Cambridge, all these things find their full explanation between the covers of Mr. Reed's book, written before the season commenced. As there is little likelihood of radical changes in the rules, the book may be expected to exert more influence next fall than it has this.

PROFESSOR MONTRAVILLE WOOD

One of the big features of the Lyceum throughout America the coming season will be the scientific lectures and demonstrations as presented by Professor Montraville Wood. Mr. Wood is one of America's foremost inventors, particularly in the electrical field. Nearly 100 patents have been awarded to Mr. Wood, the majority of which are in practical use today.

Mr. Wood's program is made up of things entirely new to Lyceum audiences. There will be a wrestling

MEMBER OF THE AUDIENCE WRESTLING WITH THE GYROSCOPE.

match between some member of the audience and a gyroscope, weighing twenty-eight pounds and attaining a speed of 3,000 revolutions.

Another feature will be a demonstration of the monorail car, a model car being actually sent out in midair on a slack wire above one of the aisles of the auditorium.

The producing of handwriting on the wall by means of the violet ray will comprise still another interesting part of Professor Wood's program, the ray of light acting as a crayon, a marvelous demonstration.

The Secret of Good Batting

is similar to the secret of good business—it happens to some and just misses the others.

If there ever was a commercial home run it's Fatima, the Turkish-blend cigarette. The expert who conceived this blend was some batter! Fatima was first lined out in the college towns—the student body quickly proclaimed them winners. Today Fatima is the biggest selling cigarette in this country.

The secret is—pure, good, choice tobacco—no expense in the package—quality all in the smoke—"Twenty."

The Central Branch Y. M. C. A., 1421 Arch street, is always "open house" for Bucknell men. Many alumni of the University are included in its membership, quite a few of whom are living in the dormitories. A cordial invitation is extended especially to the students from the hill who will be in the city during the Christmas holidys to come in and get acquainted. Drop around any time and if you don't see somebody you know in the lobby just ask for Hedge or Davies, in the Service Department.

Fitch, '11, has been transferred by his firm, the General Chemical Company, from Brooklyn to the Camden plant.

AN "ALL BIG LEAGUE" TEAM

BUCKNELL IS BEST REPRESENTED COLLEGE.

Some football enthusiast has picked a first-class team from among the members of the various teams in the National and American Leagues. This mythical eleven, he says, could in their college days, have held their own against all comers. It will be noticed that Bucknell enjoys the distinction of furnishing two players for the team, both for the fullback position.

The list is as follows:
Lord, Colorado, right end.
Birmingham, Cornell, right tackle.
Johnson, Carlisle, right guard.
Overall, California, centre.
Reulbach, Notre Dame, left guard.
Hohlitzel, Pittsburgh, left tackle.
Brickley, Everett, left end.
Huggins, Cincinnati, quarterback.
Thorpe, Carlisle, right half-back.
Capron, Minnesota, left half-back.
Mathewson, Bucknell and McCormick, Bucknell, full-back.

CORNELL EDITORS EXPELLED.

For their part in the publication of "The Temptation" number of the Cornell Widow, Cornell's humorous magazine, Austin G. Parker, of Helena, Mont., editor-in-chief of the magazine, and Archibald M. Johnson, artistic editor, have been expelled. It is said members of the Somerset Y, a student temperance organization, which was the object of ridicule in the Widow's editorial page; the Ithaca W. C. T. U., and other organizations, complained to the faculty. Certain dark sketches relative to modern feminine apparel and daring phrases were particular objects of faculty disapproval.

INTERCOLLEGIATE

An interclass football league has been organized at Purdue. All of the four classes have teams in the "big" league.

Three hundred and fifty candidates reported to Captain McCardy's first call for track men at the University of Pennsylvania.

The Law School at Georgetown University is occupying this fall, for the first time, a new building erected at a cost of $95,000.

The recently inaugurated President of Ursinus College said: "If you find yourself lacking in devotion to your college, render it some service and you will learn to love it."

The big formal function of the year at the University of Washington is a dance given in honor of the letter winners. Eighty-five men and women have won their W's at Washington

According to statistics recently compiled by the Yale News, 747 Freshmen have entered the university. Of this number, 391, are in the academic Freshmen class and 256 in the Scientific School.

Columbia University has the largest enrollment this year in the history of the institution, also the largest enrollment of any university in the United States. They have over 10,000 students.

Gifts of an aggregate value of more than a hundred thousand dollars were announced by President Nichols at the second Dartmouth celebration, at which fourteen hundred Dartmouth men were gathered.

It is stated that the Congregationalists have one student in college for every 69 church members; the Presbyterian one for every 70; the Methodists one for every 143 and the Baptists one for every 176.

The Freshmen at Wesleyan are required to make a census of the cats of Middletown, and to compile statistics regarding the number, sex, and pedigree of all the feline residents of the city. The owners of the animals object strenuously to this census, fearing that their pets may be martyrs to science.

Two members of the Sophomore class of the University of Michigan "put over" a new hazing stunt on a 1917 man recently. Representing to be from the Sophomore Insurance Association, they sold the Freshman a two-dollar policy entitling him to roam at any time in any and all places without danger of being harassed by 1916 men.

Never has America known such a college year. The University of Pennsylvania, with the largest enrollment in its history, the whole number going above 5,000; Princeton the largest entering class on record; Swarthmore unable to accomodate all applicants; Cornell with the largest student body it has ever known its combined registration reaching 8,500—these and other universities and colleges East and West have all moved to new totals, while secondary schools have the same story.

TEACHERS' INSTITUTE.

The 58th annual session of the teachers' institute will convene next Monday, Dec. 15th, in the high school room at Mifflinburg, closing on Friday. The usual corps of instructors has been secured, along with the entertainers for the evening sessions.

HILL GOSSIP

Robinson, '12, spent Sunday with his S. A. E. brothers.

Glover, '14, entertained his father and brother, of Erie, Sunday.

James W. Carpenter, of State College, was the guest of Henderson, '15, at the Phi Kappa Psi house over Sunday.

Miss Clara Shellhammer, '10, is the vice president of the Senior Class in the Medical School of the University of Michigan.

G. M. Robbins, '00, of Scranton, was a visitor on the Hill last week. Mr. Robbins is now the district engineer for the Hillside Coal and Iron Co., of Scranton.

The last examination of the present fall term will be held Wednesday afternoon. The holiday vacation will continue from that time until Tuesday noon, January 6.

The Bucknell Band rendered several selections at the corner of Market and Third streets last Saturday afternoon after having had the picture taken for the L'Agenda.

Reserved seats for the basketball season will be placed on sale Wednesday, January 7th, at the office of the Controller of Athletics, in Main College. The price of reserved seats will be the same as heretofore, on dollar per seat.

WOMAN'S COLLEGE

Olive Long, '11, visited at the "Sem" over the week-end.

Miss Kalp entertained her mother and brother recently.

Helen Levegood, '11, spent Saturday and Sunday with friends at the Seminary.

Miss Schillinger gave a recital for a number of the elocution students Tuesday afternoon.

Miss Rose Rainey gave an interesting lecture for the college girls and ladies of Lewisburg in the Chemical Laboratory on Monday afternoon and evening. She spoke about the preparation of foods.

Delta Delta Delta fraternity held an initiation Saturday evening at the home of Prof. and Mrs. Rockwell. Misses Helen Lewis, of Watsontown; Helen Jenkins, of Franklin, and Georgia Kurtz, of Franklin, were the initiates.

ALUMNUS IN CALIFORNIA.

A recent addition to the Bucknell colony in California is Mathew E. Haggerty, '09, who is practicing law in Modesta, that state. He is senior partner in the firm of Haggerty & Maxey. Following his graduation from Bucknell Haggerty entered the law department of the University if Michigan. After one year's attendance he accepted a position on the faculty of Hastings college, Hastings, Neb., where he taught English, coached the debating team and trained the orators. The following year found him again at Michigan where he was given his law degree last February. Immeditely upon the completion of his law work he made an extended tour of the Pacific coast, preparatory to entering upon the practice of his profession. His partner is a Michigan graduate.

CELEBRATED FOUNDERS' DAY.

The members and pledges of the local chapter of Kappa Sigma fraternity held an enjoyable smoker in their halls on Market street Friday evening in celebration of Founders' Day. Toasts were responded to by Golightly, '14; Grabowski, '15; Davis, '16; Shaffer, '17; and Profs. Lindemann and Griffith.

ALUMNUS WEDS.

Miss Mary Steck, of Muncy, was united in marriage to Judge Albert W. Johnson, '96, of Lewisburg, in Washington, D. C., Saturday.

TO BUILD CHAPTER HOUSE.

The local chapter of Phi Gamma Delta fraternity closed a deal last week whereby it has acquired possession of the front half of the Lafever lot on University Avenue, between the residences of George P. Miller and Rev. C. A. Hare. Architects are now preparing plans and specifications for the erection of a chapter house, which members of the fraternity expect to have completed by the opening of college next fall.

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, JANUARY 19, 1914. NUMBER 12

VARSITY FIVE WINS AND LOSES

OPENED SEASON WITH VICTORY OVER BLOOMSBURG.

PROSPECTS ARE BRIGHT FOR A WINNING QUINTET

West Virginia Wesleyan Victor in One of the Best Games Seen Here in Recent Years.—Varsity Lost by Two Points.

In the first two games of the season the Orange and Blue basketball team made a very good showing. The first game, against Bloomsburg Normal, was won without any difficulty, the second resulted in a victory for West Virginia Wesleyan by the close score of 21-19.

Both games proved highly satisfactory to the Bucknell adherents and served to show what this year's team can be expected to do. Several new players are candidates for poltions on the team and their presence aided the Orange and Blue materially in both games. Prospects are indeed strong for a very successful season.

The Bloomsburg Game.

The Varsity on January 9 ushered in the season by decisively defeating the Bloomsburg Normal aggregation and thereby getting retaliation for last year's bitter defeat. The final score was 23-16, but it does not show the superiority of the local team over the Visitors. A fair-sized crowd was on hand to witness the contest, and the superior passing and team work of the Orange and Blue at this early part of the season, kept the enthusiasm and interest of the spectators kayed to the highest pitch.

Bucknell started the scoring soon after the game started when Archer, the new Freshman centre, made a pretty field goal. After a foul by each side there was a general run on the basket, but only once did the Varsity seem in danger. Two goals by Murray followed by one by Schaffner. However, gave Bucknell a comfortable lead which was never overcome, and the first half ended in favor of the Orange and Blue by the score of 11-3.

The second half saw Bloomsburg show a little more aggressiveness, and rough playing by both sides livened things up for the spectators. But the visitors were not able to overtake the lead of the Orange and Blue, although their playing was a decided improvement over that of the first half. The final score was 23-16.

Bucknell	Position	Bloomsburg
Preiskel	Forward	Leidich (Buffington)
Murray	Forward	Rickett (Johnson)
Archer	Centre	Eveland
Gdaniec	Guard	Gress
Schaffner	Guard	Whetsell (Captain)

Timekeeper—Abbott. Bloomsburg. Referee—Brown, Bucknell. Goals from field—Gdaniec, 3; Buffington, 2; Schaffner, 1; Archer, 1; Murray, 1; Rickett, 2; Leidich, 1; Eveland, 1. Foul goals—Shaffner, 3; Buffington, 2; Johnson, 5; Leidich, 3. Time of halves 20 minutes.

The Wesleyan Game.

Last Friday evening Bucknell played the strong West Virginia Wesleyan quintette which is making a tour of the state, and the visitors won out by the close score of 21-19. In many respects the game was one of the most spectacular ever seen on the local floor, and the result was at all times in doubt.

The Varsity was composed of the same five men who played in the last half of the Bloomsburg game, and they played together in fine style. The passing was excellent, but ability to shoot goals at critical moments cost the Orange and Blue a victory. With a week's practice in this department the team should be able to give any of its opponents a hard battle for the honors.

In the first half the Orange and Blue literally carried their opponents off their feet. Bucknell had the ball in their possession throughout this period, and prospects seemed very bright for a victory. But the West Virginians came back strong in the second half and toward the close overcame the lead of Bucknell. For several minutes the score was tied, and the excitement was intense as both teams tried to make a basket to break the tie. The visitors finally succeeded, and they held the lead throughout the remainder of the contest. The final score was 21-19.

Captain

Goals rom fied.—Murray. 6; Buffington. 2; Neale, 7; Jacobs, 2; Vevener, 1. Goals from fouls—Buffington, 4; Neale, 1. Time of halves 20 minutes.

DR. GODFREY DECEASED.

Dr. E. L. B. Godfrey, of Camden, N. J., died in Pasadena, Cal., on December 17th. In 1890 Bucknell University conferred upon him the degree of Master of Arts. He was one of the most prominent physicians in New Jersey and for a long time was secretary and then president of the State Board of Medical Examiners.

GAVE MUSIC TO BAND.

Through the Orange and Blue the Bucknell Band extends its thanks to Mr. Frank B. Clayton, of Lewisburg, for several complete selections of music which he recently presented to the organization.

STUDENTS ORGANIZE AN ORATORICAL LEAGUE

THIRTY MEN ARE MEMBERS OF NEW FORENSIC CLUB.

In response to a call issued by Professor Smith, about thirty men gathered at the rooms of the University Club on Friday night and organized the Bucknell Oratorical League with E. J. Richards, President; E. O. Clark, Secretary and S. M. Bryant, Treasurer. The organization will confine its activities this year to the holding of a temperance oration contest. By taking this action it joins with eleven other colleges of this state, forming the Pennsylvania division of the intercollegiate League. The winner of the state contest, which is held in April, receives a prize of $50. He then competes in the eastern interstate for a prize of $75, first, and $25, second. Every two years a national contest of winners in the state groups is held for which $100 is given as first prize and $50 as a second prize.

Altho the local contest will be held under the auspices of the league every student in the college is eligible. By this means any man or woman in the four classes who may be interested will be given an opportunity to study the greatest problem of the day and to write an oration embodying his views. Professor Smith will give one literary criticism and two rehearsals to each contestant. The orations are limited to fifteen hundred (1500) words by actual count. Those who wish to enter will hand their names to the Secretary or to Professor Smith on or before February 1st.

GAVE INTERESTING LECTURE

E. E. Montgomery, M. D., LL. D., Professor in the Jefferson Medical College, of Philadelphia, gave an excellent address Sunday afternoon in the Methodist Episcopal church, on "How can the Public Health be Improved." Dr. Montgomery came under the auspices of the American Medical Association.

Dr. Montgomery also addressed the College Bible Class in the morning.

BIG CONVENTION AT KANSAS CITY

FOUR BUCKNELL DELEGATES ATTEND MEETINGS

BRYAN, MOTT, SPEER ARE AMONG PROMINENT SPEAKERS

Five Thousand Delegates Present Represented Over Seven Hundred Universities and Colleges of the United States and Canada.

At the meeting of the Seventh International Convention of the Student Volunteers for Foreign Missions, held in Kansas City, from December 31 to January 4 there were representatives present from 755 universities, colleges and seminaries of the United States and Canada, a total of 3984 student delegates from these two countries. Including the missionaries ministers and evangelists present there were altogether 5081 delegates at the meetings.

The Bucknell delegates at the convention were Oesterle, '16, and Davenport, '16, and Misses Bunnell, '16, and Carpenter, '16. They have returned to college greatly inspired by the spirit of the convention and will tell of the influence of such a great gathering in the reports which they will make to the Christian Associations this week.

Delegates poured into Kansas City all day Dec. 31, were registered and taken to their respective places of entertainment by several patrols of Boy Scouts By 2.30 o'clock the time of the first meeting, 6,500 people had gathered in Convention Hall for the initial session. College yells, state songs, etc., filled the air for several minutes previous to the calling for order by the chairman, Dr. John R. Mott, the famous missionary leader.

The general sessions of the convention consisted only of addresses, reports, and the like, no business of any kind being transacted. The most pleasing feature of the convention was the singing of the International Association quartet which furnished all the special music. These men have sung together for 25 years and their harmony was an inspiration to everyone who crowded the hall at each meeting.

The Wednesday afternoon session was given to the opening address of Chairman Mott and speeches by Dr. Robert F. Horton, of London, and Dr. Robert E. Speer, of New York. Dr. Mott gave a summary of the work to be accomplished during the convention while Dr. Horton spoke on "The Lordship of Jesus." Dr. Speer, who is a former Princeton student, closed the first session on "The Call of the World to the College Man"

Wednesday evening session was given to discussions of the Moslem problems, Dr Chas. H. Watson, of the United Presbyterian church, and Dr. Samuel M. Zweimer, of Cairo, Egypt, were the speakers.

Thursday momrning's session was given to the reading by Dr Mott of the report of the achievements of the Student Volunteer Movement since the last session at Rochester in 1910. Following Dr. Mott several foreign delegates spoke and seconded Dr. Mott's report. Thursday afternoon section conferences were held when returned missionaries spoke concerning the foreign field work.

Thursday evening was given up to Latin America, which subject was well handled by Bishop L. L. Kinsolving, of Brazil, and Dr. Speer.

At the Friday morning session the speakers were President McKenzie, Prof. Henderson, of Chicago University; Dr. W. W. White, of the Bible Training School of New York, and George Sherwood Eddy, an India missionary. These men spoke on "Preparation for Leadership." The afternoon was devoted to devotional conferences in the various city churches.

Friday evening Dr. Mott, after much persuasion, told of his recent trips around the world.

Saturday morning's session was addressed by Dr. J. L. Barton, Dr. J. C. White, Dr. Franklin, Dr. Zwelmer, and Dr. Horton on the five great forces to be wielded in the world's evangelization: "Statesmanship," "Financial Power," "Co-operation," "Sacrifice," and "Intercession."

Section conferences were again held in the afternoon while the evening theme was "Foreign Missions in their Relation to the World Peace." This subject was well handled by Dean Sharler Matthews, of Chicago, Dr. J. A. McDonald, of Toronto, and Hon. William Jennings Bryan.

Sunday, the final day of the convention, was taken up by Dr. Horton and Dr Speer in the morning. Three meetings were held in the afternoon, one for men at the Central M. E. church, one for women at the Central Presbyterian church, and one for the citizens of Kansas City at the convention hall.

The evening session, and the end of the convention, came to a fitting close when Dr. Mott officially expressed appreciation of the hospitality of Kansas City, and read several cablegrams from volunteers now in the field. Following this Sherwood Eddy made one of the greatest addresses of the convention on "Our Responsibility as we leave the Convention," and he inspired each of the delegates as he charged them to carry to their respective colleges an unimpaired vision.

"Still, Still with Thee," by the quartet, a brief scripture reading by Dr. Mott, and a benediction by Dr. Spear, and the great Student Volunteer convenion was closed.

CHAPTERS ADDED TO TWO ROMANCES OF THE CAMPUS

WEDDINGG AND ENGAGEMENT OF FORMER STUDENTS ON THE HILL.

C. Leslie Baskins, '10, of North Platte, Nebraska, and Miss Leah Jenkins, of Milton, were united in marriage in Sunbury, Wednesday December 31. It was while a student here that he first met his bride. Since leaving Bucknell he has graduated in law from Lincoln University in Nebraska and was admitted to the bar in that state in June of last year

Another chapter was recently added to a romance of the campus when Mr. and Mrs. D. G. Royal, of Camden, N. J., at a dance given at the Hotel Rittenhouse in Philadelphia during the holiday season announced the engagement of their daughter, Ethel Mildred Royal, a former student of the Institute, to Romaine C. Hassrick, '06, of Philadelphia.

Mr. Hassrick was also graduated with the class of 1913 from the University of Pennsylvania Law School. He went to Philadelphia in 1907 and has served since then as city political edition on two of the morning newspapers. During the last campaign he was publicity manager of the Public Service Committee of One Hundred.

THE JUNIOR PROM.

SOCIAL EXTRAVAGANZA TO BE FEBURARY 27.

The date of the 1915 Junior Prom has been announced as Friday evening, February 27th, the event to be held in the 12th Regiment Armory in Lewisburg.

The Thomas orchestra, of Shamokin, which has furnished music at local social functions on many occasions, has been engaged by the Prom Committee and will supply an extensive repertoire of late rags and rhapsodies.

The Committee which will be in charge of the affair is composed of the following members of the Junior class: Hopkins, Chairman; Patterson, Michael, Moyer, Winsor, Sellers, Rischel and Rawson.

TO DO RESEARCH WORK IN AFRICA

DANIEL WISE, '12, TO MAKE LONG JOURNEY FOR SCIENCE.

HAS RECENTLY RETURNED FROM TRIP TO LABRADOR

Will Observe Earth's Magnetism in Vicinity of Congo River.—Will Doubtless Spend Two Years on the Tropics.

The following article from the Williamsport Sun of recent date will be of interest to the many friends of Daniel Wise, '12, whose work in governmental research has been followed with interest by Bucknell alumni:

"A trip across the Sahara and through the jungles of Africa in the interest of the department of science of Carnegie Institute, Pittsburgh, is the order hat has reached Daniel Wise, of Main street, South Williamsport. Mr. Wise is a graduate of Bucknell university in the department of electrical engineering and has also spent some time at Carnegie Institute. He is now employed in research work for the scientific department of the institute with headquarters at Washington, D. C. He will leave the first part of next week for Washington where he will prepare for the arduous work ahead of him. It is likely that he will spend two years in Africa.

"Mr. Wise is not a novice at research work. Although he is in the early twenties he has had considerable experience in the backwoods, far beyond the line of civilization. He has just returned from a trip through the wildest sections of distant Labrador where he was dispatched to do the identical kind of research work that he has been delegated to do in the tropic of central Africa. Mr. Wise camped for many weeks during the past year in the isolated regions of central Labrador. On one occasion he was forced with the assistance of Indians to drag his bark canoe three hundred miles through the wilderness. He was accompanied by native guides and lived the life of the real explorer.

Work on Earth's Magnetism.

"Mr. Wise is making research work and investigations on the earth magnetism. The Carnegie institute is spending considerable money in making these interesting experiments. The remarkable success or the South Side young man in Labrador has resulted in the scientific department of the institute sending him to Africa. Mr. Wise will probably work alone in the wilderness and jungles of the Soudan. It will be his duty to pick out permanent villages, hamlets and also towns separated by a number of miles. At these places he will establish stations and with his instruments made especially for that kind of work, he will watch the earth's magnetism and keep account of the vibrations.

"The country drained by the Congo river will be traversed by Mr. Wise. The Carnegie institute has men all over the world and it is very likely that after he has completed his line of work in Africa he will de dispatched to some other section."

NO MONEY, NO WATCHEE.

Acting on an order from the Controller of Athletics the ticket takers at the basket-ball game next Friday evening will not honor tickets which have not been paid for nor will they accept the word of the student that his season ticket has been left in his room. Pay for your ticket and present it at the door if you wish to save inconvenience.

PROMINENT FI-JIS.

At the national convention of the Phi Gamma Delta fraternity, held during the holidays at Atlantic City, Rev. S. Z. Batten, '85, made the opening invocation, and T. B. Hulley, '92, was elected general secretary of the order.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

The report has been brought to our attention that in the Stough revival meetings, which are being held in Sunbury, Evangelist Stough has several times referred to the frequent excursions of Bucknell students to that city in a very defamatory manner, stating that although the college was founded for the purpose of educating young men for the ministry the present day students who take trips to Sunbury are a drunken and immoral lot.

With the alleged statements of Mr. Stough we immediately take exceptions, at the same time, however, offering no apologies or defense for those few students who may possibly behave while in Sunbury as he is said to have claimed. But there are many, many students who frequently make week-end visits in that city who behave themselves far above reproach. We will need but few hours to furnish ample proof of this statement.

For any man, more especially one speaking from a public platform, to make a general statement based on a few particulars, such as has been done by Rev. Stough, if we are informed correctly, is an injurious reflection on the college, an insult to the large majority of students, and, to say the least, a narrow view that carries little weight in the minds of an intelligent audience and may possibly injure, rather than help the good work in which he is engaged.

Elsewhere in this issue is published a full account of the meetings of the recent convention of the Student Volunteer Movement. Lack of space forbids us publishing at this time articles by the four students who represented Bucknell at the great gathering, telling of their impressions and experiences. These articles will be printed in our issue of next week.

DR. BATTEN TO SPEAK.

Dr. Samuel Zane Batten, '85, who delivered several forceful lectures here last winter, will speak in the Baptist church next Sunday, addressing the College Bible Class at 9.30 A. M., and giving a sermon to the Y. M. C. A. and Y W. C. A. at the 10.30 o'clock service.

READY TO FILL DATES.

The College Glee and Mandolin Club is said to now be ready to fill engagements, giving a concert that will be first class in every detail. Students who can suggest or aid in securing engagements for the club in their home towns are urged to speak with the Assistant Manager, Robb, '15.

ACCEPTS NEW PASTORATE

Dr. A. Lincoln Moore, '91, who for five years has been pastor of the First Baptist church of Franklin, recently resigned that position and has accepted a call to the pulpit of the Park Avenue Baptist church of Paterson, N. J.

"JULIUS CAESAR"

BY CAP AND DAGGER TO-MORROW EVENING.

"The Cap and Dagger," the dramatic club of the University, will make its debut of the year when it will present Shakespeare's famous tragedy, "Julius Caesar" next Tuesday evening, Jan. 20th, at eight o'clock in the Orpheum Theatre. The entertainment will be given under the auspices of the College Y. M. C. A.

The members of the cast have been rehearsing their parts for the past two months under the leadership of Miss Edith Shillinger, of the Department of Elocution, who has ably coached castes in past successful plays.

The Shakespearean production will be the first staged by the club this year and recent rehearsals predict something extraordinary in dramatics on Tuesday night. The efforts on the part of the Cap and Dagger to give the people of the College and Lewisburg a high class entertainment deserves recognition and the hearty support.

The price of a single admission will be 35 cents. Reserved seats will be 15 cents extra. The latter may be secured at Heiser's Drug Store.

DEATH OF VIOLA JONES

UNTIMELY DEMISE LAMENTED BY MANY FRIENDS.

The death of Viola Jones, who was a student at the Institute last year, occurred at the home of her parents, Mr. and Mrs. Isaac M. Jones, in Trevorton, on Tuesday, January 6. A complication of ailments, including muscular rheumatism, brought about her demise, after an illness which extended nearly six months.

To those who had the pleasure of knowing and of associating with Miss Jones while she was a student at the Institute her untimely death is a great loss, but her charming personality and Christian character and spirit won for her the love and esteem of many friends, in whose memory she will ever live.

She is survived by her parents and brother, Roland Jones, '15, to whom the condolence of the student body is extended

Funeral services were conducted at the Lutheran church at Trevorton on Saturday afternoon, January 10. Lindberg, '14, and Affron, '15, assisted as pall-bearers while Misses Mattern,'16, and Jenkins, '16, were among those present.

WOMAN'S COLLEGE

Wilma Knapp, '14, and Mae Evans, '15, spent the week-end with friends in Sunbury.

Ruth Mattern, '16, was the guest of Ethel Hottenstein, '13, of Milton, over Sunday.

Anna Williams, '15, has been called home on account of the critical illness of her mother.

Helen Groff, '16, and Ruth Williams, '16, spent Sunday as the guests of Olive Park, '16, at Montandon.

Helen Ott '14, and Winifred Miller, '15, were the guests of Sara Hilbish, of Northumberland, Saturday.

MECHANICALS ORGANIZE

The students in the Mechanical Engineering Department of the University met last Wednesday evening and affected an organization similar to professional societies existing in the other departments.

Officers were elected as follows: President, Lindberg, '14; Vice president, Lyne, '14; secretary, Coleman, '14; and treasurer, Clark, '15.

MAY WRIGHT GIBSON, '10.

Word has been received by friends in Lewisburg of the death of Mrs. May Wright Gibson, '10, wife of Rev. Frank K. Gibson, '09, which occurred last week in the hospital at Wyoming, N. Y. Mrs. Gibson had been in ill health for several months, but hopes for her recovery were entertained until the last. The Orange and Blue extends the sympathy of the student body and the alumni to the bereaved husband and mother

SAY, BUCKNELL QUAKER

DON'T MISS THE NEXT BI-MONTHLY DINNER.

Please send all information for this column and communications concerning it to

Louis W. Robey, Sec'y.,
Land Title Bldg.,
Philadelphia, Pa.

Friday, January 23, is the date set for the next round-up of the Bucknell men in this city, the occasion beingg the second regular bi-monthly dinner at the Hotel Rittenhouse, Twenty second and Chestnut, at 7 P. M. The cost is $1 per plate.

At the opening dinner held in October the attendance was not what it should have been, chiefly due to the fact that the plans had been hastily made and limited time afforded little opportunity to stir up those who were not actively in touch with the local alumni movement. At that dinner however each man present pledged himself to be responsible for the attendance of from one to five additional alumni at the next bi-monthly and a good representation of the large host of Bucknell men in Philadelphia is assured for January 23.

Don't feel at all modest about coming if somebody has not already personally approached you on the question. The dinner is one that you will be sorry to have missed. The idea of the Executive Committee is that each meeting should have some special feature of interest and instruction in addition to mere good fellowship and to that end for the coming event they have been fortunate in securing as honored guests and speakers, Mr. George Graham, Sport Editor of the North American, and Mr. Byron Dickson, who needs no introduction and whose name has already become a "By" word in Bucknell athletics. To state what the dominant topics of the informal round table discussion led by these men will be, is superfluous.

Even though you haven't attended any of the recent alumni functions come out to this and look us over. We guarantee that to attend once is to attend again and to be sorry when you are forced to miss another occasion of its kind. The joint dinner with the alumnae in December and the splendid turn-out at that time gave the rejuvenated Bucknell movement here a great send-off and more than one person remarked: "This is fine. You can certainly depend on me to be out to the next one." We are counting on that and we are looking to you to do your part.

The Executive Committee of the Association had a meeting on Friday last and discussed final plans for the Athletic Dinner on Friday, January 23, 1911. As stated elsewhere in this column we expect to have a big time that night.

C. K. Robb, treasurer, reported that he had received sixty-seven subscriptions to the combination offer. We have already published in this column the subscribers to this offer whose names begin with the letters A-N. We herewith produce the reminder including several whose names were inadvertently omitted from the last list.

DEATH OF ALUMNUS

SUCCUMBED AFTER A LINGERING ILLNESS.

Friends here have received word of the death of Walter Bertolette, '03, of Mauch Chunk, which occurred at that place Friday of last week. He had been a sufferer from tuberculosis for several years and until two years ago had spent considerable time in New Mexico in an effort to regain his health. Realizing, however that his life could not long be spared he returned East to spend his last days with his friends and loved ones. Accompanied by his nurse he visited in town for several days during the holidays.

Mr. Bertolette was a member of Phi Kappa Psi and Theta Delta Tau fraternities and a prominent member of his class in college. Funeral services are being conducted at his late home in Mauch Chunk to-day, which are being attended by a number of alumni from Lewisburg.

ENGINEERS.

The Electrical Engineering Society will meet in the Electrical Laboratory at seven o'clock Wednesday evening to consider the Keokuk Dam, at Keokuk, Ia.

The building of this dam and the distribution of the 200,000 H. P. developed has been one of the great engineering feats of late years. The talk will be illustrated by fifty or more slides obtained from the Mississippi River Power Co., which show views of the building operations, the completed dam, and the hydro-electric machinery.

All electrical and civil engineers are invited to attend the meeting.

Velvet

THE SMOOTHEST TOBACCO

PUSH it along—shoot it over! Velvet—so-called because exceedingly smooth—smooth because aged over two years, in which time all harshness disappears from the leaf leaving the goodness that we all crave for our pipe. Velvet is a tobacco mellowness hitherto unknown—too smooth to harbor a "bite." It's just the sort of a tobacco you would make for yourself. Millions of men cheer for it. We never knew of a man who didn't like Velvet! Hurrah! Don't let it pass *you*. At all dealers.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII. LEWISBURG, PENNA., MONDAY, JANUARY 26, 1914. NUMBER 18

Registrar's Office

FIRST LEAGUE GAME A VICTORY

DEFEATED SUSQUEHANNA BY A SCORE OF 25-20.

RECORD CROWD ATTENDS INITIAL LEAGUE BATTLE

Visitors Played Fast and Strong Game but Varsity Maintained Its Lead.—Varsity Showed Improved Form Over Last Game.

In one of the most sensational and exciting games ever seen on the local floor the Orange and Blue came out victorious in the game with Susquehanna Friday night. The game was one of special interest, inasmuch as it was the first in which Bucknell has participated as a member of the newly organized Intercollegiate Basketball League of Pennsylvania.

The gymnasium was packed to its utmost capacity to accommodate the crowd, which was by far the largest which has witnessed a contest on the local floor since the last State game. A large number of Susquehanna rooters accompanied their team from Selinsgrove, and the cheers from both Bucknell and Susquehanna contingents did much to encourage their respective teams.

The team work displayed by Captain Schaffner's men accounts in great measure for Bucknell's victory. From the first blow of the whistle to the last the Orange and Blue played as a great machine, and gave a display of passing which easily surpassed that of the preceding two games of the season. The game as a whole, however, was very rough and the Varsity were the chief offenders. During the game six fouls were called on the visitors, while Bucknell was called for eleven similar offences.

In the first half Bucknell scored six field goals against three for their opponents, but Susquehanna's ability to shoot fouls materially reduced Bucknell's lead. Susquehanna had plenty of opportunities to score field goals from under the basket, but was not able to take advantage of them. Soon after the game began Buffington brought down the plaudits of the crowd with a sensational basket from the middle of the floor, and Murray soon followed with a shot almost as difficult. The score at the end of the first half was 14-10 in Bucknell's favor.

The playing of the two teams in the second half was practically equal, each team getting five field goals. Here again Susquehanna's inability to cage the ball when directly under the basket proved disastrous, shot after shot at close range being missed by the visitors. Middlesworth, Susquehanna's foul shooter, seemed to lose his eye in this half, and out of six attempts he was unable to make one count. The final score was 25-20.

The line-up:

Bucknell.		Susquehanna.
Murray	Forward	Lenhart
		Middlesworth
Buffington	Forward	Follmer
Bartholomew		
Archer	Center	Swope
Seaman		Lenhart
Schaffner	Guard	Middlesworth
		Swope
Gdaniec	Guard	Shannon

Feld goals—Murray 4, Buffington 4, Archer, Schaffner, Gdaniec, Middlesworth, Swope 3, Follmer 4. Goals from fouls—Buffington 3, Middlesworth 4. Regeree—Hagle. Time of halves—20 minutes each.

CALLED TO PASTORATE.

Rev. Frank Anderson, '01, of Willmington, Del., secretary of the International Baracca Class movement, has been extended a unanimous call to the pastorate of the First Baptist church of Collingswood. Mr. Anderson recently refused calls to Millville and Schenectedy, N. Y.

SHOWING 'EM HOW.

The three former Bucknell students who are attending Stetson University this year are more than making good in the athletics of that institution. After a successful season of football the trio are now scintillating in the basketball firmament, Jordan playing left forward, Fisher, center, and Dunkle, left guard. In a recent game with Southern University, which Stetson won 30 to 16, Fisher caged eight baskets while Jordan made four.

DELEGATES MAKE REPORTS.

On Thursday evening at 9.00 the Y. M. C. A. met in their rooms to listen to the reports of Davenport, '16, and Oesterle, '16, who were recent delegates to the International Student Volunteer Convention held in Kansas City, Mo. Both gave good reports of the convention and told of the numerous achievements that the Student Volunteers are accomplishing.

IN HANDS OF PRINTER.

Manager Hoke, of the 1915 L'Agenda has forwarded all of the cuts for the annual to the printers. Editor Geiger expects to ship the last of his copy, this week, and it will not be long before the books will be placed on sale.

SOPHOMORE FRAT. INITATED NEW MEN

"STUNTS" OF PUERI FURNISHED MUCH AMUSEMENT SATURDAY.

The Theta Delta Tau Sophomore fraternity held its public initiation in Lewisburg Saturday afternoon. The "puerl" were dressed in grotesque costumes and after a parade on Market street gave a short entertainment before a large crowd in front of the postoffice. A number of "stunts" were also given at the matinee performance at the Orpheum.

In the evening the annual symposium of the fraternity was held at the Deckard Hotel in Mifflinburg. Dutton, '12, and Shaffer, '13, were the alumni members present.

The following were the initiates: B. F. Spyker, T. V. Anderson, G. H. Neff, C. Z. Grabowski, F. G. Vandenburgh, R. G. Davis, C. B. Follmer, C. P. Robb, W. E. Cowin, A. E. Oesterle, and H. Liebensberger.

NOW HOMEWARD BOUND.

Mr. and Mrs. Max Harris, of Lewisburg, are in receipt of a letter from their son, Lieutenant Lester Harris, '11, who has been in the Philippine Islands for nearly two years on duty in the local constabulary. His letter is dated Dec. 29, 1913, and in it he says he expects to leave the Islands January 5th and will travel via Hong Kong, stopping at Canton, China, and other points of interest. From Rome he will take a train thru Europe for Southampton, and there he will take the North German Lloyd boat for this country. He is in good health, he says.

NORTHRUP BUYS A "MOVIE."

"Jake" Northrup, '10, the well known baseball player, recently embarked in the moving picture business by purchasing a theatre at Towanda, Bradford county.

JUNIOR DEBATE FRIDAY

Will Apply New System of Preparation.

The annual Junior Debate will be held in Bucknell Hall next Friday night, the question being on the abandonment of the protective tariff.

The men who will take part in the debate will present the results of the new method of preparation which was inaugurated last fall, each contestant having studied and presented both sides of the question during the past term. It is expected that a greater readiness in rebuttal will be the outcome of this system.

IMPRESSIONS AT THE CONVENTION

EXPERIENCED BY TWO OF THE BUCKNELL DELEGATES

STATEMENTS BY THE FOUR STUDENTS TO BE PUBLISHED

Miss Carpenter and Mr. Davenport Tell of the Big Student Gathering and of Those Things Which Impressed Them.

In order that the entire student body may be acquainted with the great Volunteer convention which was held in Kansas City during the holidays and the spirit which moved it, the Orange and Blue has requested the four delegates who represented Bucknell at the gathering to write short articles for publication, stating the impressions which they received there.

In this issue we publish the messages written by Miss Harriet Carpenter and Mr. S. M. Davenport. Next week we will print those by Miss Dorothy Bunnell and Mr. E. A. Oesterle.

S.M. Davenport, '16.

Echos from the recent International Student Volunteer convention are numerous. Probably the greatest of all is the wonderful unity, spiritual power and practical helpfulness of the Christian people to and in showing the ignorants of the foreign countries the straight and narrow path. This can be furthered by a revival of the Christian religion among students so that they will give Christ His rightful central place in their lives, making His gospel seem to them indispensable, giving us something to propagate among all nations.

We are slowly coming to realize that the interest in foreign missionaries is not merely normal christianity, but the biggest enterprise on earth. The missionary enterprise is in some sense modern, although men have been working at it for centuries, but as we realize that we are the products of missions we should feel like helping our neighbor along the same line.

Miss Harriet Carpenter, '16.

One phase of the Kansas City convention which interested me was the observing of the different types of delegates, and the manner in which they were affected by the proceedings of the convention.

A large portion of the audience was composed of volunteers for work in foreign lands, who are now preparing themselves for that work. On their features were expressed mingled though determination, and eagerness for the future. But withal, they were human, life and blood college students; filled with vigor—and what is more—with an aim in life that is worth while.

Another portion of the audience was composed of the irresponsible type of students. They were, perhaps, church members and workers in their Y. M. C. A. or Y. W. C. A. and in their own opinions were spiritually "all right." To these students, and to these especially, the convention was a revelation. It opened the eyes of many and caused them to realize how selfish and small each of their aims and purposes for their future had been, and in no thoughtless way, changed their viewpoints and make resolutions which deepened at each session of the convention.

It was not emotionalism which brought about such changes in the lives of the delegates, but facts told in a sane, straight-forward manner, which stimulated thought in each individual.

MEDIC'S MEET.

The Medical Society held its regular meeting Friday afternoon at which Stephenson, '15, read an interesting paper on "The Feeble Minded People."

ADDRESS BY DR. BATTEN, '85.

Dr. Samuel Zane Batten, '85, Executive Secretary of the Social Service Commission of the Baptist Church of America, a Christian minister, an author, a prolific writer for the press and a college professor, addressed the College Bible Class yesterday morning on the subject, "Conservation of Human Life." The speaker emphasized the fact that all things have definite causes, evil results having evil causes and it is our responsibility to eliminate bad causes.

Dr. Batten delivered the annual sermon for the Day of Prayer for Colleges before the Christian Associations of the University at the 10.30 o'clock service and chose as his subject "The Great Refusal." A large number of students and towns-people heard the strong appeal for service.

ADDRESSED COLLEGE HEADS

In the Philadelphia Press of Saturday last there was reproduced an excellent likeness of President Harris, who was one of the speakers at the meeting of College Presidents held in that city Friday. In his address Dr. Harris declared that the time was not far distant when the curriculum of every college in a large city would contain a course in municipal government "capable of turning out efficient firemen and policemen."

SCHEDULE OF INTER-CLASS BASKET-BALL

MANAGER RILEY ANNOUNCES THE DATES OF THE SIX GAMES.

Manager Jesse Riley, '14, of the Varsity basket-ball team, announced the schedule for the interclass games which will be played during the term to determine the championship of the university.

On account of the large number of dates which have been selected for the many social functions to be held this term Manager Riley found it difficult to arrange the schedule without having conflicting dates with other events.

When the schedule as arranged has been played off the two classes which have won the largest percentage of games will play another game, on a date to be decided later, for the championship of the college.

The annual clash between the two underclasses will be the last game on the schedule and may possibly decide what teams will play in the final championship match.

The interclass schedule is as follows:

Seniors vs. Sophomores, Jan. 30
Juniors vs. Freshmen, Feb. 2.
Seniors vs. Juniors, Feb. 14.
Seniors vs. Freshmen, Feb. 21.
Juniors vs. Sophomores, Feb. 23.
Sophomores vs. Freshmen, Mar. 2.

MECHANICS MEET TO-NIGHT

There will be a meeting of the Mechanical Engineering Society to-night at eight o'clock in the Mechanical Laboratory. All members are urged to attend.

NO CHANGE IN RULES.

It is said that Chairman Hall, of the football rules committee, is the source of a report that there will be no material changes in the rules for next season.

MORE KILLED BY BASEBALL

THAN BY FOOTBALL, ACCORDING TO STATISTICS.

According to figures just given out, fifteen persons were killed by baseball during the 1913 season. Twelve of the victims were killed by being hit on the head by the ball direct from the hands of the pitcher and three by foul tips. All those killed were unskilled players, none of the major league players receiving fatal injuries.

The number killed by football during the season, was 14, so it is seen that baseball claims a greater number of victims than football.

CAP AND DAGGER GIVE INITIAL PLAY

MEN'S DRAMATIC CLUB GIVES JULIUS CAESAR.

EXCELLENT PERFORMANCE LAST TUESDAY EVENING

Production Was Staged Under the Direction of Miss Schillinger and a Success in Every Way But Financially.

The Cap and Dagger Dramatic Club made its first appearance of the season Tuesday evening when it presented Edwin Booth's arrangement of Shakespeare's famous drama, "Julius Caesar," before a small but appreciative audience at the Orpheum theatre.

The production, which was given the auspices of the Young Men's Christian Association of the college, was coached by Miss Edith Schillinger, head of the Department of Elocution, and the efficient manner in which the young men who composed the cast enacted their parts was a notable testimonial to the ability of the instructor.

The principal characters of the play, those of Caesar, Brutus, Mark Antony and Cassius, were taken by Raleigh Felton, '17; Jasper Frantz, '14; E. M. Richards, '14; and Edgar Campbell, '16, respectively, and the interpretation given by them to their various parts made several of the scenes especially realistic.

During the intermissions between the scenes the College orchestra played a number of its most choice selections.

The program and cast of characters was as follows:

Julius Caesar ..... Raleigh Felton
Octavius Caesar, triumvir of the death of Caesar... G. S. Stevenson
Marcus Antonius, triumvir of the death of Caesar... Edgar Campbell
Popilius Lena, Senator..... W. C. Lowther

Conspirators against Caesar—
Marcus Brutus ..... Jaspar Frantz
Cassius ..... Edward Richards
Casca ..... M. M. Walter
Trebonius ..... Edward Clark
Decius Brutus ..... S. M. Davenport
Metellus Cimber .. H. S. Illingsworth
Cinna ..... G. J. Meredith
Sooth Sayer ..... M. M. Walter
Flavius, Servius..... W. A. Windsor
Lucius, servant to Brutus; Fourth Citizen ..... G. C. Brosius
Pindarus, Calpurnia ...C. A. Michael
First Citizen ..... W. C. Lowther

Other Citizens—
Ralph Bell, Jerry Bates, Edwin Aubrey, Homer Sanders.

Act I—Street scene, Rome.
Act II—Scene 1. Orchard of Brutus. Scene 2. Room in Palace.
Act III—The Capital; the Senate.
Act IV—Forum.
Act V—Tent of Brutus in the camp of Sardis.
Act. VI—The Plains of Philippi.

AN ESSAY BY DR. HILL

In the last issue of Harper's Magazine appears an article which book reviewers have hailed as "noteworthy," entitled, "Why Do We Have a Diplomatic Service?" by David Jayne Hill, '74. In commenting on Dr. Hill's article the New York Times says: "He covers the whole question of modern diplomacy with admirable skill. Nothing that one hears said touching American representation at foreign Courts is left unsaid. Every point of view has its spokesman. The article therefore must stand as one of the best expositions of an important question of great present interest ever printed."

ALUMNUS' RAPID RISE.

Charles Loveland, Jr., a civil engineer of the class of 1911, was so successful while in the Columbus office of the Trussed Concrete Steel Company, that he has been placed, along with a co-manager, of that company's Pittsburgh office.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 If paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

To conform to the customs of a college, especially those which are laid down for underclassmen, is being recognized nowadays as a privelege and an aid to perpetuating the honored traditions of the institution, rather than a hardship and process of humiliation decreed and sternly enforced by the upperclassmen. The question of whether or not these customs will long be upheld solely by the application of verbal persuasion is now being muchly mooted by the hazing and anti-hazing champions in many colleges.

Appropos to the subject one of our contemporary college papers prints the following, which will and many adherents among those who have "gone through the mill:"

"We all know him, the fellow who was the 'King Pin' at high school. He was captain of the football team and perhaps the girls were hurt in the rush Ilonizing him. At any rate he comes to the University with the idea that what he can be shown here doesn't amount to shucks, and that people had better get out into the muddy street while he passes. He won't let anybody tell him not to smoke on the campus, looks superior when such a trifling details as a green cap is mentioned, and in every way makes an unspeakable nuisance of himself. The upperclassmen sigh for the long lost days of hazing, while the offending fresh thinks he is showing a proper spirit of independence. It hurts nobody to be a little surpressed at times, to be told to get off the earth, and even to have his dignity hurt. For the freshman class to win a class rush is generally a calamity to the freshmen even more than to the sophomores, for then nobody can tell them they are not the salt of the earth. The most of us had to pass through various stages of keeping ourselves in the background. It chastened our souls, and made us better company to our neighbors. The freshman who does not pass through the same disillusionment is indeed given a handicap in life."

HUMMEL—ROCKEY.

The elopement of Miss Marita M. Hummel, of Harrisburg, and Frederick V. Rockey, '12, to a Maryland town where they were wed last Tuesday, is confirmed by the bride's mother, according to the Harrisburg Patriot. That paper further says:

"Miss Hummel was one of the prettiest as well as the most popular girls in Harrisburg's younger set. She was a former student in the Seiler school and appeared in many amateur theatricals here. She is a musician of talent."

Mr. Rockey is a native of Lebanon, but since his graduation has been teaching in the high school of Liverpool.

The Orange and Blue on behalf of Mr. Rockey's many friends in college, extends congratulations and best wishes to him and his bride.

NEW COLLEGE BASEBALL RULES ARE PASSED

AT NATIONAL COLLEGIATE ATHLETIC CONVENTION.

During the holidays the Eighth Annual Convention of the National Collegiate Athletic Association was held at the Hotel Astor, in New York City, which were given during the sessions a variety of phases of college athletics were taken up, among them being, Association Football, The Ideals of Sport in England and America, Athletics, and the

The Regulation of Intercollegiate Athletics, and the much mooted subject of Summer Baseball.

In speaking on "Ridding College Baseball of its Objectionable Features," Dean L. Bevier, Jr., urged the enforcement of the existing ruling which says that an umpires shall not permit anyone but players, substitutes in uniform, and the managers of the teams to sit on the bench. Strict application of this rule will mean the placing of the professional coach among the spectators instead of on the bench and will leave the game wholly to teams of amateurs.

The members of the convention passed the following rules in regard to college baseball:

(a) That the catcher shall not, during actual play, speak at all to the batsman, except where occasion requires a bona fide word of caution, and, in speaking to the pitcher, he shall not use words reflecting or calculated to reflect upon the batsman or upon any member of the opposing team.

(b) No member of either team shall call or shout during the game to any member of the opposing team except to caution him against some danger, nor behave in any indecorous or unseemly manner.

(c) There shall be no oral coaching from the bench.

(d) The so-called "encouragement of the pitcher from the outfield shall be stopped, or, at least, minimized.

In the report of the football fatalities, which was made at the meeting but four college players were reported as having been killed during the past season. Only one of these, it is claimed, met death as a direct result of football.

COOKING EXPERT TO LECTURE WEDNESDAY

MISS RAINEY WILL AGAIN ADDRESS COLLEGE WOMEN.

Miss Rose Rainey, of Scranton, will give two lectures on cooking to the girls of the college in the chemical laboratory on Wednesday, January 28th—one at 4.30 and another at 6.30 o'lock. Miss Rainey gave several appreciated lectures before the college women last term and her return will be welcomed by all who heard her at that time. The lectures will be illustrated by demonstrations.

ENGAGEMENT ANNOUNCED.

At a party given at their home in Watsontown during the holidays, Dr. and Mrs. E. D. Housel announced the engagement of their daughter, Edith May, to James A. Corrin, ex-'16, of Franklin. The wedding will be an event of next autumn.

The summer girl at the seashore enjoyed herself during the day seeing the tan come, and then delighted just as much at night in seeing the tango.

At Oberlin the professors will hence forth hand in written opinions concerning the members of the senior class before graduation. The information will be placed on file.

The Green and White, of Ohio University is attempting a fight against cigarette smoking by refusing cigarette advertisements and by the insertion of editorials and quotations.

Limiting to three the number of nights that women may go out is a plan suggested by the University of Minnesota House Commission. In the various boarding houses will be slips of paper that the women will be on their honor to sign. The women may go to the library until nine o'clock, but later hours will be counted as "nights out."

Purity Candy COMPANY

"Keeping in Front"

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.

Distinctively Individual

PHILADELPHIA ALUMNI BANQUET

ENJOYED BI-MONTHLY DINNER FRIDAY NIGHT.

BUCKNELL ATHLETICS THE SUBJECT OF FINE SPEECHES

Coach "By" Dickson, George Graham, Weymouth, Dr. Jennings, Judge Davis and Other Prominent Alumni Were Present.

Those "by-monthlys" certainly are proving a success. We had another one last Friday night and it was just as good as and just a shade better than the two preceding ones.

It was "Athletic Night" with the Philadelphia Alumni and nobody strayed far from the subject. And the best of the whole thing was that the fellows who were there and who did the most of the talking were fellows wo knew. When we say that the speakers were George M. Graham, who probably knows the college athletic situation better than any other man in Pennsylvania; By Dickson, our own coach; Clarence Weymouth, Dr. Jennings and several others of the same standing, it is full proof that we had fellows talking who knew their subject. And when you add to that Dr. Weaver who spoke from the trustee's standpoint you finish out a list that contains every point of view.

"By" Dickinson led off, and every fellow there saw at once why he had been so successful. Everybody felt that Bucknell's athletics were in safe hands. They saw in him the combination that doesn't grow very often, the combination of athletic coach and gentleman. It's a rare flower and we are to be congratulated that we have one growing on Bucknell Campus. Mr. Dickson made us very glad by telling us how athletics had improved at Bucknell, and what is needed. He emphasized, particularly, the growing spirit among the undergraduates and pleaded for a greater enthusiasm among the Alumni.

Then Mr. Graham followed and told us how, "Ithers See Us." He said that we were geographically and financially handicapped and he urged us to rid ourselves of this, and the way he told it! Fellows if you ever get a chance to hear George M. Graham, go as far as you can to take it. His command of the modern tongue is unusually good and he uses it as a vehicle to convey some very sound thoughts. And the atmosphere of frankness that he throws around his whole talk is delightfully refreshing. Altogether he was a big success and well deserves to be the "head-liner" that he is.

Clarence Weymouth at this point took up the burden of adding something to the "sum-totals" of the evening's results and was followed by Dr. Jennings, Dr. Hollenbach, State's coach, Mr. Cord of the Naval Academy, Judge Davis, of New Jersey and Romaine Hassrick.

The practical results of the meeting are to be found in two resolutions that were passed. The first introduced by Weymouth recommended that athletic relations with State College be resumed and the second, introduced by Hassrick provided for the appointment of a committee to inquire into the question of providing proper athletic field facilities for the college.

One other thing we should not forget and that is the splendid dinner provided us by the Rittenhouse management. Their dollar dinner can't be excelled in Philadelphia.

It was a great time and we believe a splendid thing for the Institution, the alumni association and the fellows individually.

Please send all information for this column and communications concerning it to

GETTYSBURG HAZERS ARE FOUND GUILTY

RINGLEADERS ARE PUNISHED BY STUDENT COUNCIL.

The first instance of hazing Freshmen which has occurred at Gettysburg College since the official abolition of the practice, was taken in hand by the Student Council Friday and the participants punished.

The evidence taken at the hearing showed that a group of upper-classmen went to the room of John R. Peters, one night last week, "to drive away home-sickness" which they heard the Freshman had contracted. They sang "Home Sweet Home," and then demanded that Peters sing several selections, which he did. When asked whether paddles or weapons of any sort had been used, Peters said that there was nothing of the sort except a violin bow.

The affair was reported to the faculty, as a test case, by upperclassmen who believed that the rule against hazing could not be enforced. The matter was referred to the Student Council, as the governing body under the student government plan. Many witnesses were examined and the case was treated with great earnestness. Four of the ringleaders assumed demerits which may ultimately result, it is said, in their suspension.

Corduroy skirts for the girls, and corduroy trousers for men, have been adopted as the distinctive dress for the members of the senior class at the University of Indiana.

Harvard spent more than $35,000 in turning out its championship football team this year. The coaching staff was paid $15,000, the head coach alone receiving $8,400.

Nearly every aspect of rural education and life is discussed in the "Proceedings of the Sixteenth Conference for Education in the South" copies of which are available for free distribution by the United States Bureau of Education.

HILL GOSSIP

Dufton, '12, of Clearfield, visited his Sigma Chi brothers over the week-end.

Extensive interior repairs are being made to the Phi Kappa Psi house on Third street.

Rev. W. J. Geen, ex-'03, is now pastor of the South Side Baptist church of Belvidere, Ill.

Matlack, '17, was called home during the week on account of the death of his father.

All aspirants for the Sophomore class basketball team are requested to report to Captain Davenport at once.

The members of the local chapter of Phi Gamma Delta attended the funeral of the late Rev. A. R. Miller, in Lewisburg this afternoon. Mr. Miller was a member of that fraternity while a student at Allegheny college. A male sextette from the chapter sang several selections during the services.

Members of the Philadelphia Branch of the Christian and Missionary Alliance, of Which Rev. F. H. Senft, '88, is the superintendent, recently celebrated the seventeenth anniversary of the founding of the organization. Rev. Senft was the speaker at the exercises and told of his recent trip around the world, during which he visited all the schools maintained by the Christian Alliance.

WOMAN'S COLLEGE

Ramona Lenington '15, was visited over Sunday by her father.

The Deutcher Verein girls entertained Emma Dillon, '14, at dinner at the "Sem" Friday evening.

Katherine Clayton, Senior Sem., entertained Miss Ruth App, of Williamsport, over Sunday at her home in town.

The "Trip to Eagles Mere," given by the Y. W. C. A. girls in the "gym" Saturday night was a big success. The proceeds amounted to $5.00.

"Try-out" plays for the Frill and Frown were given in the school room Friday evening and on Saturday. Six new members were taken into the organization.

PEACE ORATION CONDITIONS

HAVE BEEN RECEIVED AND ARE HERE GIVEN.

The conditions of the annual oratorical contest conducted by the Pennsylvania Arbitration and Peace Society have been received.

1. Any undergraduate student is eligible to submit an oration dealing with some phase of international peace.

2. All orations must be received at the state headquarters, 1000 Bailey Bldg., Philadelphia, not later than March 1, 1914.

3. No oration shall be longer than fifteen hundred (1500) words.

4. A board of three will judge the orations, the six receiving the highest marks to enter the final oral competition at a centrally located place on a convenient date in April.

5. The winner of the final contest shall receive $75; second, $25.

Those students who wish to enter this contest will confer with Professor Smith concerning literature, method of submitting orations, criticism, and, the orations being accepted, rehearsals for the public appearance. For three years Bucknell orations have been approved by the committee and last year a Bucknell man was a winner in the state contest.

BURGLAR IN FRAT HOUSE.

On Saturday night following the closing of college for the holiday vacation the Sigma Alpha Epsilon chapter house on Fourth street was entered by a burglar, who was frightened into making a hasty departure before he had stolen anything. Moyer, '15, and Robinson, '12, who were spending a few days at the house, were awakened when the intruder flashed a light into the room in which they were sleeping. When the young men jumped from the bed the thief made a hasty retreat through a window to the roof of the porch in front of the house, from where he jumped to the ground and made his escape. The attempted burglary was one of a series of several made in town just before the holidays.

VARSITY DEFEATED BY ALBRIGHT

ONE-MAN TEAM TOO MUCH FOR BUCKNELL.

VARSITY NOW TIED FOR SECOND PLACE IN LEAGUE

Benfer, Lewisburg Boy, Was Particular Star, for Albright and Made 50 of the 58 Points Scored by His Team.

Bucknell lost to Albright at Myerstown last Friday night in the second game of the new Intercollegiate League. The Albright gymnasium was much smaller than the Tustin floor and the Orange and Blue seemed unable to get their bearings. A small crowd saw the contest.

Bucknell's defeat may be summed up in one short word—Benfer. Without Benfer the Albright team would appear like a train without an engine. The Lewisburg boy seemed to be at all parts of the floor at all times, much to the discomfort of the Orange and Blue five, and it was his playing alone that spelled defeat for Bucknell. Out of a total of 58 points scored by Albright Benfer scored 50, making 15 goals and 20 foul goals.

The Orange and Blue five played a rather listless game although at times their team work and passing was excellent. Welchons was given a try-out at the centre position and he played a very creditable game. A singular fact about the game is that none of those who played the forward positions for Bucknell caged a basket. Of Bucknell's five field goals, Welchons made one and Schaffner and Archer two each. Schaffner made the sensational play of the game when he made a basket from a point three quarters of the length of the floor away.

Bucknell's inability to find the basket on foul shots, although not responsible for the defeat, nevertheless made the score much more one-sided than it should have been. Out of 23 free throws Murray made but 12 count, while Buffington succeeded in getting only one out of five attempts. The final score was 58—23.

The line-up was as follows:

Bucknell		Albright
Bell	forward	Benfer (Buffington)
Murray	forward	Glassmire
Welchons	centre	Borillhont (Yost)
Archer	guard	Zinn
Schaffner	guard	Baker

Field Goals—Benfer, 15; Glassmire 1; Borillhont, 1; Yost, 1; Schaffner, 2; Archer, 2; Welchons, 1. Foul goals, Benfer 20 out of 37; Murray, 12 out of 23; Buffington, 1 out of 5. Referee, Morris. Time of halves, 20 minutes.

The standing of the teams in the league to date is as follows:

Teams	Won	Lost	P. C.
Albright	2	0	1000
Bucknell	1	1	500
Susquehanna	1	1	500
Gettysburg	0	2	000

The schedule of games in the middle section of the Intercollegiate basket-ball league, of which Bucknell is a member, calls for games this week between Susquehanna and Gettysburg, on the latter's floor, Thursday evening, and between Albright and Bucknell, at Lewisburg, Friday evening. In the western section W. and J. will meet Pitt, at Pittsburgh Friday night. In the eastern section there are no games scheduled.

On last Thursday evening Susquehanna and Gettysburg met at Selinsgrove and the former came out the winner by a score of 35 to 30.

The game here Friday will be of special interest on account of the fact that it will doubtless decide which of the two teams, Albright and Bucknell, will lead the league during the remainder of the schedule. If the Orange and Blue can win this contest the two teams will be tied for first place, but if the visitors are victorious the chances for Bucknell to be the sectional champion are exceedingly slim.

ADDRESS BY GEN. CLEMENT.

General C. M. Clement, a prominent lawyer of Sunbury, will address the Y. M. C. A. Thursday evening at nine o'clock in Association Hall.

DR. SCHAFFER WILL SPEAK.

Dr. Nathan C. Schaffer, LL. D., Superintendent of Public Instruction in Pennsylvania, will address the College Bible class next Sunday morning at 9.30 in the Baptist church. Dr. Schaffer will deliver a second address in Bucknell Hall on Sunday afternoon. The public is cordially invited.

DEBATE POSTPONED

JUNIOR FORENSIC TO BE HELD THURSDAY

The annual Junior Debate which was scheduled to be held last Friday evening had to be postponed on account of the unavoidable absence of one of the participants. The debate will, instead, be held this coming Thursday evening in Bucknell Hall.

The question which will be debated will be on the abandonment of the protective tariff.

FOUNDERS' DAY BANQUET.

The Demosthenean celebrated their 15th Founders' Day by holding a banquet in the Cameron House Saturday night. Toasts were responded to by Prof. M. L. Drum, '02, L. W. Robey, '04, J. K. Spurgeon, '10, W. G. Tegtmeier, '12, H. X. Kelly, '13, and C. W. Lotte, '14. Stanley P. Davies, '12, acted as toastmaster.

COMMITTEE ANNOUNCED.

President Riley, '14, has announced the following senior committee to distribute tickets for the lectures of F. J. Gould on February 12th and to arrange for other lectures later in the year: Gehman, Campbell, Eyster, Miss Whittam and Miss Harmon.

DR. PHILIPS '71, IS REINSTATED

STUDENTS HAIL ACTION WITH DEMONSTRATION.

UNANIMOUS ACTION OF THE NEW BOARD OF DIRECTORS

Trustees Appointed by Governor Tener Friday Met Next Day and Restored Dr. Philips to Principalship of Normal School.

George M. Philips, '71, Ph. D., LL. D., was on Saturday elected to his former position as principal of the West Chester State Normal School by the new board of directors which was appointed Friday by Gov. Tener. Miss Elvira Speakman, who was also ousted from her position as preceptress by the old board of directors, was restored to her former position. The actions of the board were unanimous.

Doctor Philips has held the position of principal for thirty years until when he resigned last December as a result of an agreement which settled what threatened to be a long drawn out litigation over the transfer of the school to the State.

The restoration of Doctor Philips to his former position was expected by those residents of West Chester who did not join with the majority of the former board of directors in holding him guilty of not stopping a recent scandal in the school of which they claimed he had knowledge.

The following description of the actions of the students of the Normal school after Dr. Philips' election is taken from the daily press:

"When the election of Doctor Philips became known to the 800 students the excitement broke up a basketball game in the "gym" for a time. A line was formed and the students marched to the main building, where the school yells were given and cheer upon cheer for the new board, the state board of education and Doctor Philips.

"Doctor Philips responded to calls and presented Captain Cornwell, the new president, who made a speech.

"Doctor Philips spoke briefly to the pupils and gave assurance that the future of the school was most bright and encouraging.

"Then the crowd, with several members of the faculty, marched to the home of Miss Elvira Speakman to inform her of her reinstatement in the school. She was taken in a cab to the school building, where an ovation awaited her.

"Wild enthusiasm prevailed through out the institution, everybody in sight being cheered by the delighted pupils. This evening in the dining hall of the building a dinner was given in honor of Doctor and Mrs. Philips by the faculty and students. The class song, "Hail Normal School" was sung again and again, with Miss Hardee, music instructor, wielding the baton. Later the students fell into line and marched through the town giving cheers and yells for their reinstated pricipal."

PLAN FOR ANNIVERSARY

OF DR. HARRIS' ANNIVERSARY AND ALUMNI DAY.

The Trustees Committee for the celebration of President Harris' twenty-fifth anniversary, met last Tuesday and mapped out a general program for the event. Dr. Weaver, the chairman of the general committee appointed his sub-committees. These will be announced as soon as the organiation is finally completed. Plans for the occasion were discussed. It is the aim of the committee to make this the biggest and best alumni commencement celebration that Bucknell has ever had. For some time the alumni commencement activities have been growing and it is the aim of everybody concerned in the management of the coming commencement to make this Alumni Day surpass all others.

Make your plans now to come back to the "hill" next commencement season and have a jolly good college time and at the same time do honor to Dr. Harris.

CLASS GAME TONIGHT.

The inter-class basketball game between the Juniors and the Freshmen will be played in the gym. to-night.

IMPRESSIONS AT THE CONVENTION

EXPERIENCED BY TWO OF THE BUCKNELL DELEGATES.

SPIRIT OF THE GATHERING IS GRAPHICALLY DESCRIBED

Miss Bunnell and Mr. Oesterle Write About the Big Meeting of Students and of those things Which Impressed Them.

In the issue of the Orange and Blue of last week there appeared articles by two of the four delegates who represented Bucknell at the International Student Volunteer convention at Kansas City during the holidays.

In his issue we publish the messages written by Miss Dorothy Bunnell and Mr. Eric A. Oesterle which briefly tell of their impressions at the great undergraduate gathering.

Miss Dorothy Bunnell, '16.

The Student Volunteer convention held at Kansas City was, in the full meaning of the word, wonderful. There one felt the need of of choosing a vocation for life which should mean the most in service to both Christ and one's fellowmen. There one learned what a great and manly task it is to work for Christ in the foreign fields.

The slogan of the convention, "Evangelization of the World in this Generation," impressed one with the fact that each and every one must be up and doing in order to make this ideal a realization, a truth and a fact.

To be sure, the world is a large field so it behooves each one to devote himself to God's work where he may be most needed. "Duties are ours, results are God's," said Bishop Kinsoving, and with this in mind no life need be a failure.

Eric A. Oesterle, '16.

One of the greatest impressions which I brought back after sitting in the recent Student Volunteer meet-

(Continued on second page.)

COMBINED MANDOLIN AND GLEE CLUBS

The Combined Glee and Mandolin Clubs of Bucknell will give the first concert of the year in Commencement Hall on Monday night, February 23rd, which is the first night of Junior Week. Tickets for the event will soon be placed on sale at 25 and 35 cents.

The clubs will also appear during the month in concerts in Mifflinburg and Northumberland, while an extensive trip through the western part of the state is being arranged by Manager Markle.

Under the direction of Rev. Rose, of Lewisburg, the clubs have prepared a program which is said, by those who have followed the development of the organization, to be first-class in every detail.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

We may now look forward to six more weeks of winter if faith is to be placed in the legend of Candlemas Day, which is probably better known as Ground Hog Day. The rodent had plenty of opportunity today to see his shadow.

The congratulations of all Bucknellians are extended to Dr. George M. Philips, '71, who has been reinstated to his former position of principal of the West Chester Normal School after a controversy which has been bitterly waged for several months. The action of the new board of directors in placing Dr Philips again at the head of the school is accepted by his many friends here as a complete vindication from the charges that were made against him by several members of the former board of directors and a testimonial to his efficiency as an educator and executive.

The many well known experiences and adversities through which several classes at Bucknell have passed during the past few years is proof conclusive that college activities furnish an excellent opportunity for the application of sound business methods

There is no doubt but that 'system" is the fundamental principal upon which good business and success are built. In the large department stores of the city as well as in the "General Merchandise Emporiums" of the rural community system plays an all important part and enables those in charge to ascertain at any time the conditions of the business. Just so in the business affairs of a college class or student organization. Without strict adherence to a thorough system a laxity results which usually brings about embarrasing situations and ofttimes failure. Failure to apply even a few of the simplest principles of good business to the administration of the affairs of the class or organization results in endless trouble for the students in their senior years and tends to place the college as well as the class or organization in disrepute. Were those in whose hands now rest the destinies of the student activities of Bucknell to exercise carefully and faithfully the principles of good business and strict accounting many difficulties which have recently confronted graduating classes would in the future be avoided.

THE DUTY OF THE COLLEGE.

Quoting the epigram attributed to Bismark that "one third of the students in the German universities destroy themselves by overwork, and the rest govern Europe," Dr. Jordan, president of Leland Stanford, asserts his belief that some classification of this sort holds good for American College students. "One part goes to the dogs; one to the grave and the rest are the strength of the republic." "It is the duty of the college," Dr. Jordan declares, "to merge the first two classes into the third.

TO AWARD SCHOLARSHIPS.

There is an unlimited number of free scholarships valued at from $250 to $1000 apiece, at present available to college students. These Scholarships are not competitive in any sense of the word. Any student of good character is eligible to compete for one.

These scholarships are awarded not for class room proficiency, but for practical work in the summer months or in space time through the school year. The plan is endorsed by college employment bureaus as a sure means of meeting college expenses for self-supporting students. The work possesses a dignity and a distinction which appeals to college men and is always congenial and satisfactory.

Any self supporting student can secure full particulars of this scholarship plan without obligation or cost by dropping a postcard to the Review of Reviews Scholarship Fund, 30 Irving Place, New York City.

DR. WOOD TO LECTURE.

Probably one of the most interesting numbers of the Lyceum Course will appear in Lewisburg on Monday evening, Feb. 9th, in the Lutheran church, when Dr. Montraville Wood will lecture and give a demonstration of the ultra-violet ray, and the monorail. Dr. Wood is engaged at present by the U. S. Government to build the model of the Panama Canal which will be on exhibition at the San Francisco Exposition in 1915. Mr. Wood has been featured in some of the leading magazines and comes with a reputation which vouches for his ability on the platform. The Lyceum patrons are requested to note change in place—Lutheran church.

NOW SUPERINTENDENT

ALUMNUS BECOMES HEAD OF MILTON SCHOOLS.

Major Wallace W. Fetzer, '04, who recently resigned as principal of the Sunbury High School, today assumed the duties of his new office as superintendent of the public schools of Milton.

Before leaving Sunbury the students and faculty of the high school there expressed their friendship and esteem for Mr. Fetzer by presenting him with a Masonic emblem finger ring and a mahogany chime clock.

IMPRESSIONS AT THE CONVENTION

(Concluded from first page.

ings at Kansas City was the Herculean task which confronts the students of America in the evangelization of the world and the quiet, optimistic way in which they have assumed this task.

Closely associated with the bigness of this convention which was the largest student convention ever held, was the closeness of it all. The gathering together of so many delegates and speakers who had the same point in view gave rise to a feeling of closeness to God and man equal to that found in the family circle or the prayer meeting.

The type of students who represented the various colleges of the American continent, a healthy, robust, willing band of workers, was an impression not to be left from the list. Also that left by the speakers who were authorities on that which they presented to the delegates, men who bore marks on the suffering they had endured for the cause; men who were heart and soul in their work, men who never let the high standard of American oratory drop one notch; these were the men who presented the world istuation to those yearning to know the truth.

Finally Bucknell's lack of interest in mission study and in Y. M. C. A. work was forcibly felt when the convention delegates with whom we came in contact generally asked how these two phases of college activity were progressing at our college and we were forced to admit that as to the former, Bucknell was still asleep and as to the latter, the students were not making the responses for which the secretary is striving so admirably.

Twelve of the American universities have endowed funds of over five million dollars.

The Crozer Theological Seminary

Faculty of eleven professors and instructors.

Graduates of approved colleges who are candidates for the degree of Bachelor of Divinity may elect during their Seminary Course sufficient work in the University of Pennsylvania to secure its degree of Master of Arts.

Diplomas awarded in either three or four years, according to degree of preparation at entrance.

Scholarships for students of merit. Tuition and room rent free.

Library modern in administration and facilities for investigation.

MILTON G. EVANS, President,
CHESTER, PENNA.

The Newton Theological Institution

(Founded 1825)

Eight miles from Boston, Mass. State House, situated in superb grounds of 32 acres belonging to the institution.

An Eminent Faculty. Convenient Dormitories and Lecture Rooms, Beautiful Chapel, a Noble Library, an Unsurpassed Library Building and Equipments for Laboratory Work.

Courses leading to B. D. degree, and special provision for postgraduate students.

More than one hundred Newton men have served as foreign missionaries. Special courses are offered on missionary history and methods.

The proximity of the seminary to Boston and Cambridge makes it easy for students to attend lectures by eminent specialists and the Lowell Institute courses.

There are many opportunities for engaging in missionary and philanthropic work by which students acquire clinical experience and contribute to their self-support. Address

GEORGE E. HORR, President, Newton Centre, Mass.

Purity Candy COMPANY

The Secret of Good Batting

is similar to the secret of good business—it happens to some and just misses the others.

If there ever was a commercial home run it's Fatima, the Turkish-blend cigarette. The expert who conceived this blend was some batter! Fatima was first lined out in the college towns—the student body quickly proclaimed them winners. Today Fatima is the biggest selling cigarette in this country.

The secret is—pure, good, choice tobacco—no expense in the package—quality all in the smoke—"Twenty."

THE ALUMNI IN PHILADELPHIA

PLANNING TO BETTER LOCAL ATHLETIC FIELD.

EXPECT BIG PUBLIC MAN AT NEXT BI-MONTHLY

President Nesbit Appoints Committee to Investigate Improving Athletic Field or of Building a New One.

A. V. Wise, '05, is engaged in the brokerage business in the New Stock Exchange Building and has offices with Newhall, Churchman and Co.

Paul Wendt, 13, has resigned his position with the Curtis Publishing Co. and is now on the New Jersey Desk of The North American.

A. W. Wilkinson, ex'96, is with L. D. Berger and Co. on North Second St., Phila.

Clarence Weymouth, '00, is Secretary of the Cantrell Construction Co. in the Real Estate Trust Building.

Harland A. Trax, '01, is connected with the rate Department of the Bell Telephone Co., 1230 Arch St., Phila.

Harry C. Simons, '00, is in the advertising business in Philadelphia.

A. F Meschter, '01, is working in chemistry and is located at Woodbury, U. J.

The Next Dinner.

The next "bi-monthly" is being planned and from the outlook it will be the best dinner held by the Philadelphia Alumni for a long time It is going to be the annual meeting of the Association.

This always is a big time but this coming one is going to outdo all others. Negotiations are on for one of the biggest public men of the day to make an address.

The date depends on when he can make arrangements to be with us. We also expect to have one or two more "specialities" which will be noticed in this column as arrengements are completed. Be on the lookout for further information and as soon as the date is announced put it on your calendar. Don't miss the biggest Bucknell meeting of the present year.

To Investigate Field.

In pursuance of a motion which was unanimously passed by the Phila. alumni at the last bi-monthly dinner to investigate the feasibility of improving the condition of the present athletic field at Bucknell, or the possibility of erecting an entirely new field, President Nesbit this week appointed the following committee to report to the body at the next gathering: Hassrick, '05; chairman, Weymouth, '05, and Sprout, '08. Having had the unsatisfactory state of the present grounds so forcibly brought to their attention the alumni present at the last gathering seemed to be agreed that in any way possible something ought to be done to increase the athletic facilities on the campus, and they feel furthermore that as an organization they will be willing to do their share to make that dream of so many Bucknellians for so many years come true.

Please send all information for this column and communications concerning it to

MURRAY—SWEET, '11.

Friends here have received announcements of the marriage on January 28 of Miss Elizabeth A. Murray, of Schenectady, N. Y., to Stuart Williams Sweet, '11, formerly of Utica, N. Y. Mr. and Mrs. Sweet will reside in Cleveland, O., where the former is engaged as an electrical engineer.

This may seem a paradox—
It isn't one at all—
With the close of Summer
Come the clothes of Fall

Several colleges are giving credits in English for the work done on the dramatic clubs. Debaters and orators also receive credit.

SENIORS DEFEAT SOPHOMORES.

The Senior class basket-ball team defeated the Sophs, in the first game of the inter-class series by a score of 23 to 12.

The game was a closely contested one and at times very exciting. In their team work Capt. Mahoney's squad showed great superiority over the second year men. The first half of the game ended with the Seniors in the lead, 13 to 6.

The Sophs rallied in the second half and held the Seniors to a somewhat lower score than in the first period.

The line-up:

Seniors		Sophomores.
Hagan	forward	....Bartholomew
Mahoney ..	forward	....Davenport
Everald	guard	..... Sweitzer
Stahler	guard	....Urbanowitz

Substitutes—Seniors, Markowitz; Sophomores, Smith and Miller. Referee—Dr. Brown.

Y. W. C. A. NOTES

The Y. W. C. A. has adopted a system of sub-committees that facilitates the management of the affairs of the organization.

Mrs. Alice McClure, a missionary from India, talked to the girls for a half hour in the parlors Sunday afternoon. Her talk was very interesting. She told of her life in India and of the great need there for Christian workers.

After a year's study of the health situation at Vassar College, the authorities have decided that cotton mattressses and butter are not conducive to good health. As a result butter is now barred from the dinner table and the girls are required to sleep on hair mattresses.

At a recent meeting of the faculty of Ohio State a unanimous vote did away with the custom of addressing instructors of the institution by their official titles. The students will now say "Mister" instead of "Professor."

"Don" Sprout, ex-14, was back Saturday for the Demosthenean Founders' Day banquet..

Meyer, '12, of State College, Parke, '12, of Altoona, and Robinson, '12, of Shamokin, visited their Sigma Alpha Epsilon brothers over Sunday.

Negotiations are pending between the Academy basketball team and Williamsport high school for a game here between the periods of the Varsity game with Albright next Friday night.

Students of the Bucknell University School of Music will give a Musical Evening in Bucknell Hall on Wednesday evening, February 4, at eight o'clock. All are invited to attend.

DR. HAMBLIN ADDRESSED "Y."

Dr. T. F Hamblin, of the College Faculty, at a meeting of the Young Men's Christian Association, Thursday night last, delivered one of the best lectures heard by the local organization this year. Dr. Hamblin said in part:

"As a man thinketh in his heart so is he. Thought not only affects the whole of a man's being, but is so comprehensive as to reach out to every condition and circumstance of his life. Whether practical or impractical every man has ideals, but the question is whether Christian people will form the ideas of society. Upon college men falls the responsibility of establishing righteousness and civic regeneration. More and more men are getting near to absolute truth, absolute justice, the standard of life Jesus laid down. The fundamental need to-day is the courage of convictions."

INTERCOLLEGIATE

Anonymous gifts to Boston Tech the past year total three million, one hundred and fifty thousand.

Leland Stanford University will give university credit for debating. Intercollegiate debaters will receive two hours' credit and members of literary societies will receive one hours' credit.

Salaries received by young women graduates of the home-economic course of the University of Wisconsin range from $750 to $1,000 for the first years' work up to $1,500 for the third year of employment.

It is said that religious books are in great demand by the general readers in the University of Minnesota library. More books on religion were called for during one week than books on general literature.

"No wine at the senior banquet" is the recent dictum of the senior class at Cornell University. The class has voted to bar intoxicants from all class functions except two, the senior boat ride and senior night.

Harvard has enrolled a Freshman who is the son of an African chieftain. His name is Pleylous Gebe Wolo. He has been in this country three years and has earned sufficient money in New York city to pay his way through school.

The students of South Dakota University have been having a little recess of their own making. Five of their number were recently suspended for hazing. Because the faculty tabled the petition of the student body, the students walked out. A lengthy petition has been prepared by the student body asking for the reinstatement of their fellow students.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, FEBRUARY 9, 1914. NUMBER 15

LOST GAME IN LAST SECOND

ALBRIGHT WON ANOTHER FROM THE VARSITY.

BENFER WON GAME IN CLOSING HALF-MINUTE

Bucknell Led in Scoring in from the Start, but Was Nosed Out at the Finish by a Score of 27 to 25.—Teams Evenly Matched.

In what was probably the most exciting and heart-breaking game ever seen in Tustin gymnasium Bucknell bowed to Albright Friday night. Until the last thirty seconds of play the score was in Bucknell's favor throughout, and it was only a lucky toss by Benfer when three-quarter's of the length of the floor from the basket that enabled the Myerstown quintette to forge ahead and obtain the victory.

As in the last week's game, Benfer did all of Albright's playing, in fact, the sole duty of the other four players on the Albright team seemed to be to obtain the ball and give it to the Lewisburg giant. But Bucknell was prepared, and Benfer seemed to be at a disadvantage throughout the game. Schaffner guarded him like a hawk, and it was only when he was a good distance away from the basket that he had any opportunities to shoot. His foul shooting was poor, thirteen counts out of twenty-five attempts being his record for the game.

As was the case last week, the inability of the Bucknell forwards to shoot was responsible in great measure for Bucknell's defeat, a basket by Murray in the second half being the only field goal made by the Orange and Blue forwards. The work of Welchons, the new center, was exceptionally good, and with a little more practice he should develop into one of the best centers that has represented the Orange and Blue in years.

During the first five minutes of play Bucknell scored four points on fouls and Albright two. Both teams tried unsuccessfully for a field goal, but at last Welchons broke the ice by dropping one in the basket from a difficult angle. During the half Archer made a basket and Welchons secured another, while Benfer dropped in two for Albright. The score at the end of the first half was 15-12 in Bucknell's favor.

Both teams came back with determination in the second half. But in spite of Albright's playing the Orange and Blue managed to keep the lead and it looked like certain victory for the Varsity. With the score 24-23 and with only thirty seconds remaining to play Benfer obtained the ball when three-quarters of the length of the floor away from the basket, and with a one hand overhead toss won the game for the visitors. The shot seemed to take all the life from the Bucknell five, and Albright made another basket before the whistle blew, giving Bucknell the short end of a 27-25 score.

The work of Taggart, the referee, was the best seen on the Bucknell floor in years, and received favorable comment from all spectators. Absolutely impartial, he seemed to see all fouls and yet kept the game fast throughout.

The line-up:

Bucknell		Albright
Bell	Forward	Benfer (Buffington.)
Murray	Forward	Glassmire
Welchons	Center	Brillhart (Yost.)
Archer	Guard	Zinn (Gdaniec.)
Schaffner	Guard	Beker (Hummel.)

Field goals—Welchons 2, Archer, Schaffner, Benfer 5, Glassmire, Yost. Foul goals—Murray, 9 out of 16; Buffington, 5 out of 7; Benfer, 13 out of 25. Time of halves—20 minutes. Referee—Taggart.

LEAGUE DOPE.

An epidemic of scarlet fever which broke out at Pitt last week caused the quarantine in the track house of twenty track and basketball athletes. For that reason the league game scheduled for Friday evening between Pitt and W. and J. had to be postponed.

There were no games scheduled last week in the Eastern division, and according to the 'dope" none are slated for this week.

The Academy five experienced little difficulty in defeating the Williamsport high school in the Tustin gymnasium Friday evening by a score of 32 to 12. The excellent shooting of fouls by Stanley Harris, son of President Harris, was a feature of the contest. The visiting team displayed great floor work but were weak in the shootng department.

Two games are scheduled n the Central dvision of the league this week. Gettysburg will play Albright at Myerstown, while the Orange and Blue quintet is meeting Susquehanna at Selinsgrove Friday evening.

Gettysburg administered a stinging defeat to Susquehanna Thursday evenng on the Adams county floor by a score of 59 to 30.

The standing of the team in the three divisions of the league is as follows:—

Central Section.

	Won	Lost	P. Ct.
Albright	3	0	1.000
Bucknell	1	2	.333
Gettysburg	1	2	.333
Susquehanna	1	2	.333

Eastern Section

	Won	Lost	P. Ct.
Swarthmore	2	0	1.000
Lehigh	0	1	.000
F. and M	0	1	.000

Western Section.

	Won	Lost	P. Ct.
W. & J.	1	0	1.000
State	1	1	.500
Pitt	0	1	.000

SPECIAL SHOW TO-MORROW

AT ORPHEUM FOR BENEFIT OF ATHLETICS.

A special performance will be given at the Orpheum theatre Tuesday for the benefit of the Athletic Association. Among the star attractions will be selections by the College Band, clog dancing, star vaudeville acts, singing by the Bucknell quartette, and the feature motion picture, "The Master in the Garden." This is one of Selig's famous white slave pictures and is produced in a manner that is exceedingly pleasing.

A matinee performance will be given at 4.15 o'clock. The doors will open for the evening shows at 6.40. Admission will be 10 cents; reserved seats, 15 cents. It is hoped that every student and friend of the school will attend and help the Association.

Varsity vs. Juniata, Wednesday evening.

Benefit show at the Orpheum tomorrow.

HELD ANNUAL JUNIOR DEBATE

IN BUCKNELL HALL THURSDAY EVENING.

SPEAKERS ARGUE TARIFF QUESTION PRO AND CON

Small Audience Heard Interesting Debate on "Resolved, That the Policy of Protective Tariff Should be Abolished."

The annual debate of the Junior Class was held in Bucknell Hall Thursday night before a small but appreciative audience. The contest was exceedingly spirited throughout and some excellent arguments both in favor of and against a protective tariff were set forth by the debaters. The question was: Resolved, that the policy of protection in regard to the tariff should be abandoned by the United States.

The affirmative side of the question was upheld by Arthur Evans and Gilbert Meredith While Edward O. Clark and Edgar L. Rogers sustained the negative. During the intermission between the main speeches and the rebuttals a pleasing duet was rendered on the piano by Misses Bancroft and Rinehardt

Mr. Evans said: The protective tariff raises prices in theory as well as in practice for it forces consumers here to pay higher prices for articles than inhabitants of foreign nations pay for the same exported articles. It alone is responsible for the fact that protected goods are higher in price here than in free-trade England. Protection has lowered the wages of laborers here, for statistics show that laborers receive higher wages in the unprotective industries than in those which are protected.

Mr. Clark said: The policy of protection should not be abandoned by the United States because we as a nation are not yet sufficiently developed industrially to warrant such a step. Our industries in the south and west still need the encouragement which the policy of protection rightly applied gives. The state of New York has two and a half times the number of industrial establishments and three times tne invested capital that the combined South and West has. The policy of protection helps to develop these sections and therefore should not be abandoned.

The second speaker of the affirmative was Mr. Meredith who said: The diversity of industries which protectionists claim to be fostered by a protective tariff is not an unqualified good. The policy of protection when applied to industries in general becomes absurd, because it fosters the growth of industries for which our country is fitted. A policy that favors the establishment of such industries is not conducive to the stable industrial conditions which protection is claimed to bring about.

Mr. Rogers, the last negative speaker, said: A tariff with duties less than the difference between the cost of production here and abroad is an injustice to American laborers. The importance of the policy of protection in the United States is shown by our enormous industrial prosperity and expansion. In England, where free trade has been tried, it has been found to be a failure, and it is only a question of time when England will return to a protective tariff.

HOW TO GET YOUR TICKETS.

Tickets of admission to the lecture of Professor F. G. Gould, of Oxford, England, can be procured free of charge from a committee of the Senior class consisting of Gehman, Eyster, Campbell, Miss Harmon and Miss Whittam. The address will be given in Bucknell Hall, Thursday evening, February 12, at eight P. M.

DELEGATION ATTEND MEETINGS AT STATE

Goodwin, '15, Peters, '16, Champion,' 17, Smith, '17 and W. A. Goehring, '12, journeyed Friday to State College to attend the evening session of the Penn State Christian Association campaign. Sherwood Eddy, the well known missionary to India, an associate to John R Mott has been in charge of a series of meetings since the third of February and over 1500 men heard him speak at the different meetings. Delegations from Princeton, University of Pennsylvania, Oberlin College, Washington and Lee, Susquehanna and Bucknell assisted the State College Christian Association in conducting the largest campaign ever held at that institution.

W. C. LOWTHER, '14
Captain Varsity Track Team.

GENERAL CLEMENT GAVE INTERESTING ADDRESS

PROMINENT LAWYER SPOKE ON EFFICIENCY.

Gen. Charles M. Clement, a prominent lawyer of Sunbury, gave one of the most practical talks before the Young Men's Christian Association last Thursday evening that has been given there for some time.

Taking for his subject, "Efficiency" the speaker began by showing that the last fifty years have been the best for individuals, for nations and for the world. The responsibilities resting on the educated men to-day are greater than they have ever been before. To meet these obligations the college man must school himself and develop that regard for the other fellow which will do more to meet the problems of life than any other asset. In the past selfishness has warped Christian life. Each sphere of life can be made successful only when emphasis is placed on efficiency. Keen insight into the future, the winning of the esteem of fellow-men, and obedience to the commands of God with personal initiative and hard labor will accomplish human advancement and will prepare each individual to make good.

JUNIOR WEEK PROGRAM

MANY FUNCTIONS TO BE HELD AT THAT TIME.

The annual celebration of Junior Week will be observed by the Third-year men during the week of February 23 to 28th. The first event on the schedule will be the initial concert of the Combined Glee and Mandolin clubs, to be held in Commencement Hall Monday evening, the 23rd. On the following night will be held the Junior smoker, at which time the Senior men will be entertained. On Thursday evening the Varsity basketball team will do battle with Gettysburg on the local floor, while on Friday evening, the 27th, will be the annual Junior Prom in the Armory.

Albert Exendine, of Oklahoma, said to be one of the greatest football players ever developed at Carlisle Indian School, and twice selected by Walter Camp for the all-American team, has been selected to coach the Georgetown University football team next season.

MANY RESPOND TO TRACK CALL

THIRTY-ONE RESPOND AS CANDIDATES FOR TEAM.

EXTENSIVE SCHEDULE IS NOW BEING PREPARED

Annual Tri-Angular Meet to be Held Here Next Spring.—Will Meet Lehigh, Navy, Dickinson and Gettysburg Away.

Judging from the large number of candidates who reported to Captain W. C. Lowther at the gym. Friday afternoon and by the interest which the students seem to be taking in the team this year, Bucknell will be represented this spring by a first-class track team.

Thirty-one men responded to the first call for candidates and gathered at the gym. where they were urged by Captain Lowther to begin training at once and use the indoor track and apparatus to get into good physical condition so that when the first signs of spring appear they will be prepared to work on the cinder track.

From last season's team there are still fifteen men in school who will be out again this year, and they should form a strong nucleus around which to build a formidable team. They are as follows; Captain Lowther, Butt, '16; Stephenson, '15; Urbanowitz, '16; Bott, '15; Alleshoukas, '15; Affron, '15; Hagan, '14; Davis, '16; Walter, '15; Glass,'16; Salisbury, '16; Gilpin, '16; Whittam, '15; Mellander, '16; Welchons, '14, and Sweitzer, '16.

Among the new men to report are Matlick, of Haddon Heights high school; McCormick and Cryder, of Tyrone high school; Walter, of Mt. Carmel high school; Lawrence, of Emlenton high school; Collins, of Salem high school; Archer, of Bridgeton high school; Swope, of Waynesboro high school; Grace, of Penn Yan high school; Miller, of Mifflinburg high school; Hayes, of Bucknell Academy; Lodge, of Paulsboro high school; Russell, of Bedford high school, and Pettit, of Woodstown high school.

The Schedule.

Manager E. O. Lindberg, '14, has been busy for some time arranging a schedule for the track team and has succeeded in securing some excellent meets for the season, although not all of them have as yet been sanctioned by the Executive Committee. If the entire schedule, as arranged by Lindberg is approved it will be one of the best that Bucknell has undertaken in many years.

At a meting of the Executive Committee held last week a return dual meet wth Lehigh at South Bethlehem was ratified and the event will be held on Wednesday, April 29th. The date of Saturday, May 9th, was also sanctioned as the date for annual triangular meet between Bucknell, Dickinson and F. & M. This year the meet will be held on the local athletic field, and the Varsity baseball team will not play on that date in order that the track men on the team may take part in the meet. Last year the contest was held at Lancaster and F. & M. secured the most points.

Negotiations are being made for a dual meet with the Navy at Annapolis on May 16th, a meet with Gettysburg at Gettysburg on May 23rd, and one with Dickinson at Carlisle on Memorial Day. Manager Lindberg has received satisfactory contracts for the meets at Annapolis and Gettysburg from the managers of those teams and it is expected that the Executive Committee will sanction the trips at its next meeting.

Chaplain S. F. Forgeus, '72, who served in the One Hundred and Eighty-eighth Infantry in the Civil war, has been chaplain at the Huntingdon Reformatory for twenty-one years.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year. $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

In reply to a question, "What is the use of a college paper, anyhow?" a contemporary college publication in the West has printed the following article, which, because of its good-natured satire, is worthy of space and reading:

"In some colleges and universities today the college paper is the one institution which cannot be killed. It may be in the verge of bankruptcy, its promoters may be expelled from school, and the editor may have to run to preserve his life, and yet the old paper still comes out on time. The students may not subscribe for it, the advertisers may refuse to give longer to charity, and the paper may be the object of universal ridicule, but there is always some fellow who will work all night, flunk in his classes, and give his last cent to keep the paper alive.

"Of course college papers have their fat years like other institutions. Their editors do not always need a shave, the business manager is occasionally seen in a new suit, and frequently a body of students will be induced to subscribe quite generally. Sometimes the college paper is even in good repute. Its poetry is endured for a season with no show of violence, its swollen ideas concerning its own importance are charitably accepted, and its stories of big athletic prospects, increased enrollments and brainy faculties are received for the truth.

"Perhaps the reason for the longevity of the college paper is that it has acquired the habit of boosting everything that could withstand a boost. If there are only five faculty members and fifty students at the president's reception the paper will write of a great throng of happy guests and when the school's teams are defeated in every game there is no athlete who is not referred to as worthy of a place on the all-star aggregation.

"In the early days of higher education college papers appeared intermittently, once or twice a year; then the publication stalked forth in monthly form with long stories and treatises; later the advertisers were induced to pay for weekly issues; and now any large university should be able to publish a morning and an evening daily. What ever becomes of the college paper of future years, even though it continues to rustle its pages in the faces of many non-subscribers, it will never lose any of its vigor until all things collegiate pass away."

ASKED TO REMEMBER SCIENTIST

Students are asked to take part in a postal card shower for Ernst Haeckel, the eminent German Scientist who will be eighty years old in February 16th. As is not generally known, he is the best living exponent of the theories of Charles Darwin, and has given valuable contributions to the scientific world. Any one wishing to remember him should send cards immediately, so that they might arrive about February 16. Address cards to Ernst Haeckel, University of Jena, Jena, Germany.

PHILADELPHIA ALUMNAE ESTABLISH SCHOLARSHIP

ALSO ELECTED OFFICERS FOR COMING YEAR.

At the meeting Saturday of the Philadelphia Bucknell Alumnae Club which was held at the College Club, on Spruce street, announcement was made of the foundation by the club of a scholarship at Bucknell for the Philadelphia High School graduate winning the highest average in competitive examinations. A press report states that the scholarships will cover four years' course and include free tuition and board.

"The Modern Girl," was the topic for discussion at the meeting and addresses bearing on the subject were made by Miss Ethel Royal, Mrs. R. G. Slifer, Mrs. Gucker, Mrs. T. M. Wright, Miss Richards and Miss Lida H. Francis.

Miss Francis addressed the club on the bureau for occupations for trained women whose headquarters are at the College Club, and which has Miss Francis as a member of its Executive Committee.

Preceding a luncheon which was given to the members of the Alumnae by Mrs. Seymore Scott, a business meeting was held in which the following officers were elected:—

Honorary President, Mrs. Daniel Sutter, Mt Holly, N. J.

President, Dr. Mary Wolfe, Lewisburg.

Vice Presidents, Miss Hannah Goodman, 1396 S. 53d St.; Mrs. I. H. O'Hara, 4723 Cedar Ave.

Recording Secretary, Miss Letitia Matthews, New Britain.

Corresponding Secretary, Miss Catherine Engelbert, 6209 Jefferson St.

Treasurer, Mrs. Dewey A. Cobb, 618 N. 56th St.

Historian, Miss Mary Stile, 133 N. High St., West Chester.

THIRTEEN MILLION PEOPLE ATTEND FOOTBALL GAMES

PRINCETON ALUMNUS COMPILES SOME INTERESTING STATISTICS.

Parke H. Davis, Princeton's member of the Rules Committee, an authority on football statistics, has recently compiled some astonishing figures dealing with the various phases of this sport.

According to his personally collected data 400 colleges and 5000 schools throughout the country were represented by football teams last fall. Approximately 43,200 games were played and 150,000 players took an active part both in practice and contests. Mr. Davis estimates that about 12,000,000 persons witnessed football games during the past year.

As to records established, he stated that Carl Woodward, of Tulane University, made the longest goal from field, which was a placement kick of 52 yards. To James M. Porter, of McKenzie Preparatory school, is awarded the record for the longest drop kick, his feat showing a distance of 45 yards. The greatest number of field goals were scored by Charles E. Brickley, of Harvard, who succeeded in sending the ball over the bar five times in the game with Yale.

Records for long run-backs from the kick-off are more numerous than ever before in the history of sport. Following are the men who are the leaders and the games in which the runs ware made; 97 yards, H. L. Jones (F. and M.) vs. Haverford; 90 yards, E. E. Huntingdon (Colgate) vs. Syracuse; 85 yards, J. C. Moore, (Missouri) vs. Rolla; 85 yards.

The teams responsible for establishing the freak scores of the year are: Newberry 159, B M. I. 0; Allegheny 116, Wooster 0; Gallaudet 103, Baltimore 0; Louisville 100, Washington 0; W. and J. 100, Grove City 0.

New York university has the unfortunate distinction of having played eight games without winning a single victory or scoring a single point.—Exchange.

MUSIC STUDENTS GIVE RECITAL

EXCELLENT PROGRAM RENDERED WEDNESDAY.

PUPILS GAVE VOCAL AND PIANO SELECTIONS

Appreciative Audience Attended the Recital in Bucknell Hall.—Oratorio Society Will Give a Concert in the Near Future.

An appreciative audience attended the recital given in Bucknell Hall Wednesday evening by the students in the School of Music. The program consisted of vocal and piano selections and was exceptionally well rendered.

Special mention should be made of the singing of Miss Brown, a new student this term, and of the opening duet by Miss Grugan and Mr. Bender. Mr. Bender proved himself to be an exceptionally fine accompanist and Miss Grugan took the solo part of that difficult composition in a masterful fashion.

The treat of the evening, however, was the rendition of the popular classique, "Poet and Peasant," by four of the young ladies. It was enthusiastically received.

A similar program, under the direction of Prof. Stolz, is to be given by the Oratorio Society, Friday, Feb. 20th, for the benefit of the Lewisburg Playground. A more detailed announcement will be made next week.

The program given Wednesday evening was as follows:

Pianos—"La Regata Venezlana" —Liszt—Miss Grugan, Mr. Bender.

Piano—"Petit Bolero"— Henri Ravina—Miss Margaret Stuck.

Voice—"The Sweetest Flower"—F. van der Stucken—Miss Ruth Williams.

Piano—"Pendant la Mazurka"—Paul Wachs—Miss Florence Crippen.

(b)—"Etude in A flat"—Wollenhaupt. Miss Margaret Jacobs.

Piano—(a) "Un petit Rien—Alexander von Fielitz.

(b) "Minute in E miuor"—E. Grieg. Miss Alma Shollenberger.

Vocal Duet—"Ye Ladies Fine and Fair" — Mozart — Miss Althea Brown, Mr. A. van Osten.

Piano—(a) "Coquetry"—Paul Wachs

(b) "Gavotte"—Scharwenka Miss Anna Holden

Piano—"Fantasia in D minor"—Mozart—Miss Reed.

Vocal—"Silently Bending"—Mozart—Miss Althea Brown.

Pano—"Polonaise in E flat"—Moszkowski—Miss Marion Bancroft.

Pianos, Overture—"Poet and Peasant"—Suppe — Misses Bancroft, Grugan, Jacobs, Galloway.

ALUMNAE CLUB MEETING

INTERESTING PROGRAM HAS BEEN PREPARED.

The annual social meeting of the Bucknell Alumnae Club will be held in the Institute school room Tuesday evening at 7.30 P. M.

At this session the three act play will be rendered, "Maidens All Forlorn."

The following is the cast:

"Maude Meredith"—Elizabeth Baker

"Elizabeth Lyndon" — Margaret Stoughton.

"Bertha Banisdale"—Dorothy Walls.

"Louise Marston"—Hannah Bubb.

"Mrs. Maloney"—Mrs. Harry Bourne.

"Mrs. Mount Stuart"—Mrs. Anne Dreisbach.

"Mrs. Martin"—Mrs. W. S. Wilcox.

"Dr. Joe Denby"—(?)

KROUSE—WYCKOFF, ex-'15

Miss Lena Krouse and J. Weldon Wyckoff, one of Connie Mack's pitchers, were married Wednesday afternoon at the home of the bride in Williamsport.

After a wedding trip through the East Mr. and Mrs. Wyckoff will leave March 1 for Jacksonville, Fla., where the Athletics will open their training quarters. The groom is considered to have a promising future.

THE INTER-COLLEGIATE DEBATERS ARE CHOSEN

TEAM TO DECIDE DRAW WITH GETTYSBURG

The debaters who will represent Bucknell in the annual debate against Gettysburg were chosen at the try-outs held in the Y. M. C. A. hall Thursday evening. Each candidate for the position on the team was allowed to speak for five minutes on either side of the question which has been chosen for the debate between Gettysburg and Bucknell. The men chosen to be on the Varsity debating team were Brosius, '14, Lotte, '14, Richards, 14, and Riley, '14, with Gehman, '14, and Peters, '16, as alternates. The judges were Dr. Phillips, Dr. Perrine and Prof. Fries.

The question for the debate this year is: "Resolved that there should be a national board of arbitration with jurisdiction over all disagreements between employers engaged in interstate business and their employees." The time chosen for the debate is March 10. As usual there will be two debates the same night, Bucknell arguing the affirmative in Lewisburg and the negative in Gettysburg.

Considerable interest attaches itself to the debate this year, as for the last two years Bucknell was victorious at home and was defeated at Gettysburg, making the final result a draw. The Bucknell men chosen are already hard at work and are hoping to break the draw and return a winner from both contests.

DEATH OF MRS. WILSON.

Mrs. Ellen S. Wilson, nee Dickson, Institute '64, died suddenly at her home in Philadelphia last week. Mrs. Wilson had been in ill health for several months but until the day before her demise had been able to write to friends in Lewisburg concerning her plans for attending the fiftieth anniversary of her class, which is to be held here next June.

Donald R. McClain, '05, is living at 950 Pine St., Camden, N. J.

Jose A. Villalon '11, is living at 5616 Curtis Ave., Cleveland, O.

W. H. Henszey returned to Philadelphia this morning arter a week's visit at the Phi Kappa Psi house.

Every student should attend the benefit show at the Orpheum to-morrow and help the Athletic Association.

Dr. Enoch Perrine, of the Faculty, preached at the morning service of the Reformed Church in Mifflinburg on Sunday.

A son was recently born to Mr. and Mrs. LeRoy MacFarland, of Chicago. The father was a graduate of the college in the class of 1911.

It is expected that a packed house will greet Prof. Gould, of England, when he makes his address in Bucknell Hall Thursday evening.

The Varsity will play Juniata on the local floor Wednesday evening. State College was recently defeated by the Huntingdon quintet.

Born, to Mr. and Mrs. Saunders, of Driftwood, a son. The mother was formerly Rachel A. Brookbank, a graduate of the School of Music in 1905.

The Bucknell Band journeyed to Mifflinburg Friday evening where it gave a concert in the Lyric theatre. Counter attractions were the reason for the small attendance at the concert.

Invitations for the College Girls' reception were sent out from the Seminary during the past week. The annual function will be held in the institute parlors Friday evening of this week.

Stetler, '13, who entered the employ of the Rochester line of the New York State Railways Company after graduation, has recently been promoted to the position of Superintendent of Sub-stations.

The class game scheduled to be played this coming Friday evening between the Seniors and Juniors has been postponed because of the desire of many of the students to witness the Varsity contest at Selinsgrove that evening.

Registrar Wilcox, of the University, has recently sent out over 200 letters to those who were students here last year requesting that they send him, on enclosed postals, the total of their expenses last year. Already nearly a hundred have returned the cards, and it is hoped that the rest will do so soon in order that the desired statistics may be compiled.

WOMAN'S COLLEGE

Margaret Walker, '17, was in Williamsport over the week-end.

Nelly Lou Gardner, ex-'14, spent the week-end with friends at the Seminary.

Prof. and Mrs. Martin were guests at dinner at the Seminary Friday evening.

Miss Florence Mitchell, '13, of Pennsgrove, has been appointed a teacher in the schools at Selkirk, N. Y.

Dr. N. C. Schaffer, superintendent of public instruction of Pennsylvania took dinner at the Seminary last Sunday.

MEDIC'S MEET.

The regular meeting of the Bucknell Medical Society was held in the Biology Lab. on Friday afternoon. It was decided to hold an annual banquet and the first will be held in the near future. Davenport, '16, read an interesting paper on "Pow-wowism and Other Faith Cures."

ADDRESSES BY DR. SHAFFER.

Dr. N. C. Shaffer, Superintendent of Public Instruction in this state, delivered two very interesting addresses before the students yesterday. In the morning he spoke at the College Bible Class in the Baptist church and in the afternoon at a special meeting in Bucknell Hall.

J. H. Shoemaker, '08, who is professor of English in the Slippery Rock Normal School, has been instructor in English in the Summer School of the Grove City College and expects to continue in the work next summer.

Benefit show at the Orpheum tomorrow.

The Store That Shows The New Goods First

Beauties in Spring Dress Goods

New beauties in weave, for even last season's softness has been brightened to achieve the new draperies. New beauty, too, in design and coloring, for this is to be a colorful season, and the designs are often veritable intricacies of lines, interwoven with tones and shades. The more exclusive dress goods so far are wool taffettas, wool crepes, Gesia cloth, Tussahs, poplins, Henriettas, French serges, plaids and fancies.

Muslin Underwear in Spring Smartest Garments

Dainty white garments they are, made up from the choicest white materials and trimmings, drawn with pink, blue and white ribbons.

These garments are made especially to correspond to the new clingy gowns that will be in vogue this season.

The showing is the largest we have ever shown, and prices are more reasonable. Come and see for yourself.

New Spring Silk Waist

In black, navy blue, brown and cadet blue, with low Robespierre collars or high yoke collars, trimmed in buttons to match. Messaline silks are in them all, and for Spring will be far to the front.

Velvet

THE SMOOTHEST TOBACCO

A good friend is the friendly coach—who comes and brings a tin of Velvet and helps you in the nick of time.

Velvet is a remarkable tobacco—in these hurry-up days it takes its time. It takes two years of mellowing to take out all harshness and "bite"—make the tasterich and quality "smooth."

That's why Velvet is a helpful smoke—never irritates—just delivers the maximum of pipe pleasure—that we're all after. At all dealers.

Liggett & Myers Tobacco Co.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII] LEWISBURG, PENNA., MONDAY, FEBRUARY 16, 1914. [NUMBER 16

Registrar's Office

WON A GAME AND THEN LOST A GAME

VARSITY LOST ITS CHANCE FOR LEAGUE TITLE.

DEFEATED JUNIATA BUT SWAMPED BY SUSQUENANNA

Bucknell Had Little Difficulty With Juniata Wednesday but at Selinsgrove Was Outplayed and Lost All Claim to Championship.

The Orange and Blue broke even in last week's games, winning easily from Juniata in the Tustin gymnasium Wednesday evening, but losing to Susquehanna by a big score Saturday night at Selinsgrove.

The defeat Saturday night was the first one Susquehanna has administered to Bucknell in three years, and makes the result for the season between the two teams a draw, each team having won on its home floor. The games of the week dashed whatever chances the Orange and Blue had of landing a championship of the central section of the League, Albright now having enough games to her credit receives the decision.

Bucknell Defeats Juniata.

In the game with Juniata played in the Tustin gymnasium Wednesday night Bucknell was vastly superior at all times. The final score, 37-20 shows the relative merits of the two teams.

The Orange and Blue found the basket within a minute after the game began, and six points were added before Juniata scored. During this half each player of the Varsity team scored two field goals except Brenner, the new forward, who only had one to his credit. The visitors succeeded in caging five field goals and a foul, and the half ended with the score 18 to 11 in Bucknell's favor.

In the second half, mainly due to the superior goal shooting of Welchons, the Orange and Blue fairly ran away from their opponents. The husky centre scored five field goals in this half and easily showed the best form that he has displayed this season. Gdaniec played above the usual standard and added two more baskets to the score. Bigler played the best game for the visitors.

Bucknell	Position	Juniata
Brenner	forward	Bigler (Murray)
Schaffner	forward	Ankeny
Welchons	centre	Replogle (Landis)
Gdaniec	guard	Manluck
Archer	guard	Horner

Referee—Harding. Goals from field—Brenner, 2; Schaffner, 2; Welchons 7; Gdaniec, 4; Archer, 3; Bigler, 5; Ankeny, 2; Replogle, 1; Landis, 1. Foul goals—Brenner, 1 out of 2; Schaffner, one out of two; Bigler, 2 out of eight. Time of halves, 20 minutes.

Susquehanna Swamps Bucknell

Susquehanna obtained sweet revenge Saturday night for the many defeats which have been administered to her during the last three years by the Orange and Blue five. The Selinsgrove Collegians excelled in every department of the game, and the result was never in doubt. Owing to the heavy snowfall only a few rooters accompanied the team.

The first half was characterized by the rough work of both teams and Gdaniec was sent off the floor inside of ten minutes for personal fouls. None of the Bucknell players seemed to be able to locate the basket, while every one of the Susquehanna team secured at least one basket. The score at the end of the first half was 18 to 12.

Susquehanna outplayed the Varsity even more in the second half than in the first. One goal from the floor by Schaffner and a field goal by Murray was the extent of the scoring by Bucknell in this period, while her opponents succeeded in scoring 8 field goals and made 7 points on free throws. Bucknell's weakness in foul shooting was more apparent than ever, the local players only getting 7 out of 19 attempts. The final score was 41 to 15.

Bucknell	Position	Susquehanna
Brenner	forward	Follmer
Schaffner	forward	Lenhart (Swope)
Welchons	centre	Swope (Peters)
Gdaniec	guard	Harkins (Shannon)
Archer	guard	Middlesworth (Rine)

Field goals—Schaffner, 2; Brenner, Welchons, Middlesworth, 4; Swope, 4; Lenhart, 2; Follmer, 3; Harkins. Foul goals—Middlesworth, 12 out of 15; Schaffner, 4 out of 12; Murray, 2 out of 7. Referee—Bennett, of Altoona. Time of halves—20 minutes.

LEAGUE DOPE.

Gettysburg lost its second game to Albright Thursday at Myerstown by a score of 59 to 38. Benfer starred, as usual.

Juniata was defeated by Susquehanna the night before they played here by a score of 49 to 26.

The question of the hour yesterday was, "What is wrong with the team?" The opinion has frequently been expressed that the boys do not have the team-work that they did in the earlier games of the schedule. This was noticeable in the Juniata game, in which the visitors far excelled in that department. Here's hoping they get together this week and bring back the honors from the Eastern trip.

Jersey Shore high school cancelled its game with the Academy last Friday.

Swarthmore defeated U. of P. on Saturday 18 to 10. But two field goals were made in the game, both by the little Quakers.

Considerable shifting was made in the line-up of the Varsity team last week by Captain and Coach Schaffner. The men seemed to work well in the new positions.

JUNIOR WEEK PROGRAM

MANY FUNCTIONS TO BE HELD AT THAT TIME

The annual celebration of Junior Week, which will begin next Monday, will furnish a series of brilliant social events for the college men and their friends. The following schedule will aid in remembering the dates:

Monday—Mandolin and Glee Club concert in Bucknell Hall.

Tuesday—Junior smoker to Seniors in Tustin Gymn. Benefit performance of "Maidens All Forlorn," in Orpheum.

Wednesday—Recital, "As You Like It," in Bucknell Hall.

Thursday—Social Extravaganza,—the Junior Prom, in the Armory.

Friday—Varsity vs. Gettysburg in Tustin Gymn. A league game.

BATTERIES AT WORK.

Captain Frank P. Cruikshank, '15, of the baseball team, has had the candidates for the pitcher and catcher positions at work in the gymnasium for several days in preparation for the season which will open April 4. The schedule for the year has been practically completed by Manager W. D. Reading, '14, and will probably be announced next week.

SCHEDULE FOR 1915 FOOTBALL

MANAGER RAWSON HAS HAD LIST RATIFIED.

SEVERAL TEAMS TO BE PLAYED FOR FIRST TIME

Pittsburgh and The Navy Dropped From the Schedule—Swarthmore, Susquehanna and Albright Will Be Played Next Year.

The Varsity football schedule for next fall has been practically completed by Manager G. K. Rawson, '15, and has received the ratification of the Executive Committee of the Athletic Association.

The schedule shows a number of changes from that of last year, several of the stronger teams being dropped and colleges being substituted which are nearer in the athletic class of Bucknell. The dates of the "big" games on the 1915 schedule have been arranged, it will be noticed, so that no two of them will come on consecutive weeks, which was a characteristic of last year's schedule that worked to the disadvantage of the Orange and Blue team.

The season next year will open a week earlier than in former years in order that the team need not play on the Saturday preceding Thanksgiving Day and still play the same number of games during the season. In the past two years Bucknell has had to play hard games on the Saturday before Thanksgiving Day and has not been able to regain good physical condition in such a short time. It is thought that the new arrangement will be an effective remedy.

The teams whose absence on the new schedule will be most readily noticed are Pittsburgh and the Navy. While Bucknell has defeated Pitt. in both of the games played in recent years, yet it was thought by those in charge of the making of the schedule that it was advisable not to go to Pittsburgh another year, the strain on the team and the small guarantee received not being compensated for by the glory connected with another possible victory. The Navy game was not scheduled this year on account of the strenuosity of the contest, too many men being injured in a game which means nothing to the athletic standing of Bucknell.

While the second date of the season is still unfilled negotiations are being made with several schools in this section to play here at that time. Lebanon Valley, which appeared here last season, will not, however, be played this year.

The teams which will be played this coming season which have not been met for some time will be Swarthmore, with which a two-year agreement has been made; Susquehanna, which will revive the gridiron sport next year after a several year abstinence; and Albright, which has been putting some first class teams on the field during the past few years.

Princeton, Cornell and Washington & Jefferson will be the big games on the 1915 schedule as they were on that of last season. It is quite possible that in the coming season one of these famous elevens will bow the knee to the Bucknell warriors.

In acordance with the provisions of the two-year agreement with Muhlenberg the Orange and Blue will play at Allentown this fall. Another similar two-year contract has already been signed covering the years 1915 and 1916.

The annual conflict with Gettysburg will again be staged on the Island Park field at Harrisburg, this year under the management of the Gettysburg collegians.

The schedule, as ratified, is as follows:

Sept. 19—Hillman Academy, at home.

Sept. 26—Open, at home.

Oct. 3—Princeton, away.
Oct. 10—Swarthmore, away.
Oct. 17—Cornell, away.
Oct. 24—Susquehanna, at home.
Oct. 31—Muhlenberg, away.
Nov. 7—Albright, at home.
Nov. 14—Gettysburg, away.
Nov. 26—W. & J., away.

CALL FOR SOPHOMORE DECLAMATION CONTEST

A call for volunteers has been issued to all sophomores seeking honors in this year's Declamation contest. All wishing to compete are requested to hand in their names to Prof. Bromley Smith between February 16th and 20th. If more than the required number volunteer a preliminary contest will be arranged, in the final contest the men will be restricted to the use of orations.

GLEE CLUB CONCERT NEXT MONDAY NIGHT

MUSICAL CLUBS WILL MAKE DEBUT IN BUCKNELL HALL.

The initial home concert of the Combined Glee and Mandolin clubs will be given in Bucknell Hall next Monday evening at eight o'clock. Admission tickets are on sale for 25 and 35 cents and reserved seats may be secured at Heiser's drug store.

Under the personal direction of Rev. H. C. Rose, of Lewisburg, who is a talented musician, the members of the Glee Club have been practicing at least three times a week since before the holidays and have prepared a program that is said by those who have had the privilege of hearing it, to be one of the best that a Bucknell Glee club has ever given. A number of solo and quartette selections are on the program.

The Mandolin club is better this year than ever before and has an important part in the program. A talented reader will also give several selections.

Arrangements for an extensive western trip for the club are being made by Manager Markle, the itinerary to include, Reynoldsville, Sharon, Franklin, and Vandergrift. During the week an interesting letter was received by the management from George O'Brien, '12, of Vandergrift, in which he assured the club of the support of the Bucknell alumni in that section and stated that he was very glad to hear that Bucknell was again represented by a Glee and Mandolin club.

The Combined Clubs will go to Mifflinburg next Thursday evening where they will give a concert in the high school auditorium.

FRESHMEN TO TRY OUT

TO-MORROW FOR DECLAMATION CONTEST.

The final try-outs for the Freshman Declamation contest will be held in Prof. Bromley Smith's oratory room to-morrow afternoon, the same selection being used as was used in the try-outs on Thursday and Friday in the classes.

The following young men are requested to report to Prof. Smith at 4.15 o'clock Tuesday afternoon: Ackerman, Aubrey, Abbott, Benton, Bertin, Cryder, H. Fisher, Geating, Mellinger, Pedigo, Showacre, Sprout, Shaffer and Sprenkle.

The following young ladies are requested to report at 4.45 o'clock: Misses Barthold, Brown, Johnson, Spere, Walker and Westbay.

BENEFIT WAS SUCCESS.

The benefit vaudeville performances given in the Orpheum theatre last Tuesday to help raise funds for the Athletic Association was a decided success and a considerable amount was realized. The program consisted of selections by the College Band; music by a quartette composed of Runk, '16, Miller, '17, Brenner, '17, and Pedigo, '17; clog dancing by E. C. Campbell, '16; and a musical and comedy skit by Triplcan, '16, and Hinkley, '16.

RECEPTION OF COLLEGE GIRLS

ATTENDED BY OVER ONE HUNDRED GUESTS.

ANNUAL FUNCTION WAS SUCCESS IN EVERY WAY

Exquisite and Tantalizing Beauty of the Decorations Graphically Described by a Staff Representative of the Orange and Blue.

The annual College Girls' Reception, the society event extraordinary of the co-educational life of Bucknell, was held at the Seminary Friday evening. The affair was conducted on its usual grand scale and was attended by fully two hundred people.

The date, Friday the thirteenth, proved a truly auspicious one in every way for those who were the recipients of invitations from the young ladies. The groundhog's edict, however, greatly affected the mind of old "J. Pluvius". As a result, white flakes of snow began to fall in the afternoon and by 8 P. M. old Mother Earth was arrayed in a new white gown prepared especially for the Reception.

Upon entering the Woman's College the guest was immediately taken along a winding pathway, lined on each side with tall palms, to where the receiving committee was stationed. From there he was free to wander through the different rooms and examine more intimately the components of the glorious picture before him, a picture which was the embodiment of joy and happiness, the color scheme easily rivaling the glories of the rainbow.

The main room at the head of the stairs was a veritable vision of Paradise itself. From the high ceilings myriads of roses, forget-me-nots, sweet peas and other no-less pleasing varieties of the flora family dangled tantalizingly, while the giant pillars of the room were covered with a reticulum of vines and flowers as fair as any e'er plucked from the Elysian fields. Around the sides of the room was a clever imitation of a massive stone wall. Numerous rustic seats enticed the weary ones to rest and gaze in quietude upon the passing promenaders. Toward the right, screened by a bower of summer flowers, the orchestra, as Orpheus of old, delighted the brave and fair alike with sweet strains of enchanting melody. In the center of the room was the Wheel of Fate, and truly did it foretell the future for all who ventured near. Once in a while a youth left it with a glad heart, having received assurance that She would not turn a deaf ear to his endearing pleas, but many were the unfortunates to whom the gods saw fit to reveal the sole word, "Stung".

Each guest was given a program filled out with his partners for the twelve dances. But when the music began word was silently passed around that it was to be a dance in which the tongue, and not the feet, would keep time. The evening, accordingly, was spent in promenading back and forth amidst the flowery arches and drooping trellises or in sitting in some secluded nook where one could be screened from the outside world and could indulge in thoughts and whisperings appropriate only to such an occasion.

Dainty refreshments were served in the dining room toward the close of the evening. The fairy-like hands of the decorating committee had put their magic touch here also, and the result was, to say the least, more than pleasing.

The Seniors at the University of Indiana have adopted corduroy as their distinctive dress, while at Miami they are wearing white gloves and carrying gold-headed canes to distinguish them from other classes.

This paper is published once a week during the college year by the Orange and Blue Board, representing the student body of Bucknell University. Subscription $1.25 per year, $1.00 if paid before January 1 of the college year. Communications addressed to the Orange and Blue, Lewisburg, Pa.

One of the deprtments of the University concerning which little is heard but which each year accomplishes big results is the register of prospective teachers maintained by the Registrar of the College. Every graduate or Senior of Bucknell who intends to follow pedagogical work is entitled to free registration in the office of the Registrar where frequent requests for recommndations are received from school authorities throughout the country. Members of the Senior class who desire to register are extended the privilege of doing so at this time.

TRAINER THANKS THE VARSITY FOOTBALL MEN

Editor Orange and Blue:

Through the columns of the Orange and Blue I wish to thank each and every member of last season's varsity football team for the fine coat sweater that they gave me this winter. I am very grateful, indeed, to the boys and wish that it were possible for me to see every one to thank him personally.

Yours truly,
GEORGE A. KLING

ALUMNA HONORED

ELECTED SECRETARY OF COMMISSION.

Dr. Mary M. Wolfe, '96, who was recently appointed by Governor Tener as a member of the State Commission in charge of the study of a system for care of state dependents and to establish a cottage colony for feeble minded women, was elected secretary of that body when it met and organized in Harrisburg Thursday.

SHAKESPERIAN RECITAL.

An exceptional opportunity for students to hear a recital of one of Shakespeare's plays will be offered Wednesday evening, the 25th, when Miss Genevieve Howard, of Boston, will appear in Bucknell Hall. Miss Howard is highly recommended as an artist in her work. The play which she will give in Lewisburg will be "As You Like It." The committee of townspeople in charge of the affair have placed the price of genral admission at $1.00, but has kindly consented to admit Bucknell students at a special price of 35 cents.

CLASS GAME WEDNESDAY.

The inter-class game between the Senior and Junior basketball teams be played in Tustin gymnasium Wednesday evening at eight o'clock. Each of these teams has won from the underclassmen by a large margin and the game Wednesday is expected to be a hotly contested one.

TO GIVE RIP VAN WINKLE

The dramatization of Rip Van Winkle, one of the most interesting of American classics, will be presented at the Orpheum by a cast directed by Miss Edith Schillinger on the afternoon of March 7th, and a more extended notice will be given later.

PROF. GOULD DELIVERED ADDRESS

GAVE AN INTERESTING EXHIBITION OF TEACHING.

LARGE AUDIENCE IN BUCKNELL HALL THURS. EVENING

Noted English Professor Demonstrated the Teaching of Children by Use of Old Fashioned Parables.—He Has Had Wide Experience.

Professor Frederick James Gould, of Oxford, England, lecturer and demonstrator for the Moral Education League, delivered an interesting address in Bucknell Hall Thursday evening before a large crowd of students and townspeople..

It was through the efforts of President John H. Harris that Mr. Gould was secured to lecture here. Dr. Harris had charge of the meeting Thursday and after a few remarks introduced the speaker whose address was highly appreciated.

A number of pupils from the Grammar grades of the Lewisburg school's occupied the front seats and Mr. Gould followed his customary precedure of teaching them by means of conversation, story-telling and illustrations on the blackboard, apparently forgetting the presence of the adult audience who sat behind the seats occupied by the children.

Mr. Gould has been working in this manner, under the auspices of the Extension Division of the University of Wisconsin, since last September, and will continue his teaching-pilgrimage until the close of April. In Pennsylvania he has been particularly energetic. At Pittsburg he lectured for a full week last November. Lately he told his entertaining stories to the children to State College, Johnstown, Lock Haven and Williamsport. Lock Haven the lesson was delivered before 300 students at the State Normal School.

Mr. Gould was a grade-school teacher for a quarter of a century, and has taught children for 45 years in all. As a representative of the Moral Education League of England, he has given demonstrations in Great Britian, in the Bombay residence of India, and during a previous visit in the United States.

"I have no new system," he told the audience at Bucknell Hall, for my story telling method is simply the old-fashioned parable: That is, I relate examples of courage, honor and service, and I rely on the power of these stories from history and biography rather than on preaching abstractions. I have taught Jews, Hindoos, Christians, Mohammedans and Pharisees, and I find all young hearts respond in like manner to the call of the true, the beautiful and the good. I believe most children in the world are good in disposition. For that very reason they need training of the moral judgement, so that they may rightly play their parts as members of the commonwealth, in family and country and towards humanity at large. It is a favorite saying of mine that there is but one child in the world. That child must have an enlightened conscience and a good will if democracy is to succeed in its great task of love, order and progress. Hence the public school should make the formation of good character its chief aim."

ORDERS FOR L'AGENDA.

Those students and alumni who have not yet ordered copies of the 1915 L'Agenda and wish to do so are requested to send their orders at once to Manager R. K. Hoke. In cloth binding the books will be $1.50, and in leather $2.00. Postage 25 cents extra. Payment to be made when delivered.

SIGMA CHI DANCE.

The active and pledged members of Sigma Chi fraternity held a delightful dance in the ball room of the Lewisburg Club Saturday evening, February 7. Guests were present from Lewisburg, Watsontown, Williamsport, Milton, Mt. Carmel and Bellefonte.

Purity Candy COMPANY!

"Keeping in Front"
You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.
Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.
No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.
Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.
Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.

PHILADELPHIA ALUMNI NEWS

DEVOTED TO THE INTERESTS OF QUAKER GRADS.

MORE SUBSCRIPTIONS TO ORANGE AND BLUE NEEDED

President Nesbit Has Appointed the Chairman of Several Important Committees—Full List To Be Announced later.

The Executive Committee needs just two more subscriptions to enable us to fulfill the obligation we assumed in connection with the Orange and Blue proposition. We want to report our aim accomplished at the coming annaul meeting. How much do you want to help us, Mr. Non-Subscriber?

President Nesbit has appointed the chairmen of several committees, each chairman to choose his own committees. They are as follows:

Committee on Visit to Mr. Murray of Princeton—Chairman, A. V. Wise.

Committee to look after High School Graduates — Chairman, Ezra Allen.

Committee on Recent Alumni — Chairman, Louis W. Robey.

The function of each one of these committees is suggested by its name. The full committees will be announced in a subsequent issue of this column.

Please send all information for this column and communications concerning it to

Louis W. Robey, Sec'y.,
Land Title Bldg.,
Philadelphia, Pa.

ALUMNUS FOR GOVERNOR

EX-JUDGE McCLURE, '77, IS SUGGESTED.

The following article recently appeared in several of the city dailies:

"A new gubernatorial boom has started here, and it may be that former Judge Harold M. McClure, of Lewisburg, will permit the use of his name for the Republican nomination. The judge, who was on the common pleas bench for twenty years, is yet a young man and well known and held in high regard throughout the interior of Pennsylvania. The judge has been importuned by prominent Republicans in various counties to submit his name, especially since Philadelphia will likely have the Republican candidate for United States senator, and Pittsburgh the Republican candidate for Supreme Court judge. When seen upon his return from Philadelphia this afternoon Judge McClure was in a complacent if not receptive mood, but he declined to commit himself at this time."

CABBAGE REAL ESTATE

JUDGE JOHNSON, '96, SO DECIDES AT SCRANTON LAST WEEK.

Deciding that a cabbage is not personal property, but real estate, Judge Albert W. Johnson, of the Union-Snyder district, who was presiding in criminal court at Scranton, Tuesday of last week, discharged John Lally, who was charged with stealing cabbage from a neighbor's lot. Before any testimony was heard Lally's lawyer raised the point that the defendant could not be charged with the larceny of personal property when he had dug up the cabbage and walked off with it. Judge Johnson took this view of it, deciding that the vegetable was part of the real estate, and that a civil and not criminal action should have been started.

LYCEUM LECTURE A SUCCESS.

Dr. Montraville Wood, the lecturer, who appeared here last Monday evening under the direction of the Bucknell Y. M. C. A., was accorded a big audience in the Lutheran church. His explanations of the ultra-violet ray, the gyroscope and the monorail held the attention of the audience during the entire evening.

ASPIRANTS FOR TRACK MANAGER

JUNIORS SHOULD SUBMIT NAMES BEFORE FRIDAY.

Those members of the Junior class who aspire to the office of Assistant Manager of the Track Team are notified that they must hand their name to Riley, '14, or any member of the Representative Caucus Committee on or before next Friday, the 20th. This position has been made vacant by the failure of Shoemaker, '15 to return to school this year. The candidates recommended by the Caucus Committee will be nominated for the office at an early special election of the Athletic Association.

TO GIVE BENEFIT SHOW

FORMER DRAMATIC STARS TO RENDER COMEDY.

A cast composed of former stars of Bucknell's Dramatic Clubs will give a three act comedy, "Maidens All Forlorn," in the Orpheum theatre, February 24, for the benefit of the Lewisburg Civic Club. The following are in the cast: Misses Elizabeth B. Baker, Dorothy Walls, Hannah Bubb, Margaret Stoughton, and Mrs. Dreisbach and Mrs. Bourne. John Criswell and Lewis Lyne, the Bucknell comedians, will make their farewell appearance before local audiences at this time. Admission will be 25 cents; reserved seats 10 cents extra.

HEAD OF LAFAYETTE RESIGNS.

Rev. Dr. Ethelbert D. Warfield, for twenty-two years the president of Lafayette college, tendered his resignation to the board of trustees of that school Thursday. There has recently been considerable friction between Dr. Warfield and members of the alumni and student body. Dr. Warfield was here a year ago this month as the guest of the Demosthenean at their Founder's Day banquet.

McFarland, '16, of Watsontown, entertained Matlack, '17, over the week-end.

"Tim" O'Leary, ex-'13, of Altoona, is the guest of his Kappa Sigma brothers.

Glover, '14, was visited by his mother and sister, of Erie, over the week-end.

Many students attended the final services of the Stough revival at Sunbury yesterday.

They say that the Glee Club concert will be great. It will cost but a quarter to enjoy it.

Dunkle, '13, who is attending Stetson University, is coaching the girl's basketball team of that school.

R. M. Steele, '08, is meeting with success as teacher of chemistry in the Harrisburg Technical high school.

Shattuck, '14, who was travelling for the University this term, spent several days on the Hill last week.

Better get the wrinkles out of that dress suit and prepare to go to the Junior Prom a week from Friday night.

First concert of the Combined Glee and Mandolin Club next Monday night. Get reserved seats at Heiser's Drug Store.

Mr. and Mrs. Stephen K. Wells, former students, are visiting at the home of the latter's parents, Mr. and Mrs. C. J. Wolfe.

Arthur Lofft has returned to his home in Woodstown, N. J., after spending several days with his brother, Henry Lofft, '16.

Lester Bartlett, ex-'15, of State College, is the proud father of a baby daughter, born to Mr. and Mrs. Bartlett a week ago Sunday.

Sunday's pictorial supplement of the Philadelphia Ledger contained an excellent likeness of Charles R. Kurtz, '86, who is surveyor of the Port of Philadelphia.

Victor Luchsinger, ex-'08, spent the week-end with his Phi Gamma Delta brothers. On Friday evening he was the host at an informal luncheon given to the active and pledged men of that fraternity.

The Varsity basketball team will leave Thursday for a three-day trip in the South-eastern part of the State. That night it will play Gettysburg at Gettysburg, Friday night Mt. St. Marys at Emmitsburg, and Saturday night the Harrisburg Collegians.

TO LECTURE ON TURBINES.

J. A. Moyer, Professor in charge of the Department of Mechanical Engineering at State College, will give a stereoptican lecture in the chemical laboratory Monday evening, February 23, on the subject, "Recent Developments in Steam Turbines." All are welcome.

INTERCOLLEGIATE

Up at Michigan a course of courtship and love-making is to be offered open to all. "Kiss me kid, I need the credit," suggests the university daily.

Students at Otterbein University are prohibited from entering the only pool room in Westerville, the town in which the university is located.

Boston Tech juniors in the industrial microbiology class were allowed to make gastronomical tests of the product of the Reuter Breweries after an inspection trip conducted by their instructors.

At Cornell there are 1,069 students who are almost wholly self-supporting, and 124 who annually earn from $100 to $2,000 more than their expenses.

University of Pennsylvania is to have a new chapel to cost at least half a million dollars. It is to be 180 feet long and 66 feet wide, and is to have a seating capacity of 1,500.

The students of the University of Michigan have voted to remain independent of the Western Conference. The anti-conference vote was three times as great as the pro-conference vote.

Active measures are being taken at Pennsylvania to erect a monument to Mike Murphy, the famous track coach and trainer. Much interest is being taken in the memorial, not only by students and alumni of the university but by graduates of Yale and other schools that knew the great trainer.

LOST ALL THREE GAMES ON TRIP

VARSITY OUT OF CONDITION ON EASTERN TRIP.

GETTYSBURG WON LEAGUE GAME BY CLOSE SCORE

Mt. St. Mary's and Harrisburg Quintette Get Best of Orange and Blue—Varsity Team Accorded Excellent Treatment on Trip.

The Varsity continued their losing streak last week by losing all three games of the Southern trip, Mt. St. Mary's, Gettysburg, and the Harrisburg Collegians all being victors over the Orange and Blue five. The team was in very poor shape in all of the games, as the long trip south under extremely adverse weather conditions seemed to demoralize the players' staying qualities to a great extent. The Gettysburg game was the most interesting of the three, the Battlefield Collegians winning out in the last three minutes of play. The team received the best of treatment at all the places they visited, and the players are outspoken in praise of the fairness shown them on the foreign floors.

Mt. St. Mary's Game.

The decisive score by which the Mt. St. Mary's aggregation defeated Bucknell was mainly due to hardships of the trip from Lewisburg to Mt. St. Mary's. The team arrived in Gettysburg by train and then went by stage to Emmitsburg, a three hour journey over the worst of roads. Considering this the team played well, but their opponents proved too much of an obstacle to be overcome. The Mt. St. Mary's forwards were sure shots, and rarely missed a chance to make a basket. The referee called very few fouls on either side, eight free throws being the extent given to both teams. The final score was 41-12.

Bucknell.		Mt. St. Mary's.
Brenner	Forward	Castello
Schaffner	Forward	Phillips (Bell)
Welchons	Center	May (Schaffner)
Archer	Guard	Leary (Murray)
Gdaniec	Guard	Sutton (Donovan)

Field goals—Brenner 3, Schaffner 1, Welchons 1, Costello 6, Phillips 5, Leary 3, Donovan 5. Goals from foul—Brenner 1 out of 3; Murray, 1 out of 1; Costello, 3 out of 3. Time of halves—20 minutes.

The Gettysburg Game.

The game with Gettysburg was practically even up until the last three minutes of play. The Orange and Blue quintette played the best basketball that they displayed on the trip; the team work was excellent, and every man played a hard game throughout. As usual, Bucknell was exceedingly weak in foul shooting, only seven out of eighteen attempts resulting in scores. With the score 28-25 in Gettysburg's favor three minutes before the blowing of the final whistle, the Battlefield Collegians took a sudden spurt, and made one basket after another, winning by a 41-29 score.

Bucknell.		Gettysburg.
Brenner	Forward	Weloms
Schaffner	Forward	Mahaffie
Welchons	Center	Campbell
Archer	Guard	Ikler (Murray)
Gdaniec	Guard	Shaffer (Monk)

Field goals—Brenner 3, Schaffner 3, Welchons 2, Archer 2, Gdaniec 1, Weloms 1, Mahaffie 6, Campbell 4, Ikler 1, Shaffer 1, Monk 1. Goals from fouls—Brenner, 3 out of 10; Schaffner, 4 out of 7; Mahaffie, 13 out of 18. Referee—Taggart. Time of halves—20 minutes.

Harrisburg Game.

It was a team disabled physically and mentally that met the Harrisburg Collegians last Saturday night. The strain of the two preceding games proved too much, and the Capitol City boys had no trouble in defeating the Varsity. Bucknell played a good game, however, and their opponents had to play hard for all they made. The final score was 59-25.

Bucknell.		Harrisburg.
Brenner	Forward	McCord (Murray)
Schaffner	Forward	Brumbaugh (Bell)
Welchons	Center	Geisel (Schaffner)
Archer	Guard	Atticks
Gdaniec	Guard	Gaffney

Field goals—Brenner 1, Schaffner 4, Welchons 2, Archer 2, Gdaniec 1, Bell 1, McCord 3, Brumbaugh 7, Geisel 7, Atticks 4, Gaffney 2. Goals from fouls—Schaffner, 3 out of 7; McCord, 13 out of 19. Referee—John C. Johnson. Time of halves—20 minutes.

JUNIOR PROM TO BE BANNER EVENT OF WEEK

WILL BE THE LAST WORD IN BUCKNELL SOCIAL AFFAIRS.

The great social triumph of the year, the annual Junior Prom, is to be staged in the Lewisburg Armory Friday evening and those who are in a position to know state that it will eclipse any similar function ever held at Bucknell.

Nothing will be spared, says the committee, to make the occasion a memorable one. The famous Grange orchestra with complete personell, will be present from Muncy to dispense the rhythmic rhapsodies; the ball room will be decorated profusely and beautifully; the programs will be extremely novel and pretty, and refreshments are promised that will satisfy the most gastronomically fastidious. All in all it will be an event that none should miss.

The committee in charge of the Prom consists of the following members of the Class of 1915: Hopkins, chairman, Hamilin, Michael, Moyer, Patterson, Rawson, Rishel, Sellers, and Windsor.

The following patronessess have been announced by the Committee: Mrs. Anne K. Dreisbach, Mrs. W. L. Gerhart, Mrs. B. K. Griffith, Mrs. R. B. Huling, Mrs. Albert W. Johnson, Mrs. William Leiser, Mrs. C. A. Lindemann, and Mrs. Enoch Perrine.

The overture and grandmarch will begin at 8:30 o'clock and dancing will start at 9 o'clock sharp. Tickets of admission may be secured from members of the Committee or at the door.

1914 BASKET-BALL TEAM SUFFERS FIRST DEFEAT

GREATER WEIGHT OF JUNIORS PROVED UNDOING OF SENIORS.

For the first time in three years the Senior Class was defeated in basketball when the Juniors emerged victorious in a hotly contested game Wednesday night. The game was one of the roughest ever seen on the local floor, and the greater weight of the 1915 men triumphed over the superior skill of the Seniors. The final score was 31-20.

The Seniors were scheduled to play the Freshmen Saturday night, but the upperclassmen failed to put in appearance, and Dr. Brown awarded the game to the 1917 men by default.

The standing of the class teams is as follows:

	W.	L.	P.ct.
Juniors	2	0	1.000
Freshmen	1	1	.500
Seniors	1	2	.333
Sophomores	0	1	.000

—Glee Club Concert to-night.

JUNIOR WEEK NOW WITH US

SPECIAL EVENTS TO BE HELD EVERY NIGHT.

SOCIAL GALAXY WILL CLOSE WITH PROM FRIDAY

Concert by Glee and Mandolin Clubs Begins Festivities To-night.—Junior Smoker, Basketball Game, and Several Other Attractions.

The annual celebration of the Junior Class begins this evening with the Glee Club concert in Bucknell Hall. Extensive preparations have been made by the 1915 class to have this year's Junior Week surpass anything that has been held in former years, and prospects are exceedingly bright for the fulfillment of this ambition.

The concert by the Glee and Mandolin Clubs this evening will be the first concert by a Bucknell Glee Club in many years. The organization this year, under the efficient leadership of Rev. H. C. Rose, has been making exceptional progress, and according to those who heard the concert Thursday night at Mifflinburg by the musical clubs the concert this evening will be one of the big features of the week.

On Thursday evening the Seniors will be the guests of the Juniors at a smoker to be held in the gymnasium and this affair will no doubt be attended by all upperclassmen. In addition the play, "Maidens All Forlorn," will be presented in the Orpheum for the benefit of the Lewisburg Civic Club.

A recital of Shakespeare's "As You Like It," will be the attraction in Bucknell Hall Wednesday evening, the admission to the rendition will be only thirty-five cents for Bucknell students, and it is fully expected that a large number will take advantage of hearing the classic rendered.

On Thursday evening the Varsity will play Gettysburg in the Tustin gymnasium, and a record-breaking crowd is expected. Last week the Battlefield Collegians wrested a victory from the Orange and Blue in the last thre minutes of play, and the Varsity is looking for retaliation when the return game comes off. In addition to the game, Madame De Sylva, a noted contralto singer, is scheduled to give a concert in Bucknell Hall on the same exening.

The climax of the week will be on Friday night, when the great social extravaganza, the Junior Prom, will be held in the Lewisburg Armory. This event is always one of the most important social events of the year, and the committee is planning to make this year's Prom the best ever. It is expected that between 75 and 100 couples will be in attendance.

DEATH OF ALUMNUS.

Eugene Emley, '77, one of Bucknell's most prominent graduates in the profession of law, died at his home in Paterson, New Jersey, a week ago Sunday morning. He attained much prominence as a legal prosecutor and was rewarded by being elected to the State Senate for one term and to the County Prosecutor for three terms. Probably the most important case which came under his jurisdiction was the trial of the anarchists who led the Paterson strike in 1902, and it was mainly due to his unrelenting energy that the Silk City was freed from foreign anarchists. He was a member of the Sigma Chi fraternity.

GLEE CLUB CONCERT IN BUCKNELL HALL TONIGHT

CONCERT GIVEN AT MIFFLINBURG WAS HUGE SUCCESS.

The initial home concert of the year by the Combined Glee and Mandolin Club is to be given in Bucknell Hall this evening. A large number of tickets have already been sold and a well filled house is expected to welcome the musicians.

The Club gave a very successful concert in Mifflinburg Thursday night and received the full apreciation of a good sized audience. Some of the spectators after the concert were free to extend praise. One man said "You can come back again and we can assure you a $200.00 house; the boys made a big "hit." Another gentleman remarked "This was a good concert; it reminds me of my own college days.

There is some excellent talent in the clubs. Miss Hamler scored a big hit in Mifflinburg with her endings. The solos by Pedigo and Johnson, and the selections by the quartette composed of Messrs. Pedigo, Markle, Weber and Johnson, are among the features of the program.

WEBER WILKINSON YOUNGKEN, '09, A. M.

Professor of Botany and Pharmacognosy at Medico-Chirurgical College, of Philadelphia, and author of a new book on Pharmaceutical Botany.

SCHEDULE FOR 1914 BASEBALL

LIST OF GAMES ANNOUNCED BY MANAGER READING.

SCHEDULE OF HOME GAMES IS ESPECIALLY STRONG

Army, Cornell, Pittsburgh, Lehigh, and Famous Chinese Student Team to Cross Bats with the Orange and Blue.—A Western Trip.

The baseball schedule for the coming season as arranged by Manager William D. Reading, '14, has been announced and is one of the largest that Bucknell has had in many years Twenty-five games will be played by the team, eleven of these being slated to take place on the local athletic field.

One of the big features of the 1914 schedule is the western trip, to Pittsburgh and West Virginia, which will take the place of the southern trip to Washington and vicinity which the team usually takes. Five games will be played in four days during the trip. The Army and Lehigh and Cornell are among the big teams that will also be met on the trips.

The home schedule is an especially strong one for this season and but few schools that are not larger or equal in size to Bucknell appear on the list. One of the biggest attractions will be the Chinese University of Hawaii team which toured this country last season and defeated most of the college teams it played.

Arrangements for a southern training trip which was to take place during the Easter recess was attempted by Manager Reading but had to be given up recently on account of the inability to secure consecutive dates among the schools of Virginia.

The following is the schedule for the season:

April 4—Bloomsburg, at home.
April 9—Gettysburg, at home.
April 10—Elmira New York State League, at Elmira.
April 11—Cornell, at Ithaca.
April 17—Dickinson, at home.

SIGNED WITH FEDERAL LEAGUE.

Walter A. Blair, a former Bucknell catcher, who has figured in the professional baseball world in recent years, has been signed up by the new Federal League organization. His contract was sent in Monday to the Chicago office of the new league, and is good for three years for a nice fat salary. He will be assigned to one of the clubs in the eastern section, to be designated later when the players are distributed. Walter is a great catcher, and has played with Rochester, N. Y., and Jersey City International league teams, and with the New York Americans.

Contributions from students and alumni are earnestly solitited. They should be written in a legible hand. Address all articles to editor.

LEWISBURG, PA., FEB., 23, 1914

May we not again call the attention of the students to their own conduct at athletic games? In a recent issue of a nearby newspaper, in an article recording the recent game between Bucknell and Susquehanna, a very favorable comment was made on the conduct of the Selinsgrove spectators during the progress of the game in contrast to the "uncourteous" behavior of the Bucknell spectators while the visitors were shooting fouls in the Susquehanna game here the week before. We all agree that the practice of shouting and catcalling while the visitors are attempting to shoot is a pernicious one and the criticism, though rather severe, is not altogether undeserved. We all know the way to remedy this fault. Let's try it.

WILLIAMSPORT SCENE OF FRESHMAN BANQUET

SPEECHES AND CLASS SPIRIT MAKE THE OCCASION MEMORABLE.

Not to be outdone by the "Sophs," about 15 members of the freshman class pulled up stakes Friday and stole forth to Williamsport, where they held their first Class Banquet. Excellent speeches were given by the members, good spirit prevailed, and all were unanimous in the belief that the Best Class Ever has finally struck Bucknell. Vice President Moyer, of the Junior Class, was present as the guest of honor. President Hatfield acted as toastmaster, and the following toasts were responded to:

"Class Spirit" ..... G. Painter
"The Hill" ..... E. Cass
"Our Girls" ..... J. R. Fisher
"Mexican Athletes I Have Known" ..... E. Pedigo
"B. S." ..... "Fat" Mellinger
"Bulls and Bears"..... D. W. Korth
"Love, Honor, and Chastity"..... Calvin Smith
"Women" ..... R. Matlack
"Dear Bucknell" .... Irwin P. Sowers
"Merry Hengland" .... E. E. Aubrey
"Snipe Hunting" "Frankie" Hartman

The committee was composed of D. A. Haman, chairman; C. J. Hay, D. B. Shipman, A. Russell, Paul Collins, D. Dunkle, J. I. Shaffer, G. B. Champion, I. P. Sowers, C. I. Sprout.

DEATH OF MRS. VAN GUNDY

Mrs. Caroline Van Gundy, widow of the late Christian Van Gundy, '60, died at her home on Sixth street Sunday afternoon after a lingering illness. The following children survive: Dr. Justin L., of Carthage, Ill., Morris C., of Port Arthur, Tex., Miss Sarah, of Washington, D. C., and Miss Annie at home, and Mrs. Arthur A. Johnston, of Ware Neck, Va.

UNDERWENT OPERATION.

Rev. C. A. Soars, '88, of Norristown, father of Soars, '17, and secretary of the Pennsylvania Baptist Misionary Society, was operated on recently in Baltimore for internal ailments. Prospects for his complete recovery are reported very favorable.

BUCKNELL MAN AN AUTHOR

PUBLISHED A NEW PHARMACEUTICAL BOTONY.

Professor Heber W. Youngken, '09, Professor of Botany and Pharmacognosy at the Medical-Chirurgical College, Philadelphia, has written a Pharmaceutical Botany which appeared on Thursday last from the press of P. Blakiston's Son & Co.

The new book has been examined and approved by Dr. John M. McFarlane, Professor of Botany in the University of Pennsylvania, and has been edited by Dr. Francis G. Stewart, Professor of Materia Medica in the Medico-Chirurgical college.

In the text the author has endeavored to eliminate topics which are of minor importance and presents to the student and Pharmacist a clear, concise description of the facts which are essential. The work is included in two parts. Part I is devoted to the morphology (gross and minute) and to a less extent the physiology of the Angiosperms. Part II deals with the Taxonomy of plants, mainly but not wholly of Medical Value, together with the parts used and the names of the official and the non-official drugs obtained from them.

Throughout the text are excellent illustrations which help to set clear the facts set forth. The reading matter is of the highest order and is one of the few works on the subject that eliminates the unnecessary detail. The text will doubtless meet with popular approval everywhere, as it is up to date in every respect, a credit to the author, and to the College from which he was graduated.

SOPHOMORES HELD THEIR BANQUET AT SHAMOKIN

SECOND YEAR MEN CELEBRATED AT THE HOTEL GRAEMAR.

About thirty members of the Class of 1916 left the dull cares of student life Friday and journeyed to Shamokin where they partook of the joys of their Sophomore Banquet. The celebration was held at the Graemar Hotel and the "eats", the general enthusiasm of the speeches, and the wealth of good fellowship all contributed to its success. The following toasts were given, President Glass acting as toastmaster:

"Why Are We Here" .. "Cy" Butt
"Wine, Women, and Song"..... "Father" Crouse
"Class Athletics" "Swede" Mellander
"Impressions" ..... "Chief" Noble
"Freshmen" ..... "Kid" Oesterle
"Football" ..... "Peggy" Foley
"Girls" .... "In my harem" Hartman
"Fellowship" ..... "Bull" Hill
"Jokes" ..... "Tubby" Neff
"Our Departed Classmates"..... "Rev" Davenport

The committee consisted of C. W. Peters, chairman; H. C. Wolfe, W. E. Cowin, L. A. Switzer, L. N. Tripician, J. E. Malin, J. E. Nancarrow, E. C. Campbell, E. C. Hagemann, K. C. Ritchie.

SELECT SOPHOMORE ORATORS

The annual Sophomores oratorical contest in which volunteer speakers will participate will be held in the near future and the following men will take part: Blackburn, Bryant, Davenport, Fulton, Harris, Malin, Noble, Oesterle, Sanders, Snyder and Tilton.

SENIOR SEM RECEIVED.

The members of the Senior class of the Institute gave a delightful tea to a large number of friends in the Seminary parlors and school room Saturday afternoon from 3 to 5 o'clock. Dainty refreshments were served.

SENIOR PLAY COMMITTEE

The following committee has been named by President Riley to take charge of the annual Senior Class Play: C. Walter Lotte, chairman, Carl Rippel and Fred O. Schnure.

STUDENT SINGS SOLO.

Markle, '15, sang two solos Friday night at a reception for new members at the Christian church. He also sang one at the regular church service Sunday evening.

FRESHMEN ORATORS

SELECTED AT PRELIMINARY TRY-OUTS.

At the preliminary declamation contests of the Freshmen class, held last week, such an exceptionally large number of good speakers were revealed that Professor Smith has decided to conduct the final try-outs in a somewhat different manner than heretofore. Instead of having but five young men and five young ladies speak from the platform on the same evening the contests this year will be conducted on two different evenings, nine young men appearing on one occasion and nine young ladies on the other.

The successful contestants in the preliminary contests were as folows: Misses Barthold, Brown, Haslam, Johnston, McQuay, Owens, Speare, Westbay and Walker; and Messrs. Ackerman, Abbott, Aubrey, Bertin, Cryder, Sprenkle, Sprout, Soars, and Teamer.

There are fifty-seven football coaches on the athletic staffs of Yale, Harvard and Princeton.

PHILADELPHIA ALUMNI NEWS

DEVOTED TO THE INTEREST OF QUAKER GRADS.

PRESIDENT E. L. NESBIT ANNOUNCES COMMITTEE

Alumni Desire to Co-operate with College Authorities in Organizing and Keeping in Touch with the Former Students.

The following committees have been formed and the Chairmen designated:—

College Athletic Grounds: Chairman, Romain Hasrick, Bulletin Bldg. To cooperate with other alumni clubs in an investigation and report upon the ways and means to provide a better athletic field or improve the present one.

High Schools and Preparatory Schools: Ezra Allen, Ardmore, Pa., Chairman. To search the senior classes of such institutions for Bucknell prospectives and to bring Bucknell before them by illustrated lectures, literature, etc.

Recent Graduates: Stanley P. Davies, Y. M. C. A. Bldg., Chairman. To hunt up and "connect up" all recent Bucknell men in Philadelphia with the Philadelphia Alumni Club. To serve as a Steering Committee for new men in town.

Princeton Alumni Organization Plan: A. W. Wise, New Stock Exchange Bldg., Chairman. To visit Princeton and confer with Mr. H. G. Murray, Secretary of the Princeton Graduate Council, on Alumni organization.

Revision of Constitution and By-Laws: L. W. Robey, Land Title Bldg., Chairman. To revise Constitution and By-laws and report to Executive Committee for subsequent action by the Alumni Club.

It is desired that a full complement of each committee meet and organize not later than the first week in March. Chairman are requested to signify to the president promptly members they desire particularly to be associated with them in this committee work.

Edwin Lightner Nesbit,
President.

Snyder, '15, is working in the complaint-adjustment department of Gimbel Bros., Philadelphia. He expects to resume his studies at Bucknell next fall.

Cunningham, ex-'02, is engaged in the banking business in Philadelphia, and is residing at Cynwyd, Pa.

Walter H. Edwards, '13, who is engaged on an engineering corps of the B. & O. R. R., located at Paw Paw W. Va., appeared in this city last Saturday while on a week-end visit to his home. Edwards is expecting soon to accept a position with the Pennsylvania R. R. in Wilmington.

At the invitation and suggestion of Mr. Harold G. Murray, Secretary of the Princeton Graduate Council, who was the principal speaker at the joint dinner of Bucknell alumni and alumnae in December, a committee from the Philadelphia Alumni Club is planning in the near future to make a trip to Princeton with the purpose of learning first-hand from Mr. Murray the methods which he employs for organizing the alumni movement of his university.

In going to Princeton it is the idea of President Nesbit and his associates of the Phila. Alumni Club merely to learn how another institution solves the problem of the natural disintegration of its alumni forces and to carry back any suggections that may assist in meeting this situation as it affects Bucknell. The alumni, it is universally conceded, are a college's chiefest asset and to an institution that would be among the leaders this question of alumni organization must be an uppermost consideration. The Phila. Bucknellians are giving this matter much thought and want to assure Mr. Wilcox and the authorities at Lewisburg of their hearty co-operation.

The Junior Smoker will be held in the Gym. to-morrow night, beginning at 8.00 o'clock.

HILL GOSSIP

Neff, '11, was a visitor in town today.

E. K. Brinker, '07, is engaged in business in Boston.

Glee Club concert tonight. Admission only a quarter.

Nell Baker, '11, of Philadelphia, spent Sunday at his home in Lewisburg.

Waite, '10, is said to be doing splendid work in the Harvard Medical School.

The Varsity basketball game Thursday evening will be called at 7.30 o'clock sharp.

Brewer, '12, is in the civil engineering department of the Pennsylvania Railroad at Renovo.

E. K. Bolton, '08, Ph. D. Harvard, '13, is now studying in Germany under a Sheldon Traveling Scholarship.

Lange, '12, and Waldner, '12, are civil engineers with the Turner Construction Company of New York City.

The various departments of the Unversity are being given a vacation to-day to commemorate Washington's birthday.

The Allegheny College basketball team lost to Rochester last week in the second defeat on the home floor in eleven years.

Pugh, '11, a civil engineer with the Reading Railroad Company, has been promoted to the Philadelphia offices of that company.

Mr. and Mrs. Lewis E. Theiss, of New York City, are here for a visit at the home of the latter's parents, Prof. and Mrs. W. C. Bartol.

You exponents of the Art Dansant, the tango, Maxixe, etc., etc.,—preparations have been made for you at the Prom Friday night. Don't fail to miss it.

The Chemical Engineers of the Class of 1913 recently presented a set of three books on Oils, Fats and Waxes by Lewkowitz, to the chemical library.

Prof. Bromley Smith, as a representative of the American Peace Society, addressed the business men's club of Lykens on "International Good-will."

L. W. Stout, '13, visited his Phi Kappa Psi brothers over the week-end. He is at present employed with the brokering firm of Laird & Co., of Wilmington, Del.

Prof. H. C. Seiler, '08, who has been head of the department of science in the Franklin high school, has resigned his position on account of ill health and is now at his home in Milton.

On account of the concert in Bucknell Hall this evening by the Combined Glee and Mandolin clubs the interclass game scheduled between the Sophomores and Juniors has been postponed.

Gettysburg will be the visiting opponents at the basketball game next Thursday evening. This will be the second league game with this foe and the Varsity expects to take revenge for the defeat suffered last week. Game starts at 8 o'clock.

Registrar and Mrs. W. S. Wilcox left Sunday for Washington, enroute to Richmond, Va., where the former will attend the fourth annual meeting of the American Association of Collegiate Registrars, to be held there this week in conjuction with the meetings of the National Education Association.

SUCCESS OF ALUMNUS

Alexis W. Keen, a graduate in Chemical Engineering in the Class of 1913, has made wonderful progress in the employ of the United States Rubber Company. He was the 78th man out of eighty college graduates to enter their employment last year, and had the honor of being the second man offered a contract. He has now a position of great importance, having complete charge of the installation of the Electrical Resistance Thermometers of the company.

WEDDINGS AT CUT RATES

A recent press dispatch says that Rev. Max Wiant, '10, pastor of a Baptist church in Scranton, has announced that he would perform the marriage ceremony for any member of his Sunday school at half rates. There was much amusement over the offer, and it is intimated that the remark has already been the incentive for three engagements to be announced next week.

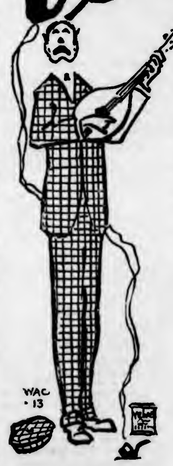
Velvet

THE SMOOTHEST TOBACCO



MUSIC hath charms—add a pipeful of Velvet and you are a whole orchestra. Such is the pleasure of good tobacco. Velvet, the tenderest leaf—aged in the old warehouse for two years—a slow, sombre, time-process of mellowing—in which all harshness is lost—the flavor toned, sweetened, made exquisitely smooth. A smoke without bite—music without discord! Velvet is known to be the most carefully matured smoking tobacco—only time can produce its delights—only patience insures its pleasures. All yours!

At all dealers.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII — LEWISBURG, PENNA., MONDAY, MARCH 9, 1914. — NUMBER 19

W. & J. EASILY DEFEATED BY ORANGE & BLUE

CONQUERORS OF PENN STATE WERE OUTCLASSED BY VARSITY

CONTEST WAS REPLETE WITH FAST AND CLEVER PLAYING

Captain Schaffner Unable to Take Part in Game.—Visiting Player Severely Injured By Fall on the Slippery Floor.

On Saturday night the Orange and Blue team, playing better basketball than at any time during the season, won a decisive victory from the strong W. & J. five in Tustin gymnasium. The largest crowd of the season was on hand to witness the contest, and the interest was intense throughout. As the game progressed and Bucknell's superiority was shown to a greater and greater degree the crowd went wild with enthusiasm, when the final whistle blew evidenced the fact that the victory was one of the greatest in recent years.

The W. & J. team is conceded to be one of the fastest teams in the state of Pennsylvania to-day, and after Bucknell's rather disastrous season a victory was hardly expected. The opponents will doubtless be the champions of the Western Section of the Pennsylvania League, and won a game from State on Friday night on State's floor. These facts make Bucknell's victory all the more creditable.

From the beginning of the contest until the final whistle blew the superiority of the Orange and Blue was evident to all. At no time during the game did the visitors have the home team outplayed. In passing, shooting, and all-around team work Bucknell displayed such proficiency that the result was never in doubt. Although the playing of every man on the team was of the highest calibre throughout, that of Welchons, the tall center, brought forth much comment. He easily put up the best game he has played this season, and it was about impossible for a W. & J. man to get the ball from him. On account of illness Capt. Schaffner did not start the game, but went in during the latter part of the second half. He started to play like a whirlwind, and scored a field goal in less than thirty seconds, but was compelled to retire before the final whistle blew.

Bucknell began things with a rush in the first half and soon had their opponents played completely off their feet. Most of the shots were made from a distance, Gdaniec bringing the crowd to its feet twice with sensational shots. C. Nuss, guard for W. & J., was injured soon after the game started, and a substitute had to be sent in. In this half Bucknell scored nine field goals to four for the Washington Champs and the half ended with the score 18-9 in Bucknell's favor.

The second half was practically a repetition of the first, except that Bucknell's superiority was even more evident. W. & J. was unable to score a point from the field and two points made from the foul line were the extent of the scoring. The Orange and Blue added six more field goals to their total, in addition to scoring two points on fouls. The final score was 23-11.

Bucknell		W. & J.
Murray	forward	Goodwin
(Schaffner)		(Bell)
Brenner	forward	Fisher
Welchons	centre	Brady
Gdaniec	guard	Braden
Archer	guard	C. Nuss (Moser)

Field goals: Brenner, 4; Welchons, 5; Gdaniec, 2; Archer, 3; Schaffner, 1; Goodwin, 2; C. Nuss, 2; Goals from fouls: Murray, 2 out of 5; C. Nuss, 1 out of 5; Goodwin, 1 out of 2; Brady, 1 out of 2. Referee Hagey; Time of halves, 20 minutes.

NOTICE.

Annual election of officers at this week's Y. M. C. A. meeting. Zinn, '14, will have charge of the meeting.

ADDRESSED CONVENTION

On Saturday, February 28, Prof. H. S. Everett, '12, addressed the annual convention of the Union County Teachers' Association. His subject was "Medical Inspection in the Public Schools," and the speaker outlined various common defects of the system, their causes, results, symptoms, remedies and operations.

FORMER VARSITY STARS TO RETURN FOR ALUMNI GAME

FRIDAY'S GAME WILL BE A FAST AND EXCITING CONTEST.

The Varsity basketball team will have its hands full in the annual game with the Alumni next Friday evening, if one is to judge by the reputations of the former stars who will be here to uphold the honor of the alumni. The team which will do battle with the Varsity will be composed of Zehner, '13, Fullmer, ex-'15, Bartholomew, '12, Fetter, '13, and Loewen, ex-'16.

The remarkable ability of ex-captain and coach Zehner and ex-coach Fullmer are well known to all who have seen the Bucknell teams of the past few years. Together with "Jimmie" Loewen these men have been playing this winter with Tamaqua and are the main-stays of their team. Bartholomew played a remarkable game as forward on the Varsity for three years and is said to have lost none of his skill and speed. Fetter is another aggressive player who always gives a good account of himself in the indoor game.

This is the youngest and probably the fastest alumni team that has ever been assembled in recent years, and the contest Friday should be one well worth seeing.

STURGIS, EX-'15, NOW WITH THE ATHLETICS

OTHER BUCKNELL ALUMNI WITH THE MAJOR LEAGUE TEAMS.

The Philadelphia Public Ledger of Sunday contained an excellent photo-engravure of Dean Sturgis, ex-'15, who is one of the catchers that Connie Mack is developing for his champion Athletics at Jacksonville, Fla. Sturgis did not return to college after the holidays, having decided to cast his lot with the big league ball players. Wychoff, ex-'15, is one of the pitchers at the Athletic's training camp.

A strenuous attempt was made by the Federal league authorities to get "Christy" Mathewson, 02, to leave the Giants and sign up with the new organization, but "Big Six," declined the flattering offers made him and has affixed his signature to a New York contract covering the next three years.

ENGAGEMENT ANNOUNCED

BETROTHAL OF TWO ALUMNI IS MADE PUBLIC.

The active and pledged members of Delta Delta Delta sorority were entertained by Mrs. Leo Rockwell, at her home on St. George street Saturday afternoon at which time the engagement of Miss Ruby Stuck, '12, of Tower City, and Thomas A. O'Leary, ex-'13, of Altoona, was announced. Among the guests was Mrs. Dr. Gerhart, of Lewisburg.

ANNUAL DUAL DEBATE TO BE HELD TUESDAY

THIRD VARSITY ORATORICAL CONTEST WITH RIVAL COLLEGE

GETTYSBURG AND BUCKNELL TO MEET IN FORENSIC CLASH

Riley and Richards to Advance Arguments at Gettysburg.—Broslus and Lotte to Present Bucknell's Side Here.

"Resolved, that There Should be a National Board of Arbitration with Jurisdiction Over All Disputes between Employers Engaged in Interstate Business and Their Employees," is the question which will be argued in the annual intercollegiate debate between Bucknell and Gettysburg tomorrow evening at eight o'clock in Bucknell Hall.

Following a contract between the two colleges there will be a joint debate, each college defending the negative side of the argument at home. Lotte, '14, and Broslus, '14, with Peters, '16, as alternative, will represent Bucknell on the negative side here, while Richards, '14, and Riley, '14, with Gehman, '14, as alternate, will uphold the affirmative on the Gettysburg platform.

This is the third year in which Bucknell has debated with Gettysburg and the result is at present a draw, each college having won at home each time. A great deal of interest is centered in the debate this year, since each college is working hard to break the tie and come out victorious.

The question is one which is of vital interest in the economic realm and is one with which all college students should become acquainted. In order that Bucknell Hall may be packed to the doors there will be no charge of admission this year, and all students and townspeople are urged to attend. The debate as usual will be in cap and gown.

FRESHMEN VS. SOPHOMORES IN ANNUAL CLASH TO-NIGHT

The basketball classic at Bucknell is the annual clash between the teams of the Freshman and Sophomore classes, which event will be staged in Tustin gymnasium this evening at 8 o'clock.

Both of the underclassmen teams have been playing fast ball in the interclass league and are apparently well matched. An added incentive for victory in the contest to-night is the fact that the winner of this fray will be qualified to play the Juniors's team for the championship of the college.

DETERMINED AVERAGE EXPENSE

OF EACH STUDENT AT BUCKNELL LAST YEAR.

The average cost to attend Bucknell for one year is $456.63 according to statistics compiled by Registrar W. S. Wilcox from the statements sent to his office in response to his recent request for information concerning the expense of the students at Bucknell last year. Each student was asked to include in his report all of his expenses, including tuition, board, room, light, clothes, carfare, and amusements. The largest amount reported was $900.00, while the smallest was $315.89. It is interesting to note that there were several that amounted to less than $350.00. There were but few that were more than $700.00.

The annual Gettysburg-Bucknell Debate will be held in Bucknell Hall Tuesday evening.

RECORDER OF DEEDS DOES NOT ASPIRE TO CONGRESS

The daily press recently made the statement that Recorder of Deeds, Tustin, '84, of Philadelphia, has turned down the suggestions that he be a candidate for the Republican nomination for Congressman in the Sixth district and will, instead, seek election for another term in the office he now holds.

TO TALK ON LIQUOR PROBLEMS.

The subject of the lecture by Dr. Harris to the College Bible Class on Sunday, March 15, will be, "Some Present Liquor Problems." The points discussed will be, the relation of the State and Federal Governments to the business, the increase in the amount of liquor used in the United States, and the question of compensation. The lecture begins at 9.30 and closes at 10.15 on Sunday morning. The public is invited.

GLEE AND MANDOLIN CLUB GAVE TWO ENTERTAINMENTS

WILL GIVE ANOTHER HOME CONCERT AT EASTER TIME.

The Combined Glee and Mandolin club gave two concerts last week, one at Montandon Wednesday evening and the other at Picture Rocks Friday evening. Both were attended by large and appreciative audiences. The entertainment given Friday evening at Picture Rocks is said to have been the best yet given by the club, every number being faultlessly given. Tonight the club is to give a concert at Northumberland.

Announcement is made that another home concert will be given by the club on Monday evening following Easter.

NOTED REFORM WORKER TO ADDRESS BIBLE CLASS.

The College Bible Class will hold a social evening in Bucknell Hall on next Thursday evening, at which all members of the Senior class are invited. Admission will be by tickets procurable from Secretary Goehring of the Y. M. C. A.

The address of the evening will be made by Rev. W. C. Hogg, of Williamsport, on "Practical Social and Civic Reforms." In which lines of activity he has had considerable experience.

ADDRESS AND BANQUET FOR MEDICAL CLUB

MEMBERS HEAR INTERESTING ADDRESS BL DR. HARTMAN.

The members of the Bucknell Medical society held a banquet at the Baker House Friday evening at which the guest of honor was Dr. Hartman, of the Keystone Hospital, Harrisburg. Twenty-five active and honorary members were present.

At the close of the repast a flashlight photograph of the group was taken, after which those present adjourned to the rooms of the Faculty club, where an address was given by Dr. Hartman, in which he spoke of the present-day cures for various diseases; the need of good men to conquer cancer, and the value of personal experience. A smoker and social session was held after the address.

Besides Dr. Hartman the guests of the evening were Dr. Follmer, of Williamsport, Secretary Goehring and Dr. Gerhart, of Lewisburg. The honorary members of the organization present were Dr. Gundy, Dr. Leiser and Prof. Stewart.

CALENDAR FOR THE WEEK.

Monday. Deutsche Verein meeting.

Tuesday. Intercollegiate Debate in Bucknell Hall.

Wednesday, Dunbar Male Quartet in Lutheran church.

Thursday, College Bible Class meeting in Bucknell Hall.

Friday. Lecture on Radium by Dr. Godspeed in Chemical Laboratory. Alumni Game.

Saturday. Examinations begin.

NEW COURSE IN DOMESTIC ARTS IS ESTABLISHED

SCIENCE OF THE HOUSEHOLD AND OF COOKERY TO BE TAUGHT

CURRICULUM ANNOUNCED FOR TWO-YEAR COURSE

New Course for Young Women Will Prepare for Teaching and Home Making. —Certificates Will Be Given to Those Graduated.

A two year's course in Domestic Science will be offered to the young women of the Institute beginning next year according to the 1914 edition of the College catalogue, which made its appearance last week. The new course will prepare students for either teaching or home making and will include in its curriculum a large number of subjects for which there has been a big demand during the past few years.

The requirements for admission to the Domestic Science course are similar to those necessary to gain Freshmen standing in the College, being equivalent to four years high school work. Certificates of graduation are to be granted to all who complete the prescribed course of study.

A large number of the subjects which will be included in the new course are already taught in the various departments of the University, and additonal instructors wil be added to the faculty next year to teach the new departments. The several varieties of Cookery which will be in the Domestic Science curriculum will necessitate the equipment of an instructing kitchen in the Women's College, which will be done during the coming summer. Instructors for this department have not as yet been announced.

During the first year of the course daily recitations will be given in Chemistry and Principles and Practice of Cookery, while General Physiology, Personal Hygiene, and Home Nursing and Emergencies will be given one hour daily for one term each. English language, Physical Training, Mechanical Drawing and Domestic Architecture are the lecture subjects for the year.

In the second year Cookery, and General and Child Psychology will be taught daily during the entire year, while in addition Chemistry of Foods and Biology will be given in the Fall term, Chemistry of the Household, Dietetics and Domestic Sanitation in the winter term, and Bacteriology in the Spring term. The minor or lecture courses will include English Language, Physical Training, Methods of Teaching Domestic Science, Invalid Cookery, and Household Management.

It is expected that a large enrollment will be secured in this department next fall as the demand for such a training as will be afforded by it has been exceedingly large in recent years.

DR. DAVIS' LIST OF BIRDS SUBSTANTIATED.

The list of winter and spring birds seen recently by Dr. Davis, of the college faculty, and printed in last week's issue of the Orange and Blue, has been substantiated by the Bird Calendar maintained by the Sophomore class in Zoology of the Lewisburg High School, taught by H. S. Everett, '12. The high school pupils have already reported the following birds: Jan. 3, Belted Kingfisher and Song Sparrow. Feb. 19, Horned Lark, Tree Sparrow; Feb. 28, Evening Grosbeak; Mar. 3, Robin.

Alumni game next Friday night.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, MARCH 9, 1914.

The victory of the Varsity team over W. & J. Saturday night was indeed a sweet one, especially when we recall the past football season. The Orange and Blue players undoubtedly played the best game of the season Saturday and were entitled to defeat the visitors by an even larger score. To the entire team is extended our sincere congratulations.

On account of the fact that the members of the editorial staff are subject to the same regulations as the other students, and are therefore expected to take at least a few of the examinations next week, there will be no issue of the paper next Monday. We will, however, print the same on Tuesday, providing, of course, that we will have gathered enough news by that time to warrant it.

That the prevalent progressive spirit has taken hold of Bucknell is demonstrated by the recent addition of the course in Domestic Science to the curricula of the University. Specialization in occupation is no longer limited to men alone, but the young women of our day are demanding and receiving professional education in an increasing variety of lines. To prospective teachers of Domestic Science the new course will offer exceptional opportunities while to those who expect to some day have homes and families of their own the training here received will be of inestimable value.

"THE ART OF WORRYING."

Last Thursday evening Prof. Lindemann gave an interesting talk on "The Art of Worrying," a subject which comes home to most of us. "Worrying," said the speaker, "is an art because we acquire skill in it by practice. The noticeable thing about it is that the person affected is in an uneasy state of mind. This is in turn injurious to the health of the individual. There are two kinds of people, i. e., those who ought to worry and don't and those who ought not and do. The former do a great deal of damage, while the latter waste opportunities and squander abilities. Worry takes up too much time and sleep. An old patriarch said: 'I have had many troubles during life, most of which never happened.' If the latter would be thought of occasionally there would be more optimism and affability in life. Every man should take as his motto: "No use crying over spilled milk"."

GAVE MATINEE DANCE.

Phi Gamma Delta entertained at a very enjoyable matinee dance on Washington's Birthday in their halls. This was followed by an informal dinner at the boarding club and attendance at the concert of the Glee and Mandolin Clubs in Bucknell Hall. The functions were attended by several young ladies from Milton, Lewisburg and friends from a recent house party at State College.

ALUMNUS RE-CALLS HEARING WENDELL PHILLIPS

DISTINGUISHED ORATOR ONCE SPOKE IN OLD MUSIC HALL.

Editor Orange and Blue:

The item in the last number of your paper to the effect that the freshmen class has presented to the College an engraving of Wendell Phillips reminds me that this great orator lectured at Lewisburg during my senior year,—1870-'71. The lecture was given in Music Hall, on the west side of Third street, just south of Market, which had just been completed. It was built, by the way, on the site of the old Baptist church, an old-fashioned brick building which was used during my freshman and sophomore years in college. In the basement of this church I believe the University had its beginning.

Wendell Phillips' lecture was on Daniel O'Connell, and still seems to me to be the greatest lecture or address that I have ever heard. He was tall, fine and impressive looking, (though he would scarcely be called handsome), erect, came on the platform in the most simple fashion, and did not move the position of his feet once during the lecture. His gestures were very quiet, and not once did he raise his hand as high as his head, and yet the whole of the large audience of students and town folk were spellbound from beginning to end. I can still remember some of his most impressive and interesting sentences and statements.

In the same course we heard Charles Sumner and others, but, as an orator, Sumner was not in Phillips' class. He, too, was a man of fine appearance and very impressive, but there was not the charm and strength and what we call magnetism about him which Phillips had, who as I have said, I have never seen equalled. I afterwards heard Phillips deliver his lecture on "The Lost Arts," but it did not seem to me to be nearly so strong a lecture as his "Daniel O'Connell," partly due, perhaps, to the fact that I heard the latter first.

This lecture and some of the others which I heard at Lewisburg during my junior and senior years have ever since seemed to me to be the most important single scholastic feature of my college course. I think there are few things of more importance to a young man in college and out of it than the opportunity of hearing great speakers, even great and strong men who may not be especially distinguished as speakers. I regret the tendency to displace lectures of this sort by entertainments or other lighter attractions.

G. M. PHILLIPS, '71.
West Chester, Pa., March 6, 1914.

DEATH OF DR. JOHNSON.

Rev. Edward A. Johnson, D. D., '87, pastor of Crozer Memorial Baptist church, Colwyn, died at his home in Darby, Sunday morning, after an illness of less than a week. Dr. Johnson was also a graduate of Crozer Seminary. His first charge was at Binghampton, N. Y. Others were Allegheny Avenue Baptist Church, Philadelphia, Bangor, Pa.; East Fishkill, N. Y.; Shenandoah, N. Y.; South Dover, N. Y.; Newport R. I., and Crozer Church, Colwyn.

NOTED PHYSICIST COMING.

Through the efforts of Dr. G. V. Brown, the students of Bucknell will have the privilege of hearing one of the foremost experts on the subject of radio-activity in the country, Dr. Arthur W. Godspeed, head of the Department of Physics at the University of Pennsylvania will give a lecture on radium on the evening of March 13. During the lecture, the expert will give a demonstration of condensing the emanations of radium with liquefied air. This experiment created much interest and attention at the Engineers' club of Philadelphia, recently.

Bucknell is especially fortunate in being visited by Dr. Godspeed and, since radium is now attracting a world wide attention due to its use to aid in curing cancer, a full house should greet the expert. Remember Friday evening, Mar. 13, no admission will be charged.

TO GIVE VARSITY PRACTICE

HARRISBURG CLUB WILL TRAIN AT LEWISBURG.

The Harrisburg Tri-State team will train at Lewisburg this season again, says the Harrisburg Star Independent of Friday, according to an announcement made by Manager Cockill, '05, who stopped in Harrisburg on his return from New York to Lewisburg, his home. This is an advantageous training ground, as the team can play regular games each day with the Bucknell team.

ELECTION POSTPONED

WILL ELECT TRACK MANAGER NEGT SATURDAY.

On account of a quorum not being present the special meeting of the Athletic Association which was to have been held last Saturday was postponed until next Saturday. The meeting will be called to order at 11 o'clock sharp. As announced previously, an Assistant Track Manager will be elected from the following candidates: Harold C. Edwards, Roland M. Jones, and T. Bennett Williams. Votes by proxy will not be accepted unless the voter puts his ballot in a sealed envelope and signs his name on the outside of the envelope.

GAVE CARD PARTY.

Phi Kappa Psi entertained a number of the College girls last Tuesday evening at the chapter house on Third street at "five hundred." Refreshments were served and fancy place cards and pink carnations were given as favors.

ILL HEALTH FORCES HIS RETIREMENT FROM PULPIT

Rev. O. G. Langford, '08, pastor of the Baptist church at Oaklyn, N. J., has tendered his resignation to that church to take effect March 15, and for the benefit of his health will give up preaching and teach school and work on a farm. The church will reluctantly accept his resignation. He Langford has been pastor of the church for several years and his ministry has been marked with much success.

QUEER RULES AT OXFORD.

When a student matriculates at Oxford University he is given a set of the University Statues written in Latin. For the modest sum of sixpense he may purchase an English translation of these rules. Among the peculiar laws laid down are the following:

1. No student shall play at marbles on the steps of any administration building.

2. No student shall roll a hoop down High street at any time, except three days in each year, designated by the proctors, when diligent work may earn him that privilege. (Be it, however, understood that this pastime is always open to the rector of Christ's College.)

3. No student shall at any time be seen on the campus with a bow and arrow; shooting at fellow students being especially forbidden.

"Proxs," or proctors, look out for infringements of these rules.

ORGANIZING ALUMNI.

Registrar Wilcox has for some time been actively at work in systematizing the alumni records which are kept in his office, rightly considering that this is the first step in the task of tying up the alumni more strongly with the interest of the school that the address and occupation of every graduate be kept up to date, and he has furthermore outlined definite plans for organizing the alumni of various localities in certain centers and through these centers to spread the movement both intensively and extensively.

Smoking in or around University of Kansas buildings must cease according to the recent ruling of the board of administration.

Theodore Roosevelt received the honorary degree of LL. D. from the University of Beuenos Ayres while on his visit to Argentine.

Five freshmen at the University of Wisconsin, who pleaded guilty to violating the cap rule, were sentenced to be thrown into Lake Mendata.

BELL RINGERS WEDNESDAY

FAMOUS COMPANY IN THE LYCEUM COURSE TO APPEAR IN LUTHERAN CHURCH.

The Dunbar Male Quartet and Bell Ringers will appear in Lewisburg Wednesday evening in the last number of the Y. M. C. A. Lyceum course. The entertainment will be given in the Lutheran church, beginning at 8:15 o'clock. Single admissions will be fifty cents.

The program of this famous company, which has given several excellent concerts here before, includ-trios, solos, vocal and instrumental, selections on a peal of bells, and readings. The bells were made in Europe and are six octaves chromatic ranging in size from one to twenty-five pounds. They are soft and mellow in quality and sustain their tones so long that the company has sometimes been accused of having a small organ concealed and operated in connection with the bells.

HILL GOSSIP

Albright defeated Lafayette Friday evening to the tune of 38 to 23.

Champion, '17, spent the week end with his parents at Montoursville.

P. D. Browning, '04, of Orbisonia, is spending several weeks at the S. A. E. house.

The Sophomores defeated the Juniors last Wednesday night by the score of 27 to 15.

The schedule for the coming examinations will be found in a convenient form elsewhere in this issue.

Hill, '16, was recently elected second lieutenant of Company I, 12th Regiment, N. G. P., at Williamsport.

Ned Borrows, of Picture Rocks, circulated among his Phi Gamma Delta brothers during the early part of last week.

The Academy basketball team defeated the Susquehanna University reserves at Selinsgrove Saturday afternoon by a score of 31 to 12.

Harris, '14, and Gray, '14, attended a sectional meeting of the Phi Gamma Delta fraternity held at Baltimore, Md., during the past few days.

Teed, '15 and Stover, '17, while playing basketball in the gym. Saturday afternoon ran into each other and as a result each has a severe cut over his left eye.

The local chapter of Sigma Alpha Epsilon, with a large number of Alumni from this section, will celebrate Founder's Day at a banquet at the Hotel Broadway, in Milton, tonight.

The Freshman-Sophomore basketball game will be held in the Gym tonight at 8 o'clock. The winning team will play the Juniors next Monday evening for the championship of the class league.

The Dunbar Bell Ringers will appear in the last number of the Y. M. C. A. lecture course in the Lutheran church Wednesday evening. Single admission, fifty cents.

A regular meeting of the Medical Society will be held in the Biology room Friday afternoon for the purpose of electing officers. The meeting will be called at 4.15 and all "medics" are urged to attend.

Romaine C. Hassrick, '06, of Philadelphia, has taken charge of the publicity work for this State of the campaign to nominate J. Benjamin Dimmick, of Scranton, for the United States Senatorship.

The fact that "Whitey" Zehner and "Mike" Fullmer are to play with the Alumni in the annual game with the Varsity Friday evening is sufficient evidence that the game will furnish excitement and interest from start to finish. These men have lost none of their skill and will play just as hard as alumni as they used to do as Varsity men.

WOMAN'S COLLEGE

Miss Ruby Stuck, '12, spent the week-end with friends at the Seminary.

Miss Ruth Mattern, '16, visited friends at Goucher college, Baltimore Md., last Saturday and Sunday.

Helen Ledlard has been visiting at the Seminary during the past week.

Henrietta Heinsling had her sister Elizabeth Heinsling, Seminary, '13, as her guest last week.

Delta Delta Delta announces the following pledges; Kathryn Redelin, Margaret Collins, Mary Reese, Margaret Walker, Edna Hilty, Yeurith Westbay, Evelyn McGann and Sarah Park.

Pi Beta Phi announces the following pledges; Aileen Johnston, Helen Brown, Jeanette Owens, Ruth Ballentine, Ella Jones, Alice Haslam, Geraldine Hanson, Elizabeth Lehr, Jeanette Cooke, Amanda Whittaker, Edith Horton and Ruth Bachman.

SCHEDULE OF EXAMINATIONS

TESTS WILL BE CONDUCTED UNTIL WEDNESDAY.

The schedule for the coming Winter term examinations is herewith given in a compact form:

Saturday, 8:15, 10:15 classes.
Monday, 8:15, 8:15 lectures.
Monday, 10.15, 11.15 classes.
Monday, 2:15, 3:15 classes.
Tuesday, 8:15, 8:15 classes.
Tuesday, 2:15, 2:15 classes.
Wednesday, 8:15, 9:15 classes.
Wednesday, 2:15, 1:15 classes.

Women Are Busy Trying on the Models in Spring Suits and Coats

getting the effects of the fullness through the hips, which seems so ample, yet preserves the slender lines; or finding the most becoming line for the many styles and kinds of belts.

Our new coats and suits for Spring have already proved themselves superior in many ways to other lines which are being shown. Come and see them. We have all the exclusive models of the day, in the newest colors and weaves.

Many new models of "Kop Service Corsets" for slender or stout figures, with low or medium bust. Made with an under part or bandlet reinforced, which gives the support to the body physicians recommend, while the skirt of the corset allows easy stylish lines.

A new Nemo corset, with the duplex, incurve back, for the woman who wants extreme reductions below the waist line.

In Connection With Our Silk Showing and Line of Wash Goods

Don't miss this showing. If you do you will be sorry, for after this week everything will resume its regular price.

From far and near you can all afford to come, for what you save will more than pay your expenses.

Much of this big stock must be quickly turned into cash.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, MARCH 16, 1914. NUMBER 20

ALUMNI WERE DEFEATED BY THE VARSITY

FORMER STARS GAVE THE VARSITY QUINTETE A CLOSE GAME.

CONTEST WAS MARKED BY VARSITY'S ROUGH PLAYING

Alumni Team Composed of Five Stars of Former Years Who Played a Fast Game and Came Near Winning.

The Orange and Blue wound up the basketball season on Saturday night in the Tustin Gymnasium with a victory over the Alumni team. The game was exceedingly close and interesting throughout, and it was not until the final whistle blew that the varsity was sure of a victory. The final score was 31-29.

The Alumni team was probably the best that has represented the "grads" in recent years, all of the players having been stars here not very long ago. "Mike" Fullmer and "Jimmy" Bowen played forwards and their passing was fully up to their old standard. Bartholomew, '13, jumped centre, while Zehner, '13, captain and coach of last year's team and Fetterhoff, '13, played the guard positions.

The Varsity committed more personal fouls and played a rougher game in this contest than in any other this season. The officials proved to be exceedingly lenient with the players, however, and the rough playing continued until the end of the game. During the second half the largest amount of cheering was from the Alumni team, although there were comparatively few graduates of the college in the audience.

During the first half a large number of fouls were called on the alleged players for used a two-handed dribble, which many of them are accustomed to using in playing under the collegiate rules. In the second half they were allowed that privilege.

Murray set the pace in regard to number of points scored, the tall Pittsburghman having four field goals and two fouls to his credit. His foul shooting was far superior to any that the Bucknell has shown during the season and undoubtedly turned defeat into victory for the Varsity.

Bucknell started off with a rush in the first half and soon forged ahead. Welchons caged three baskets, one of them from a difficult angle, and Murray and Archer each contributed two. Toward the close of the half the Alumni tightened up their defense and the half closed with the score 15 to 10 in Bucknell's favor.

The Alumni came back strong on the second half and soon had the score tied at 24 each. From then on until the end of the game the two teams were not separated by more than two points.

BUCKNELL.	Position	ALUMNI.
Heffner	forward	Fullmer
Murray	forward	Loewen
Welchons	centre	Bartholomew
Archer, 3	guard	Fetter
Fullmer, 4	guard	Zehner

Field goals, Murray, 4; Welchons, 4; Archer, 3; Fullmer, 4; Loewen, 3; Zehner, 2. Foul goals, Murray, 9 out of 13; Bartholomew, 11 out of 20. Referee, Hagle; time of halves, 20 minutes each.

VEREIN ELECTS OFFICERS.

On Wednesday evening, at its last meeting of the term the Deutscher Verein elected the following officers for the Spring term: President, Miss I. Etzweiler; Vice-president, Fannie Hamblin; Secretary, Emma Dillon; Treasurer, Ethel E. Peterson; and Critic, Samuel H. Markowitz.

CONVENTION OF COLLEGE REGISTRARS WAS HELD.

Forty-six colleges and universities were represented at the fifth annual meeting of the American Association of Collegiate Registrars held recently in Richmond, Va., along with sessions of the National Education Association.

Sectional meetings were held of the groups representing state universities, technological schools, small colleges, agricultural colleges and endowed institutions.

The convention was in charge of President E. J. Mathews, of the University of Texas, and the Secretary, Mary Scott, of Knox College.

Bucknell was represented at the Convention by Registrar Walter S. Wilcox.

PHI GAMMA DELTA SMOKER.

Saturday evening immediately after the Alumni basketball game the Phi Gamma Delta fraternity held an informal smoker in their rooms. Several of the alumni were present and addressed the active and pledged men, following which a light lunch was served.

DEUTSCHE VEREIN HELD AN ENJOYABLE DINNER

GERMAN STUDENTS ENTERTAINED THEIR FRIENDS IN THE CHAPEL.

Thirty-two members and guests of the Deutscher Verein gathered together in Bucknell Hall on Monday evening, March 9, to participate in what proved to be one of the most successful banquets ever held by the Verein. Before partaking of the excellent repast the Verein was entertained with vocal solos by Miss Margaret Evans, Alfred S. Van Osten and Prof. Paul G. Stolz, a violin solo by Louise Trescott, and a presentation of the legendary ring scene in Lessing's "Nathan der Weise" by F. Russell Hamblin and Edgar C. Campbell. The guests of the Verein were Prof. Paul G. Stolz, Harry S. Everett, Miss Mabel Johnson, Miss Margaret G. Stanton, Miss Eliza Martin, Mrs. Leo. L. Rockwell and Mrs. G. C. L. Riemer.

CONGRESSMAN BAKER WILL NOT BE CANDIDATE AGAIN.

Congressman J. Thompson Baker, ex-'69, of Wildwood, N. J., has announced that he would not be a candidate to succeed himself in the Second district at the coming primaries. He has heavy business interests in Wildwood and Philadelphia which require his attention.

JUNIORS WIN CHAMPIONSHIP OF THE COLLEGE.

The Sophomore basketball team, which defeated the Freshmen in the annual underclass contest last week, bowed in defeated before the Junior team Monday night in Tustin gymnasium. The game was a hard fought one but after the first half the result was never in doubt.

JUMPED TO FEDERALS.

Mike Doolin, the famous shortstop on the Philadelphia National League baseball team, and a former Bucknell player recently signed with the Baltimore Federal League team.

TRACK MANAGER ELECTED

JONES, '15, IS ASSISTANT IN SPRING SPORT.

At a special meeting of the Athletic Association held in Tustin gymnasium Saturday morning for the purpose of electing an assistant manager of track to fill the vacancy caused by the inability of Shoemaker, '15, to return to school, the largest number of votes cast were for Roland M. Jones, '15, of Treverton, who was declared elected by President Geiger.

DECISIONS IN DUAL DEBATE ARE AS USUAL

EACH COLLEGE WINS ON ITS OWN HOME PLATFORM.

GETTYSBURG AND BUCKNELL MEET IN FORENSIC CLASH

Judges Give Bucknell Decision Here Tuesday Evening.—Music by Orchestra and Vocal Solo Were on Program.

For the third time in as many years, the annual debate between Bucknell and Gettysburg again resulted in a draw this year, each college winning the debate held on its home floor. The dual affair was held on Tuesday night, and a fair-sized crowd was present in Bucknell Hall to hear the contest.

Bucknell's negative team which obtained the decision in Bucknell Hall, was composed of Lotte, '14, and Brosius, '14, and they had as their opponents Gruber, '15, and Keeny, '14, of Gettysburg. The affirmative team representing Bucknell at the Battlefield College was composed of Richards, '14, and Riley, '14. The presiding officer of the home debate was Judge Albert W. Johnson, while the judges were W. A. Wilson, Superintendent of Schools in Milton, C. M. Ellenberger, Superintendent of Schools in Sunbury, and C. M. B. Hicks, Esq., of Williamsport.

The question debated was "Resolved, that there should be a national board of arbitration with jurisdiction over all disputes between employers engaged in interstate business and their employees."

Mr. Gruber, the first affirmative speaker, said in part: "There is at the present time a need for a change in our present laws governing the settlement of labor difficulties. The social and economic conditions are such at the present time that we are unable to cope with troubles between employers and employees. We have four methods of settling difficulties, namely—strikes, lockouts, conciliation and meditation, and none of these methods have proved at all satisfactory. The public good demands that we have a national board of arbitration to settle all disputes."

The first speaker for the negative, Mr. Lotte, said, "We are seeking a true settlement of labor difficulties. A national board of arbitration would tend to do away with conciliation, and hence would destroy the mutual agreement between employer and employee. This would not be a true solution of labor difficulties and would result in evil. Furthermore, there is no need for a board of arbitration, since experience under the Erdman Act in the United States and under the Investigation Act in Canada has shown that conciliatory methods are successful. What we need is an extension of our present railroad law to cover all interstate business."

Mr. Keeny, the second affirmative speaker, said, "A board of arbitration would be of advantage to employer and employee, and to the general public. Experience has shown that we have been gradually working toward compulsion in our labor laws. It is only through a permanent board that we can have justice between labor and capital. The awards of such a board could be enforced, since such awards have been enforced under the Newlands Act, which has been very successful."

The second speaker for Bucknell, Mr. Brosius, said, "A national board of arbitration would be impracticable The board could not hand down an absolutely accurate decision, and an inaccurate decision would be unjust. Again, the awards of such a board could not be enforced successfully and effectively, because public sentiment, as shown by the opinions of many leading men, is against it. The employees, in addition, would be able to evade the law, and hence it could be enforced only against one party to the controversy."

Before the debate and between the first speeches and rebuttals the Bucknell Orchestra rendered several appreciated selections, while Miss Amy Hinchman, of the Institute, sang a very pleasing solo before the decision of the judges was announced.

MEDICS ELECT OFFICERS.

The medical society met in regular weekly session on Friday last in the Biology lecture room. Hinkley, '16, read a very interesting paper on "Caring for the Feeble Minded." After the regular business session the following officers were elected for the coming year: Davenport, '16, President; Hinkley, '16, Vice-President; Follmer, '16, Secretary; and Rishel, '15, Treasurer. Following a few remarks by President Baker the society adjourned until next Fall when the new officers will take charge.

DR. GOODSPEED GAVE INTERESTING LECTURE ON RADIUM

RECORD CROWD IN BUCKNELL TO HEAR THE LECTURE.

One of the largest audiences that ever crowded into Bucknell Hall assembled there Friday night to hear Dr. Arthur W. Goodspeed, head of the department of Physics of the University of Pennsylvania, deliver a lecture on "Radium and Radio Activity."

Dr. Goodspeed treated his subject which is naturally an abstruse one, in a surprisingly popular manner, which was understood by everyone present. A number of interesting experiments which he conducted added in explaining his remarks.

After outlining the constitution and history of Radio active matter the speaker made a lucid comparison between the emanations of Radium and the X-Ray, illustrating his statements by experiments and black board illustrations.

Probably the most interesting experiment conducted by Dr. Goodspeed was the condensation of the emanations of Radium by means of liquified air, which is a process done by but few scientists in this country. After condensing the emanations into a tube the lecture carried the apparatus about the room so that all could see.

One kilogram of radium, said the speaker, gives off enough energy in one month to run a twenty-horse power engine for twenty-five years.

An interesting fact, and one that Dr. Goodspeed, did not mention in his lecture, was that the radio active material with which he conducted his experiments Friday is the first that was ever brought into this country and is a prized possession of the University of Pennsylvania.

ALUMNUS IN SOCIAL WORK

DIRECTOR OF SOCIAL SCIENCE BUREAU.

William Hamnond Parker, '97, professor of social science in the University of Cincinnati, is the director of the Bureau of Social Welfare, which was recently organized at that institution. The program for the Bureau includes the dissemination of information and investigations into the social conditions in Cincinnati, which will be conducted with the aid of the students in the department of social science.

Prof. Parker is an officer of the Social Worker's Club and is a member of the Board of Directors of the Anti-tuberculosis league, and is interested in several other social organizations in Cincinnati.

REPORTS SHOW Y. M. C. A. TO BE FLOURISHING

HEDGE, '15, IS ELECTED PRESIDENT FOR THE COMING YEAR.

COMMITTEES REPORT AND SHOW MUCH ACCOMPLISHED

Much Credit for the Successful Year Past is Due to Secretary Goehring and the Retiring President D. D. Zinn.

The annual business meeting of the College Y. M. C. A. for the election of officers was held last Thursday night, and marked the close of the most successful year in the history of the Association.

The success of the past year is in a large part due to the untiring efforts of General Secretary William A. Goehring, '12, and President D. D. Zinn, '14, who have worked hard for the success of the Association and have kept up an interest in the work throughout the student body.

In the election which was conducted at this meeting, the following officers were elected for the ensuing year:

President, John W. Hedge, '15.
Vice Pres., Wallace J. Ward, '15.
Recorder, Raymond E. Cross, '15.
Treasurer, Eric A. Oesterle, '16.

The retiring president, D. D. Zinn, '14, called on the various chairmen of the standing committees for reports which showed that during the past year an unparalled amount of work had been accomplished.

The report of the Social Service Committee showed that considerable aid had been rendered the local churches during the past year by supplying leaders for prayer meetings and Sunday school classes, while Sunday school superintendents and teachers were furnished for churches in the surrounding rural districts. Members of the Association also assisted in conducting the Lewisburg Play Ground and in coaching the high school athletic teams.

The report of the Lyceum committee showed that the course recently completed was one of the most successful ever given, not only from the standpoint of interest but financially as well.

Eight Bucknell men attended the conference at Eagles Mere last summer according to the report of the Conference Committee, who said that the men had a great time spiritually, intellectually and physically.

Considerable aid has been rendered the College Bible Class, reported the Mission and Bible Study Committee, and several smaller classes were conducted throughout the year.

The Handbook Committee reported that a larger number of handbooks had been distributed this year than heretofore, and that the book was a success financially.

The financial report of the Treasurer is in the hands of the Registrar for audit, and will be published as soon as sanctioned.

BIBLE CLASS SOCIAL

DR. HOGG GAVE ADDRESS ON SOCIAL REFORM.

Last Thursday evening Bucknell Hall was the scene of a very pleasant social entertainment held for the College Bible Class. Dr. Hogg, of Williamsport, addressed those present and gave a very interesting and instructive talk on social reform relating his experiences along that line of work and showing what yet remained to be done. His talk was extremely entertaining throughout and was enjoyed by all those who were fortunate enough to hear him.

MONDAY, MARCH 16, 1914.

The examinations for many of us are now over and we are preparing to journey to our homes to spend the week of vacation around the family fire-side and the dinner table (mostly the latter) where we can recuperate vitality lost in the burning of the midnight oil and grow fat by means of frequent and generous applications of home cooking.

But do we all realize the inestimable amount of aid we can render our Alma Mater during the coming week by telling our friends that are to be graduated from the home high school this year about the many advantages of Bucknell which she offers to her students? It is at this particular time of the year that preparatory students are making up their minds as to what college or university they are going to attend and a few minutes of our time used in looking up these young people and in telling about Bucknell will do far more good than will a hundred letters and catalogues mailed from the Registrar's office. Most of us came to Bucknell because some friend recommended the school to us, so let us pass on the word and continue the good work.

Alma Mater becomes dearer to us every day we spend within her classic walls, and now, when we have an opportunity to show our affection in a material way, we should do it with all our energy and with all our heart.

Considerable comment has been made the past few days not only on the Hill but in the town on the playing of the Varsity basketball team in the Alumni game last Saturday night. The criticism, adverse as it has been, is conceded to be justified by a large number who witnessed the game, and three of the graduates who returned to play with the alumni team made the statement before they left town that they would never return again to be given the treatment that was accorded them on Saturday night.

Notwithstanding the fact that the Varsity has had an unsuccessful season and was anxious to close the season with a victory, and that the Alumni team contained in its line-up several individual stars who lead the list of Bucknell basketball players, there was absolutely no excuse for the Varsity players to play the kind of a game they did Saturday.

Would it not be far better to lose a game than to have a team composed of alumni of the institution go away feeling that they had been subjected to what is ethically a deep insult? The game is recorded as a victory but the honor of the victory is gone.

When Andrew D. White was helping Alonzo B. Cornell establish Cornell University he went all over Europe and America seeking advice. Among others he consulted Agassiz, the man who was then his country's leading scientist.

"Have you procured a professor in moral philosophy?" inquired Agassiz. "I consider that much the most important matter in organizing Cornell."

Doctor White says he was astonished that this prince of scientific men should lay so much stress upon the teaching of a moral code.

Provost Edgar Fahs Smith, of Pennsylvania, who was educated as a chemist and is even now issuing a new book on that subject, told me only a few days ago that he clings strongly to the belief that colleges should get back to the old classical education.

Doctor Smith, like Doctor Agassiz, seems to think that a college student should not be taught a trade, but how to apply correctly whatever trade he takes up.—(Girard in Public Ledger.)

A COMMUNICATION.

My Dear Editor:—

In a recent issue of your valuable paper, I was interested in one of the columns headed, "Ostracised from the Sem. is Fate of Fussers." Although the narrative was in some parts correct I would like to comment upon a few of the statements, for I was an eye witness to the occurance.

In regards to the borrowed dress suits referred to I would like to remark that they were the personal property of the wearers and it would seem ridiculous to even think that they were borrowed because these young gentleman come from wealthy families and have never been known to borrow a single copper.

The statement that the heroic "Defender of Hearth and Home" beat a hasty retreat after the fatal crash is not strictly adhering to the sixth commandment. Far be it from him, because, he was never known to run in his life; in fact it has been said, that he is too slow to stop quick.

Now I do hope and pray you will use the influence of your valuable paper to have these promising young students reinstated into good standing at the Sem for they are feeling the stigma of their disgrace and it is spoiling their whole lives!

An Ardent Reader.

REPORT FOLLOWS SENIOR COUNCIL'S INVESTIGATION

The Orange and Blue has been requested to print the following report of the Senior Council, which is self-explanatory:

Report of Senior Council.

In response to the sentiment of the Bucknell student body over the recent attempt by a student to defraud the Athletic Association by altering the number on an Athletic Association season ticket, we of the Senior Council, in whose hands the matter has been placed, make the following report:

After giving the holder of season ticket number 166 a fair opportunity to free himself from suspicion by disclosing the name of the party whom he accusses of having altered his ticket, but which he refuses to do, we of the Senior Council, after a fair and just investigation of the matter, place the guilt of the affair upon the holder of ticket number 166, and will consider him guilty of the misdemeanor until he will prove otherwise.

Futher, since it is the purpose of the Senior Council to aid in doing away with all that is base and detrimental to our College, we hereby give notice that if any further attempts be made to defraud the Athletic Association in any manner whatever, and if the cases are brought to the attention of the Council, the Council will take up the matter immediately and after a careful investigation, if the party or parties are found guilty, will publicly announce the names of the offenders in the columns of the Orange and Blue.

The Senior Council.

HARVARD DROPS 44 STUDENTS.

As the result of the mid-year examinations at Harvard University, 11 students have been dropped from the college list, it was announced Friday. Of the number 18 per cent. was juniors, 36 per cent. sophomores and 29 per cent. freshmen. The mid-year examinations last year eliminated 29 men.

Yale has the largest college library in America, containing 600,000 volumes.

PHILADELPHIA ALUMNI NEWS

Great progress was reported by Wise, '06, the chairman of the committee on the Princeton visit. The committee is almost completed and arrangements are being pushed to make the visit a helpful one to the Alumni Association and to the college.

Weymouth, '00, has just had his family increased by the birth of a son. This completes "Wey's" basketball team of five.

ANNUAL DINNER THE LATTER 'PART OF APRIL. BE ON THE LOOKOUT FOR A DEFINITE DATE TO BE PUBLISHED IN NEXT ISSUE.

A NEW ATHLETIC FIELD

In pursuance of the resolutions adopted by the Philadelphia Bucknell Alumni Association at the January bi-monthly meeting, Romaine C. Hasrick, chairman of the committee to investigate how best to place the athletic field at Bucknell University in proper condition or to make inquiry as to the feasibility of constructing a new field, is conferring with the presidents of the alumni associations throughout the country in an effort to launch a movement in which all alumni will be interested.

It is proposed to bring to the attention of all the alumni of the institution the imperative need of improving the athletic facilities at Bucknell. This question has been agitated on several previous occasions, but at no time has the movement for the development of a definite plan of action taken such firm root.

As chairman of the committee, Mr. Hasrick has communicated with Registrar Walter S. Wilcox, registrar of the University. Mr. Wilcox will be in Philadelphia next week and will review the situation regarding the athletic field at Bucknell.

Following this conference with Registrar Wilcox, the plan will be discussed with a representative of the Board of Trustees, so that the active support of the trustees may be obtained for the movement which has been inaugurated.

There is no reason why Bucknell should be compelled to scrape for money to meet its financial obligations from year to year. The college spirit in the institution excels that of any university in the State, and this is always a healthy sign in a university. The students always have supported the athletics of the school and can be depended upon to stand by the Alma Mater.

The alumni should be as aggressive in the support of the college athletics as the student body. Although no estimates has been made as to the probable cost of improving the athletic field or the building of a new field, it seems an assured fact that the alumni will be strongly in favor of the program and will finance it.

Every alumnus should enlist at once in this movement for better athletic facilities at Bucknell. Suggestions as to the best means of effecting the result will be received gratefully, and should be sent to Romain C. Hassrick, 1421 Arch street, Philadelphia. The other members of the committee of Philadelphia alumni are Clarence Weymouth and Carl Sprout. If the alumni rally to support this movement, there can be no doubt as to its ultimate success.

ROMAIN C. HASSRICK,
Chairman.

THE NEXT DINNER.

The Philadelphia Alumni Club's executive committee met recently and made arrangements for the annual dinner which will be held soon. The executive committee expects the coming dinner to be the biggest in the history of the club. Make up your mind to go and then help some other Bucknell man to make up his mind in the same way. Let's get every fellow out to this meeting that can come or be brought.

MISS CARA GODWIN REESE, '12.

Miss Cara Godwin Reese, B. Litt., 1912, died at her home, 216 North Lang Avenue, Pittsburgh, March 12. Miss Reese was prominent in Pittsburgh literary circles and contributed frequent articles to newspapers and magazines. She represented the women of Western Pennsylvania at the world's congresses and biennial meetings of the General Federation of Women's Clubs. She was an active in the establishment of the Southside Hospital and was a member of the Botanical Society and the Women's Club of Pittsburg. For many years she was organist of the Shady Avenue Baptist Church and a teacher in the Sunday school.

JAMES BRODE, ACADEMY.

James Brode, who was a student in Bucknell Academy several years ago but who has attended the Medico Chirurgical College in Philadelphia the past year, died last week at his home in Tamaqua after a lingering illness with tubercular pneumonia. His mother and several brothers and sisters survive.

HILL GOSSIP

The annual dance of Pi Beta Phi sorority will be held in the Armory to-morrow evening.

Brush, '13, who is attending Crozer Seminary at Chester, spent Saturday and Sunday on the hill.

Parke, '12, and Stougton, '12, civil engineers of the class of 1912, are with the Pennsylvania Railroad at Altoona.

A large informal dance will be held by the members of the Kappa Sigma fraternity in the Lewisburg club this evening.

Raymond Eastwood, ex-'10, is one of the proprietors of the American Sales Company, distributors of specialties and novelties, of Burlington, N. J.

Shattuck, '14, who has been traveling for the University the past term, visited on the Hill over Sunday. He expects to resume his work next term.

A report from the Panama Canal says that Ogden, '12, has received another promotion and is now in charge of some of the most accurate civil engineering being done there.

SWARTHMORE FORFEITS ITS CLAIM ON CHAMPIONSHIP

UNABLE TO MEET ALBRIGHT IN BASKETBALL FINALS.

Prof. Charles S. Kelchner in charge of athletics at Albright College, has made the announcement that Swarthmore had forfeited the championship of the Eastern Division of Pennsylvania Intercollegiate Basketball League and that Albright, the winner of the Central Division, is now ready to meet the winner of the Western Division to decide the State championship. Prof. Kelchner says Swarthmore reluctantly forfeited her claim to the eastern championship owing to her inability to meet Albright by reason of the vacation period beginning next week.

Albright's opponent in the intersectional series for the Pennsylvania championship continues in doubt, for on the outcome of the W. & J. vs. Pitt. game depends the western title. Albright is preparing to meet the winner at any time next week.

FINE CONCERT BY GLEE CLUB AT NORTHUMBERLAND

COMBINED CLUBS GREETED BY A LARGE AUDIENCE ON MONDAY.

The Bucknell Combined Glee and Mandolin Clubs rendered what the Northumberland paper acclaim one of the best musical programs ever heard in that town in the High School auditorium of that place on Monday night of last week. The attendance at the concert was even larger than was expected by the management. The club is said to have never appeared to better advantage than on this occasion and the program greatly pleased the audience.

ADDRESSED ENGINEERS

ON USE OF ELECTRICITY IN COAL MINING.

At the regular meeting of the Electrical Engineering Society held last evening P. D. Browning, '04, addressed the society on "The Use of Electricity in Coal Mining," telling of how the cutting of coal, the hauling of it from the mine, the ventilation and the drainage was now being done in up-to-date mines by the use of electricity. "The mining of coal," said the speaker, "has been revolutionized during the past decade by the introduction of electrical machinery."

Dr. G. A. Lung, ex-'83, Medical Inspector in the United States Army, has been transferred to the Naval Training station at Newport, R. I., and has been succeeded as Commandant of the United States Naval Hospital at Philadelphia by Rear Admiral Stokes.

Dr. Lung has seen hard service in various parts of the world, and was once family physician to Theodore Roosevelt when he was president. He was given special recognition by the government for his services during the Samoan disaster 25 years ago.

The Easter Fashion Silks

Among the very latest are fine, soft plain and moire chiffon taffettas, crepe de Chine, crepe meteors, satin Cashmeres, crepe, Egyptienes, crepe Arabians and Canton crepes.

This is a continuation of last week's silk showing, as owing to the bad weather, we are afraid many of the people who would like to have seen this beautiful and extensive Easter silk showing were prevented. So we have decided to give another chance at all that is new, at our special prices.

New Balmacaan Coats

THE LATEST NOVELTY OF THE SEASON

They are slip-on raglan models, made of the best and smartest materials, in all the new shades.

It is made with a convertible collar, can be worn with open, revers, flat mannish cuffs and full ripple back. This is positively the latest in New York and other Eastern cities.

Corset Comfort Doesn't Just "Happen"

From the viewpoint of comfort there never has been a more successful corset than the Red Fern. Nothing exists in the Red Fern to prevent a healthy, relaxed feeling at all times. It gives the wearer supreme enjoyment of being unconscious of wearing a corset at all. You get all this comfort attached to the Red Fern.

In connection with our corset department we have a separate fitting room, and an experienced fitter, one who knows just what you ought to wear and how you ought to wear it.

Velvet

THE SMOOTHEST TOBACCO

It goes equally well with the Moonlight Sonata or Rag—The leaf, the selection of experts—aged hanging in the warehouse for two years. A maturing that is seldom accorded any leaf. What happens—all harshness gradually vanishes—it becomes a leaf of rich mellowness—a flavor as seductive as the strains of good music—too smooth to bite the tongue.

The true art of producing smoking tobacco is manifested in Velvet—it takes time—takes patience—the making expense is more. But—Velvet is Velvet. At your dealers.

THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, APRIL 6, 1914. NUMBER 21

VICTORY FOR VARSITY IN FIRST GAME

BASEBALL SEASON OPENED ON THE BUCKNELL FIELD SATUDAY.

BLOOMSBURG NORMAL WAS DEFEATED IN SIX INNINGS

But One Error Chalked Up to the Varsity Team.—Freshmen on the Line-up Show Promise of Making Good Players.

The local baseball season was auspiciously opened Saturday afternoon when the Varsity won a six-inning game from the Bloomsburg Normal School nine. The day could not be called a good baseball day, and the low temperature kept a great many spectators away. The game was called at the end of the sixth inning by agreement, to enable the visitors to catch a train. The score was 7-2.

Considering the fact that it was the first game of the season, the Orange and Blue played a very good game. Only one error was charged to Bucknell, and that was on a hurried throw by Brenner to Cruikshank. The Normalities played a rather loose game, and made seven errors, several of which aided Bucknell matterially in rolling up her score.

Several freshmen were seen in the Bucknell line-up, and they showed up well in their first appearance. The work of Seeman and Storer on second and short was exceptionally good, and they look like permanent fixtures on the team, while Murray looked good as a catcher. Brenner pitched after the second inning and although a trifle wild at times, he shows promise of developing into a first class twirler.

Seeman started things going for Bucknell in the first inning with a drive toward left field. Cruikshank got to first on an error. Miller showed that his batting eye was as good as ever with a stinging drive for three bases, scoring Seeman and Cruikshank. Two error by Atem and a hit by Murray in the fourth added another to Bucknell's total.

Two hits, three errors, and a free ticket to the initial sack enabled the Orange and Blue to score four runs in the sixth and final period. Worrilow reached first on a hit and stole second. Storer made first on an error by Curley and Worrilow came home. Murray flied out. Brenner reached first on a slashing drive between first and second, scoring Storer. Sprout ran for Brenner and stole second. Yon reached first on an error, and Sprout came home with the last run of the game.

Bloomsburg's tallies came in the third innig and were gifts from Brenner. Two free passes to first, a wild pitch and an overthrow to first base, coupled with a hit and a passed ball, enabled the visitors to score two runs. After this Brenner settled down, and Bloomsburg did not have another chance to score.

The score:

Bucknell

DWITE H. SCHAFFNER, '15. Captain Varsity Basketball Team During the Past Season.

"BILLY" SUNDAY CANNOT COME TO LEWISBURG

HIS HEALTH, HE SAYS, WILL NOT WITHSTAND THE STRAIN.

An effort was made by members of the University faculty last week to have "Billy" Sunday, the famous evangelist now working with great success in Scranton, to come to Lewisburg and deliver one or two of his sermons on Monday, April 20th. Prof. Phillips and Registrar Wilcox were in Scranton last week where they interviewed Rev. Sunday and urged him to come to Lewisburg.

Since returning from the trip Prof. Wilcox has received a communication from Mr. Sunday in which he states that he appreciates the kindness of the University authorities in inviting him to speak here, yet the physical strain of the campaign which he is about to bring to a close compells him to decline any other engagements other than those remaining on his schedule for Scranton.

Secretary Goehring is now investigating the arrangements and expenses for a special train to run from here to Scranton the latter part of this week or early in next, that the students may have an opportunity to hear the evangelist. If the project is found to be feasible the detajls will be announced in chapel and published on the bulletin boards.

COACH DICKSON MAY BE CALLED TO U. OF PA.

The Philadelphia papers last week published rumor current in that city that Coach "By" Dickson for three years coach at Bucknell, may be called to assist at the University of Pennsylvania, where he played during his college days. If the report is true he will handle the linesmen for Brooke.

Call For Track Team.

All aspirants for the Track Team are requested, by Capt. Lowther to report at the Gym. at 4:15 o'clock on Tuesday afternoon.

THE Y. W. C. A. INSTALLS ITS NEW OFFICERS

RETIRING PRESIDENT DID MUCH TO INCREASE ITS EFFICIENCY.

MISS CARPENTER IS WELL FITTED TO BE NEW HEAD

Strength of Local Association Recognized by National Board Which Selected Miss Groff as a Member.

In a short but very impressive ceremony held Tuesday evening, March 31, the old cabinet of the Young Women's Christian Association handed over their duties and responsibilities to the newly elected cabinet officers.

Miss Davis, the former president, conducted the meeting and spoke briefly of the ideals of the Y. W. C. A. at Bucknell. During the past year, she said in part, we have had two definite aims before us: to deepen the meaning of membership, and to increase the spirit of democracy among the girls at Bucknell. In the former Dr. Phillips especially has aided us by giving us a series of talks on Christian fundamentals, in the latter the co-operation of the girls and the democratic spirit spread abroad by Student Government have made our aim more than a mere day dream.

Miss Davis has held the office of president for practically two years. She was elected during the Spring term of her Sophomore Year to take the place of Miss Margaret Weddell, who had resigned, and when the time for the next election came around, every one felt that she was the one girl of all others who should be the leader of the girls at Bucknell in their striving after higher ideals of Christian womanhood. Under her administration the Association has reached such a high degree of efficiency that when the National Association decided to have an Annual Student Member in every district of four or five colleges to represent that district in the National Board, Bucknell, which district including Susquehanna, Juniata, Irving and Bucknell was honored by having one of her girls chosen as the first Annual Student Member in this district.

Miss Carpenter, the new president, was one of the two girls chosen to represent Bucknell at the National Student Volunteer Convention held this winter in Kansas City. The enthusiasm brought back by her from that convention was contagious and an interest greater than ever before was taken in the mission study classes this past term. Not only in Missions but in all phases of Y. W. C. A. work has Miss Carpenter shown the same enthusiastic spirit, and as an all round college girl and Y. W. C. A. worker, is beyond question the one best fitted to take up the work where Miss Davis has left it and carry it on even to a greater degree of efficiency.

The following are the officers of the new Cabinet:

President, Harriet Carpenter, '16.
Vice President, Winifred Miller, '15.
Secretary, Lucile McGee, '16.
Treasurer, Lora McQuay, '17.
Chairman Religious Meeting's Com., Edna Sayenga, '17.
Chairman Mission Com., Alice Haslam, '17.
Chairman Social Com., Dorothy Hunnell, '16.
Annual Student Member, Helen Groff, '16.

Upper classmen at Oberlin are fined the sum of $3 if they register too late.

HAS ANNOUNCED CANDIDACY

Wm. C. Walls, '73, the well known local merchant and vice president of the Lewisburg National Bank, is being suggested as a candidate for the Democratic nomination for Congress. Mr. Walls has a wide acquaintance in the district and his candidacy promises to be a formidable one.

ALUMNUS APPOINTED A JUDGE BY PRESIDENT.

O. B. Dickinson, ex-'77, of Chester, has been appointed by President Wilson to be additional United States Judge for the Eastern District of the State. Recommendations for the appointment were sent to the Senate last week and were confirmed by that body. The appointment of Mr. Dickinson is said to have been the outcome of a spirited patronage contest in the Democratic contingent in the House.

CANDIDATES WANTED FOR ANNUAL MINSTREL SHOW

—o—

ASPIRANTS SHOULD REPORT AT BUCKNELL HALL TONIGHT.

A call for candidates for the annual college minstrel show, which will be given early next month, has been announced by Manager Tripician, '15, and a meeting to organize and plan the show will be held in Bucknell Hall at 9 o'clock this (Monday) evening.

By virtue of its past excellent performances the College Minstrel show has earned for itself a position probably second to no other annual event of Bucknell life. And it is hoped that support given the project this year by the students will be more than sufficient to maintain the high standard set by shows of former years. A large number of men who took part in the production last year have been graduated and about twenty new men will be needed to make up the complete cast.

The press agent of the show in collaboration with the dramatic editor of the Orange and Blue, will from time to time keep the public informed concerning the progress of the practices.

CARL E. GEIGER, '15. The New Editor-in-chief.

NEW EDITOR APPOINTED

WILL ASSUME NEW DUTIES WITH THE NEXT ISSUE.

Carl Edward Geiger, '15, of Williamsport, has been selected by the faculty advisory members of the Orange and Blue Board as the next editor of this paper. He will assume his new duties with the next issue.

Mr. Geiger has been on the staff of the Orange and Blue for two years and was the editor-in-chief of the 1915 L'Agenda, which will make its appearance next week.

According to custom the new editor will conduct a competitive tryout for positions on the Editorial staff, the contest being open to any member of the school.

John T. Shirley, ex-'09, who is now engaged in the insurance business in Harrisburg, was a visitor on the hill Wednesday.

PROSPECTS ARE BRIGHT FOR A WINNING TEAM

MANY CANDIDATES OUT FOR JOBS ON BASEBALL TEAM.

EIGHT OF LAST YEAR'S VARSITY ARE IN SCHOOL

Policy of Captain Cruikshank Is To Develope Team By Degrees.—Will Teach Men "Inside" Ball This Week.

The outlook for a winning baseball team this year is brighter than it has been for several seasons. Practice has been going on for almost two weeks, and Capt. Cruikshank is very well pleased with the manner in which the applicants for the various positions have been playing. Eight of last year's Varsity team are still in school, and with the large number of last year's scrubs and the material in the freshman class, a good combination should be developed.

The policy which Capt. Cruikshank is following is that of developing the team by degrees, rather than whipping the men into mid-season form at the outset of the season. So far he has busied himself with getting a line on the different candidates so as to discover their individual worth. This week the candidates will be given some pointers on inside baseball, and will be gradually developed so as not to go "stale" in the big games which come toward the close of the season.

On account of the excellent form which many of the new men have been displaying in practice, it is expected that there will be unusually keen competition for the Varsity berths, and there will probably be some shifting around before the regular line-up can be ascertained.

Of last year's pitchers Hagan, '16, Amgstadt, '14, Buffington, '15, and Liebensberger, '17, are again on duty. Of the new men Brenner, '17, of Hollidaysburg, looks especially promising, and should develop into a reliable twirler. Smith, '16, Alter, '16, and Sellers, '15, who were out last year are candidates again for the mound position, as well as Archer, '17, of Bridgeton, N. J., Smith, '17, who comes from Bellefonte Academy with a good reputation, and Weber, '17 of Mercersburg.

The most likely candidate for the receiver position is Sox, '17, who has an excellent wing, bats well and has all the ear marks of a finished player. Murray, '17, of Binghamton, N. Y., and Gruver, '15, are also out for catcher, and both are developing at a rapid rate.

The probable line-up of the infield will be the same as it was in Saturday's game, with Cruikshank on first, Seeman, '17, of Oakmont, on second, Storer, '17, of Pitman, N. J., on short, and Worrilow, '14, captain of last year's Varsity, on third. Worrilow, '14, has been shifted from second to third and is showing up very well in the new position. The two freshmen, Seeman and Storer, are fast infielders and will prove a good acquisition to the team. Of the other candidates for the infield positions Snyder, '16, has shown exceptional promise while Pangburn, '15, Hopler, '17, of Williamsport, and Yon, '17, of Atlantic City, are also showing up well.

The outfield will probably be the same as last year, with Miller, '16, in the left garden, Topham, '15, in centre, and Gdaniec, '15, in right. Sprout, '17, of Picture Rocks, a member of last year's Keystone Academy team, is a likely candidate, as he is a natural hitter and very fast on the bases. Urbanowicz, '16, and Sipley, '17, another Keystone man, are also showing up well.

MONDAY, APRIL 6, 1914.

SWAN SONG.

With the publication of this number of the Orange and Blue the editorial staff which has served during the past year retires and passes on to the new staff the responsibilities and the cares of the office.

The amount of good, if any, that we have accomplished during the year that we have had charge of the paper we leave entirely to our readers to judge. Our only claim to credit is that we have tried to work faithfully in the discharge of our duties and have expended a goodly portion of our time and energy to maintain the high standards set by those whom we succeeded. If we have failed to accomplish definite progress during our period of service it has been because of our lack of ability, and not because of any lack of interest or ignorance of the paper's shortcomings.

The thanks of the retiring editor are extended to the members of the faculty, the alumni and the student body who have so generously aided him in his weekly task of chronicling the news of the college and its interests. To the new editor and his staff he extends his best wishes for a most successful administration.

The inadequacy of fire protection in college buildings has been brought to the attention of all colleges throughout the country by the recent disastrous conflagration at Wellesley college. To us, at Bucknell the event has pointed a warning finger tor the almost complete lack of fire fighting facilities in the buildings on the Hill makes the fact that Bucknell has never suffered much from fire a hard one to understand, for almost yearly a small fire is discovered in a dormitory in some one of the buildings. An ounce of prevention is surely worth ten piles of ashes.

BROWN DEBATED SAME QUESTION AS BUCKNELL

COMPULSORY ARBITRATION WAS DEBATED BY TRIANGULAR LEAGUE.

The choosing of Compulsory Arbitration as the question of the dual debate recently held by Bucknell and Gettysburg has been commented on by the Brown Daily Herald in the following exerpt from that paper:

"It is interesting to note that Bucknell and Gettysburg chose the same question for their annual debate as did the Triangular League, of which Brown is a member. The former colleges, however, broadened the question to include all interstate businesses, while the Triangular League confined it to interstate railroads only. So far as is known these are the only two cases in which compulsory arbitration has been chosen as the question for debate by eastern universities this year."

COLLEGE GIRLS PRESENT PLAY, "A BOX OF MONKEYS"

MEMBERS OF FRILL AND FROWN ON THE BOARDS AT THE SEMINARY.

A laugh provoking play in two acts, entitled "A Box of Monkeys," was presented before a large audience in the class room of the Institute Friday evening by members of the Frill and Frown, the dramatic organization of the Bucknell young women. The play was given under the direction of Miss Edith Schillinger, head of the department of elocution.

The production marked the dramatic debut of three of the members of the cast, Miss Westbay, Miss Park and Miss Brown, but to the audience this fact was totally unapparent, so well did they speak their lines and perform their parts. The parts taken by Misses Bunnell and Williams were also exceptionally well handled.

The cast of characters were as follows:

Edward Ralston, a promising young American, half owner of the Sierra Gold Mine—Dorothy Bunnell, '16.

Chauncey Oglethorpe, his partner, second son of Lord Doncaster—Ruth Williams, '16.

Mrs. Ondego-Hones, an admirer of Rank—Yeurith Westbay, '17.

Sierra-Rengaline, her niece a prairie rose—Sarah Park, '17.

Lady Guinevere Llandpoore, an English primrose, daughter of the Earl or Paynaught—Helen Brown, '17.

WILLIAMSPORT ALUMNI ELECT NEW OFFICERS

ASSOCIATION OF GRADUATES HELD MEETING ON MARCH 28TH.

The Williamsport Bucknell University Alumni Association held a business meeting in the University Club of that city Saturday night, March 28th, and elected new officers to serve during the ensuing year. Preliminary arrangements were also made for a banquet to be held early next month.

The reorganization of the Williamsport Club is the initial step in a movement to arouse a renewal of activity and college spirit among the many alumni of the college now residing in Lycoming county.

The officers elected were as follows: Clarence E. Sprout, '83, president, Oliver J. Decker, '99, secretary, and John H. Foresman, '93, treasurer. Registrar Wilcox, '04, represented the University at the meeting.

FORMER BUCKNELLIANS ON TOAST LIST AT STETSON.

A recent issue of the Stetson University Collegian, of Deland, Fla., says that "Steve" Jordan, "Squirrel" Fisher and Forest Dunkle, former Bucknell students who are taking the law course at the southern school, were among the men who responded to toasts at the St. Patrick's Day banquet held there. President Lincoln Hulley, Bucknell, '88, was the toastmaster.

"PROF" FAHRINGER WILL LEAD THE COLLEGE BAND.

An article outlineing the proposed program for the Odd Fellows celebration to be held in Lewisburg, on Friday, April 24th, the last issue of the Lewisburg Journal says:

"Prof. Fred Fahringer, leader of the Bucknell University band, will be the leader of the massed bands which will march up Market street playing "Onward Christian Soldiers" at the conclusion of the parade."

EDITOR WAGENSELLER TO RUN FOR CONGRESS

George W. Wagenseller, '82, editor of the Middleburg Post, has announced his candidacy for the nomination on the Washington party ticket for congress in the 17th district, of which Union county is a part.

Prof. E. Doolittle, of the University of Penna., recently prophesied that the world will exist for fifteen million years longer.

PHILADELPHIA ALUMNI NEWS

COMMITTEE HELD A CONFERENCE AT PRINCETON.

EVERY ALUMNUS SHOULD ATTEND ANNUAL DINNER

Philadelphia Alumni Association to Hold Biggest Annual Dinner in Its History at the Rittenhouse April 18th.

At the meeting of the Executive Committee Friday, March 20, the following business was transacted:

The Princeton Committee reported that it had made the trip and had had a long conference with Mr. Murray, the Princeton Alumni Secretary. The whole afternoon of Thursday was spent with him and all the details of alumni management were discussed. The Committee came away with a great fund of information which it will put into shape soon for general use.

On the evening of Saturday, April 18, the Bucknell Club of Philadelphia expects to have the biggest annual dinner of its career. We are going to have some of the best speakers we have ever had. The program has not been completed yet and as soon as it is, it will be passed on to you in these columns. Most of us know what the Rittenhouse will do for us in the hotel way. The price is reasonable $2.50. Everything seems satisfactory for everybody—so come. Put the date April 18, 7 P. M.—down in your date book and come. And then turn to the fellow next to you and bring him.

IT WAS DECIDED TO HOLD THE ANNUAL DINNER AT THE HOTEL RITTENHOUSE ON APRIL 18 NEXT AT 7 P. M. THE PRICE WILL BE $2.50 PER PLATE.

FOUR FRATERNITY DANCES GIVEN DURING VACATION

GREEK LETTER PEOPLE ENTERTAIN THEIR FRIENDS AT DANCES.

During the recent spring vacation the Pi Beta Phi and Delta, Delta, Delta sororities and Kappa Sigma and Sigma Chi fraternities held their annual spring dances, each of which was successful in every detail.

Kappa Sigma Dance.

The Lewisburg Club was the scene of the dance which was given on Tuesday evening, March 17, by the Kappa Sigma fraternity. The music was furnished by the Grange orchestra and was exceptionally fine. About twenty guests were present, who with the active and pledged men of the chapter, enjoyed the functions to the full. Murray, '13, who is now studying law at the University of Pennsylvania, Prof. Griffith and Prof. Lindemann, of the faculty represented the alumni.

Pi Beta Phi Dance.

On the following evening at the Armory, Pi Beta Phi sorority entertained their friends at an informal dance. About fifty couples were present. The hall was tastily decorated with fraternity banners, college pennants and palms. Grange orchestra again furnished fine music for dancing. During intermission a dainty lunch was served.

Alumni members and guests from ton, Sunbury, Harrisburg and ...illiamsport were present.

Delta, Delta, Delta Dance.

The Delta, Delta, Delta held its annual dance in the Armory Tuesday evening, March 24, with about sixty couples present. Calhoun's orchestra, of Northumberland, furnished all the latest music for dancing and elicited much favorable comment. The walls of the hall were elaborately decorated with college pennants and banners. A light lunch was served during intermission.

Miss Jane Irey, of Danville, Mrs. Cauldin, of Milton, and Mrs. Rockwell, of Lewisburg, were among the alumni present.

Sigma Chi Dance.

The Sigma Chi Dance given on Thursday night, March 26, was perhaps one of the most successful and enjoyable dances ever held in the history of the local chapter and one of the most pretentious affairs of its kind ever held at Bucknell.

The Armory was beautifully decorated with green foliage and palms, college pennants and fraternity banners. The big beams of the ceiling were covered with branches of laurel, and among the foliage were scattered several hundreds of small incandescent lights.

A feature of the function was the program of popular songs rendered by a trio of negroes from Sunbury, who sang and played during the intermission between the dances. The music for dancing was furnished by the Sulzer Orchestra, of Pottsville During the intermission a light lunch was served.

There were about 80 couples present, including guests from Sunbury, Mt. Carmel, Penn State, Williamsport, Danville and Milton. Among the alumni present were Loveland '11, of Pittsburgh, Sammels, ex-'15, of Mt. Carmel and Huffman, ex-'11, of Sunbury.

Margaret McClure and Isabel Wolfe, of Lewisburg, visited at the Seminary Friday afternoon and evening.

Edna Miller, '16, of Williamsport, and Mrs. Helen Hare Sholl, of Pitman, N. J., were dinner guests at the Seminary Friday evening.

Y. M. C. A. NOTES

The Social Service Committee will again assist with the work of the Lewisburg Playground this spring.

Rev. Henry J. Scudder, a returned Missionary of India, was the speaker at the regular meeting of the Association last Thursday evening.

The Conference of the College Association Presidents of Pennsylvania will be held at Bucknell May 1—3 Further particulars will be announced later.

At a recent meeting of the newly appointed Cabinet, President Hedge, announced his intentions of appointing a Committee to conduct visiting Odd Fellows through the University buildings April 24th.

HILL GOSSIP

Gettysburg vs. Bucknell on the campus Thursday afternoon.

Loveland, '11, of Pittsburgh, spent Saturday and Sunday with his Sigma Chi brothers.

Several new students have enrolled this term in the several departments of the University.

The Varsity baseball game with Gettysburg Thursday afternoon will be called at 3 o'clock sharp.

Sprout, '12, who is attending John Hopkins, spent the week end with his Phi Gamma Delta brothers.

President John H. Harris has gone to Philadelphia where he will deliver a lecture at the Drexel Institute tonight.

Assistant Comptroller Grabowski has announced that all season tickets not fully paid for will be taken up at the Gettysburg game next Thursday.

The Varsity baseball team will leave Friday evening for Ithaca, N. Y., where it will play Cornell Saturday. The game scheduled with Elmira for Friday has been cancelled by Manager Reading because of financial reasons.

The Bucknell Band was engaged to furnish music at the public reception held in the Cameron House last Wednesday evening for Hon. Vance McCormick, the Democratic aspirant for the gubernatorial nomination. Mr. McCormick paid the band a splendid compliment when, during one of the selections, he suddenly turned to a gentleman standing near him and said "Sousa never saw the day that he could play with THAT band."

DEATH OF STEVENS, EX-'03.

J. Howe Stevens, ex-'03, died suddenly at his family home in Tyrone last Tuesday from an attack of spinal meningitis. He was a graduate of the Academy, Class of '99, and took a prominent part in the activities of the school while a student here. Mr. Stevens was a member of the Sigma Chi fraternity and was here for the dance recently given by the local chapter. At the time of his death he was assistant superintendent of the Tyrone Gas and Water works, superintendent of the American Lime and Stone Co. The funeral services were held Saturday from his late home and was attended by F. C. Schnure, '14, as representative of the Bucknell chapter of Sigma Chi.

ALUMNUS PUBLISHES BOOKLET.

Ernest L. Tustin, '84, Recorder of Deeds of Philadelphia, has recently issued and attractive and interesting booklet concerning the work done by his office during the past two years. Numerous illustrations are scattered throughout the volume.

READY TO WEAR WEEK

Gloves To Match Your Easter Suits

In silk of the finest kind, in all the new shades. Long, medium and short lengths. Also kids, in colors, black and white, with extra heavy stictched backs.

This line of gloves cannot be excelled nowhere for low price or high quality.

Handkerchiefs for Easter Shoppers

Pure linen handkerchiefs at 25 and 50c each.

The new wide bordered handkerchiefs has won the day. It is here in all colors, at 10c each or 3 for 25c.

Never So Many Beautiful Spring Dresses In Our Store Before

We have "plunged" on dresses this season—bought the biggest and finest assortment of street, afternoon and evening dresses in wool, silk and cotton ever. We expect to do the biggest dress business of our career because these values will bring here every woman who has any intention of buying a new Spring Dress. Crepe weaves in silk and wool, messalines, striped and plain; silk poplins, in all the newest shades, and every dress handsomely trimmed.

This Will Be a Great Waist Buying Week

We are prepared to make it so, with the heaps upon heaps of the newest, daintiest and prettiest Spring Waists imaginable at unusually low prices.

Velvet

THE SMOOTHEST TOBACCO

LUCKY is the Junior who has found Velvet! The tender middle leaf—hung up in the warehouse for over two years—maturing—getting rid of the harshness of the green leaf—mellowed to a point where the bite has dropped out—and where the flavor is good and smooth. That's Velvet. Numerous red tins of Velvet decorate the 5 foot shelf—it's part of a liberal education—the best in the land—this Velvet. Some friend, or ten cents at any dealer's will give you the pleasure.

BUCKNELL UNIVERSITY.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, APRIL 13, 1914. NUMBER 22

CORNELL WON A LISTLESS GAME

VARSITY SUFFERED A SHUT-OUT SATURDAY.

PITCHER FOR BIG RED TEAM A STUMBLING BLOCK

Brenner and Angstadt Were the Twirlers for Bucknell Team.—Opening Game in Ithaca was Well Attended.

The first game away from home for the Varsity baseball team was played with Cornell at Ithaca Saturday and resulted in a victory for the Big Red team by a score of 8 to 0. The attendance at the game was said by the Cornell management to have been larger than the usual crowd at the opening game.

The weather conditions at the game were far from ideal, the field being very soft as the result of recent heavy rains, and a generous downpour of rain starting in the fifth inning that continued intermittently until the game was over.

Regan, the corpulent port-sided flinger of the Cornell team, was the chief factor in the victory for his team, his baffling little curves and lightning-light speed causing ten of the Bucknell batsmen to whiff. Several timely hits by his colleagues and a couple of errors by the Bucknell players gave Cornell the eight runs tallied by them.

The Orange and Blue Varsity played a first-class game in the field and one of the errors chalked up against the players, that by Topham, was of a hard-luck nature, he having dropped a fly ball which he caught in outstretched hands while on a dead run toward the infield.

The pitcher for the Varsity was Brenner who held forth in excellent fashion until the fourth inning, when he was touched up for a couple safe bingles which, mingled with an error, brought three Cornell runners across the plate. In the sixth inning he began to loosen up again and he was substituted by Angstadt during whose reign on the mound two runs were scored.

Bucknell's only chance to score was in the third inning, when a single, and two passes filled the bases with but one out. Before Topham, who was on third, could sprint across the plate one batter was struck out and Cruikshank was thrown out at first after batting the ball into the infield. Bucknell could not advance a man beyond second base after that period.

A feature of the game was a double play, Buffington to Sox, when the bases were filled with none out. Buffington fielded a long fly in center field and winged the ball to the plate where Sox caught the runner from third. Two clever exhibitions of fielding later resulted in running the men down between first and second, and third and home, retiring the side.

The score:—

BUCKNELL.

DR. HARRIS SPEAKS AT DREXEL.

Last Monday evening President John H. Harris delivered the graduation oration before the 264 graduates of Drexel Institute of Philadelphia and about 2000 of the friends. Dr. Harris spoke on citizenship, declaring that many of the ills of corrupt politics today are due to the negligence of citizens who do not vote. He traced the history of civilization, and pointed out the fact that the great problems of today lie in the proper government of cities. To that sphere of life he called the young graduates to give the best that is in them.

LAWYER STEININGER MAKES A PLEA FOR HUMANITY

GIVES VERY INTERESTING TALK AT Y. M. C. A. MEETING ON THURSDAY.

At the Y. M. C. A. meeting on last Thursday evening Attorney Steininger gave one of the most interesting heart to heart talks given at the Y. M. C. A. for some time. Taking a chapter in VanDyke's book "The Ruling Passion" as the background of his talk, the speaker made a special plea for "a real love for humanity."

Illustrating profusely with local instances, he showed that it payed to practice humanity not only spiritually and morally but also financially. Bringing his subject home to the college men he said that a college man in order to be really successful must have for his ruling passion a love for humanity. Unless he has this love his life will amount to very little. Many of our great men today who have worked wonders could accomplish still greater things if they made humanity their ruling principle.

One will not understand humanity until he takes a special interest in everyone about him—the children, his associates, his chum. Every college man should become well acquainted with every other fellow on his hall, for one cannot love men unless he first knows them. Let love for humanity be the foremost endeavor and not only will life be more pleasant but it will also be more profitable.

STAFF COMPETITION

ALL APPLICANTS TO HAND THEIR NAMES TO EDITOR.

As was previously announced the competitive system will again be used in selecting the staff of the Orange and Blue. This system has since its installation two years ago proved decidedly successful. Not only is the staff by means of this competition composed of more efficient writers but it is also composed of students interested in their work. By this method everyone in college is given an equal chance to get on the staff.

All applicants for positions on the staff are requested to send or hand their names to the editor-in-chief on or before Wednesday, April 15. After they have been given several ordinary news assignments the final selection of the staff will be made by the faculty advisory members of the paper in conjunction with the editor. In the meantime the old staff will continue to serve until the new board is selected.

1915 L'AGENDA NOW ON SALE

NUMBER OF BOOKS ARRIVED LAST SATURDAY.

JUNIOR ANNUAL DEDICATED TO C. PARK EDMUNDS

General Plan of Book Same as in Former Years.—Several New and Interesting Features, However, Have Been Added.

The first shipment of 1915 L'Agendas was received Saturday afternoon and the books were immediately placed on sale by Manager Hoke. As soon as the other books arrive notice will be posted and they will be placed on sale in one of the class rooms in the main building.

The L'Agenda this year has been dedicated to C. Park Edmunds, '10 a young and promising alumnus of Bucknell, who met an untimely death last June, resulting from a shock sustained at the shops of the Westinghouse Electric Company at Pittsburg. While at college Edmunds was a very popular athlete, holding the position of guard of the varsity football team for three years and being manager of the varsity baseball team in 1910. In addition to his athletic ability he was an excellent student and was one of the most promising graduates of the electrical engineering department.

The general plan of the book is the same as that of former years. Besides the Calendar of Events and the ever-popular Fussers' Page there are several features of interest in the literary department among which are two illustrated pages of the Bucknell Yellow Journal, the advertising page of the Saturday Evening Post, a story of the real "snipe hunters," as seen on the stage, and several poetical outbursts concerning the new Student Government.

The art work of the book is very good and many of the drawings show cleverness and originality. The staff

ROLAND K. HOKE, '15.
Manager 1915 L'Agenda.

artists, Speer, '15, and Buffington, '15, have done excellent work in presenting cuts of unusual quality. Other contributors to the art department are Harris, '15, Hamlin, '15, Weddell, '15, and Sprout, ex-'14.

A number of excellent photographs of scenes about the college and the town add materially to the book as do also the feature photographs of several of the sororities and of the L'Agenda board. The individual class pictures have again been used this year instead of the large student body picture like in the preceding issue.

The athletic department is one of interest for the class of 1915 contains a large number of Varsity "B" men. Another feature of interest in this department is the football, basketball and baseball records showing the number of games won, lost and tied since these different athletics have been instituted at Bucknell, the number of points scored each year by Bucknell and the number scored by the opponents, and the captain of each team.

The staff which had made possible this publication is as follows: Carl E Geiger, Editor-in-chief; Miss Winifred W. Miller and G. Wade Earle, Assistant Editors; Roland K. Hoke, Manager; Miss Jessie M. Oswald, Assistant Manager; George S. Stevenson, Literary Editor; Miss Frances F. Barber, Miss Hope Craig, Miss Esther M. McCormick, William A. Affron, Arthur E. Evans, Frederick H. Fahringer, Hugh C. Houser, George A. Irland, Benjamin W. Laidlaw, Gilbert J. Meredith, Omar H. Smith, William T. Windsor, Literary; Miss Ethel S. Peterson, John W. Hedge, Laurens W. Weddell, Special Features; Frank F. Whittman, Willard L. Moyer, Athletic Editors; John H. Speer and Malcolm Buffington, Artists.

C. E. A. HOLDS INITIATION.

Last Wednesday the C. E. A. Sorority held its annual initiation. The new members taken in were: Pi Beta Phi, Cecelia Kitlowski, Dorothy Bunnel, Ruth Williams; Delta Delta Delta, Hope Craig, Jessie Oswald, Marybelle Lees; Pi Phi, Flossie Clark, Katharine Heinen, Ruth Pyles; Delta Phi, Caroline Hopper.

MINISTERIAL ASSOCIATION ELECTS NEW OFFICERS

DR. PERRINE ENTERTAINS THE MEMBERS OF THE SOCIETY.

Last Friday evening Dr. Perrine entertained the Ministerial Association at his home. At this meeting the new officers for the society were elected for the coming year. The result of the election was as follows: President Edward O. Clark, '15; Vice President, N. F. Newman, Academy; Secretary, Edmund B. Cline, '15; Treasurer, Charles E. Tilton, '16.

Dr. Perrine also gave a very interesting and instructive talk to those present. He spoke about the two-fold office of the ministry and particularly emphasized the demand for good preachers. Later in the evening refreshments were served.

PLANNING TRIP TO HEAR "BILLY" SUNDAY.

A number of the students on the Hill expect to attend the "Billy" Sunday meetings at Scranton Saturday and Sunday of this week. It has been learned that the best rate obtainable over the P. R. R. is the two-day rate for $2.50. All students and townspeople intending to make the trip are requested to hand their names to the General Secretary on or before Thursday of this week. Special arrangements for reservation will be made for all those who hand in their names at that time.

COMMENCEMENT SPEAKERS ANNOUNCED BY DR. HARRIS

TEN SENIORS WHO HAVE HIGHEST MARKS ARE REWARDED.

The ten members of the Senior class who have attained the highest scholastic marks during their course and who will be the Commencement speakers at the exercise next June were announced today by President Harris and are as follows:

C. Kimber Boyer, of Homestead; William H. Eyster, of Fisher's Ferry; Frank Russel Hamblin, Lewisburg; C Walter Lotte, of Patterson, N. J.; Walter W. Harris, Lewisburg; Ralph H. Moore, Slippery Rock; Edward J. Richards, Homestead; Samuel L. Wilson, Phillipsburg; Miss Minnie I. Etzweiler, Lewistown; and Miss Helen B. Waite, Lock Haven.

FRATERNITY GAVE PARTY.

The Sigma Alpha Epsilon fraternity gave a delightful informal party at its house on St. George street on Friday evening. About twenty girls from Lewisburg and several from Winfield and Muncy were among the guests.

—Band out Thursday night.

PEACE CONTEST NEXT FRIDAY

REPRESENTATIVES OF SIX COLLEGES TO SPEAK.

TWO LARGE CASH PRIZES, OFFERED THE WINNERS

Among Its Members the Pennsylvania Arbitration and Peace Society Has Many Men of National Reputation.

Next Friday evening at 8 o'clock Bucknell Hall will be the scene of the annual intercollegiate oratorical contest under the auspices of the Pennsylvania Arbitration and Peace Society. The colleges which will be represented in the contest are the University of Pennsylvania, University of Pittsburgh, Westminster, Juniata, Swarthmore and Bucknell. As these six orations have been selected from one hundred and fifty orations submitted to the judges, they promise to be very interesting.

Prizes are offered to the winners in this contest, the first prize being $75 and the second $25. Last year when the contest was held at the University of Pennsylvania the first prize was won by Bucknell's representative, Edward J. Richards, '14. This year Bucknell will be represented in the contest by Edward O. Clark, '15.

The society which offers these prizes is the State Branch of the American Peace Society whose purpose is to promote the interests of peace among the nations of the world. Among its members the society has such men as Vance McCormick, Democratic candidate for Governor; Martin Brumbaugh, Republican candidate for Governor; Rev. Russel Conwell; Nathan Schaffer, Supt. of Public Schools; George Guthrie, Ambassador to Japan; Rudolph Blankenburg, Mayor of Philadelphia; Pres. Isaac Joseph Sharpless, of Haverford College; Pres. Joseph Swain, of Swarthmore; Pres. James Moffat, of W. & J.; and Dr. George L. Phillips, Prin of West Chester Normal.

ALUMNUS FLINGS HAT INTO POLITICAL ARENA.

John C. Nissley, '83, who is said to be a most widely known lawyer practicing before the Dauphin county court, has announced his candidacy for the Republican nomination for the Legislature.

JUNIOR ELECTRICALS WIN.

The Junior Electricals defeated the Seniors in the same course in a baseball game Saturday by a score of 14 to 12. The game was an exciting one, the feature being a running catch by Mott, '15, in the last inning which saved the day for the Juniors. The batteries were: Juniors—Aleshouckas and Kelser; Seniors—Bliss, Lindberg and Criswell.

NOTICE MINSTRELS.

It is imperative that all minstrel men be present at the rehearsals from tonight on. The practice will be in Bucknell Hall at 9:00 and any who have not already signified their intentions of participating this year should come out to-night.

SOPHOMORES ELECT MANAGERS.

At a class meeting last Friday afternoon the Sophomores elected B. E. Butt, of New Midway, Md., manager of the class baseball team and Shaller W. Ventres, of Port Allegheny Pa., as manager of the class track team.

Fraternities and sororities at Minnesota have been ranked in a scholarship list on the basis of the average standing of the members of each chapter. All but two of the ten sororities ranked higher than the highest fraternity.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, APRIL 13, 1914.

OUR FOREWORD.

As the Orange and Blue with the present issue falls into the hands of a new editor and in a few weeks into the hands of a new staff we feel that a few words expressing our policy would not be inappropriate. We do not propose, however, to lay down any definite plans for carrying out our work but merely to state that we expect to devote our best efforts to present a publication representative of the student body and approaching as nearly as possible an ideal college paper.

But in order to do this we need your co-operation—co-operation in every possible way. Especially do we ask for your criticisms. At all times we desire to improve the paper, but we can do this only by having our mistakes and faults pointed out to us.

Furthermore do we desire communications from students or alumni. Very often occasions arise where the student desires to express himself and we most gladly offer the columns of this paper for such a purpose. In no case will the name of the contributor be published or divulged unless he so desires, but in all instances must the name of the writer accompany the manuscript as a guarantee of good faith.

Should our effort toward making this a successful paper be fruitless, lack of experience and of ability will be the cause of our failure and not lack of untiring and conscientious work and interest. Should, on the other hand, our work prove successful, much credit will be due to your own interest and work and to the preceding administration which has done much to make the paper one worthy of Bucknell.

A GOOD MOVE.

The Senior Council started a good move last Monday night in endeavoring to put a stop to the discourteous habit of students yelling from the college windows whenever a stranger visits the Hill. The Council suggested that each of its members bring up this matter before his fraternity showing why it should be stopped.

At the present time scarcely a stranger, especially if it be a young lady accompanied by one of the students, can cross the Quadrangle without being met with a continuous volley of yells and oftentimes actual insults. Such a condition should not exist.

We desire at all times to have visitors with us, looking over our buildings and campus of which we are proud, and we feel that as the matter is embarrasing to both the student and his visitor, the affair should cease. Let us trust that this matter will be attended to by the students in the future, and should it not cease we hope the Senior Council will carry further the excellent move which it has started.

Dickinson vs. the Varsity at 3 P. M. Friday.

TRACK OUTLOOK IS VERY BRIGHT

NEW CANDIDATES SHOW PROMISE OF MAKING GOOD.

EXCELLENT SCHEDULE HAS BEEN COMPLETED

With Almost Fifty Candidates Including Sixteen of Last Year's Men the Prospects for a Winning Team Look Very Good.

With almost fifty candidates out for the track team the prospects were never brighter. There are sixteen men from last years Varsity team in school and the new men are showing up better than usual. Prof. Bromley Smith, the Father of track athletics at Bucknell and an old time record man is head coach and will have supervision over the entire squad. He will devote much of his time, however, coaching the jumpers and weight men. Captain Lowther will have in charge the distance runners including the quarter milers. Whittam, who was a 10-second man on the hundred while in Prep but who has been unable to run on account of a torn ligament in his knee received on the gridiron, in the fall of 1911 will show the rudiments of the 100 yard dash and 220 yard dash to the candidates.

The sixteen men who are still in school from last years varsity team are Captain Lowther, '14; Glover, '14; Butt, '16; Stevenson, '15; Urbanowitz, '16; Bott, '15; Aleshouekas, '15; Affron, '15; Hagan, '14; Davis, '16; Walter, '15; Glass, '16; Salisbury, '16; Mellander, '16; Welchons, '14; Sweltzer, '16.

Among the most promising candidates out for the track in the Freshman Class are: Matlack, Cryder, Walter and Lawrence for the 100-yard dash; McCormick and Collins for the half mile; Archer for the quarter mile; Pettit for the pole vault; Hayes and Russel for the jumps; Miller for weights.

The schedule which has been arranged by Manager Lindberg is the best in years. Several excellent trips await the successful candidates. The schedule is as follows:

April 18, Inter-class meet at Lewisburg.
April 29, Lehigh at South Bethlehem.
May 9, Franklin and Marshall and Dickinson at Lewisburg.
May 16, Navy at Annapolis.
May 23, Gettysburg at Gettysburg.
May 30, Dickinson at Carlisle.
June 6, Sophomore-Freshman meet at Lewisburg.

COMMUNICATION.

The Bucknell campus is known throughout the United States as one of the most beautiful university sites in the country. Visitors have been frequently heard to say that the campus of only one college—Lafayette—approaches ours in natural beauty. But from the actions of certain students it would seem that all this is unappreciated, and that the beauty is lost, as it were, "upon the desert air." It is a frequent sight to see students throwing all sorts of refuse out of windows and using the campus for a veritable dumping ground. Last term when the snow in front of Main Building cleared away the ground was covered with a liter of paper, orange skins, tobacco cans, and refuse of all kinds. Surely this does not appeal to the better class of students at Bucknell and should not be permitted. It is the duty of every true Bucknell student to take pride in his Alma Mater, and that pride should take as much interest in keeping her campus a thing of beauty as in extolling athletic teams. Let every student on the Hill enlist in the campaign for keeping the Bucknell campus the finest one in America.

Old Dutch Cleanser.

Salaries received by young women graduates of the home-economic course of the University of Wisconsin range from $750 to $1000 for the first year's work up to $1500 for the third year of employment.

PHILADELPHIA ALUMNI NEWS

BANQUET TO BE HELD SATURDAY AT RITTENHOUSE HOTEL.

LARGE ATTENDANCE IS ESPECIALLY URGED

New By-Laws Will Probably Be Adopted at Meeting on April 18.—List of Those Nominated by the Committee.

The Executive Committee of the Philadelphia Bucknell Club had its meeting on Thursday last (April 9th.) The chief subject under discussion was the coming banquet. Treasurer Robb reported that the acceptances were coming in very slowly and urged everybody present to stir up the members of the club to reply to the invitation sent out. The Executive Committee has guaranteed close to one hunderd men for the dinner in order to get the special rate that it did. It is up to the club to help the committee make good on that guarantee, and we must all get in line and do it. The Treasurer has printed cards of admission which he will be pleased to distribute for sale to any member requesting it. Remember its at the Rittenhouse Hotel Saturday, April 18, at 7 P. M. sharp.

The new by-laws will probably be adopted at the meeting on April 18 next. They provide for the election of an Executive Committee of eleven members from which are to be chosen the President, Secretary and Treasurer for the ensuing year. The nominations for the year 1914-15 are to be made by a nominating committee to be appointed at the election In order that everybody may have full notice of what will happen at the meeting if the by-laws are adopted President Nesbit has announced that he will appoint as his nominating committee the following:

David P. Leas, '63, chairman.
Ezra Allen, '95.
Stanley Davies, '12.

Mr. Leas, the chairman announces that if appointed the committee will nominate the following men for the Executive Committee:

Jos. K. Weaver, S. L. Zeigler, Spencer B. Meeser, R. I. Slifer, E. L. Nesbit, L. W. Robey, C. A. Weymouth, C. K. Robb, A. V. Wise, Wm. C. Hollopeter and Romaine C. Hassrick.

The matter is thus brought to the attention of the Alumni to give each of them the opportunity of nominating somebody outside the selections of the nominating committee the night of the election if anyone desires to do so.

PRESIDENT HEDGE ANNOUNCES THE Y. M. C. A. COMMITTEES

FACULTY ADIVSORY BOARD ALSO SELECTED BY THE CABINET.

President Hedge of the Y. M. C. A. has appointed his different committees and has also chosen the Y. M. C. A. Cabinet. The latter body has elected the Faculty Advisory Board for the Association. The results are as follows:

Advisory Board: Prof. Phillips, Prof. Davis, Prof. Lindemann, Prof. Stewart, Atty. Steininger, Rev. Goodall and C. M. Konkle, Esq.

Executive Officers: Pres. Hedge '15; Vice Pres., Ward, '15; Secretary, Cross, '15; Treasurer, Oesterle, '16; Gen. Sec., Goehring, '12.

Students Cabinet: Blackburn, '16; Earle, '15; Davenport, '16; Malin, '16; Rogers, '15; Rishel, '15; Fahringer, '15.

Bible Study—Blackburn, '16, chairman; Cline, '15; Laidlaw, '15.

Mission Study—Earle, '15, chairman; Pangburn, '15; Loftt, ' 16.

Membership—Davenport, '16, chairman; Cooke, '16; Collins, '17.

Handbook—Malin, '16, Editor and chairman; Rehman, '16, Manager; Felton, '17; Butt, '16.

Finance—Oesterle, '16, chairman; Stevenson, '15; Clapp, '15; Cryder, '17.

Religious Meetings—Fahringer, '15; chairman; Gillette, '17; Hill, '17.

Music—Boswell, Academy, chair., Sprenkle, '17; Pedigo, '17; Hatfield, '17.

Lyceum—Rogers, '15, chairman; Mellott, '15; Goodwin, '15; Peters, '16; Grabowski, '15; Walters, '15.

Social—E. C. Campbell, '16, chairman; Vauden Burgh, '16; Sprout, '17; Matlack, '17; Heberling, '17.

Harvey Fund—Bryant, '16, chairman; Jeffery, '16; Nancarrow, '16.

Information—Pettit, '17, chairman; Champion, '17; Beers, '17; Russel, '17; C. J. Smith, '17.

Social Service—Rishel, '15, chairman.

Boy's Work—Noble, '16, chairman; Sipley, '17; Snyder, '16.

Sunday Schools—E. C. Clark, '15, chairman; Aubrey, '17.

Employment—Ritchie, '16, chairman; Robb, '15; Abbott, '17.

Conference—Tilton, '16, chairman.

The University of Chattanooga has placed a talking machine in their chapel, but only classics and grand opera records are allowed.

Pennsylvania has nineteen 'varsity sports; Cornell, 15; Harvard, 14; Columbia, and Princeton, 13; Yale, 12; Michigan, Wisconsin, Chicago and Illinois, 11; and Dartmouth, 7.

HILL GOSSIP

Dickinson vs. Bucknell on the campus Friday afternoon.

Sprout, '17, spent Easter at his home in Picture Rocks.

Rishel, '15, and Groover, '15, spent Saturday in Williamsport.

Moyer, '15, Painter, '17, and Petit, '17, spent Sunday in Muncy.

Lotte, '14, is spending a few days at his home in Patterson, N. J.

Andrew Sable, '11, and wife, of Baltimore, Md., are visiting friends in town.

Remember that Registrar Wilcox speaks in the Y. M. C. A. on Thursday. Come out.

"Pink" Talbot, '13, of the faculty of the Indiana Normal school, spent Easter on the Hill.

Arthur Thomas, ex-'14, who is attending Princeton, is visiting his parents in Lewisburg.

Many students from the Hill enjoyed the Easter Egg Hunt held at Williamsport last Saturday.

Champion, '17, and Hatfield, '17, spent the week end with the former's parents at Montoursville.

Invitations were issued last week for the annual Soiree of the Fourth Year Class of the Institute.

Miss Gretchen Radack, '11, returned Sunday to her home in Franklin after a week's visit in town.

Watch for further particulars concerning the Scranton trip in this week's issue of the Lewisburg papers.

Van Dine, '15, accompanied the team to Cornell Friday and spent Sunday with friends at Syracuse University.

Prof. Stewart of the faculty has moved his residence from Fourth to the corner of Sixth and St. George streets.

A large number of college students took part in Stainer's "Crucifixion," which was sung at the Baptist church last Friday evening.

The game which was to have been played with Gettysburg last Thursday was cancelled on account of the wet field and the cold weather.

All students who are members of any Odd Fellows lodge are invited to fall in line in the parade which will be held on Thursday, April 24.

Miss Mary Clayton, Institute, '12 who has been visiting her parents in town, returned today to New York to resume her studies in Columbia University.

Dickinson College will be the baseball attraction on the campus Friday afternoon. Dickinson defeated the Army last week and it is said to have an exceptionally fast team. The game will be called at 3 o'clock sharp.

Y. M. C. A. NOTES

The Bucknell Band will be out for the meeting next Thursday.

Wanted: One hundred men out for Association meeting Thursday night.

The Hand Book Committee is at present working on the advertisement for next year's book.

Registrar Wilcox is scheduled to speak in Association Hall Thursday night of this week. Watch for further announcements.

The Lyceum Committee signed a contract with the Redpath Bureau for the 1914 Course. An account of the attractions will be given in a later issue.

Eight men from the Hill were selected by the Redpath Chatauqua Association for summer work. The Employment Bureau aided in securing these positions for Bucknell men.

WOMAN'S COLLEGE

Mary Reese, '17, spent Easter at her home in Lansford.

Miss Ramona Lenington, '15, spent Easter at Williamsport.

Mary Jones, '16, was at Philadelphia and Atlantic City for Easter.

Ruth Edwards, '14, spent Saturday and Sunday at her home in Williamsport.

Florence Rollins, ex-'14, of Altoona, visited friends at the Seminary over the week end.

At the recent big student dance at Illinois, tango and the fish-walk were barred, but it is said that the slit skirt was there in the height of its glory.

$2.20 is the rate to Scranton. Hand your name to the General Secretary.

BUCKNELL WINS FROM DICKINSON

TRIUMPHED OVER OPPONENTS ON FRIDAY.

LEIBENSBERGER AND HAGAN DO PITCHING FOR VARSITY

Both Teams Hit the Ball Hard but Bucknell Succeeded in Bunching Their Bingles.—Ideal Day for the Game.

Ability to hit the ball when hits meant runs coupled with the excellent pitching of Leibensberger proved an effective combination against Dickinson on Friday afternoon. The day was an ideal one for baseball, and a fair sized crowd was on hand to witness the affray, which was the first meeting between Bucknell and Dickinson in several years. The excellent Bucknell band was on duty and under the able leadership of Concert-Meister Fahringer, dispersed an excellent brand of music to assist in entertaining the crowd.

Both teams hit the sphere hard, but the Orange and Blue bunched their bingles and made them count to a greater extent than did the Dickinsonians. Leibensberger kept the visitors' hits well scattered, and in the six and two-thirds innings during which he occupied the mound exhibited a sterling quality of pitching.

Two candidates for the pitcher's position, Buffington and Brenner, played in the outfield, and they and Leibensberger secured all of the Orange and Blue's extra base hits. Buffington boosted his batting average with a total of two two-baggers out of four times at bat, while Leibensberger and Brenner each lined out a hit good for a trip to the halfway station. Bucknell had three errors chalked against her, one of Storer's in the seventh being responsible for a Dickinson tally.

The Orange and Blue started their march to victory in the second frame Miller, the first man up, sent a long fly into the waiting hands of Scribner. Soxe touched Brenneman for a single, and stole second. Then "Buff" contributed one of his two-baggers, and Soxe waltzed over the plate for the first run. Brenner flied out, but "Leiby" helped the good cause along with a stinging bingle good for a journey to second, and Brenner ran home. Seeman reached first on an error, but was out trying to steal to second. Hits by Miller and Soxe added another tally to the score in the fourth.

The Orange and Blue put the game in cold storage in the eighth inning, due mainly to hard hitting and a streak of good-heartedness in Mr. Goodhart, the corpulent gentleman who undertook to do the twirling for the visitors in the latter part of the game. Soxe was the recipient of a pass to the initial sack, and then the merry-go-round began. Buffington grasped the old wagon-tongue and calmly went to second while the visiting out-fielders were getting the ball back to the diamond. Not to be outdone, Brenner helped himself to a two-bagger and Soxe and "Buff" hung up two more scores for the Orange and Blue. "Bob" Hagan, who took charge of the mound for Bucknell in the seventh, then hit a single, and Seeman did likewise, bringing in Brenner. Worrilow got a free ticket, but Storer was out on a fly to the infield.

Dickinson's two runs came in the seventh. Scribner reached first on an error of Storer's. Brenneman got a hit and Price's three-bagger brought in both runs. At no other time during the game was Dickinson able to start anything that looked like a rally.

The score:

Bucknell

REGISTAR WILCOX GIVES TALK ON "BILLY" SUNDAY

STIRS UP ENTHUSIASM AMONG STUDENTS FOR THE SCRANTON TRIP.

About one hundred college students turned out for Y. M. C. A. last Thursday night to hear Registrar Wilcox give an interesting talk on "Billy" Sunday. The Bucknell band was also there and opened the meeting with a few selections.

Sketching the life of the great baseball player and evangelist from his birth to his sojourn at Scranton, Mr. Wilcox drew a very vivid picture of the principal events in Sunday's life. He told of "Billy's" change from baseball playing at $1,000 a month to Y. M. C. A. work at $75 a month, of his hard work in the Association in Chicago, and then of his entry into evangelistic work. The speaker then traced Sunday's revival work from his partnership with Wilbur Chapman to his meetings at Wilkes-Barre, Pittsburgh and Scranton, stating that for the last fourteen of Sunday's twenty-three years of evangelistic work the building in which he has spoken has never been large enough for his audience.

Finally Prof. Wilcox spoke of his own visit to Scranton with Dr. Phillips to interview Mr. Sunday, who was unable to come here owing to the poor condition of his health. Registrar Wilcox then made a most earnest appeal to those present to go to hear Sunday. The enthusiasm which he aroused was well shown by the fair-sized delegation which left Lewisburg for Scranton on Saturday morning.

MR. LYBARGER TO SPEAK.

Lee Francis Lybarger, Esq., a former member of the Redpath Brockway Lyceum Bureau, will address the Y. M. C. A. meeting to be held in the Association Hall on Thursday night at 8 o'clock. Mr. Lybarger expects to be with the Chatauqua this summer. Thursday evening he will speak on the "Psychology of Success."

MRS. HARE ENTERTAINS

Mrs. Calvin A. Hare entertained the Pi Beta Phi fraternity on Monday afternoon, April thirteenth, by giving an informal tea at the "Sign of the Seal" in honor of her daughter, Mrs. Gurney Sholl, of Pitman, N. J.

Bucknell vs. Susquehanna on the campus Saturday afternoon.

BRODIO WINS PEACE CONTEST

PITTSBURGH MAN CAPTURES THE FIRST PRIZE.

SECOND GOES TO DIEHM OF JUNIATA COLLEGE

Interesting and Instructive Orations on the Subject of Peace and War Are Delivered by the Six Contestants.

The annual intercollegiate oratorical contest of the Pennsylvania Arbitration and Peace Society was held in Bucknell Hall on Friday evening. A large number of college students and townspeople enjoyed the excellent program carried out by the six contestants. The winner of the first prize of $75 was Louis Brodio, of the University of Pittsburgh. The second prize of $25 was awarded to Edgar G. Diehm, of Juniata College.

Lee Francis Lybarger, Esq., acted as chairman of the contest, the judges being Hon. William H. Hackenberg, David L. Glover, Esq., and Charles Ulrich, Esq.

The contest showed that the writers had spent much time and thought in the preparation of their orations to place before the people the ideal of the Peace Society—"to make public sentiment to promote the interests of peace among the nations, to abolish the wholesale killing of man by man."

Clifton R. Scott.

The first speaker was Clifton R. Scott, of Westminster College. He spoke on "The Futility of War," showing how and why war was futile. After discussing the origin of war he said that war has never been able to be handled by any country. War does not as many thing bring good to a country; annexation is not an advantage; nor the power acquired through war of ultimate good. Small counties are rich and large ones poor; therefore, war is not a transfer of wealth. It is useless and wrong to destroy property and life. Let us strive for peace with the motto before us: "Glory to God in the highest, Peace on earth, good will toward men."

Edgar G. Diehm.

Edgar G. Diehm of Juniata College, the winner of the second prize, had as his subject, The World State." He said that ever since the dawn of universal history there has been a manifest movement toward world unity. From the family to the clan, then to the tribe to the city state to the modern nation state, has finally evolved the federal state. But this age of civilization has produced a new state We find in the political, moral and scientific realms steps toward world unity. Perpetual peace is, indeed, no longer an idle thought or hope, but civil war is a thing of the past. And it is difficult to understand how the different governments can find any justification for holding war in the highest honor, for the continuous increase of military and naval preparation, in a way that it appears as if they were still living in the barbarous ages. Let all the nations of the earth cease to prepare for war. There is no need for the civilized nations of the earth to spend $2,500,000,000 in one year on account of war. The highest ideal toward which a nation can strive, is Peace. Christ came into the world as a messenger of Peace. Young men let us as we enter this national life, promulgate the Message of Peace, for then and then only can the world state be a success.

J. Bruce Brosius.

The third speaker, J. Bruce Brosius, of the University of Pennsylvania spoke on "Armament, An Illusion. Made a Reality by the Vested Interests." In his speech he asserted that the supply of armament to the government was an evil. Upon this proposition he based his contentions. In order to overcome this evil, education is a necessity. The people must be taught that the money-eyed interests are, to a great extent, responsible for the popular conception that a powerful navy must be maintained in order to insure peace with other nations. Feed politicians are endeavoring to drain the treasury by demanding tremendous sums for armament. In thirty years the U. S. government has paid for the Bethlehem Steel works twenty-two times. Other steel plants were placed on the favored list with practically the same result.. All present day efforts should be spent in teaching young men and women to celebrate a passion for truth and this teaching should be along economic lines. The ultimate result would be the founding of a political power which would be strong enough to overthrow the interests with all such millions and form a nation where Justice should reign supreme.

(Continued on second page.)

On Saturday morning the Phi Kappa Psi fraternity defeated the Sigma Chi fraternity 14 to 7. The batteries were Phi Kappa Psi, Sellers and Boyer; Sigma Chi, Keiser and Sullivan.

ANNUAL SOIREE WAS HELD LAST SATURDAY

FOURTH YEAR CLASS OF INSTITUTE ENTERTAIN WITH PLAY.

The annual Soiree of the fourth year class of the Institute was held in the school room of the Seminary last Saturday evening. The principal event of the evening was a well rendered play by the fourth year class assisted by several college girls, after which a reception was held in the parlors.

The play which was presented was "King Rene's Daughter" by Hendrick Hertz. The scene of the play was laid in Iolanthe's garden and the manner in which the scenery was arranged showed the result of hard labor and excellent taste. All of the characters of the play were portrayed very well and reflect much credit on Miss Edith Schillinger who drilled and trained them in their parts.

Music by Misses Ethel Galloway and Florence Crippen completed the program. The cast of characters was as follows:

King Rene, of Provence—Elizabeth Stephens.

Count Tristan, of Vaudemont—Sarah Parks.

Sir Geoffrey, of Orange—Pauline Daly.

Sir Almerick—Ruth Pyles.

Ebn Jahia, a Moorish Physican—Aileen Johnston.

Bertrand, Lord Chamberlain—Henrietta Helnsling.

Martha, his wife—Mary Bubb.

Iolanthe, King Rene's Daughter—Florence Good.

THE COST OF ATHLETICS

Surprising as it may seem, statistics show that during the last ten months of 1913 and the first two or more months of 1914 one billion dollars were used to further athletics in American colleges.

CONCERNING CO-EDUCATION

Radcliffe College, the Harvard University annex, and heretofore the seat of learning for girls only, has admitted a man student. He is duly registered and enrolled, taking courses with the Radcliffe girls and being considered as a member of the student body.

RESIGNS AS PASTOR

Rev. R. L. Wiltbank, '98, has resigned as pastor of the First Baptist church, Binghamton, N. Y., and will prepare himself for teaching.

SOPHOMORES WIN INTER-CLASS MEET

LED NEAREST RIVALS BY ABOUT TEN POINTS.

SENIORS EASILY GAIN THE SECOND PLACE

Second Year Men Showed Up Well in Jumps and Distance Runs While the Fourth Year Men Excelled in Dashes and Weights.

In the annual inter-class track meet held last Saturday the Sophomores succeeded in winning first place by a score of 44½ points. The Seniors were second with 35 points, while the Juniors received 20½ points and the Freshmen 20 points.

The contest was principally between the Seniors and Sophomores, the former showing well in the dashes and the weights, the latter in the distant runs and the jumps. The best individual record was made by Capt. Lowther, '14, who won first place in the 100-yd., 220 yd. and 440-yd. dashes, scoring fifteen points. Butt, '16, and Glass, '16, were next, each scoring ten points for their team.

The result of the meet was as follows:

100 yard dash—First, Lowther, '14; second, Urbanowitz, '16; third, Walters, '17. Time 10 1-5 sec.

220 yard dash—First, Lowther, '14; second, Switzer, '16; third, Smith, '15. Time 24 3-5 sec.

440 yard dash—First, Lowther, '14; second, Urbanowitz, '16; third, Lawrence, '17. Time, 57 2-5 sec.

Half-mile run—First, Bott, '15; second, Yon, '17; third, Burlew, '17. Time 2 min. 15 sec.

1 mile run—First, Butt, '16; second, Smith, '16; third, Smith, '15. Time 4 min. 59 1-5 sec.

2 mile run—First, Butt, '16; second, Swope, '17. Time, 11 min. 17 4-5 sec.

120 yard hurdles—First, Glass, '16. Others disqualified. Time, 19 4-5 sec.

220 yard hurdles—First, Matlack, '17; second, Mink, '17. Time, 29 3-5 sec.

Shot put—First, Welchons, '14; second, Hagan, '14; third, Aleshouckas, '15. Distance, 34 ft. 11 in.

Hammer throw—First, Aleshouckas, '15; second, Welchons, '14; third, Donaldson, '17. Distance 74 ft. 8 in.

Discus—First, Hagan, '14; second Aleshouckas, '15; third, Welchons, '14. Distance 109 ft. 4 in.

Pole vault—First, Glass, '15; second, Drake, '14; third, Sievenson, '15 and Davis, '16. Height, 10 ft. 3 in.

High jump—First, Jeffrey, '16; second, Davis, '16; third, Hayes, '17. Height, 5 ft. 3 in.

Broad jump—First, Walters, '15; second, Hagemann, '16; third, Hayes, '17. Distance, 19 ft. 3½ in.

ODD FELLOWS CONVENTION.

Next Friday Lewisburg will be the scene of a large district convention of the Pennsylvania Order of Odd Fellows. An extensive program will be carried out, one of the features being a big parade at 2 o'clock. Another feature of the day will be the baseball game on the campus between Bucknell and the Harrisburg Tri-state team.

A very large number of visitors is expected, many of whom no doubt will visit the Hill. In order to look after these, Pres. Hedge of the Y. M. C. A. has appointed a committee to welcome visitors at 4 W. C. and show them through the buildings. The committee is as follows: Brosius, '14, chairman; Crane, '14; Pangburn, '15; Schaffner, '15; Meredith, '15; Oesterle, '16; Hagemann, '16; Nancarrow, '16; Russell, '17; and C. J. Smith, '17.

Harrisburg Tri-state vs. Bucknell on the campus Friday afternoon; 3:45.

Y. M. C. A. MEETINGS

The decided increase in attendance at the Y. M. C. A. meeting last Thursday evening is worthy of favorable comment. Almost one hundred students attended the association meeting, making one of the best attendances of the year.

But there is no reason why there should not be several hundred fellows out at the Y. M. C. A. meetings every Thursday night. The meetings come but once a week and every student in college can spare at least one hour a week to hear something both instructive and entertaining. Excellent speakers are always on the program and give profitable talks to college men. Many times one receives as much good at one of these meetings as from an entire day's work at his studies. Why not then take the opportunity offered and attend these meetings? An hour spent there will never be regretted.

MANY ALUMNI COME TOGETHER AT SCRANTON

ENTERTAINED BUCKNELL STUDENTS WHO VISITED THERE.

As a result of the enthusiasm initiated by Prof. Wilcox last week quite a number of Bucknell men made the trip to Scranton on Saturday to hear "Billy" Sunday. The alumni of Scanton and vicinity responded royally to the circular letters sent out by the Registrar and with a hearty welcome and abundant offers for entertainment met the Bucknell delegation at the Scranton Y. M. C. A. building. The delegation headed by Dr. Harris marched to the tabernacle and was ushered to a section near the platform reserved for Bucknell. The delegation responded to their name by singing a Bucknell song and giving a Bucknell yell for Sunday and one for Rhodolhevor. Dr. Harris then led the meeting in prayer.

The alumni present showed that their loyality to Bucknell had not diminished and it is believed that this meeting with the delegation from Lewisburg will be an incentive to cause the Alumni of Scranton to form an organized Alumni Association. Dr. Harris, '69, Prof. Igler, '12, and Mrs. Simpson, Institute, '98, accompanied the delegation from Lewisburg. Among the alumni who were present in the Bucknell section were; Dr. Wrightnour, '69, Cure, '08, Cole, '02, Rev. Hoff, '01, Kelly, '13, Mrs. Beale, '85, Harris, '12, Rev. Thomas, '82, Prof. Thomas, '98, Prof. Hughes, '94, Dr. Mackay, '05, Rev. Watkins, '83, Wiant, '10, Sprout, '08, Sprout, '10, Atty. Owens, ex-'06 and Ethel Watkins, '10.

Minnesota alumni are planning to raise $5,000 and to use the income from this fund for helping needy students through school.

BRODIO WINS PEACE CONTEST.

(Concluded from first page.)

Louis Brodio.

Louis Brodio, of the University of Pittsburgh, the winner of the first prize, had as his subject "National Honor and Peace." He showed how since the dawn of history, great men have striven to abolish war and its attendant horrors. With characteristic slow growth of great movements this tendency towards peace has culminated in present day arbitration of international disputes. The greatest world powers, however, still clinging to the mediaeval idea that honor can be vindicated by force of arms, refuse to arbitrate questions of so-called national honor. But in our age of enlightenment and humane principles this barbaric method of trial by combat, which gives victory to strength, regardless of right must yield to arbitration by impartial judges. Thus will real justice and truest national honor be maintained. Since national honor depends upon what a nation itself does and not upon what it may suffer from without we can best maintain our national honor by doing the good there is to be done and leaving the quarrels with other nations to the court of arbitration. Let us then get rid of our false ideas of honor, settle our international disputes by peaceful means, turn our strength from the slaughter of fellow beings to the fight against disease, corruption, civic and national unrighteousness, the real foes of men and let universal peace, the dream of poet and prophet appear above the horizon of the world. Then will victory, real victory for God and the right, victory without the hell of war, be ours.

Edward O. Clark.

Edward O. Clark, '15, Bucknell's representative in the contest, took as his subject "Public Sentiment a Factor for World-wide Peace." He showed in what way public sentiment is a potent factor in the cause of Peace. In the past public sentiment has had much influence in effecting reforms. The abolition of the trial by combat and the institution of slavery are striking examples of this fact. This latter reform would not have been disgraced by a civil strife had public sentiment been educated to demand arbitration. And society still remains inactive on the question of war because the futility of war is not fully realized. She willingly gives relief from the cruelties of war but fails to deal with war itself. And this fact in the face of peaceful arbitration makes the situation all the more deplorable. The true character of war must be taught in our public schools and other halls of learning and from our pulpits so that public sentiment will bring influence to bear upon governments for permanent arbitration courts.

Louis E. Levinthel.

The last speaker on the program was Louis E. Levinthel, of the University of Pennsylvania. His subject was "Alfred Noyes, Advocate of Peace." "Mr. Noyes is the greatest advocate of universal peace the world has yet produced," said Mr. Levinthel. He showed that Mr. Noyes' book, "The Wine Press," which exposes the horrors and tragedies of the Balkan War, is one of the most powerful indictments against war ever produced. Another battle has been engaged between war and peace and war has been vanquished. Dawn has come and the nations have heard the cry and are uniting to usher in peace eternal. Mr. Levinthel said that not only is Mr. Noyes a poet spreading the message of peace, but he is also a noted dramatist and as such places on the stage plays which arouse sentiment for universal peace. At the present time some of Mr. Noyes' plays are being presented before large audiences in New York and Philadelphia. Thus by means of his pen, Mr. Noyes does a great work in the promulgation of peace.

A BASEBALL STRIKE

The baseball team of Kentucky University went on a strike a few days ago because of the announcement that their spring schedule had been cut from 14 to 12 games. The athletic committee of the faculty cancelled the two games because in their opinion the sport took too much time from the college studies.

Everybody likes a top-notcher

When we evolved our Fatima Cigarette we argued that it was too good a smoke to introduce in the ordinary way, and a bright member of our company suggested that we start them first in the college towns. We did! And there never was such a success known! Today more Fatimas are sold than any other cigarette in the U. S. A.!

Blood will tell! And good tobacco travels far! The package is plain—but inside, *all* the quality possible.

PHILADELPHIA ALUMNI NEWS

CHAIRMAN WISE GIVES COMMITTEE REPORT.

STATES THE PURPOSE OF A GRADUATE COUNCIL

Shows What the Duties of Such a Body Are.—Great Responsibility Rests on the Secretary Who Must Be a Competent Man.

Your committee appointed to interview H. G. Murray Secretatry of the Graduate Council of Princeton University, has performed that duty and begs to submit the following report.

The object of the Council is to advance the interests, influences and efficiency of the University; to strengthen the relation between the Alumni and the University; to encourage efficient class organizations; to disseminate such information to the public with regard to the University as may be deemed best; to keep before the various preparatory schools of the country the advantages of the University as an educational institution; to aid and to assist in the establishment of Alumni Associations and promote their interests; to keep in touch with the undergraduate activities; to provide funds, as far as possible, for the maintenance and endowment of the University from its Alumni and friends; to report from time to time to the Board of Trustees of the University any facts and recommendations by the Council deemed material or for the interest of the University; and to act as a medium that may make known the ideas of the Alumni of the University, and the wishes of the University to the Alumni.

The Graduate Council should be composed of one representative from each of the thirty classes last graduated, and perhaps a limited number of members at large.

The importance of the work of the Graduate Council depends almost entirely upon the quality of the man chosen as secretary. He must of necessity do the major portion of the work and be a member of:

(1.) A Committee on Finance. The duty of this Committee is to co-operate with the Authorities of the University as to the raising of money, and to lay before the several classes or alumni organizations desiring to contribute to the University, the several purposes for which funds are needed, and to report to the Council for transmission to the Trustees information as to what specific purposes the said organizations desire their contributions to be devoted, and in what manner credit shall be given therefore; and to prepare such other duties as may be delegated from time to time by the authorities of the University or the Graduate Council.

(2.) A Committee on Class Records and Organization. The duty of the committee is to encourage efficient class organization and to co-operate with the Secretary of the Alumni in the preparation of Alumni directories.

(3.) A Committee on Publicity. The duty of this Committee is to co-operate with those in authority at the University in communicating to the public such information regarding university affairs as may be of general interest.

(4.) A Committee on Preparatory Schools. This committee can co-operate with the University authorities and undergraduate Institutions, to secure information with regard to the sources from which students may be drawn.

(5.) A Committee on Alumni Associations. The duty of this committee is to secure information regarding the character of work undertaken by the Alumni Association and to increase and improve the same for the best interests of the University.

(6.) A Committee on Undergraduate Activities. This committee obtains information regarding the athletic, literary, musical and other interests of the undergraduates, and from time to time make suggestions as affect the Alumni or bring the University before the general public.

The Secretary, after his selection, should reside in Lewisburg. He should be out of college from six to twelve years. He must be clean cut, diplomatic, resourceful, and forceful. He by all means should have decided business sense and experience. His position is on a par with a professorship and his qualifications must be such that no alumnus need blush when hecal tharodiluu s when he is called upon to attend functions as a representative of the Council. He must have an exceptional memory for names and faces, so that he can become personally acquainted with every alumnus and be welcomed by them. He should not be chosen on account of his scholastic standing when at college nor his popularity at that particular time. Select a man who has red blood in his veins and is willing to make some sacrifice for his Alma Mater.

ATHOL V. WISE.
Chairman.

Y. M. C. A. NOTES

The success of the Y. M. C. A. convention demands the interest and co-operation of every Bucknell man.

Remember the meeting will be at 8 o'clock instead of 9 o'clock this week. Come out and hear Mr. Lybarger. A good talk is assured.

A number of Bucknell men will welcome any visitors in the Y. M. C. A. room at 4 West College next Friday.

Plans are being made for the convention of college Y. M. C. A. presidents to be held here from April 30 to May 3. Particulars regarding the speakers for the convention will be announced next week.

Y. W. C. A. NOTES

Hear the robins! Every meadow and bush is filled with them warbling out their cheery little carols. See the squirrels scamper and frisk over the campus from tree to tree! All nature is alive and active and the Y. W. C. A. is not losing out in this march of activity and energy. It is wide-awake as ever and brim-full of ideas and delightful plans for the near future.

May is coming and with it an "Evening of Fun," just the very best benefit entertainment we have given this year. Of course you are coming, every one, for you couldn't afford to miss it. Y. W. C. A. promises you a good time and vouches for plenty of laughter. Leave the 6th open. Come and bring a friend and help make our "Evening of Fun," a grand success.

HILL GOSSIP

Bucknell vs. Harrisburg Tri-State on the campus Friday afternoon.

Captain Moyer, '15, issued the first call for tennis candidates last week.

Brosius, '14, spent Saturday and Sunday at his home in Rauchtown.

The Hill was swarmed last week with a large number of insurance agents.

Robert J. Coulter, only brother of Coulter, '14, died March 29 after a few days illness.

Lee Francis Lybarger will address the Y. M. C. A. meeting next Thursday evening at eight o'clock.

Phi Kappa Psi entertained Phi Gamma Delta at a supper and a Smoker in the former's Chapter House. A very pleasant evening was spent by all.

On account of the band concert Friday night in connection with the Odd Fellow's Convention, the Freshman Declamation contest by young women will be held Thursday evening instead of on Friday as previously arranged. A double header will be held on Thursday the men beginning at 7:30 o'clock and the women at 8:30.

PROF. GRAVES SPEAKS.

Prof. Graves, of the University of Pennsylvania gave a very interesting talk on "Character" at the Bible Class Sunday morning. He explained just what character is and told how good character is attained through good habits. His speech was very entertaining throughout.

STAFF ANNOUNCED NEXT WEEK.

Owing to the large number of candidates for staff positions on the Orange and Blue, the staff will not be announced until next week.

INTERCOLLEGIATE

The University of Pittsburgh offers a course in Esperanto.

The University of Pennsylvania is considering compulsory vaccination for all students.

By the time a senior graduates from Oberlin, he has spent in his four-year course two months taking examinations.

The dramatic club of the University of Utah has presented plans for one of the best out-door theatres in America.

The Penn. management expects that over 300 teams will compete in the annual relay carnival to be held on April 25. Over a hundred teams, including Harvard and Chicago, have already sent in applications.

Inter fraternity bowling contests are now being held at the University of Chicago The fraternities have been classed in four divisions, the teams of each division competing among themselves to qualify in the finals.

Velvet

THE SMOOTHEST TOBACCO

W.A.C. '13

FLEET of foot is good—but slow the pace that brings Velvet tobacco to the goal. The selected middle leaf—two years aging in the warehouse—perfect temperature and ventilation—in two years the best is then selected for *Velvet tobacco.* Two years has seen all harshness leave the leaf—the good flavor stands out uncontaminated—smooth! All bite has been aged away—a perfect mellowness has been reached.

Velvet has won its race. At all dealers.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, APRIL 27, 1914. NUMBER 24

VARSITY LOSES TO HARRISBURG

LARGE CROWD IN ATTENDANCE AT GAME.

TRI-STATE BATTERS WERE TOO MUCH FOR BUCKNELL

Three Bucknell Twirlers Were Ineffective in Stopping the Heavy and Consistent Slugging of the Professionals.

On Friday afternoon the Varsity received a stinging defeat at the hands of the hard hitting Harrisburg Tri-state team. The day was an ideal one for baseball, and fully 2000 people most of them here for the Odd Fellows' convention were on hand to witness the contest. The canvas which was recently purchased to enclose the diamond was on duty for the first time and the Reading tracks lost the popularity which they have so long enjoyed as a grandstand. The score was 12 to 3.

Bucknell used three pitchers, and none of them showed any real class. Buffington started the game, and went well for a while, but the professionals soon landed on him, and he was replaced in the fifth by Liebensberger. "Leiby" also had an off day, and was rather wild. Angstadt took charge of the mound in the eighth inning and finished the game. The Capitol City brigade also used three flingers, and they kept the hits of the Varsity few and far between. Taken as a whole, the work of the Varsity was exceedingly poor. Soxe, the new catcher, helped the Harrisburg cause along nicely with two wild throws and two passed balls. Storer added three more errors to his accumulation, Cuikshank also being charged with a misplay. Miller exhibited the best brand of baseball for Bucknell, handling three flies to left in good shape and touching the visiting pitchers for two hits, one a three bagger.

Bucknell's first scoring came in the fifth inning. Miller started things off with a three station drive, and "Tip" waited for a free trip. Soxe, redeemed some of his poor defensive work with a clout good for a journey to second, and Miller and Topham came home. The last run came in the eighth, and was the result of a base on balls given to Yon and singles by Storer and Cruikshank.

FRESHMAN CONTEST.

The Freshman Declamation Contest which was to be held last Thursday but which was postponed on account of the address of Mr. Lybarger, will be held on Wednesday evening of this week. As stated before, it will be a double-header, the men starting at 7:30 and the women about 8:30.

THE NEW STAFF.

The Orange and Blue staff which has been chosen by means of the competitive system is as follows: G. Wade Earle, '15, Asst. Editor; John B. Rishel, '15; George S. Stevenson, '15; Edward O. Clark, '15; Hugh C. Houser, '15; Samuel M. Davenport, '16; Eric A. Oesterle, '16; Miss Lucile McGee, '16. The selection of this staff, however, is somewhat tentative and changes may be made in the near future.

MR. LYBARGER ADDRESSES THE Y. M. C. A. MEETING

GIVES PRACTICAL TALK ON "THE PSYCHOLOGY OF SUCCESS."

One of the most interesting and practical addresses given before the men on the Hill was delivered last Thursday at the Y. M. C. A. meeting by Mr. L. F. Lybarger, a noted Lyceum lecturer. Taking for his subject "The Psychology of Success" he discussed in a practical way the subject of how to succeed. He said nothing is self-active or self-moving. Human life is a part of a great order so vast and so profound that we cannot reach its border. Evolution with "its survival of the fittest" and its "struggle for existence" is the greatest truth the nineteenth century gave to the world. We exist only as long as we are able to meet the requirements of the biological, political, social and physical world. Great men resemble each other vastly more than they differ, for the same qualities that enabled Caesar to become ruler of Rome have enabled men of modern times to obtain their respective powers.

There is a certain type of character with which men are able to succeed, without which they are unable to survive. Although the ethical element, the moral element, become stronger all the time, the psychology of leadership is the same today as it always has been. The essential elements of the constitution of a leader are the emotional and intellectual. With the union of these two we have the executive character.

With the profuse illustrations the speaker then took up the distinct characteristics possessed by all who succeed, Ambition, Self-reliance and Independence, Courage, Persistence of Effort, Resistance and Self-assertion, Exalted Self-estimation, and Will Power are the seven elements that with the proper use of the intellect enable one to succeed.

HARD TRACK SCHEDULE

Manager Lindberg, of the Bucknell track team, at Lewisburg has arranged the hardest schedule attempted by an Orange and Blue team for several years. Lehigh is next on the schedule at South Bethlehem on April 29, to be followed ten days later with a triangular meet with Franklin and Marshall and Dickinson at Lewisburg.

The Navy will be met for the first time on the track May 16, at Annapolis. A dual meet will be held with Gettysburg at Gettysburg May 23rd, and Dickinson at Carlisle May 30. Numerous candidates have reported for the try-outs, and while little is known of their ability, a number of them came in with excellent preparatory school reputations.

Last week the University of Georgia instituted a chapter of the Phi Beta Kappa honorary fraternity. It began with forty-two alumni and five men from the Senior Class.

CONFERENCE TO BE HELD HERE

COLLEGE Y. M. C. A. PRESIDENTS TO HOLD SESSION.

IMPORTANT QUESTIONS WILL BE DISCUSSED

Representatives From Practically Every University in the State Will be Entertained by the Bucknell Students.

The Presidents' Conference of the Students Young Men's Christian Association of Pennsylvania will hold its annual session here beginning on April 30th and closing on May 3rd. This is the first time for the past eleven years that this conference has been held at Bucknell. Owing to the fact that Bucknell is centrally located and to the increased interest the college men are taking in Y. M. C. A. work, it is believed that this conference will be largely attended and many practical results will accrue from it.

It will be the purpose of this conference to make plain to the newly elected Presidents and other officers the nature and scope of their opportunity and proportionate responsibility, to give them a clear conception of the various avenues through which the influence of the Young Men's Christian Association may make itself felt, and to furnish mountain top inspiration and vision for their task.

A number of leaders of State and National reputation will also be present, including Harrison T. Elliot, Richard H. Edwards and Paul Micon of the International Committee together with a number of strong leaders from other quarters who will address the conference.

The conference will open with a reception for the visiting delegates in Bucknell Hall on Thursday night at 8:30 o'clock. All members of the student body, including the members of the Woman's College are cordially invited to come out and enjoy a social evening. A short address will be given by Dr. Harris and a number of musical selections will be rendered by men on the Hill assisted by the young ladies, after which light refreshments will be served.

Morning, afternoon and evening sessions will be held on Friday and Saturday when important Y. M. C. A. problems will be discussed by able speakers. These conferences will be for all delegates and as many students as can arrange to attend them. The hour of the meetings and the speakers will be announced later in the week. All visiting delegates and the student body will be invited to attend an address by Senator Tustin in the Baptist church at 9:30 Sunday morning.

In order to arrange for the proper entertainment of visiting delegates a representative committee has been appointed. The following men will serve on this committee: Laidlaw, '15; De Haven, '16; Shattuck, '14; Oesterle, '16; Drake, '14; Weddell, '15; Noble, '16; Mellott, '15; Rogers, '15; Robb, '15. These men will meet in the Y. M. C. A. office tonight at 8 o'clock to arrange for entertaining the delegates.

No physical exercise credits will be given to the students at the University of Pennsylvania, unless they pass an examination in the form of athletics they pursue.

Authorities at the University of Wisconsin estimate the amount of money students there spend on alcoholic drinks total up more than $20,000. Some swimmers.

Yale University is building a large new artificial hockey rink. The completion of this arena will fill a long-felt need for a large rink. The dimensions of the arena are 200 by 175 feet.

REV. P. S. HENSON, NOTED PASTOR, DIES.

The Rev. Dr. P. S. Henson, a noted Baptist preacher, died last Friday at his home in Chicago, Ill., aged 83 years. He was not only a minister of note but was also a lecturer and author. In 1867 he received the title of Doctor of Divinity from the University of Lewisburg, and in 1878 he declined a call to the presidency of the institution.

ON TO MEXICO.

Bucknell patriotism, set on fire by the reports from Mexico, manifested itself in a monster demonstration on last Thursday. Hundreds of noble young college men, forming an inspiring parade, marched to the National Guard Headquarters and offered themselves as sacrifices on the altar of their country.

ODD FELLOWS CONVENTION ENJOYED BY STUDENTS

HUNDREDS OF VISITIORS WERE SHOWN THROUGH COLLEGE.

The largest celebration in Lewisburg for years was witnessed last Friday, the occasion being the ninety-fifth anniversary of Odd Fellowship in the United States. Over 10,000 visitors thronged the college town, and Market street, with the gayly-bedecked crowds surging back and forth and the barkers advertising the "hot dogs" and pink lemonade, took on the appearance of the Coney Island Midway.

The main event was the big parade in the afternoon, 3500 Odd Fellows being in line. Twenty bands furnished music among them being the famous Bucknell Band. The costumes of the different lodges in line made a striking appearance.

In the evening several band concerts were given, chief among them being one by the Repasz Band of Williamsport at Third and Market streets. By ten o'clock most of the visitors had gone, and the "burg" relapsed once more into its peaceful slumbers.

A committee of college students was appointed to show visitors around the Hill during the day. They did very efficient work and succeeded in showing the main points of Bucknell to hundreds of out-of-town people.

CHRISTY MATHEWSON THE MAN.

One of the most interesting public characters of the day is Christy Mathewson, the famous baseball pitcher. He is a joy and an inspiration to every lover of the manly sport not only because of his marvelous skill but because of his splendid physical condition, which he has maintained during the thirteen years of strenuous work on the diamond.

There is a reason for the continued prowess of Christy Mathewson, while other pitchers endure the strain but a few years and pass on. He is a man of temperate habits. He has full command of his mind and body. He lives a quiet, rational life and observes the simple laws of health, with the result that after thirteen years on the diamond he is still in the pink of physical condition. Moreover, he is a man of character and self-control. It is claimed that he has never played a game of baseball on Sunday, and that he declares that he never will. This is worthy of mention as indicating the strong character of Mathewson. It indicates that in addition to his wonderful aim, his keen eye and his alert brain he is a strong, self-reliant man, whom neither adversity nor success is likely to divert from his chosen course of duty. Surely the youth of America, as well as their elders, have good reason to admire Christy Mathewson.—"Human Factor."

One million dollars are offered at St. Petersburg as a prize for the best essay on the life of Czar Alexander I. The work may be in any language and is to be finished by 1925.

MINSTREL SHOW COMING SOON

MAY 7 HAS BEEN SET AS DATE FOR BIG EVENT.

PROCEEDS TO GO TO ATHLETIC ASSOCIATION

Students Are Working Hard to Make This Years' Production "The Best Ever."—Only Very Latest Jokes Will Be Heard.

Again is will be possible for the many followers of the Bucknell Minstrels to enjoy a good hearty laugh, for it is an assured fact that they are coming for another performance This year, as in the past, the performance will be in Commencement Hall, and a good, old hearty laugh will be guaranteed to all.

At a recent meeting of the minstrels Prof. Stolz was elected director; Hamlin, '15, treasurer; Tripician '16, business manager and assistant director; and Johnson, '17, property man. With these officers, all working in unison, a good minstrel performance is assured.

The following are the candidates for end men: Crufkshank, '15; Speer, '15; Bell, '14; Henderson, '15; Cathrall, '14; Swope, '17; and Korth, '17. All of these candidates are experienced in minstrel work and are striving hard for the coveted positions. Only the newest and latest jokes will be used, for no old ones are allowed.

The chorus is being trained by Prof. Stolz and all the latest and popular songs will be used. A quartet composed of Johnson, '17, Brenbar, '17, Pedigo, '17, and Runk, '16, will sing several selections. The other chorus candidates are E. H. Smith, '16, Hamlin, '15, Weber, '17, Sprenkle, '17, Evans, '15, Markle, '14, Mellander, '16, Hopkins, '15, Lowther, '14, and Robb, '15. Whittam, '15, is to be interlocutor.

The date set for the minstrels is May 7, and now is the time to think about going. Tickets will soon be placed on sale in one of the down-town stores and inasmuch as the proceeds will go towards the Athletic Association the tickets should sell rapidly.

WM. S. SHALLENBERGER, PROMINENT ALUMNUS, DEAD

WAS CONGRESSMAN AND SECOND ASSISTANT POST MASTER GENERAL.

William S. Shallenberger, ex-'62, former Congressman from Pennsylvania and for ten years Second Assistant Postmaster General, died at his home in Washington, D. C., aged 75 years.

Mr Shallengerger was born at Mt. Pleasant, Pa., on November 24, 1839. He was educated in public schools Mount Pleasant Academy and the University of Lewisburg, now Bucknell. Early in the Civil War he enlisted in the 140th Pennsylvania Volunteers, and served under Generals Miles and Hancock. In 1876 he was elected Representative in Congress from the twenty-fourth district of Pennsylvania. He was re-elected in 1878 and again in 1880.

Upon his retirement from Congress, Mr. Shallenberger was engaged as cashier in the First National Bank of Rochester Pa. continued in that capacity until the inauguration of President McKinley, when he resigned in order to accept the position of Second Assistant Postmaster General. This position he held for a period of ten years. Mr Shallenberger was well known and liked by all with whom he came in contact.

SPECIAL NOTICE.

MONDAY, APRIL 27, 1914.

THE NEW STAFF.

To select a staff for a college paper with but one or two try-outs is necessarily a difficult task. Oftentimes in so short a time one is incapable of showing what he can really do. We have endeavored however, in selecting the staff to do our best under the circumstances.

It is not our intention to divide the staff into its several departments at once. We feel that the members can only be judged as to which department they are best fitted after they have been tried out a number of times with all kinds of writing.

We furthermore wish to state that the present staff is merely tentative. It shall be our policy and our privilege to drop at any time from our board any member who in our estimation is not doing what he should. It shall also be our privilege to place in his stead others whom we feel can better fill the position.

COLLEGE TENNIS COURTS

The call of the tennis captain for candidates brings before our minds the fact that the university possesses no public courts for student use. In case a student is in no way connected with one of the private courts about the college, he is confronted by a great disadvantage in trying out for the team. He is without a place to play and practice when he so desires.

Practically every other college of note has its own tennis courts kept up by the university. Bucknell likewise should have its own courts where any student can practice and where the college games can be played. We have an athletic field for our football, baseball and track men, a gymnasium for our basketball men—why not courts for our tennis men?

AN INVITATION.

An invitation has been received by the editor of the "Orange and Blue" to send delegates to the conference of the Middle Atlantic Association of College and School Editors to be held at the University of Pittsburgh on May 8 and 9. The invitation is extended to all members of the staff of our paper and to any others who may be especially interested in the journalistic work.

An excellent program has been arranged for the two days of conference. All the problems of the college newspaper will be thoroughly discussed by delegates and others, one of the chief features being a short talk at the end of each discussion by T. R. Williams, instructor in journalism at the University of Pittsburgh and managing editor of the "Pittsburgh Press."

Arrangements will be made for entertaining delegates while in Pittsburgh, so that the only expense of the delegates will be for traveling. The editor especially urges any one who is interested to consult him at once in order that preparations may be made for the entertaining of our delegation.

COMMUNICATION.

Dear Editor:—

Altho I am not a Bucknell student I take keen interest in your college athletics and support them to the best of my ability. May I, therefore, express my opinion, thru this paper on a certain subject?

I have noticed with regret the lack of student enthusiasm at the ball games. At Friday's game it was deplorable. Even a three bagger by a star hitter when the score was dead against Bucknell, evoked only a muffled, spiritless sound from the so-called cheering section. I had to admit the truth of the words uttered, disgustedly, by a feminine voice back of me; "Well, believe me, I could make more noise than that myself if I really wanted too."

In former years I have heard the students "raise the roof off the sky" when such a hit was made, but lately "Bucknell Spirit" seems to be as dead as the "Woodpecker."

Let's see a revival of "pep" that will insure victories in the big games to come and justify a continuance of public interest in Bucknell Athletics.

Bucknell Rooter.

Harvard expects to erect a gymnasium in the near future.

As a result of the "clean-up" movement started by the Daily Illini, 700 students of the University of Illinois wielded shovels, picks, hoes, etc., in cleaning the streets of Champaign and Urban of slush and mud.

One hundred and fourteen girls have turned out at the University of Washington for track work. Co-eds in all the Pacific Coast institutions are very active in athletics.

At least 50 petr cent. of the English Cabinets formed during the past 100 years has been graduates of Oxford.

Y. M. C. A. FINANCIAL REPORT

STATEMENT OF RECEIPTS AND EXPENDITURES.

The financial report of the treasurer of the Young Men's Christian Association for the year beginning on March 12, 1913 and ending on March 12, 1914 is as follows:

PHILADELPHIA ALUMNI NEWS

MANY ASSEMBLE FOR PLEASANT TIME.

THE ANNUAL BANQUET A GREAT SUCCESS

About Sixty Graduates of Bucknell Gather Together at Hotel Rittenhouse.—New Officers Elected on Last Friday.

The "Annual," event extraordinary of the Bucknell Alumni Club of Philadelphia with the attendant banquet and business meeting, was held at the Hotel Rittenhouse Saturday evening, April 18. Sixty men assembled for the big reunion which marked the culmination of the series of most successful bi-monthly gatherings that have been held during the present school-year. Conspicious in point of attendance were the men from the earlier classes, one from '59, several from the "sixties," quite a number from the "seventies." How these patriarchs were acclaimed as seated about the table the banqueters rose, man by man, each giving his name and class!

Among this number of men who have been out long "through the mill" Bucknell was honored that evening by many of her most distinguished sons, some of whom had come considerable distance to pay this tribute to Alma Mater. Her younger sons were there too, side by side with the men of greater years, each one full of reminiscences of the Hill in his day—that was the burden of the chatter that interspersed the courses —all mingling in refreshing rounds of good cheer.

Toastmaster E. L. Nesbit, President of the Club first introduced Registrar Wilcox for a report on "the state of the union" and "news from the front." Dr. A. J. Rowland, who followed, speaking both as a trustee and an alumnus, in a spirited address coincided with Mr. Wilcox in testifying as to the present flourishing status of the institution and in presenting a most encouraging outlook for the future of the University. Mr. A. A. Leiser, of Lewisburg recounted at some length to intent listeners the struggles of the Athletic Association to put teams on the field on a handicapping basis of economy imposed by existing conditions, until under the present organization and with additional help from the college the Association was able to meet expenses and have a little besides to cancel old obligations.

The final speaker, Dr. Babbit, of Haverford College and a member of the Inter-Collegiate Football Rules Committee gave a most pleasing address. He made a strong plea for clean athletics in college circles and told of the efforts that have been and are now being made by the leaders toward this end. His appeal elicited a strong and cordial response from the Bucknell men.

Just prior to the banquet the yearly business meeting of the club was held. Minutes read and reports from treasurer and committees received and accepted, new by-laws were proposed and adopted and the nominating committee proposed for membership on the executive committee for the ensuing year the names of eleven men. No further nominations being made the report of the committee was accepted and the following were elected: Hassrick, Mollopeter, Meeser, Nesbit, Robb, Robey, Slifer, Weymouth, Weaver, Wise and Zeigler.

The newly elected Executive Committee on the Bucknell Alumni Club of Philadelphia convened last Friday afternoon. According to the new by-laws officers for the Club were elected by the Committee from their own number with the following result:

President—J. K. Weaver, '62.
Vice Pres.—R. G. Slifer, '98.
Secretary—L. W. Robey, '04.
Treasurer—A. V. Wise, '06.

Because he has served continuously for a number of years on the Executive Committee C. K. Robb, ex-'96, Treasurer of the Club during the past year, tendered his resignation which was accepted with regret. A unanimous vote of thanks was extended to Robb for his long and faithful services. S. B. Meeser newly elected resigned because the press of other duties would prevent him from attending meetings. H. M. Christ, '04, and S. P. Davies, '12, were elected to fill the vacancies caused by the resignations.

Nearly every county in Missouri is represented in the University of Missouri by a club consisting of students from the county.

Five years after graduation, the average salary of the members of the 1908 class of Massachusetts Institute of Technology was $2,007.86. The salaries ran all the way from $730 to $5000.

The officials of the University of Michigan and the other colleges of that state are agitating the establishment of circular "dry zones" surrounding each college, no saloon being permitted nearer than five miles.

Here is a suggestion to Freshmen in the Westminister College "Holcad:" "Loaf in the library. The librarian likes to be cheered up, once in a while"

AT ALL DEALERS

HILL GOSSIP

Lotte, '14, spent the week end in Williamsport.

Illingworth, '17, was visited by his uncle on Thursday of last week.

The track team will leave for a meet with Lehigh on Wednesday.

Attend as many meetings as you can of the College Y. M. C. A. Presidents' Conference this week.

A number of former Bucknell students were in town for the "big day" Friday, among them being Bell, ex-'15, Meek, ex-'15, and Gubin, ex-'16.

The Bucknell reception committee was on the job Friday and pointed out the beauties of our campus to the many visitors.

The varsity baseball team plays four games away from home this week, the teams played being the Army, Seton Hall, Fordham and Lehigh.

Y. W. C. A. NOTES

And whatever you do, don't forget May 6th—"Evening of Fun." You are promised one of the best times you have had this year, a sure cure for the worst kind of a "grouch."

Helen Groff, as the Bucknell Y. W. C. A. representative is now visiting the student association cabinet of Swarthmore, studying student problems and doing pioneer work. Next year she will visit several colleges with the same purpose.

Our Tuesday evening prayer meeting was especially interesting and beneficial. The meeting was led by Dorothy Bunnell and a number of original ideas were presented by the various girls. Next week the leader will be Edith Horton and the topic will be "The Influence of Christ." All the girls out, you are sure to be helped and you may help some one else.

Y. W. C. A. is promising great things for the near future. The new officers are entering upon their duties and are displaying surprising efficiency and success in their respective spheres. It was with much regret that we received the resignation of Harriet Carpenter, but as she will be unable to be with us next year, she was forced to give up her office as President. To fill the vacancy Miss Lucile McGee has been elected as president.

WOMAN'S COLLEGE

Henrietta Heinsling entertained her cousin, Miss Heinsling, of Altoona, during the past week.

Miss Marian Harman, '14, is spending a few days with Mrs. Leo Rockwell.

Misses Rachael Davis, '14, and Ruth Edwards, '14, spent the week-end at the latter's home in Williamsport.

Invitations have been issued for a recital to be given by Misses Hardesty and Armstrong on Monday evening, April 27th.

Miss Viola Eckert, '17, entertained her aunt, Mrs. Albright, of Germantown, Philadelphia, the latter part of the week.

The Freshmen expect to give a dinner to the Juniors on Thursday evening at the Cameron House.

The elocution department will give a recital cuttings from "Les Miserables" on Tuesday evening, April 28th.

The annual Institute elocution contest will take place Saturday evening at 8 o'clock.

Miss Viola Eckert, '17, visited with friends in Harrisburg over Sunday.

Misses Martha Hoag and Jessie Ludwig, of Nescopeck, visited with Miss Jennie Birth, '17, over the week end.

There are seven new fraternity houses being erected at the University of Missouri. One is completed and the others will be completed during the year.

According to the Otterbein Review a number of grey squirrels, which were recently purchased by the school, have arrived. "But are there enough 'nuts' in Westerville to feed them?"

The Board of trustees of Colgate University have arranged for the erection of a new chapel and gymnasium at that institution.

With 23 college men casting votes, Holland, Mich., the home of Hope College, voted dry last spring by just 23 votes. No wonder the college prohibition league claims the credit.

Seidel & Spanglers News of Exceptional Interest

Floor Coverings for your Home

In the midst of houseceaning, just the time when everyone is looking for floor coverings of some kind, comes this great smash in price on carpets, rugs and linoleums. Never before have we carried the variety nor the qualities that we have to-day. We are better fitted to please you all than ever before. We have the finest Wilton Rugs made in America. This is a wide statement but we have the goods to back it in the best selling sizes—8.3x10.6, 9x12, 10.6x12, 10.6x13.6, and 11.3x12. Some of these patterns are made in odd and special sizes, which we can secure for you in a few days time.

All we ask is a chance to show our immense stock and quote you our low prices. If you will give us this opportunity we know where you will buy.

Axminster, Body and Velvet Brussels Rugs that we are closing out at from $5.00 to $10.00 less than their regular prices. All perfect goods, no seconds, and they are no jobs, but out of the heart of our large stock.

We have gone through our stocks and picked out all discontinued patterns in carpet by the yard, and all short lengths, which range in price, that would do for halls and stair runners and small rooms. We have placed the whole lot at a reduction of from 20c to 50c a yard less than their regular price.

VOLUME XVIII | LEWISBURG, PENNA., MONDAY, MAY 4, 1914. | NUMBER 25

VARSITY DROPS FOUR STRAIGHT

ALL GAMES LOST ON EASTERN TRIP

NUMEROUS ERRORS AND POOR PITCHING THE CAUSE

Bucknell Bows to the Army, Seton Hall, Fordham and Lehigh.—Loose Playing in All Games Results in Large Scores.

The Varsity dropped all four games to West Point, Seton Hall, Fordham and Lehigh on the five days trip of last week. The box scores from the different games resemble strikingly those of days gone by when gloves were unused accessories of the pastime and the pitchers served 'em up underhand. Weak pitching and glaring blunders on the infield especially at short and the catchers box placed the possibilities of winning at a low par. Soxe, however, is suffering with a bum hand the digits of which are in a much bruised condition and the number of stolen bases in the past four games must be considered in a lenient spirit. Bucknell gratitude was loyally upheld by the Varsity pitchers who passed us a large number of free passes to first in every game played. Good starts in all the games seemed to be Bucknell's hobby as is testified by the way the team got the jump on the opponents right at the start in three of the games and then fell down by lacking the necessar; punch in the form of a defense.

Army Game.

The game at West Point went seven innings on a slippy field until darkness and rain called a halt. Bucknell started well by chasing Butts from the rubber in the fourth with a fusillade of hits which netted five runs. Hagan, after holding the Cadets safe for the first four innings with steady pitching, weakened in the remaining innings and was touched up rather lively. This great stick work on the part of the West Pointers, combined with some "free tickets," produced the runs which left the Varsity with the small end of the score. Neyland all this time kept cutting down the Varsity hopes of catching up by pitching air-tight ball after taking the mound in the fourth.

Army	1	0	4	0	2	2	7	—	16
Bucknell	0	1	1	5	0	0	0	—	7

Sacrifice hit—Butt. Two-base hits—Seeman. Home run—Hobbs. Hits—off Butts, 6 in four innings; off Neyland, 1 in 3 innings. Struck out—by Butts, 3; by Neyland, 7; by Hagan, 8. Bases on balls—off Butts, 2; off Hagan, 6. Passed ball—Bringham. Hit by pitched mall—by Butts, Topham; by Hagan, Dunigan and Gerhardt.

Seton Hall.

The Seton Hall game was characterized by another sloppy field and a like proportion of poor pitching and fielding. The infield's support was of a mediocre type with nine errors chalked against it. Buffington, Liebensberger and Sellers shared the pitching burden and were equally free with hits and passes.

TASKER H. BLISS, EX-'73, COMMANDS AMERICAN FORCES

HAS CHARGE OF TROOPS ALONG THE BORDER LINE OF TEXAS.

Tasker Howard Bliss, ex-'73, Brigadier-General U. S. A., is one of the leading men in the affairs with Mexico, being in command of the American forces along the border line in Texas.

TASKER H. BLISS

Mr. Bliss, who was born in Lewisburg, was educated at the Academy and also spent two years in the College. At the end of his Sophomore year he left Bucknell to enter the U. S. Military Academy where he graduated in 1875. Ever since that time he has been prominent in military affairs, rising from Second Lieutenant First Artillery, in 1875 to Brigadier-General U. S. A. in 1902.

He was professor of military science at the U. S. Naval War College from 1885 to 1888. In 1898 he served in the Porto Rican campaign, from which time until 1902 he served as collector of customs at the port of Havana and was chief of the Cuban Custom Service. As such he revised and improved the system greatly.

In November, 1902 Mr. Bliss was appointed special envoy to Cuba to negotiate a treaty of reciprocity between Cuba and the United States. Later he spent some time in the Philippines until he was called to take charge of the border line in Texas.

TRACK TEAM IS DEFEATED

OVERWHEMINGLY BEATEN BY LEHIGH.

WON NO FIRSTS AND ONLY FOUR SECONDS

Lehigh Team too Fast for Bucknell.—Sod Field Partially Responsible.—Evans, Butt and Lowther Score Points for Varsity.

That something is radically deficient along the line of track athletic here was shown when our team of eleven men left Lehigh last Wednesday with the worst walloping that a team from that institution has ever inflicted on one representing the Orange and Blue. The result of the meet was 100 to 12 in favor of Lehigh.

Butt, '16, and Captain Lowther, '14, scored seconds in the two mile and half mile respectively. Evans, '15, won second in the 120 yard hurdles and also tied for second in the high jump. On jumping off the tie he secured second place, covering the height made by the winner. Glass '16, tied for second in the pole vault but lost out in the effort to break the tie.

Our men were probably handicapped by an improvised sod track on which the meet took place, but this alone can scarcely account for the one-sided score.

The winners were as follows:

100-yd. dash—Kuhn, first; Bickley, second. Time 10 1-5 seconds.

Mile run—Mickel, first; Becker, second. Time, 4:46.

220-yd. dash—Kuhn, first; Lowther, second. Time 23 2-5 seconds.

Broad jump—Green, first; Hanway, second. Distance, 19 feet 10½ inches.

120-yd. high hurdles—Keyes, first; Evans, second. Time, 18 seconds.

440-yd. dash—Hanway, first; Neyer, second. Time, 57 2-5 seconds.

Two-mile run—Von Mengerinhausen, first; Bott, second. Time, 11:07 2-5.

Shot-put—Grumback, first; Bailey, second. Distance, 37 feet 6¼ inches.

High jump—Nostrand, first; Evans, second. Height, 5 feet 3 inches.

220-yd. low hurdles—Warren, first; Davidson, second. Time, 29 4-5 seconds.

Half-mile run—Burns and Hanaway ran dead heat. Time 2:22 2-5.

Hammer throw—Grumback, first; McCarthy, second. Distance, 104 feet 6 inches.

Discus throw—Bailey, first; Grumback, second. Distance, 100 feet 5 inches.

Pole vault—Good, first; Randal, second. Height 10 feet 9 inches.

DON'T MISS IT

THE "EVENING OF FUN" ON WEDNESDAY, MAY 6.

Laugh and grow fat. Cast dull care to the winds and have one grand, good "Evening of Fun" Wednesday, May 6th. It's all fun. Miss Schillinger says, "good wholesome spicy fun, the kind of fun that puts you on good terms with yourself and your next door neighbor, the kind of fun that banishes the blues and makes you feel happy all the rest of the week.'

There will be plenty of local jokes, plenty of surprises popping up out of unexpected corners. The dramatic trio will be there. Miss that and you'll miss half of your college course.

And best of all you won't have to crane your neck out of joint to see what is going on; the platform will be built so that everyone can see everything. Don't miss this fun! And don't forget the date—Wednesday evening, May 6, in Bucknell Hall.

—Pitt. game Thursday.

TENNIS TEAM TIES

SPLITS EVEN WITH SUSQUEHANNA IN SIX EVENTS.

The Bucknell Tennis team tied the Susquehanna team at Selinsgrove on Saturday. The six events, four singles and two doubles were keenly contested, each team winning two of the singles and one double. The summaries are:

Singles.

Carver, B., beat Gartner, S., 6—3, 7—5.

Harris, B., beat Lenhardt, S., 6—1, 6—0.

Mohn, S., beat Malin, B., 6—4 6—3.

Boyer, S., beat Moyer, B., 3—6, 7—5, 6—3.

Doubles.

Boyer and Gortner, S., beat Painter and Carver, B., 3—6, 6—4, 8—6.

Harris and Moyer, B., beat Stahl and Danowsky, S., 6—2, 6—1.

FRESHMEN SPEAK IN THE ANNUAL CONTEST

SIX MEN AND EIGHT WOMEN DELIVER DECLAMATIONS.

The annual Declamation Contest of the Freshman Class was held in the Bucknell Hall last Wednesday evening. The contest was one of especial interest this year on account of the large number chosen to take part. The program was divided into two divisions, one composed of the six men speakers and the other of the eight women.

All of the contestants rendered their selections very well and were heartily applauded by the large and appreciative audience. Especially was the work of the women speakers of exceptional merit. Music was furnished by several of the students in the School of Music.

The program rendered was as follows:

Men's Program.

March, Romaine—Gounod—Miss Stuck.

Miles Domer Ackerman, Turbotville; "Signing the Declaration"—Lippard.

Eugene Peter Bertin, Williamsport; "The Shephard's Trophy"—Ollivant.

Clinton Irwin Sprout, Picture Rocks; "The Dog on the Roof"—Townsend.

Edwin Ewart Aubrey, Kingston; "Sir Anthony Absolute and His Son"—Sheridan.

Charles Austin Soars, Norristown; "The Chariot Race from 'Ben Hur'"—Wallace.

Women's Program.

March, Troubador—Roubier—Miss Galloway.

Yenrith Levina Westbay, Elizabeth; "The Peripatetic Puppy,"—Stern.

Alleen Audrey Johnston, Avonmore; "The Sinkin' Brake"—Davis.

Lora Ellen McQuay, Emporium; "Galberto's Victory"—Brown.

Jeannette Carolyn Owens, Lewisburg; "The Religon of Trooper Halket"—Schreiner.

Ruth Pauline Rarthold, Bethlehem; "Thekla, the Victor"—Mason.

Helen Christiana Brown, Morristown, N. J.; "Idella and the White Plague"—Lincoln.

Clara Ray Speare, Lewisburg; "High Tide on the Coast of Lincolnshire in 1571"—Ingelow.

Sarah Alice Haslam, Philadelphia; "Aunt Katurah's First Trip to New York"—Anon.

FRATERNITY GAME TIED.

In a ten inning game the Phi Kappa Psi baseball team tied the Phi Gamma Delta team by a score of 8 to 8. The batteries were: Phi Kappa Psi—Laidlaw, '15, and Boyer '14; Phi Gamma Delta, Gillette, '17, and Hatfield, '17.

TENNIS MATCH FRIDAY.

The Varsity tennis team will play the Susquehanna team on the S. A. E. Court next Friday afternoon.

CONFERENCE A SUCCESS

COLLEGE Y. M. C. A. PRESIDENTS ENTERTAINED.

EXCELLENT CONVENTION HELD HERE LAST WEEK

Representatives of Twenty-five Colleges and Preparatory Schools Assemble to Discuss Association Matters.

From Thursday afternoon until Sunday evening, of the past week, Bucknell was the scene of an event of great importance, directly to the student Y. M. C. A. circles and indirectly to the college life of the entire state. Thirty student presidents and other delegates, representing twenty-five college and normal school Y. M. C. A. organizations, gathered at the university for the twenty-third Annual Conference of Pennsylvania Student Presidents to discus methods, receive inspiration and get new ideas of Christian Asociation work. That the conference was a success was due to the efficient management and leadership of the State Student Secretary, H. Ehlers, the excellence of the speakers on the program, and the hearty co-operation, under the direction of the local Y. M. C. A. leaders, Hedge and Goehring, of the Bucknell Association and student body in general. Special credit is due the various fraternities and members of the faculty for the hospitality shown to the visiting delegates.

The characteristic features of the conference were the prevalence of fellowship and cordiality among the delegates, a spirit of optimism and interest in the work, and intense earnestness in acquiring greater practical Christian efficiency. As a result the conference were the prevalance of fellowship and cordiality among the delegates, a spirit of optimism and interest in the work, and intense earnestness in acquiring greater practical Christian efficiency. As a result the conference were the prevalance of certain top experience" in the cause of Christian service and its influence will be widespread and incalculable as its methods and message are carried back to the various institutions and their organizations.

The conference was opened Thursday evening with a short, but interesting meeting in the Y. M. C. A. hall, appropriately introduced by a few words of cordial welcome to the delegates by Dr. Phillips of Bucknell, in which he emphasized the importance of the ideas to be gained at a conference of this character. H. S. Elliott, International Bible Study Secretary, an interesting speaker of pleasing personality addressed the meeting on the subject, "The Student As An Integral Factor in Community Life,' bringing out the fact that the Y. M. C. A., touching the universal note of religion relying for its efficiency upon the dynamic of Jesus Christ, in tending to make undergraduate life what it should be, is fitting college men and women to be true citizens, real integral factors in their future life in their community, and world leaders.

Directly after this meeting, an informal, get acquainted reception was held in Bucknell for the delegates. Dr. Harris spoke a few words of welcome, following which an enjoyable social evening was spent by delegates and a large number of Bucknell students, including most of the Y. W. C. A. members. Miss Trescott and Miss Williams assisted in the entertainment by musical numbers which were enthusiastically applauded. Under the direction of Chairman Fahringer and his reception committee, refreshments were served and a number of speeches and songs were given. The affair was very successful and accomplished its purpose of getting the visitors acquainted with each other and with Bucknell.

Friday morning, Dr. Phillips gave a helpful and inspiring address on the

Entered at the Lewisburg post office as second class matter.

Contributions from students and alumni are earnestly solicited. They should be written in a legible hand. Address all articles to editor.

MONDAY, MAY 4, 1914.

OUR TRACK TEAM

The overwhelming defeat which the Bucknell track team received at Lehigh shows decisively that there is something wrong somewhere. Surely with such a result Bucknell has not produced her best in track and if not, why not? There are two reasons.

In the first place many of the men who are out for track do not keep in training, but train only before a meet. This is not true of all but there are many who continually break training. If we are to have a winning team the men must be willing to train regularly.

But even this looseness in training is not the greatest fault, for these men deserve much credit for coming out at all. There are many students who could easily "make good" in track but who do not think enough of their college to sacrifice a little in order to come out.

Bucknell has the material for an excellent track team—why not have it developed? If you have any ability in track, come out to practice. If you have not, come out any way and prove it. You perhaps may be able to do more than you think. Let there be the best training and practice in track this week that Bucknell has ever seen. Then our efforts in the triangular meet to be held Saturday will at least be worthy of old Bucknell.

Passed ball—Fish. Umpire—Merrity.

Fordham Game.

In a weird game in which six pitchers, ten errors, 21 runs, 20 strikeouts and a number of home runs and triples combined to form a half interesting saw saw game, Fordham nosed out a winner over Bucknell by one run. The score see-sawed twice, Bucknell spurting ahead in the eight on Crulkshank's timely homer when two men were on bases after the score had been tied in the fourth. Bucknell, however, was beaten out in the ninth inning by Fordham's rally due to some more sleve-like support on the part of the infielders. Miller with a star catch in deep left and Topham with a perfect batting average were stellar performers for Bucknell in a tough-luck battle.

Lehigh Game.

Lehigh handed the Varsity the worst drubbing of its trip when in the final game on Saturday they applied the calcimine brush good and heavy as the score 18-0 shows. The Orange and Blue ball-tossers played a very loose game in all department while the Brown and White in strong contrast sailed along in mid-season form. Light, Lehigh's twirler, was stingy with his offerings—so stingy that the Varsity amassed only four measly hits off his delivery and never crossed the pan once for a tally.

CONFERENCE A SUCCESS

(Concluded from first page.)

subject, "Prayer As Essential to Knowing God's Will in a Man's Life," developing the thought that seasons of prayer based upon the fatherhood of God and periods of separation from the world are necessary to learn God's will in our lives. Mr. Elliott followed on the program with a practical and instructive blackboard talk.

Friday afternoon the meeting was opened by Thomas S. Evans, General Secretary of the Y. M. C. A. at the University of Pennsylvania, speaking on the subject, "How to Use the Church and Ministers in Connection With Local Student Work." He emphasized the relation of the Y. M. C. A. with the church of Christ. The speaker showed a ready knowledge and wide experience. "Saturday Night Indulgence and Sunday Morning Inertia," was the subject of an interesting discussion conducted by Mr. Elliott.

Friday evening, Mr. Buchman, General Secretary of the State College Y. M. C. A., a leader of deep consecration and large results, gave an intensely practical, well-illustrated stirring, talk on the subject of "Personal Work," showing the vital nature and need of active, tactful, personal work and how to do it.

The first thing on the program Saturday morning was a short discussion by Mr. Evans on the subject "The Student Association and Its True Mission Field," in which he warned against too many side lines, as politics, campaigns and like in the Christian Association, that tend to divert it from its true mission to represent the living Christ. Mr. Buchman gave practical suggestion on an organization and efficiency of the Y. M. C. A.. Denna How, Social Service Secretary for the University of Pennsylvania Y. M. C. A. told what was being done in that department at Pennsyvania. Mr. Ehlers concluded the program with a talk regarding the value of the Association in the smaller universities.

The feature of the Saturday afternoon session was the inspirational address of the conference, delivered by Dr. H. M. Kline, of Franklin and Marshall college, on the subject of "The Challenge of Jesus Christ to College Men." "Jesus," he said, "has always especially attracted young men because of his genuine and intensely vital character. The challenge comes with particular force today to educated young men. The speaker's earnest, pleasant personality added greatly to the force of his appeal.

Mr. Micou, connected with the Student Volunteer Movement spoke in the evening on "The Call of the Church for Men," urging the necessity of a right choice of life work by men who have taken Christ as the Supreme Factor in their lives.

Sunday morning the delegates attended Dr. Harris' Bible Class and listened to a most enjoyable address by Mr. Catelle, City Statistician of Philadelphia, on the subject, "Making the Most of Our Environment. Optimism was the motif of this address in which the speaker showed, by interesting illustrations, the benefits of the environment we enjoy. At the regular church service, Dr. Judd [illegible] especially to the delegates, basing his sermon on the story of the Good Samaritan and its lesson to brotherhood.

The conference closed Sunday afternoon with a short meeting in the Y. M. C. A. hall at which Dr. Phillips [illegible] farewell, urged the delegates to reflect upon the inspirations and suggestions received at the conference "Blest Be the Tie That Binds," was then sung, closing the final meeting of a successful conference the value of which will appear in the future progress of Student Christian Association work throughout Pennsylvania.

ALUMNI BANQUET.

A banquet will be held by the Bucknell Alumni in and about Williamsport at the Henry House on Wednesday evening, May 6. All alumni and students from that district are urgently requested to attend.

DR. PERRINE DELIVERS COMMENCEMENT ADDRESS.

Dr. Enoch Perrine, head of the English department, delivered the Commencement Address to the graduates of the Montgomery High School and their friends last Wednesday evening. The Montgomery High School just completed a very successful year, due chiefly to the efforts of two Bucknell men at the head of the school, G. Stanley Metzgar, '10, Principal, and T. B. Lockard, '07, Assistant.

BIG OPENING.

Are you going to attend the big opening? The Bucknell Band will be there. On Saturday evening at eight o'clock Leidy's Ice Cream Gardet will have its opening on Third street just below Market. A pretty souvenir will be given to all who attend and excellent music will be furnished by the band. The ice cream is certain to be good as it will be Leidy's own make. A special invitation is given to the college men and women to attend this opening.—adv.

Zehner, '13, has recently been promoted to the position of head chemist in the dynamite factory of the Atlas Powder Co., at Landing, N. Y.

The date for the annual Freshman-Sophomore baseball game has been announced by Assistant Baseball Manager Affron as Friday, May 29.

Y. W. C. A. NOTES

Helen Groff returned from her short visit with the Swarthmore Y. W. C. A. cabinet with many new ideas for our own work here.

And don't forget the "Evening of Fun." If there is a serious thought on the whole program Miss Schillinger says that the audience may know it is a decided mistake.

Friday evening, Mr. Elliot, Bible Study Secretary, who was attending the Y. M. C. A. conference, addressed the Y. W. C. A. cabinet. The man's wonderful personality showed itself all through his talk. His speech was to the point, full of optimism and enthusiasm, love for his Master and his work.

The weekly meeting last Tuesday evening was largely attended and was very interesting. A number of the girls took part giving some new and original thoughts. During the last two terms Dr. Phillips has been giving the Y. W. C. A. a series of instructive talks on "Fundamentals of the Christian Life." The direct and reasonable thoughts gathered from them have cleared up many hazy questions and doubts. He will close this series tomorrow evening with a question box. The girls have handed in a number of questions which he will take up and discuss. All are urged to attend.

WOMAN'S COLLEGE

Olive Cooper, '14, and Francis McNall, '14, visited at the latter's home in Muncy over Sunday.

Ruth Ballentine, '17, had as her guest last week, her brother, Jack Ballentine, of Clarion, Pa.

Velvet

THE SMOOTHEST TOBACCO

A BIG throw in the tobacco world that has opened the eyes of pipe smokers. Velvet—the selected middle leaf tobacco—two years of warehouse aging—exchanging harshness for mildness—maturing—mellowing. The development of the good flavor and the smoothness, minus the ingredient that "bites!" It takes all of two years to do it! Are you ready for it? At all dealers—*"Velvet."*

PITT DEFEATED BY THE VARSITY

FELL AN EASY PREY TO THE BUCKNELL TEAM.

LEIBENSBERGER'S PITCHING TOO MUCH FOR VISITORS

Blue and Gold Use Three Twirlers Against Bucknell With No Results. —Pitt Has Batting Rally in the Ninth.

The Varsity had no difficulty in winning from the University of Pittsburgh aggregation of ball-tossers on the campus Thursday afternoon. The game, although marred by several errors, was interesting throughout and was witnessed by a number of students and townspeople. The weather was ideal and the students who took advantage of the summer atmosphere got out their "old straw hats," or new ones, and thus initiated them into Bucknell realms.

Considering the fact that the team's trip away last week proved so disastrous, many fans were dubious before the game as to its outcome. The team, however, showed a complete reversal of form. Many of the new men who are out for the Varsity were given a try-out during the game and Coach Crulkshank is well pleased.

Heavy hitting at opportune times characterized the game for the Varsity. Captain Crulkshank and Topham each clouted the ball for circuit drives and for the second time since September materially aided Bucknell in defeating a University of Pittsburg team.

Leibensberger, the freshman pitcher, who has been pitching wonderful ball this season, had the Pittsburg batters at his mercy all through the contest. Several times during the game with a couple men on the bases he retired the side with his master mound work.

Bucknell's rally started in the second inning when Miller after a base on balls, was sacrificed to second by Storer. Gdaniec, the next man up, got to first on an error and Murray struck out. Leibensberger succeeded in drawing a pass and filled the bases which Topham cleaned up with a pretty home run hit. Seeman, the next batter up hit, and Worrilow flied out.

The next inning Bucknell succeeded in getting 4 more runs. Crulkshank, the first batter up, was an easy out at first and Miller drew a pass. Storer followed with a single after which Gdaniec got to first by being struck by a pitched ball. Murray singled and scored Miller after which an error by Gaw off Leibensberger's bat scored three more runs. The next two batters struck out.

In the third Crulkshank made a clean drive for a home run following which all were easy outs. In the sixth Miller again scored after receiving a base on balls and scoring on an error by Colmery off Gdaniec's bat. The eighth inning produced another run for Bucknell by Crulkshank who got on the bags on an error and scored by a passed ball.

The score:

BUCKNELL.

SOPHOMORE ORATORICAL CONTEST HELD SATURDAY

NINE YOUNG MEN DELIVER ORATIONS IN BUCKNELL HALL.

Before a small audience in Bucknell Hall nine members of the Sophomore class delivered orations in the annual contest held last Saturday evening. The contest showed that those who took part had worked hard to present an interesting and well-delivered program. Excellent music was furnished during the evening by several students of music.

The following program was carried out:

March, Barnard—Miss Reed.

"National Independence," Henry—Homer Morrison Sanders, Vicksburg.

"The Abolition of Slavery," Castelar —Charles Eugene Tilton, Phillipsburg N. J.

"A Tribute to the Jews," Macauley—Robert Thomas Harris, Baltimore, Md.

Meunet, by Godard—Miss Reed.

"The United States and Universal Peace," Wishard—Samuel Marshal Davenport, Plymouth.

"The Grave of Napoleon," Ingersoll —Arthur William Fulton, Hublersburg.

"Idols and Ideals," Loeb—James R. Snyder, Bentleyville.

Persian March, Konski —Misses Derr, Holden Haines and Crippen.

"Affairs in Cuba," Thurston—Wade Francis Blackburn, Stahlstown.

"The Question of the Century," Wideman—Samuel Milton Bryant, of Lewistown.

"One Century's Achievement," by Brown—Joseph Earl Malin, Frazer.

ZANE BATTEN COMING TO SPEAK IN THE Y. M. C. A.

WILL ADDRESS THE MEETING NEXT THURSDAY EVENING AT 9 O'CLOCK.

One of the most widely known of Bucknell graduates, Samuel Zane Batten, '85, will be in Lewisburg next Thursday and will address the Y. M. C. A. meeting in Association Hall at 9 o'clock.

It is a great privilege for Bucknell students to hear such a man as Dr. Batten, who is a minister, a college professor, an author and a prolific writer for the press. He has done so much along the work of social interpretation of Christianity, having lectured and written in its behalf, that the denomination to which he belongs organized a special department of its varied activities and placed him in charge as secretary.

An interesting address well worth attending can be expected next Thursday evening and every studnt ought to avail himself of the opportunity to hear such a speaker.

EVENING OF FUN A BIG SUCCESS

ENTERTAINMENT FOR BENEFIT OF Y. W. C. A.

CONTINUOUS LAUGH FROM BEGINNING TO END

Excellent Program Amuses Large Crowd in Bucknell Hall Last Wednesday Night.— Miss Schillinger Deserves Much Credit.

The "Evening of Fun" given by the Y. W. C. A. in Bucknell Hall last Wednesday night was a success in every way. A large number of people turned out to see the girls, assisted by a number of men in the elocution department present an excellent program. The entertainment was one continuous laugh from beginning to end and Miss Schillinger who coached those taking part, can be congratulated on the excellent work of all. A large stage was constructed for the occasion so that no one would have difficulty in seeing everything that took place.

The performance began promptly at eight o'clock with a selection by the famous Bucknell Band. Following this the snow-capped sisters appeared on the stage with their "ma" who, like any proud mother, showed the audience what each could do. Miss Cooper took the part of "ma" excellently and her children, Misses Haggerty, Jenkins, Redelin, Harer, Ott, Miller, Dillon, McQuay, Reynolds and Good, also rendered their parts exceptionally well.

The next thing on the program was Miss Suffragette of 1864, who delivered an "inspiring" oration in defence of woman's rights. Miss Blanche Wood, as the suffragette, showed excellent ability in her interpretation of the reading. Miss Isabel Bond in another reading, "Mrs. Collins' Diplomacy" also afforded the audience much amusement.

Following these readings an original act, filled with local color and written by one of the girls, gave an insight into the work of Student "Exec." Miss Aileen Johnston and Miss Edna Hilty well portrayed the roles of the frightened students who were followed by the six Student "Exec" members, clothed in black cap and gown.

The Frill and Frown Glee Club, under the leadership of Miss Emma Dillon, then made its appearance and even went so far as to sing "Home Sweet Home" backwards. Following this a comical one act playlet entitled "My Opinion With Betsy Bobbitts," was given by Norman Hill, as Josiah, Miss Isabel Bond as Aunt Samantha, and Miss Rachel Davis as Betsy.

"Football' by two students from Chermany, Joseph Malin and Edward Clark, was next presented, and the difficulty which Malin had in understanding the game of football was the cause of continuous laughter. "Haints Are Out," by the Bucknell Dramatic Trio, Norman Hill, Edgar Campbell and Miss Dora Hamler, showed how well these students could handle a very difficult reading.

One of the greatest hits of the evening was a dialogue, "Just Notions," by Dayton Ranck and Miss Florence Good. The manner in which Ranck played the part of the tramp and Miss Good the part of a feigning charge was, according to all, "simply great." Especially did the automobile scene make a hit.

"His Wedding Eve," presented next, was exceptionally good on account of the beautiful and appropriate costumes. Miss Schillinger acted as reader while Jasper Frantz was the dreamer. As he opened each letter his old sweethearts appeared one after the other and then vanished. Finally his bride, Miss Lucile McGee, appeared and with her he marched away. The old sweethearts were: Miss Helen Jenkins, the first girl he kissed; Miss Marie Harer, the school girl; Miss Edna Hilty, the college girl; Miss Lois Reynolds the tennis girl; Miss Aileen Johnston, the gipsy girl; Miss Winifred Miller, the Indian girl; Miss Florence Good, the Japanese girl; Miss Blanche Wood, the dancing girl; Miss Mabel Brown, the merry widow; Miss Olive Cooper, the Red Cross nurse; Miss Rachel Davis, the elderly maiden. Another selection by the Bucknell Band then closed the program.

TO COMMAND CAVALRY

According to the mobilization plans of the Third Brigade, N. G. P., announced a short time ago, Major W. W. Fetzer, '04, of the Twelfth Regiment, Sunbury, is to command a squadron of cavalry troops now being formed from infantry regiments of the Twelfth Regiment.

MISS KATHERINE JOHNSON, '00, RETURNING FROM MEXICO

METHODIST MISSIONARY NOW ON WAY BACK TO LEWISBURG.

Miss Katherine Mott Johnson, '00, a Methodist missionary stationed at Tucolo, Mexico, is now on her way home to Lewisburg. She has already reached New Orleans and will likely arrive in Lewisburg in a few days, where she will remain until things are settled in Mexico. She will then return to her work in the mission field. Miss Johnson, who is the daughter of Prof. and Mrs. B. R. Johnson, has been in Mexico since December, 1912.

MISS KATHERINE JOHNSON, '00.

REV. ROSE SPEAKS

GIVES INTERESTING AND HELPFUL TALK IN Y. M. C. A.

Rev. H. C. Rose, of the Lewisburg Lutheran church, gave a very interesting and helpful talk before the Y. M. C. A. last Thursday evening. He took as his subject "Symbols and Realities," showing how it is necessary to build a foundation on the realities of life and not on mere symbols. Too many of us regard money and gold as realities, whereas they are only symbols which later in life we shall outgrow. Wealth, that is "well-being" and health are the real riches. Such men as Mozart, Phillips, Folestol and others, realized this truth and would not sell their services for mere gold. In the same way truth and knowledge, for their own sakes, are not the highest realities but the culture gained from the pursuit of these things is the thing of value. The church, the speaker concluded, is a reality here on earth and will be the last of the realities, and we should strive to make the Christian character more of a reality in our life.

There are fifteen centers and quarterbacks out for the 1914 football team at Yale.

F. & M. WINS IN TRACK MEET

DICKINSON SUCCEEDS IN GAINING SECOND PLACE.

BUCKNELL AGAIN THIRD IN TRIANGULAR CONTEST

Orange and Blue Wins Two Firsts, Four Seconds, Six Thirds and One Tie for Third.—Meet Interesting Throughout.

The Triangular track meet which was held here Saturday between Bucknell, Dickinson and Franklin & Marshall was one of the best which has been held here for years. Although no new records were made in Saturday's meet, the events were all very closely contested. F. & M. with 51 points, won first place; Dickinson was second with 42 1-2 points and Bucknell was third with 28 1-2 points.

Bucknell succeeded in winning two first places, four seconds, six thirds and a tie for third. Captain Lowther won first in the 220 yard dash and third in the 100 yard dash. In the latter he ran the first heat in 10 sec. flat, but was unable to keep this record in the finals. Hagan easily won first in the discus throw with a distance of 112 feet, 9 1-4 in., and Welchons was second with 99 feet, 2 1-2 inches. Welchons also won third in the shot put. H. E. Smith ran well in both the one and two mile, winning second in both and losing first by only a few feet in each event. Glass won second in the pole vault, his distance being 10 feet, 6 inches. Other Bucknell men who took third place were Urbanowitz, in the 440 yard dash; Davis in the 220 yard low hurdles; Evans in the high jump; Walter in the broad jump and Aleshouckas, tie for third in the hammer throw.

Events

100 yard dash—Taylor, D., first; Warfield, D., second; Lowther, Bucknell, third. Time 10 2-5 seconds.

220 yard dash—Lowther, Bucknell, first; Warfield, D., second; Taylor, D., third. Time 23 seconds.

440 yard dash—Martone, F. & M., first; Yates, D., second; Urbanowitz, B., third. Time 52 1-5 seconds.

880 yard dash—Martone, F. & M., first; Mohler, D., second; Courtney, D., third. Time 2 minutes, 5 1-5 secs.

One mile run— Johns, F & M., first; Smith, Bucknell second; Vansicklen, D., third. Time 4 minutes, 59 2-5 seconds.

Two mile run—MacCready, Dickonson, first; Smith, Bucknell, second; Coxe, F & M, third. Time 10 minutes, 37 seconds.

120 yard high hurdles—Smith, D., first; Brindle and Porterfield, F. & M. disqualified. Time 17 seconds.

220 yard low hurdle—Yates, D., first; Brindle, F. & M., second; Davis, Bucknell, third. Time 27 2-5 seconds.

Shot Put—Smith, F & M. first; distance 38 feet, 6 inches; Dunn, D., second, distance 37 feet, 6 1-2 inches; Welchons, Bucknell, third, distance 34 feet, 10 3-4 inches.

Pole Vault—Porterfield, F. & M., first, height 10 feet, 9 inches; Glass, Bucknell, second, height, 10 feet, 6 inches; Brumbaugh, Dickinson, third, height, 10 feet, 3 inches.

Discus—Hagan, Bucknell, first, 112 feet, 9 1-4 inches; Welchons, Bucknell, second, 99 feet 2 1-2 inches; Diehl, F. & M. third, 98 feet, 5 inches.

Hammer Throw—Smith, F. & M., first, 119 feet, 4 inches; Musser, F. & M., second, 109 feet, 6 inches; Aleshouckas, Bucknell and Hertzler, D., tie for third, 99 feet.

High Jump—Porterfield, F. & M., first, height 5 feet, 5 3-8 inches; Bolton, F. & M., second; Evans, Buck-

A SUB-FRESHMAN DAY

Many colleges have recently celebrated or are about to celebrate what is known as Sub-Freshman Day. This day is set aside as one upon which members of graduating classes in high and preparatory schools are made the guests of the college. Especially urgent invitations are sent out to all those who are thinking of going away to college but who have not yet selected the school.

The day chosen for the entertainment of these prospective students is made a big day about the college. A reception, a baseball game and a banquet constitute the main features. The visitors are then entertaind during the day by the student body. They are given by the college free admission to all vents on that day.

It seems that as many other colleges find this method of interesting prospective students profitable, such a plan might be carried out to advantage here at Bucknell. At least it would be worth trial.

COMMUNICATION.

Editors note.—On account of lack of space we were unable to publish this communication last week.

Dear Editor:—

For three years, thru victory or defeat, I have loyally supported the athletic teams representing Bucknell believing that the men deserve praise not for the victory but for the effort which they put forth for their Alma Mater. There is a point, however, where such an attitude of unquestioning faith ceases to be a virtue and some questions should be raised. Our teams are supposed to be representative of our college and if they fail to come up to the standard we have a right to know why. What, then is the reason for the miserable showing of our team on its recent trip? When so many errors, and such poor work in every way, characterize the work of a team that has played good ball, there is certainly something wrong. It seems to me then, Mr. Editor, that we, the student body, have a right to demand that men who wish to represent us on our various teams should do so only because of merit, and certainly merit does not consist in ability to play good ball occasionally, but should add to this such an attitude toward the college and such moral conduct as will enable our men to play a good consistent game, and to meet defeat honorably, if necessary, but only at the hands of a better team. I believe this to be the opinion of the student body at large.

Junior.

ALUMNI ORGANIZE.

The Bucknell alumni in and about Harrisburg organized an alumni association on Friday night, April 17. John C. Nissley, '83, was elected President and John T. Shirley, ex-'05, Secretary.

ELOCUTION CONTEST

HELD IN BUCKNELL HALL BY INSTITUTE GIRLS

The annual elocution contest of the Bucknell Institute was held in Bucknell Hall Saturday evening, May 2. The contest was very good throughout and showed the result of much work.

The program was as follows:

Coronation March, Meybeer; Miss Jacobs.

Invocation.

Madelines' Victory,, Dangerfield; Mary Adeline Beyers.

The Heart of Briar Rose, Lillian Bell; Beulah May Hummel.

The Widow Kesricks Revenge, Stockton; Mary Ellen Prowant.

Authority Resumes Its Sway, Hugo; Katharine Elizabeth Redelin.

The Christ Child, Elsie M. Wilbor; Helen Loraine Shaffer.

The Brooklet, Pacher; Miss Jacobs, Hagar, Nicholson; Lois E. Smith.

Reunited by Song, Elizabeth Staurt Phelps; Bessie May Walker.

ELOCUTION RECITAL.

The Elocution Department, under the leadership of Miss Edith Schillinger, presented an excellent program or cuttings from "Les Miserables" in the Woman's College last Tuesday evening, April 28. The program was as follows.

Jean Valjean and the Bishop—Miss Blanche Wood.

Jean Valjean Meets Fantine—Miss Flossie Clark.

Jean Valjean's Sacrifice—Joseph Malin.

Jean Valjean Reveals Himself—Raleigh Felton.

Authority Resumes Its Sway—Miss Bertie Redelin.

Little Gavroche—Miss Florence Good.

Battle of Waterloo—Edward Richards.

Little Cossette—Miss Nell Stevens.

Death of Jean Valjean—Miss Rachel Davis.

EXCELLENT PIANO RECITAL.

Bucknell Hall was well-filled on Monday evening, April 27, when Miss Priscilla Hardesty, assisted by Miss Armstrong, gave her initial recital in Lewisburg, as a teacher in the Piano Department of the Bucknell School of Music. Miss Hardesty is a graduate of the Bucknell School of Music in the Class of 1907, and has since graduated at the Institute of Musical Art of New York City. Her program was well chosen, consisting of numbers widely different in character and demanding great versatility of intrepretation as well as technical proficiency, both of which Miss Hardesty proved that she possessed to an extreme degree.

MISS KRAMER'S RECITAL

An excellent piano recital was given last Thursday evening in Bucknell by Miss Mame Kramer, of Muncy. Miss Kramer, who is a senior pupil of Miss Hollingshead, rendered the following program:

Impromptu F minor, Schubert; The Eagle, MacDowell; Sonatta Op. 31 No. 1, Allegro, Beethoven; Love's Way, Brown—Miss E. Althea Brown; Impromptu F sharp major, Chopin; (a) Consolation No. 6, Liszt; (b) Butterfly Etude, Chopin; Concerto, G minor, Mendelssohn—Miss Reinhardt at second piano.

ELECTRICALS TAKE TRIP.

The Senior Electricals under the leadership of Prof. Rhodes took a trip to Harrisburg, Saturday, May 2. They visited the plant of the Pennsylvania Water and Supply Co., at Holtwood, where they were shown over the $15,000,000 hydro-electric installation. Later they went to Lancaster from which place they returned home. Those on the trip were Prof. Rhodes, Hillman, Irvin, Lyne, Criswell, Bliss, Parmenter, Everall, Goodwin, Rippel Schaffer and Schnure.

F. & M. WINS TRACK MEET

(Concluded from first page.)

nell, third.

Broad Jump—Appel, F. & M., first, 21 feet; Dunn, Dickinson, second, 20 feet, 8 inches; Walter, Bucknell, third, 19 feet, 7 inches.

"Distinctively Individual"

In speaking to friends of ours

regarding the marvelous success of our Fatima Cigarettes, it always pleases us to tell, how, after making up a smoke of purest and choicest tobacco, we decided to first place them on sale in college towns.

We didn't have to wait many moons. The students' answer was "more!" From college the graduates spread the Fatima news in home towns all over the big map, and today more Fatimas are sold than any other cigarette in America!

Quality will tell! In a plain package—quality *all* in the tobacco—that's the place in which it counts most!

WILLIAMSPORT-BUCKNELL CLUB HOLDS BANQUET

FIRST ANNUAL GATHERING TOOK PLACE LAST WEDNESDAY NIGHT.

More than 50 former students of Bucknell University gathered at the Henry House last Wednesday evening for the first annual banquet of the Williamsport Bucknell Club. It was a most successful banquet, featured by splendid toasts, a fine dinner, reunion of former classmates and reminiscences of the "old days" when men and women around the tables roamed the campus and the streets of Lewisburg. Members of the club from various points about Williamsport were present.

The older classes were well represented. The oldest representative was John Howard Harris, Phd. LL.D., president of the University, who was a member of the class of '69. Mrs. Robert S. Caldwell, a member of the class of '72, was the next oldest representative. The class of '75 was represented by W. E. Crawford, of Hughesville, and the class of '77 by Prof. Jasper W. Stout, of Williamsport.

The toastmaster of the evening was John T. Hyatt, '91, of Jersey Shore. Following the excellent meal Mr. Hyatt extended a most hearty greeting to the guests, after which he presented the president as the first speaker of the evening. Dr. Harris gave one of the best after dinner speeches ever heard in Williamsport, pleasing everyone with his eloquence and ready wit.

The others who responded to toasts were Dr. Enoch Perrine on "After Graduation—What?"; Miss Emily R. Ebling, '02, on "Reminiscences"; Superintendent Charles Lose, ex-'82, on "The College and the Public Schools" and William E. Crawford, ex-'75, on "Some Reminiscences Comparatively Ancient."

Besides Dr. Harris and Dr. Perrine two other members of the faculty were present at the banquet, Prof. E. M. Helm and Registrar Walter S. Wilcox.

CHEMISTS ON TRIP.

A number of chemistry students, under the leadership of Dr. Brown, left last Friday morning for a trip to Philadelphia, then to Wilmington, Del., to Baltimore, Md., and finally to Washington, D. C. They expect to be gone a week and will visit numerous plants in the cities where they stop. Those who made the trip with Dr. Brown are: Campbell, '14, Snyder, '14, Applegate, '14, Rippel, '16, and Barnhart, '17.

IN BUCKNELL'S HONOR.

Last Thursday evening the senior class of the South Williamsport H. S. presented a play, the scenes of which were placed at Bucknell. A number of Bucknell students attended the play and had seats on the first row where they occasionally added to the local color by giving some Bucknell yells, much to the delight of the large audience.

SENIOR PLAY CHOSEN.

The senior class play committee has chosen "Marriage as a Profession" as the play to be given during Commencement Week, and the parts will be portrayed by Miss Dora Hampler, Miss Rachael Davis, Miss Olive Cooper, and Richards, Broslus, Frantz and Lowther. Miss Schillinger, head of the Department of Elocution, will coach the play.

A SUFFRAGE SPEAKER

Miss Emily R. Ebling, '02, of Williamsport, and city chairman of the Suffrage Association of that place, addressed a large audience of women at a meeting held on May 2 in observance of the National Suffrage Day.

COLLEGE WOMEN INVITED

The Playground Association of Lewisburg has extended an invitation to the young women of the College and Institute to attend the exercises next Friday afternoon and to bring basket luncheons.

WAS RE-ELECTED

George A. Grim, '00, of Nazareth, who has been Northampton county superintendent for nine years, was re-elected and his salary increased from $2500 to $2750.

EXTRA TRACK EVENT

ESPECIALLY FOR THOSE HAVING ALL-ROUND ABILITIES.

In addition to the heavy track schedule arranged by Manager Lindberg for the field and track team, an additional event has been provided. For men who have all-round abilities but who may not be winners in any particular events an all-round championship contest will be held.

The present holder of the title is Aleshouckas, '15, who in his Freshman year, succeeded in making 2064 points according to the schedule of the A. A. U. The contest was known as the Pentathlon, a series including the 100 yard dash, the running broad jump, throwing the discus, hurling the javelin and the mile run. A contestant receives points in each event according to distance or time.

To advertise the Iowa State College plans have been made to place a large panorama picture of the campus in every large high school in the state.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, MAY 18, 1914. NUMBER 27

VARSITY WINS ONE, LOSES TWO

MAKES GOOD START ON THREE-DAY TRIP.

DEFEATS GETTYSBURG IN INTERESTING GAME

Loses to Mt. St. Mary's and Dickinson.—Recent Shift in the Infield Makes an Improvement in the Team.

The Varsity was unable to stand up under prosperity and brought back only the small end of the bacon from the three-game trip of last week. Keeping alive the rejuvenated pep so evident in the Pitt game, the team trounced Gettysburg in the first of the series by playing a snappy brand of all-round baseball. In the two games following the team was unable to keep this pace and when the Dickinson game was entered into, a relapse had set in which materially abetted the Dickinsonians in clubbing out a victory in the final windup. Captain Crulkshank seems to have solved his infield tangle with his last shift. The new combination backed up the Varsity flingers in a fashion deserving special mention.

Gettysburg.

Brenner was in fine form in opening and the down-state stick-smiths could garner only five widely scattered bingles with their bludgeons. The whole Orange and Blue team to a man played a slashing, peppy game and nothing seemed to hard to get. Storer pulled off a circus catch of a difficult fly-ball which averted lots of trouble as the sacks were two-thirds full at the time. The team with some good sticking and brainy base running pushed enough runs over for Brenner to win by a score of 4 to 1.

Mt. St. Mary's.

The Varsity failed to repeat their work in the second game and had the tables turned on them by the Emmitsburg collegians. The game hinged on the performances of the opposing slabsmen and of the twirlers. Koval of the southern team proved the better. Seller's shoots were hit hard and timely and had not the fielders been exceptionally alert with some rattling catches the score would have run into larger figures for Mt. St. Marys. Koval, on the contrary, kept his team on top by mowing down the Varsity batsmen with clock like precision throughout the nine innings. Brenner did the rescue act in the eighth but the damage was done and the game ended 9-2 with Bucknell in the rear.

(Continued on 2nd page.)

DR. SAMUEL ZANE BATTEN ADDRESSED THE Y. M. C. A.

GIVES TALK ON THE VALUE OF SERVICE TO OUR COUNTRYMEN.

A very interesting and inspiring address was given by Dr. Samuel Zane Batten, '85, a prominent Social Service worker, of Philadelphia, at the Y. M. C. A. meeting last Thursday. Although the present age, he said, is an age of prosperity, it is also one of unrest. There are the problems of Immigration, of the Distribution of Wealth, of Capital and Labor and many others to be solved. We are living in a time when a new "heart hunger" for brotherhood not only in the church but in the social and industrial world and in politics is arising.

As we face these problems three things are required of us. First, we must know the Bible. Too long we have been in the "primer" department of bible study instead of studying the principles of that Book and applying them to existing evils. Then, we must know our age. God is active in the world today and we should know what he is doing now just as we know what he did nineteen cfenturies ago. And finally we must be men of character. Our influence has as much power in the world as our character gives it weight.

In the choice of an occupation, we should consider our individual abilities and the needs of the world. The consciousness of the need is in itself a call to service. And our attitude towards our occupation should be to render a service, remembering that thereby we are co-operating with God in the world. The largest service a man can do is to live a brave, true Christian life.

ALUMNUS PASSED EXAMINATION

With a percentage of 88, Harry E. Bilger, '03, of Springfield, Ill., heads the list of those who took the examination for road engineer held by the Illinois state civil service commission. The office is under the state highway commission and pays a salary of $2,500 a year. Twenty-seven passed the examination out of the 103 who took it. Fourteen states were represented in the list of those that passed.

LYCEUM COURSE FOR NEXT YEAR

WILL BE UP TO THE STANDARD OF FORMER YEARS.

VARIED ENTERTAINMENT WILL APPEAL TO ALL

Many Stars Will Appear Here on the Platform.—Plenty of Musical Numbers.—Also Lecturers and Humorists.

Five of the best Lyceum and Chautauqua entertainments in the country, all famous on the platform and all by specialized artists in their professions, will be presented here in the Lyceum Course of the Y. M. C. A. next fall, Chairman Rogers, '15, and his committee have scheduled a series of attractions some of which they have heard and can personally vouch for, all of which are of indubitable excellence.

First on the list comes the star Redpath entertainers, Rogers and Grilley. Mr. Rogers, with years of training and experience both at home and abroad, is a master harpist, having delightfully entertained thousands of people on this instrument. His working mate, Mr. Grilley, a faculty member of the Emerson College of Oratory, is a past master in the art of expression, with a record of eleven return engagements on the same platform. The two, with their fifteen years of experience together, can furnish a delightful and varied evening's entertainment.

The second number is a lecture by the pulpit and platform orator, John Merritte Driver. His subject will be "America Facing the Far East," a lecture based upon the author's extensive travels and broad minded observation . This lecture which is popular wherever heard is sure to be interesting to Bucknell students.

The next number will be a rare treat for music lovers. It will consist of the Maurer Sisters, musical quartette. The versatility of these four girls is remarkable. They can besides playing a large variety of musical instruments also read, sing, and whistle. So popular have they been that they fill more return engagements than new ones.

For those who want something real funny, Stricklad W. Gillilan has been engaged. He is one of America's foremost humorists. The funniest of funny Irishmen Mr. Gillilan will speak on "Sunshine and Awkardness" and there is no doubt that he can keep his audience laughing all the time he is taking.

The course will close with the Weatherwax Brothers, a quartette of singers and musicians. Their versatile program of vocal numbers, recitations and trumpet music everywhere brings enthusiastic encores and laudatory press notices.

All in all the course is one of the best that has been produced for years. All the numbers are high class entertainments and varied enough to appeal to everyone, no matter what is his individual taste.

PHI GAMMAS HOLD DANCE

The annual spring dance of the Phi Gamma Delta fraternity was held at Riverside park, Milton, on Friday evening last with many out-of-town guests present. The committee in charge left nothing undone to make it one of the best dances the fraternity ever had. Luncheon was served during intermission. The patronesses were: Mrs. G. C. L. Riemer, Mrs. E. M. Helm, Mrs. F. G. Ballentine, Mrs. Bromley Smith, Mrs. William Helnen, Mrs. P. B. Linn, Mrs. Wm. Forster, Mrs. W. L. Gerhart, Mrs. Grant Dreisbach, Mrs. Wm. Leiser and Mrs. Wm. Bartol. Grange orchestra from Muncy furnished the music.

GAVE RECITAL.

Miss Eva Reinhardt, senior pupil of Miss Hollingshead, gave an excellent piano recital in Bucknell Hall last Friday evening. The program was as follows; Polka de la Reine, Raff; Ballade, a flat Major, Chopin; Scotch Poem, MacDowell; Dein gedenk' ich, Margaretha, Helmund,—Mr. Alfred S. Van Osten; Sonata Pathetique, adagio, Beethoven; Etudo Rubenstein; Concerto, A minor, Mozart; Miss Kramer at second piano.

LAWN FETE.

Saturday evening of this week the young ladies of the Women's College will entertain on the lawn. There will be music by our band. In the Japanese garden, ice cream will be served, two gypsies will be there to tell fortunes and some candy of the girl's own make, which needs no further recommendation, will be on sale. Everybody will be welcome and a good time is guaranteed. Be sure to keep Saturday evening free.

GIRLS PAINT BRIDGE.

Early last Wednesday morning a number of Freshmen girls took it upon themselves to paint the class name and numerals on the Reading railroad bridge. Evidently some of them were students in the art department.

COMMENCEMENT NEWS.

The faculty committee of the Commencement News announces the appointment of John A. Heberling, '17, Manager and Carl E. Geiger, '15, Editor of this year's Commencement News.

MR. THEISS ADDRESSES CLASS IN JOURNALISM

IN INTERESTING TALK TELLS OF THE WORKINGS OF A LARGE NEWSPAPER.

What proved to be a very instructive address in newspaper work was given before the class in journalism last Wednesday morning by Lewis E. Theiss, who is at present connected with the New York Sun, who is a man of considerable ability in journalistic work, not only having had much experience as a newspaper writer but also being a frequent contributor to many of the leading magazines of the country.

In his address Mr. Theiss took up the subject of newspaper writing and editing. He showed the remarkability of a large metropolitan daily and discussed the problems of news gathering and how they were met. He spoke of the work of all these connected with a newspaper, showing the special need of speed and foresight. His entire address was rich with vivid illustrations, thus making it very interesting.

SOPHOMORES DEFEATED.

The Sophomore baseball team was defeated by a score of 4 to 2 last Saturday afternoon at Northumberland by the Northumberland High School. The battery for the Sophomores was Alter and Bigler.

TRACK TEAM DEFEATED

COMPLETELY SWAMPED BY THE FAST NAVY TEAM.

Outclassed in every way, the Bucknell track team met a big defeat at the hands of the Navy team. The meet was entirely void of interest as it was too one-sided, they being far our superior in ability and in numbers. The result of the meet was 88 1-2 to 9 1-2.

Hagan, winning the discus, was the only Bucknell man to secure a first place, this event alone bringing us over half our points. We took no seconds and made thirds only in the 440 yard dash by Urbanowitz, 100 yard by Lowther, the broad jump by M. Walters, the 220 yard low hurdles by Glass, and a tie for third in the pole vault by Glass.

BUCKNELL IN LEAGUE AGAIN

BASKETBALL TEAM TO PLAY IN CENTRAL SECTION.

BASEBALL GROUP ALSO LIKELY TO BE FORMED

Albright, Susquehanna and Gettysburg Again to be League Opponents in Basketball. R. W. Thompson Re-elected President.

At the meeting of the central section of the Pennsylvania Intercollegiate Basketball League, held at Harrisburg last week, R. W. Thompson, '04, of Lewisburg, was re-elected president and F. W. Moser, of Gettysburg, was elected secretary and treasurer. The committee also adopted its basketball schedule for next year and discussed the question of forming a baseball league.

The central section of this league is composed of four colleges: Susquehanna, Albright, Gettysburg and Bucknell. The wholesome rivalry and interest in the games between these colleges last winter plainly shows the profitableness of such a league. Every one of these games was largely attended not only at Bucknell but also at the other colleges where the games were played.

In fact, so successful did the basketball league prove that it is very probable that a baseball league of the same nature will be formed. At last week's meeting this question was discussed and it was finally decided that another meeting be held at Harrisburg on June 1 to take the matter up further. Several more Pennsylvania colleges will be invited to send representatives to this meeting, and the probability is very great that a baseball league will be formed.

The basketball games in which Bucknell plays which have been adopted as league games are as follows:

Jan. 22.—Susquehanna, at Bucknell.
Jan. 29—Gettysburg, at Bucknell.
Feb. 6—Bucknell, at Albright.
Feb. 13—Bucknell, at Susquehanna
Feb. 19—Bucknell, at Gettysburg
Feb. 26—Albright, at Bucknell.

TENNIS TEAM WINS

EASILY DEFEATED SUSQUEHANNA SATURDAY.

Bucknell by winning the four matches in singles and the two in doubles easily defeated Susquehanna in the tennis tournament held here last Saturday afternoon. The visitors were only able to take two sets, both of them in the singles.

The result was as follows:

Singles.

S. Harris, Bucknell, defeated Stahl, Susquehanna, 6-3, 6-2.

Moyer, Bucknell, defeated Boyer, Susquehanna, 4-6, 6-3, 6-4.

THE LYCEUM COURSE

The Y. M. C. A. Lyceum Course for the coming year appears to consist of five excellent numbers. They are of such a variety as to please all who care for that kind of entertainment. Lectures, serious and humorous, and vocal and instrumental musical numbers fill the program. Every number is a good one and much credit is due the committee in charge for arranging such a list of entertainers.

The Lyceum Course deserves the support of every student. These men are brought here to give the students for a low price a chance to see and hear some of the best platform workers in the country. It is an opportunity for the student to gather something else from his course other than his class room work. It is an opportunity which none should pass by. When the committee in charge of the course comes to sell tickets, do not fail to make use of the opportunity. You will not regret it in the end.

OLD TIME FOOTBALL

AS DESCRIBED BY DR. PERRINE IN 1871.

An article concerning oldtime football and which is especially interesting to Bucknell students was published a short time ago in the Brown Alumni Monthly and copied in the April number of the Harvard Illustrated Magazine. The article is as follows:

An extract from a letter written in the fall of 1871 by Enoch Perrine, now professor of English in Bucknell, but then a Brown freshman, illustrates the way football was played as he saw it at that time.

"About six boys are leaders or "head kickers" on each side. These wear white handkerchiefs around the heads to distinguish them from the rest who stand around. The others, about twenty-five on each side, stand back of the leaders so as to be ready to kick if the ball should happen to come near them. The leaders then get in the middle of the two sides, and someone throws up the ball, and when it comes down then the leaders do the kicking. The side which sends the ball over the line three times out of five wins."

Wellesley College has received a gift of $750,000 from Mr. Rockefeller to aid in the restoration of the loss sustained in the calamitous fire. The trustees must raise $2,000,000 before obtaining the offer.

RECEIVES FELLOWSHIP.

Elmer Keiser Bolton, '08, has been granted one of the Graduate Sheldon Fellowships of Harvard University. By this he is given $1000 which, in accordance with the terms of the trust, is awarded on the recommendation of the Committee to such persons as they deem most deserving for purposes of investigation or the study either in this country or abroad. Mr. Bolton's work will be done in Chemistry.

ALUMNUS AND WIFE HERE

I. N. Earle, '10, and his wife, formerly Miss Hannah Glover, ex- '14, are visiting in Lewisburg at the home of Mr. Earle. They have spent the last two years in New Orleans, La., where he was acting president and faculty member at Leland University. During that time a daughter, who is now seven months old, was born to them. After a few months of rest and preparation, Mr. and Mrs. Earle will go to the Philippine Islands to serve as missionaries on a field assigned to them by the Mission Board.

SONG RECITAL LAST MONDAY

An excellent song recital was given in Bucknell Hall last Monday evening by Miss E. Althea Brown and Alfred S. Van Osten, senior voice pupils in the School of Music. The following program was rendered:

"In Native Worth"—from "Creation," "Be Thou Faithful"—from St. Paul," "When to the Lily Fair"—from "The Seven Last Words," "Pour Out Thy Heart"—from "Abraham"—Mr. Van Osten; "Fair Springtime Beginning"—from "Samson et Dalila," "My Heart at Thy Sweet Voice"—from "Samson et Dalila," "Knowest Thou That Fair Land"—from "Mignon,"—Miss Brown; "Lass Mich mit Thraenen"—from "Rinaldo," "Still wie die Nacht," "Dein gedenk' ich Margaretha,"—Mr. Van Osten; "Non piu di Fiori"—from "La Clemenza di Tito," "Deh Vieni, non Tardar" from "Le Nozze di Figaro," "Voi, Che sapete"—from "Le Nozze di Figaro,"—Miss Brown; "Die Lorelei,"—Mr. Van Osten; "My Father! Ah! Methinks I See"—from "Hercules," "With Verdure Clad,"—from "Creation." Miss Brown.

VARSITY WINS

ONE; LOSES TWO.

(Concluded from 1st page.)

Dickinson.

Playing in just the reverse form from that with which they started the Varsity passed up the last game of the series of Dickinson without offering a very stubborn resistance. Leibensberger's mound work would have won under ordinary circumstances but the backing accorded him was far from the brand that the team showed in the first two games. With the teams on even terms Brenner was inserted at the beginning of the fifth and during his sojourn on the slab, the red and white stockinged lads shoved five runs across the rubber, which allowed them to breeze ahead by a safe margin.

PHILADELPHIA ALUMNI NEWS

MANY WILL RETURN AT COMMENCEMENT TIME.

25TH ANNIVERSARY OF DR. HARRIS TO BRING MANY

Intention of Philadelphia Club to Have as Large a Number of Alumni Back As s Possible.—Desire Other Clubs to do the Same.

Plans are being made by the Philadelphia Alumni Club of Bucknell University to attend the celebration of the 25th anniversary of Dr. John Howard Harris as President of the institution. There is added interest in this event among the Philadelphia Alumni of the University because of the fact that the orator of the occasion will be Dr. Martin G. Brumbaugh, Superintendent of Schools in Philadelphia, and a candidate for the Republican nomination for Governor of Pennsylvania.

The question of forming a large delegation of Philadelphians to make the pilgrimage to Lewisburg for the anniversary celebration in honor of Dr. Harris has been discussed at a number of meetings of the Bucknell Trustees Committee. From the reports which have already been received by Louis W. Robey, Secretary of the Association, it is certain that Philadelphia will be well represented at the coming commencement exercises. There will probably be one hundred Alumni in the contingent from this city and vicinity.

The Bucknell Trustees Committee which is arranging for the event is composed of the following alumni:

Dr. J. K. Weaver, Chairman; Louis W. Robey, Secretary; D. P. Leas, O. P. Eaches, E. L. Nesbit, E. L. Tustin, A. J. Rowland, H. L. Hopper, Romain C. Hassrick.

It is anticipated that similar delegations will be formed in many sections of the State and that the coming celebration will make the next commencement of the institution excel all others in point of interest and attendance.

Invitations for the commencement were sent out this week by the Committee and this will be followed by the publication in the "Orange and Blue" of the detailed statement as to the arrangements for the occasion. It is the desire of the Trustees Committee that a copy of the next issue of the "Orange and Blue" containing the program and other information in connection with the anniversary of Dr. Harris's incumbency in the office of President may be sent to every alumnus of Bucknell University.

INTERCOLLEGIATE

An attractive and unusual opening is offered to members of the senior class and to recent graduates of Harvard in the form of one year teaching positions in the Orient. This plan has already met with the favor of many, and several have availed themselves of the chance to visit Japan, China, and the Philippines. These positions are in the various educational institutions of the American missions.

The "movies" will be instituted in the Extension division of the University of Wisconsin. This department has instructed 14,000 students by correspondence. A student can take half his courses leading to the baccalaureate degree at home, so that only two years of residence study is required.

According to statistics 80 per cent. of the fraternity men at the University of Montana are working their way through college. It is claimed that 78 per cent of the men engaged in college activities are supporting themselves.

The board of trustees of Colgate University have arranged for the erection of a new chapel and gymnasium at that institution.

At the University of Montana 78 per cent of the men engaged in college activities are supporting themselves.

VALUABLE BOOKLET FREE.

A remarkable official publication on the Panama-Pacific International Exposition is ready for circulation, and it is announced that its distribution throughout the world will be made by the Remington Typewriter Company. The intrusting of such a function to a private business house is a new departure in exposition management.

This booklet is not only valuable and interesting to every prospective visitor to California and the Exposition and to every prospective exhibitor, but it is also an exceptionally beautiful piece of printing. It is superbly illustrated in colors, reproducing original paintings and pictorial maps.

In accordance with the arrangements made by the Exposition management, a supply of these booklets for free distribution is now on hand at the Remington Typewriter Company's office, Williamsport, Pa., and all our readers are invited to call and obtain a copy free of charge.

HILL GOSSIP

Bucknell vs. Ursinus on the campus, Saturday afternoon.

The College Minstrel show has been dropped for this year.

Oesterle, '16, Painter, '17, and Pettit, '17, visited in Williamsport on last Saturday.

Eyster, '14, was appointed chairman of the senior class souvenir program committee.

Rogers,' 15, was visited by his brother, Glenn Rogers and his friend, Mr. Paulhanus, on Saturday.

Davenport, '16, took part in the 25th Anniversary Services of the Epworth League held in the Methodist Church last evevning.

WOMAN'S COLLEGE

Ruth Edwards, '14, is visiting at her home in Williamsport.

Ruth William, '16, spent the week-end at her home in Parsons.

Ruth Mattern, '16, is entertaining her brother from Huntingdon.

Olive Cooper, '14, is visiting Edna Whittan, '14, at West Chester.

Wilma Knapp, '14, visited friends at Sunbury over the week-end.

Miss Mae Keller, Professor of History in Gouher College, is the guest of Frances McNall, '14.

Eva Reinhardt has as her guest her mother from Taylor, Pa., who came to attend her daughter's graduation recital.

President and Mrs. Harris and Dean and Mrs. Edwards were guests at the Women's College for Sunday dinner.

Dorothy Bunnell, '16, entertained her parents and a party of friends from Union, N. J., during the latter part of the week.

Miss Rose Rainey, of Scranton, will be here one day this week to give the last of her series of lectures on cooking. Watch the bulletin board for the date.

Miss Marion Riley, Dean of Bryn Mawr College, was entertained over Sunday at the Women's College. Miss Riley spoke at the Bible Class on Sunday morning.

The Alumnae Club met Tuesday evening in the parlors of the Women's College. The following officers were elected: President, Mrs. Butler; Vice President, Mrs. Simpson; Secretary, Mrs. Theiss; Treasurer, Mrs. Larrison.

Y. W. C. A. NOTES

Tomorrow's meeting will be held by Ruth Ballentine, her subject for discussion being "Fake Economy and Wise Expenditures." After her exposition, the topic will be thrown open for general discussion.

Plans are in the air for the approaching entertainmena of the alumnae. Four teas are to be given them under the auspices of the Cabinet. A special effort will be made to help those who are present feel at home. Girls, who will be recognized by their tags will be assigned to look after the visitors.

On Tuesday was held the regular meeting of the association, led by the new president, Luella McGee. Her inital talk in her new capacity was on "Service" and the theme and talk made a good impression on her hearers, and marked the auspicious beginning of the new regime. Evidences were shown that the organization is to become even more "alive" than in the past. Suggestions for a more extensive social service were brought forward.

Dr. S. Z. Batten, a former student at Bucknell, and now a leading authority on social service, coming to speak to the Y. M. C. A., also spoke to the Y. W. C. A. girls on Wednesday evening at seven o'clock. In a strong personality, he defined social service, differtiating it from socialism and identifying it with the true, progressive spirit of Christianity. He portrayed it as a world-wide vital movement which is to usher in a new era in the development of man, and sought to stimulate the students to a continued interest in the subject. His talk brought in a very refreshing whiff of some of the big things that are being done in the world outside.

Seventy per cent. of the national legislature is college bred.

Muslin Underwear Specials

This is the time of the year when everybody is thinking of muslin underwear, and when every garment is priced much lower than any other. At these prices it will pay you to lay in a six months' supply.

Velvet

THE SMOOTHEST TOBACCO

Like the Lawford stroke, the more you try it the more fascinating is Velvet, the tobacco. The best leaf aged over 2 years—time is the only process. Tobacco matured in this fashion is rare—it's too smooth to irritate or "bite." It's a pleasure to carry such a smoke as Velvet in your pocket—it's extremely companionable! You need it! At your dealers.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, MAY 25, 1914. NUMBER 28

25th ANNIVERSARY OF PRESIDENT HARRIS

BIG CELEBRATION IS BEING ARRANGED.

PARADE AND RECEPTION ARE THE NOVEL EVENTS

Thousands of Alumni and Visitors Are Expected to Attend.—Committee Named to Take Charge of Afternoon Procession.

Announcement is made today in the columns of the Orange and Blue of the program that has been arranged by the Trustees' Committee for the celebration of the twenty-fifth anniversary of the Presidency of Dr. John Howard Harris. There is every indication that there will be gathered at Lewisburg for this event the most notable assemblage of Bucknell alumni in the history of any commencement. Delegations are being formed in all parts of the state and the country, and they will journey here by the hundreds June 15th for the anniversary celebration Tuesday, the 16th.

Invitations have been sent by the Trustees' Committee to 3200 alumni and friends to attend the celebration. The sub-committee of the committee, of which Dr. Edwin L. Nesbit is the chairman, will make an effort to enlist the interest of all alumni in the commencement; the membership will be divided into zones, and the chairmen and secretaries of the various associations will urge the attendance at the anniversary event. Louis W. Robey, secretary of the Philadelphia Association, is already arranging to have the Philadelphia alumni attend the commencement and there will be a strong delegation from the Quaker City.

It is the desire of the alumni to make the occasion a tribute to Dr. Harris and also a real reunion of the graduates and friends of the University. Presidents of all other institution of learning in the State have been invited to be present.

Arrangements to accomodate the visitors will be made by ex-Judge Harold M. McClure, chairman of the committee on arrangements, and requests for reservations should be sent to him at the earliest possible date.

Dr. Martin G. Brumbaugh, Superintendent of Schools in Philadelphia, and Republican nominee for Governor, will be the orator of the day. An effort is being made to have David Jayne Hill, former ambassador to Germany, and the only living ex-president of Bucknell University, attend the anniversary. Others who will make addresses at the Tuesday morning session are Dr. Enoch Perrine, David Porter Leas, A. M., and Rev. Dr. Theodore A. K. Gessler.

Another feature of this meeting will be the presentation of the portrait of Dr. Harris by Jesse E. Riley, President of the Senior Class. This picture is presented to the university as a memorial of the Class of 1914. Mr. Leavitt, the artist, will also make some remarks before the presentation.

Something which will be entirely new at Bucknell will be the big parade on Tuesday afternoon. The parade will start at the Laboratory at 2:30 o'clock and will consist of all alumni present together with the student body. The alumni will be arranged in line according to classes while the students will be grouped according to their respective departments. Thus the law students will form one section, the ministerials another, the chemists another, the electrical engineers another, and so on. Each department may work up something very attractive in the parade, either along the line of burlesque or otherwise.

After the parade the baseball game between the Alumni and the Varsity will take place. At 6 o'clock the customary twilight band concert will be held on the campus.

Another novel feature of the anniversary will be the reception to President and Mrs. Harris given by the local alumni and former students of the college. This reception will take place in the University Quadrangle on Tuesday evening. It will be informal and all alumni are cordially invited to be present. The Quadrangle will be very attractively decorated with hundreds of small electric lights, which will still add to the natural beauty of the spot.

The whole anniversary program, in fact, will be one of interest to every former student of Bucknell as well as to all friends of the college. It will be one of the biggest celebrations if not the biggest that Bucknell has ever seen.

The following Alumni have been appointed to assist in the arranging for the Alumni and Undergraduate Parade which will take place Tuesday, June 16th, at 2.30 P. M.:

Arthur A. Smith, Esq., '98, Rev. E. W. Saylor, '07, of Williamsport; Robert G. Slifer, '98, Stanley P. Davies, '12, Stanton R. Smith, '09, Clarence A. Weymouth, '00, of Philadelphia; Supt. Wallace W. Fetzer, '04, Ned. Burrows, '02, Wm. G. Murdock, ex-'04, Milton; Irland Lawshe, '09,

(Continued on second page.)

SIGMA ALPHA EPSILON HOLDING HOUSE PARTY

MANY YOUNG LADIES ARE BEING ENTERTAINED BY THE FRATERNITY.

The sixth annual house party of the local chapter of Sigma Alpha Epsilon will be brought to a close tonight with a formal dance in the Lewisburg Armory. The guests at the party arrived Friday and since that time a continuous series of entertainment has been provided for them.

Friday evening an informal party was held at the chapter house, corner of Fourth and St. George streets, at which a mock initiation was the principal feature. Appropriate favors were at that time presented to each of the guests.

The fine weather of Saturday proved a decided advantage to the fraternity party which attended the game between the Varsity and Ursinus in the afternoon, and in the evening enjoyed a straw ride to a farm several miles away.

Sunday afternoon the party made an informal call at the home of Miss Anne K. Dreisbach in Lewisburg and in the evening were entertained at the chapter house by an instrumental trio.

An informal dance is being held in the Armory this afternoon for the members of the party and representatives of the other fraternities. Dinner will be served the guests at the chapter house this evening, after which the formal dance will be held.

The following are the members of the house party: Mrs. W. R. Peoples, Jersey Shore; Mrs. F. B. Harding of Tamaqua; Jean Clayton, of Woodstown, N. J.; Gladys Kinsey, of New York; Anne K. Dreisbach, Isabel Wolfe, Leah Lindig, Carrie Housel and Alvesta Reber, of Lewisburg; Mary E. Bright of Rebersburg; Almeda Lehman, of Philadelphia; Evelyn Moore and Verne Lamade, of Williamsport; Gertrude Reading; Ethel Brown and Josephine Reading, of Franklin; Mildred Schuck, of Selinsgrove; Caroline Best, of Montgomery; Hazel Glover, of Erie; Bertha Pfleegor, of Montandon; Mary A. Hill, of South Boston, Va., and Edith Bailey, of Muncy.

VARSITY WINS FROM URSINUS

EASILY SWAMPS THE VISITORS SATURDAY.

LOSES TO SUSQUEHANNA EARLIER IN THE WEEK

Ninth Inning Rally by Latter Team Wins Them the Game.—Buffington Receives Broken Finger, Keeping Him Out for Rest of Season.

Two more teams were battled with this week by the Varsity and the victories and defeats were rung up at one each. The team showed up excellently in the Ursinus game but on the Wednesday previous the playing was listless. The Orange and Blue will be deprived of the services of Buffington for the remainder of the season, which coming at this time makes a pretty hard place to refill as "Buff" is a mighty good sticker and as good a utility man as can be found. A torrid liner from the bat of a Susquehanna player in the first inning hit Buff's hand with so much English and smoke that the little finger on his left hand was broken.

Susquehanna

On Wednesday the team crossed bats with the Susquehanna team on the latter's field. After Buffington was forced to return on account of his broken finger, Leibensberger took up duty on the mound and held his opponents well in hand until the ninth when he loosened up a little. An automobile standing on the side lines made it possible for Susquehanna to pull off a nice home run in the ninth and with it win the game. The team played rather listless ball, probably due to an underestimation of their opponents. The game ended with the score 5 to 4 in favor of Susquehanna.

Ursinus

The much touted Ursinus team which has been sending up quite a flare into the college baseball horizon was snowed under by the Varsity ast Saturday to the tune of 13-3. Bucknell bats were certainly used with great effect against the two twirlers who officiated for Ursinus. Brenner had his assortment of benders working to perfection and the Ursinus lads were unable to land on the ball enough to produce any results which spelled runs.

Ursinus got right down to work in the first and shoved two runs across the plate before the Orange and Blue had realized the game was on. The way the team went after them in our half of the first and scored five runs on some solid hitting did every rooter's heart on the Hill good.

Storer fattened his batting average with three dandy singles which came in just when needed. Another feature of the game was the manner in which the outfielders fielded the hard hit balls in their territories. To pick out the individual star would be an impossibility, for the team without exception played a game worthy of any diamond.

"GYPSY" SMITH JR. SPEAKS IN BUCKNELL HALL

GIVES INTERESTING TALK ON "FROM GYPSY TENT TO PULPIT."

Many members of the Y. M. C. A. and the Y. W. C. A., together with a number of town people enjoyed in Bucknell Hall last Thursday evening, a most interesting address by "Gypsy" Smith, Jr., son of the well known evangelist. Mr. Smith took as his subject "From Gypsy Tent to Pulpit." He prefaced his lecture by stating that the American people are, for the most part, ignorant of the life and habits of gypsies. The gypsy nation today numbers about four millions and they are a people possessing the highest moral standard of the world.

The speaker then told of the conversion of his father, Rodney, and his grandfather.

When quite young Rodney, better known as "Gypsy" Smith, suffered the loss of his mother by small pox. His father from this time on was a changed man and seemed to be carrying a great burden on his heart. At one of the inns, where he and his son were entertaining the company with violin music and dancing, Bunyan's "Pilgrim's Progress" was put into his hands by the wife of the proprietor and with the help of a friend was read. Later he was directed to a mission hall in London and there was converted. The conversion of "Gypsy" Smith took place shortly afterward. After four weeks of school "Gypsy" Smith and his father started to read and to preach the gospel in a humble way on the street corners. This was the start of his great work as an evangelist.

There are now thirteen of the family engaged in evangelistic work and this is due, the speaker said, to the grace of God. We as Christians in the same way owe everything we have to the Gospel of Christ and the call today is to live a life of usefulness in which Christ reigns Supreme.

After the address Mr. Smith favored the audience with two excellent solos.

EXCELLENT PROGRAM FOR COMMENCEMENT

PROMINENT SPEAKERS TO BE PRESENT.

NINTH INFANTRY BAND WILL GIVE CONCERTS

Exercises to Begin on June 11 and Last Until June 17.—Reunions of Large Number of Classes Will Be Held.

The sixty-fourth commencement of Bucknell University will open this year Thursday evening, June 11 and close Wednesday noon, June 17. The exercises promise to surpass all other commencements, as in addition to one of the best programs ever scheduled, the twenty-fifth anniversary of the presidency of Dr John Howard Harris will be celebrated.

The baccalaureate sermon will again be given by Dr. Harris on Sunday morning in the Baptist church. The address before the Educational Society will be delivered by Rev. T. Carson Hanna, A. M., B. D., at the same place on Sunday evening. The chief orator at the anniversary celebration on Tuesday will be Martin G. Brumbaugh, Ph. D., LL. D.

The Ninth Infantry Band, of Wilkes-Barre, will furnish the music for the commencement. Monday evening they will give a twilight concert on the campus. In addition to this they will play at the various exercises from Monday evening until the close of commencement.

The complete program as it has been arranged is as follows:

Thursday, June 11th, at 7.30 P. M., Recital of the Elocution Class in the Bucknell Hall.

Friday, June 12th, at 7.30 P. M., Exhibition of the School of Music, Bucknell Hall.

Saturday, June 13th, at 10.30 A. M. Organ Recital, School of Music, in the Baptist church. At 7.30 P. M. the exercises of the Fourth form, Academy, in Bucknell Hall.

Sunday, June 14th, at 10.30 A. M. Baccalaureate Sermon, President J. H. Harris, in Baptist church. At 3.00 P. M. Mendelssohn's St. Paul Oratorio, in Baptist church. At 8.00 P. M., Sermon before the Education Society, in the Baptist church, by Rev. T. Carson Hanna, A. M., B. D.

Monday, June 15th, at 10.00 A. M., Commencement exercises of School of Music, Bucknell Hall. Art Exhibition—studio, begins Monday at 9.00 A. M., and continues throughout the week. At 12.00 M., Alumnae reunion and luncheon. At 7.30 P. M., Class exercises and concert by the Ninth Regiment band. Commencement Hall

Tuesday, June 16th, Twenty-fifth anniversary of the Presidency of Dr. John Howard Harris, LL. D., exercises under the direction of the Board of Trustees and Alumni. Reunion of Classes of '54, '64, '74, '84, '89, '94, '04, '09. At 8.30 A. M. the Procession forms at Bucknell Hall, Trustees, Faculty, Alumni, Senior Classes. At 9.00 A. M., Exercises in Commencement Hall, Harry S. Hopper, A. M., presiding. Music by the Ninth Regiment band. Prayer, Rev. Owen Phillips Eaches, D. D., Haddonfield, N. J. Address, Prof. Enoch Perrine, Litt. D., for the Faculty. Address, David Porter Leas, A. M., Philadelphia, for the Trustees. Address, Rev. Theodore A. K. Gessler, D. D., Landing, N. J., for the Alumni. Oile, Rev. George Whitman, D. D., Buffalo, N. Y. Annual address, Superintendent Martin G. Brumbaugh, Ph. D., LL. D., Philadelphia. Poem, President Lincoln Hulley, Ph. D., L. H. D., LL. D., DeLand, Florida. Presentation of the Portrait of President Harris by the Class of 1914. Remarks by Artist, Mr. William H. Leavitt. Address by the

TO THE ALUMNI

Have you read the program for the 64th annual commencement of Bucknell and the 25th anniversary of Dr. Harris' presidency? Does it not appear to be the best program ever presented at Bucknell? It certainly does, and every alumnus should exert all effort possible to attend the exercises in June. You owe it to the school, to Dr. Harris and to yourself to be present at this celebration.

No pains are being spared by those who have the matter in charge in making this commencement the greatest one Bucknell has ever seen. Just read again that program for Tuesday. The large number of prominent speakers, the big parade, the baseball game, the band concert, and the informal reception to Dr. and Mrs Harris ought to be inducement enough to bring back every alumnus who possibly can arrange to get away.

Make no excuses, but arrange to come. Help make a showing for your class in the parade. Help make the reception for Dr. and Mrs. Harris on Tuesday evening one of the biggest events in college history and at the same time come and enjoy yourself with your old classmates and become acquainted with the other alumni and the present students. Again we urgently invite you—Come!

A. I. E. E. MEETING.

A meeting of the American Institute of Electrical Engineers will be held Wednesday evening at 7 o'clock in Room F, East College. Prof. W. S. Rhodes will read a very interesting paper on "Electrical Resuscitation." Everybody is invited to be present.

FRATERNITY DANCE.

The Delta Theta Upsilon fraternity entertained the Kappa Sigma and the Phi Gamma Delta fraternities at a dance at Riverside park, Milton, last Friday evening.

BUCKNELL GRADS AT CROZER

Among the men to be graduated at Crozer Theological Seminary June 2, are three Bucknell graduates: Nelson Kennedy Crossman, '11, Howard Johnson, '12, and George Frederick Mitch, '10.

A COMMENCEMENT ORATOR

Prof. Llewellyn Phillips, of the Bucknell university faculty, will be the commencement orator for this year's graduating class of the Milton high school.

GDANIEC ELECTED CAPTAIN

BASKETBALL B'S AWARDED TO VARSITY MEN.

At a meeting of the varsity basketball men held last Saturday morning, Joseph Frank Gdaniec, '15, of Mt. Carmel, was unanimously elected captain of the varsity team for next winter. Gdaniec, who has played a good game as guard during his two years on the varsity, will no doubt make a strong man to head the team.

A few days before the election of captain, the Athletic Association held a meeting during which the B's were awarded to varsity basketball players. Six men received their letters They were Captain Schaffner, '15, Welchons, '14, Gdaniec, '15, Archer, '17, Murray, '17, and Riley, '14 (manager's B.)

BUCKNELL DRAMATIC TRIO

The Bucknell Dramatic Trio went to Shamokin on May 22 and gave a recital in St. John's Reformed church before a large and attentive audience.

The Trio consisting of Miss Eudora Hamler, N. R. Hill and E. C. Campbell, is a new organization of the Elocution Department, having been formed about six weeks ago at the instigation of Miss Schillinger. In the performances thus far it has experienced a decided success and the members are intending to follow it up next year with a regular weekly schedule.

NOTICE ALUMNI

All alumni who are coming back for Commencement can procure seats for the Senior Class Play Monday evening of Commencement Week by sending check or money order to C. Walter Lotte, Box 37. The price of seats will be 50 and 35 cents, and all seats will be reserved. Do not wait until you arrive in Lewisburg to procure tickets, as it is expected that the tickets will be sold out before Commencement week.

WAS TENDERED A RECEPTION

In honor of an appointment to a Federal Judgeship for the Eastern Pennsylvania district, Judge O. B. Dickinson, ex-'77, of Chester, was tendered an informal reception at the Bellevue-Stratford in Philadelphia by between two and three hundred members of the Philadelphia bar together with former colleagues at the bar of Delaware county and friends from Chester.

NOTICE SENIORS!

The sale of tickets for the Senior Class Play will be opened to Seniors Saturday morning at 9.30 in Room 1, Main Building. Each Senior will at that time be allowed to buy two tickets. After that the chart will be placed at Heiser's drug store and the sale will be opened to the general public.

25th ANNIVERSARY OF DR. HARRIS

(Concluded from first page.)

Edw. R. Parke, '12, Altoona; Roy G. Bostwick, '05, Elkanah B. Hulley, '07, Harry B. Wassell, Esq., '00, Pittsburgh; Willard M. Bunnell, Esq., '97, Rev. Max Wiant '10, John Cure, '08, Scranton; Jos. Bittenbender, '05, of Wilkes-Barre; John Davis, '02, Nanticoke; Edgar T. Stevenson, '04, of Franklin; E. B. Woods, '10, Glassboro; John C. Johnson, '04, John A. Shirely, ex-'09, Harrisburg; Dr. E. S. Corson, '92, Bridgeton, N. J.; Dr. G. A. Jennings, '97, Burlington, N. J.; Raymond Greene, '02, Mt. Union; Congressman John V. Lesher, '97, George E. Deppen, Esq., '94, Sunbury. Local Committee: Robert W. Thompson, Ralph S. Koser, P. M. Irey, Wm. L. Donehower, Robert Darlington, Wm. A. Goehring, Clarence B Comstock, Lewisburg.

Students who will act as chairmen of their respective groups are Chas. E. Coleman, Mechanicals; John Criswell, Electricals; Thos. E. Moore, Civils; Fred H. Cathrall, Medicals; Robert McComlis, Lawyers; H. E. Campbell, Chemicals; S. H. Coulter, Ministerials; Alfred S. Van Osten, Pedagogs; Wm. D. Reading, all others.

Other members of the committees are to be appointed by the chairmen.

VARSITY TRACK TEAM LOSES TO GETTYSBURG

WINS, HOWEVER, TWO FIRSTS, EIGHT SECONDS AND NINE THIRDS.

The Bucknell track team lost the meet with Gettysburg last Saturday by a score of 83 to 43 points. The varsity secured two firsts, eight seconds and nine thirds.

Captain Lowther secured the most points for Bucknell by winning first in the 440 yard dash and seconds in the 100 and the 200 yard dashes. The other first place was won by Hagan in the discus throw

Butt won two seconds, one in the mile run and the other in the two mile. In the latter he ran neck to neck with the winner on the last lap until within about the 20 yard line when he lost out on the final spurt. Evans also secured two second places, the high jump and the 120 yard high hurdles.

Glass won second in the pole vault and thirds in the 120 yard high hurdles and the 220 low hurdles. Welchons took second place in the discus and third places in the shot put and the hammer throw. Other thirds were won by Urbanowitz in the 220 and 440 yard dashes, Yon in the 880 yard dash, Smith in the mile run and Walters in the broad jump.

Summaries:

100 yard dash—Bostock, G., first; Lowther, B., second; Lulp, G., third. Time, 9 4-5 seconds.

120 high hurdles—Nightengale, G., first; Evans, B., second; Glass, B., third. Time 17 1-5 seconds.

1 mile run—Motz, G., first; Butt, B., second; Smith, B., third. Time 5 minutes, 38 seconds

440 yard dash—Lowther, B., first; Yeager, G., second; Urbanowitz, B., third. Time 54 2-5 seconds.

2 mile run—Duffy, G., first; Butt, B., second; Conner, G., third. Time 11 minutes, 43 1-2 seconds.

220 low hurdles—Miller, G., first; Nightengale, G., second; Glass, B., third. Time 27 seconds.

880 yard dash—Motz, G., first; Eyer, G, second; Yon, B., third. Time 2 minutes, 8 4-5 seconds

220 yard dash—Bostock, G., first; Lowther, B., second; Urbanowitz, B., third. Time 24 4-5 seconds.

Shot put—Scheffer, G., first; Frynger, G., second; Welchons, B., third. Distance 39 feet, 3 inches.

Broad jump—Bostock, G., first; Rhanck, G., second; Walters, B., third. Distance, 22 feet, 3 inches.

Hammer throw—Pottinberger, G., first, Royer, G., second; Welchons, third. Distance, 127 feet, 6 inches.

High jump—Nixon, G., first; Evans second; Welshan, G., third. Height—5 feet, 7 inches.

Discus—Hagan, B., first; Welchons Bucknell, second; Scheffer, G., third Distance 109 feet.

Pole Vault—Heese, G., first; Glass, second; Nixon, G., third. Height 9 feet, 9 inches.

Money Spent For A Suit Which Does'nt Fit Is Worse Than Wasted

What young man hasn't at sometime or other, owned a suit which wrecked his patience everytime he put it on because it didnot fit? You cannot look well or feel comfortable in a suit which sags and digs, wrinkles and wabs.

"Premier" Read-to Wear clothes are smart as a whip and fit as real clothes should fit.

The well dressed youngman has a natural passport in traveling through life which will admit him to many a favored spot, For this reason he belongs to the class which excites jealousy among their fellow-men. You can be envied by all your neighbors if you buy one of our "Premier" suits.

Nichols, '14, visited his parents over Sunday last week.

Frye, '15, spent the first four days of last week at his home in Monessen.

A large number of biology and forestry students took a trip to White Deer last Saturday.

The botany class rode to New Berlin last Thursday and walked back across the mountain.

The Sophomore—Freshman baseball game will be held on the campus Friday afternoon.

Invitations have been issued to the Seniors by Dr. and Mrs. Harris for a reception next Tuesday evening

Hill, '16, preached in the Baptist Church at Eagles Mere yesterday at the morning and evening service. He is to have charge there as pastor for the coming summer.

Dr. G Fish Clark, '87, has published an autobiography of his father, Rev Dr. G. W. Clark.

A. M. Wyant, ex-'94, was leading counsel in a celebrated murder trial just concluded at Greensburg.

WOMAN'S COLLEGE

Harriet Carpenter, '16, has as her guest, her brother, of Woodbury, N. J.

Edith Horton, '17, has as guests, her father and mother from Millville, N. J.

Ruth Barthold, '17, entertained her parents from Bethlehem, during the latter part of the week.

Edna Overfield, '17, received a visit from her mother, of West Chester, last week.

The Lawn Fete on the Woman's College Campus on Saturday evening was an enjoyable occasion and was participated in by many.

Y. W. C. A. NOTES

Last Tuesday's meeting was led by Miss Ruth Ballentyne. Her subject was "Wise Economy and Needless Expenditure," and her handling of it resulted in much practical benefit to her hearers.

The question of sending delegates to the Conference at Eagles Mere this summer is being agitated earnestly just now, and the Conference Fund is gradually and surely growing

Next Tuesday's meeting will be under the leadership of Miss Ella Freed and it will be along the line of the new interest in social service Her topic of discussion will be "Child Welfare"

BUCKNELL ALUMNAE MEET

COLLEGE GIRLS ENTERTAINED BY MRS A. J. ROWLAND

Nearly 100 women attended the spring reunion of the Bucknell Alumnae Club of Philadelphia, Saturday afternoon at the home of Mrs. A. J. Rowland in Philadelphia. This club includes many prominent Philadelphia matrons, one of whom each spring gives an open-air entertainment at her home. At Saturday's meeting there were representatives from the graduating classes of each year since 1865, and one of the most enjoyable features of the afternoon was the reunion of the older graduates, who came from long distances to attend the spring meeting. At a recent meeting of the alumnae it was agreed that the members establish a scholarship fund, and a number of generous contributions were made.

The election of officers was held and resulted as follows: President, Miss Catherine Englebert; honorary president, Mrs. Daniel Sutter; vice presidents, Miss Hannah Goodman and Mrs. I. H. O'Hare; recording secretary, Miss Letitia Mathews; corresponding secretary, Mrs. A. W. Wise; treasurer, Mrs. Dewey A. Cobb and historian, Miss Mary Stille

FALL REGISTRATION

Registration for rooms for next year will take place next Monday, June 1.

SIGMA CHIS ENTERTAIN

The Sigma Chi fraternity entertained a number of college girls at a card party last Thursday evening.

VOLUME XVIII LEWISBURG, PENNA., MONDAY, JUNE 1, 1914. NUMBER 29

VARSITY WINS FROM JUNIATA

BEATS HUNTINGDON TEAM IN INTERESTING CONTEST.

BRENNER ALLOWS THE OPPONENTS ONE HIT

Pitches Air-tight Ball, Striking Out 13 Men.—Bucknell Men Clout the Ball Hard.—Gdaniec Makes Excellent Catch.

The Varsity scored a well earned victory over Juniata at Huntingdon last Wednesday, 6-3. It was the first time in many years that the Orange and Blue has met Juniata on the diamond. Much interest in the game was shown by the Huntingdon fans, who turned out in large numbers to see the Varsity perform.

The battle with the Huntingdon lads was the best played game of the season. The Varsity while not playing errorless ball, worked with so much pep in the field and with the bat that Juniata was never dangerous after she had tied the score in her half of the second.

Brenner's pitching was a revelation. After the third inning only 18 men faced the Orange and Blue heaver, which fact accounts largely for the final score. The freshman pitcher also laced the old horsehide twice for extra base wallops, one a screeching drive over the centerfielder's head, which would have netted him a home run had he not slipped while rounding third. Soxe received Brenner's benders in commendable fashion.

Joe Gdaniec, playing in right garden, seemed to think the spot lights were falling too much on the center of the diamond, and when Fees, Juniata's shortstop, poled a long liner out in his territory, Joe made an old-time Kelly catch which pleased the fans so much that they forced the modest right-fielder to doff his cap.

The whole team batted well with the exception of Seeman and Soxe, who were unable to clout the ball into unoccupied territory.

The remaining games of the trip which included games with Pittsburgh and W. of Va. were cancelled. With the team playing as it did on Wednesday we have grave doubts as to where the Pitt team would have shaken off the Jinx which we hold over them.

The score:

BUCKNELL	R.	H.	O.	A.	O.
Topham, cf.,	1	2	1	0	0

MINISTERIALS MEET.

The Ministerial Association was entertained last Friday evening at the home of Prof. Hamblin. Plans for the parade during commencement week were discussed, after which refreshments were served.

SOPHOMORES VICTORS.

In the annual baseball contest between the underclassmen, the Sophomores succeeded in defeating the Freshmen by a score of 10 to 9. Although the game had the usual number of errors of these class games, it was, nevertheless quite interesting throughout. The batteries were: Sophomores, Alter, Smith and Bilger; Freshmen, Weber and Dirzulaitis and Murray.

The score:

Freshmen .. 1 0 0 0 4 1 3 0 0—9
Sophomores 5 1 1 0 1 6 2 0 x—10

ALUMNI TO BANQUET.

The Bucknell alumni in and about Pittsburgh will hold a banquet at the Fort Pitt Hotel, on Saturday evening, June 6. They urgently request all Bucknellians from that district to be present. If interested, address Earl A Morton, Frick Annex, Pittsburgh, Pa.

COTILLION TONIGHT.

The annual Sophomore Cotillion will be held tonight at Riverside Park, Milton A large crowd is expected to attend.

DICKINSON DEFEATS VARSITY IN TRACK

BUCKNELL, HOWEVER, SUCCEEDS IN SCORING 54 POINTS.

The Varsity track team journeyed to Carlisle on Saturday and was defeated by the strong Dickinson college team by the score of 71 to 54. A terrific gale of wind blew across the field during the meet and materially aided in breaking two of Dickinson's records, Warfield smashing the record in high jump, and Yates in the 440 yard dash.

Butt, Smith, and Captain Lowther were the Bucknell stars in the track events, while Welchons and Hagan were the leaders in the field events.

Summaries:

100 yard dash—Won by Warfield, D., second, Taylor, Dickinson, third Lowther, B. Time 10 1-5 seconds.

220 yard hurdles—Won by Yates, D., second Smith, D., third, Glass, B. Time 27 2-5 seconds.

Mile run—Won by Smith, Bucknell; second, Courtney,D.; third, Butt B. Time 4 minutes, 52 2-5 seconds.

220 yard dash—Won by Warfield, D.; second, Lowther, B.; third, Taylor, D. Time 23 1-5 seconds.

120 yard hurdles.—Won by Smith, D.; second, Evans, B.; third, Glass, B. Time 17 seconds.

Half mile run—Won by Mohler, D.; second, Yon, B.; third Stevenson, B. Time 2 minutes, 8 2-5 seconds.

440 yard dash—Won by Yates, D.; second, Lowther, B.; third, Urbanowitz, B. Time 52 1-5 seconds.

Two mile run.—Won by Butt, B.; second, McCready, D.; third Smith, B. Time 10 minutes, 50 seconds.

Hammer throw—Won by Hertzler, D.; second, Aleshouckas, B.; third, Welchons, B. Distance 93 feet, 7 in.

Shot Put—Won by Dalton, D.; second, Welchons, B.; third, Aleshouckas, Bucknell. Distance, 34 ft. 7 inches.

Discus throw—Won by Hagan, B.; second Hertzler, D.; third Welchons, B. Distance 103 feet.

Pole Vault.—Won by Glass, B.; second, Brumbaugh, D.; third, Dalton, D. Height, 10 feet, 6 1-2 inches.

High jump—Won by Warfield, D.; second Evans, B.; third, Davis, B. Height, 5 feet, 7 1-2 inches.

Broad jump—Won by Warfield, D.; second, Walters, B.; third, Yates, D. Distance, 20 feet, 7 inches.

Y. W. C. A. NOTES.

The regular Tuesday evening meeting of the Association was one of unusual interest. It was led by Miss Ella Freed on "Child Welfare," and her talk was very interesting and gave the girls a large number of things to think about outside of school affairs.

Next week's meeting will be a special musical evening and every effort it being made to have it unusually attractive.

Susquehanna vs. Bucknell on the campus Tuesday afternoon.

FAHRINGER IS NEW SECRETARY

WAS ELECTED AT Y. M. C. A. MEETING THURSDAY.

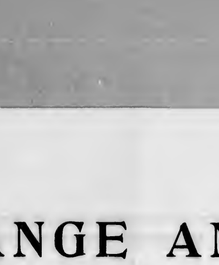
VACANCY DUE TO GOEHRING'S RESIGNATION

"Fred" Will Act as Student General Secretary by Devoting Part Time to Studies and Part to Y. M. C. A. Work.

The Y. M. C. A. meeting on Thursday evening was called for the purpose of electing a General Student Secretary to fill the vacancy made by Goehring's resignation

Two years ago Bucknell felt the need of a General Secretary who could devote his time to studying the needs of the different men and advise them on personal questions. As a result of this need William A. Goehring, '12, was elected to the office in which capacity he has served for the past two years. The faculty and student body, after two years experience are convinced that the action which led to the creation of a General Secretary was a good movement and that the office should be continued in the future. Goehring's resignation made it necessary, however, to find another man to fill that office and Frederick H Fahringer, '15, was elected for the coming year

After considerable discussion and investigation the faculty advisory board recommended to the Association that the office of General Secretary be filled by a man from next year's junior class. The man who was elected to the office would be allowed to give part of his time to college work and part to the duties of General Secretary. This would mean that the man who was elected to the office would complete his senior year in two years and also perform the duties of General Secretary during that time. The recommendation of the advisory board, having met with the approval of the student body, the next step was to elect a man from the present junior class to fill the office. Naturally everyone thought of Fred Fahringer as



the one man who was best suited to fill the office. A motion was then passed which elected Fahringer General Secretary for the next year.

A form of contract has been signed by the General Secretary. The provisions of the contract are that Fahringer shall perform the duties of General Secretary of the Bucknell Y. M. C. A. beginning August 1, 1914 and ending July 1, 1915, and that he be allowed to take part college work. For said Y. M. C. A. work Fahringer is to receive from the Association the sum of four hundred dollars for the year and his board and room at the college.

To the student body it is unnecessary to introduce Fred Fahringer. Throughout his college course he has shown an active interest in all college activities and has been a firm supporter of all movements which were for the betterment of college life at Bucknell. In the social affairs of the college he has shown his ability to mix with the students and make friends. His clean cut Christian life and his sincerity of purpose have won for him the respect of his fellow students. As leader of the Bucknell Band he has come to be known as a man who can accomplish what he sets out to do.

ALUMNUS WRITES BOOK

The Rev. Dr. J. S. Wrightnour, '69, has recently published through Sherman, French and Co., a slender volume of verse entitled 'The Rift in the Cloud." It is addressed to all who having loved, have missed the full fruition and are looking for the blue sky of Lope. The initial stanza of the first poem manifests both the quality of the author's thought and expression:

"There never was a song so sweet
In music, rhyme or metre
That needed not some touch of tears
To make the music sweeter"

In various ways this comforting thought is applied to the disappointments that beset humanity, and there is revealed in very creditable verse, the kindly heart as well as the great literary taste of the writer.

ATHLETIC ASSOCIATION TO ELECT ASST. MANAGERS

ELECTION WILL BE HELD NEXT SATURDAY MORNING IN THE GYM.

The Spring election of the Athletic Association will be held in the gymnasium sharply at 10 o'clock on Saturday morning, June 6. At this meeting two men will be elected to the executive board, besides the assistant managers of baseball, basketball, track and tennis. At this election the same rule will be enforced as was used at the last election; that is, no person can vote by proxy unless he himself writes out his vote and places it in a sealed envelope on the outside of which he has written his name Every proxy should be placed in the ballot box at the time the name is called and at no time later.

The students who were nominated by the General Caucus are as follows: Executive Members, Cross, '15 Hedge, '15, Hoke, '15, (two to be elected); Asst. Manager of baseball, Davis, '16, Tripican, '16; Asst. Manager basketball, Mensch, '16, Oesterle, '16; Asst. Manager track, Davenport, '16, Hartman, '16; Asst. manager tennis, Bigler, '16, Switzer, '16.

DR. HARRIS GIVES ANNUAL RECEPTION TO SENIORS

ROYALLY ENTERTAINS THEM AT HIS HOME TUESDAY EVENING.

On Tuesday evening of the past week President and Mrs. Harris gave their annual reception to the Senior Classes of the College and Institute. This social event was, as usual, greatly enjoyed by all present. The Senior men garbed in cap and gown assembled on the Hill and then proceeded to the Women's College to escort the young ladies to the reception. All went in a body to the President's house where they were cordially welcomed by Dr. and Mrs. Harris.

A delightful evening was spent in social intercourse, during which excellent refreshments were served and music furnished by the orchestra.

DOING ENGINEERING WORK

Besides being Assistant Professor of Civil Engineering at the University of Florida, R. R. Sellers, '12, is taking charge of some engineering work throughout the state of Florida. At present he is designing a sewage disposal plant for the town of Sarasota and is also working up plans for the drainage of the Waldo district.

JUNIOR "EX" MONDAY.

The annual exhibition of original orations by members of the Junior Class, will take place in Bucknell Hall this evening at 8 o'clock. This year the orations will deal with the questions of public welfare.

CONFERENCE AT EAGLES MERE

WILL BE HELD THIS YEAR FROM JUNE 12 TO 21.

LARGE DELEGATION SHOULD ATTEND FROM BUCKNELL

Many Prominent Men Will Address the Meetings.—John R. Mott and Dean Shailer Mathews Among the Speakers.

The Annual Middle Atlantic Student Conference composed of representatives of the Colleges of Ohio, West Virginia, and of the Middle Atlantic States will again be held at Eagles Mere this year from June 12 to 21. The conference promises even to surpass the highly successful gathering of last year.Already many of the colleges have assured the presence of large delegations.

Eagles Mere is located about forty-five miles from Lewisburg, in the heart of a vast forest, surrounding a crystal mountain lake which offers to the delegates abundant opportunity to enjoy all kinds of equatic sport and recreation. Not far from the headquarters are located the athletic grounds upon which many exciting contests are witnessed daily and participated in by the delegates.

To add to the comfort of the delegates the management assigns delegations of sufficient size to one of the cottages under its control. There they can spend their leisure hours, and pass away many a pleasant hour of good fellowship in discussing the problems studied. Last year Bucknell had one of these cottages and it is now the desire of the Association that a sufficient number of Bucknell men will go this year to insure these privileges.

Beyond doubt the best treat of the Conference will be the inspiration of the presence and words of John R. Mott. Mr. Mott has been a leader in student work for twenty-five years, and has addressed large audiences in nearly every important student centre in the world. Another good speaker on the program in Dean Shailer Mathews, the chairman of the Federation of the Churches of Christ in America, a leader in the religious world.

In fact the importance of the Conference throughout demands that Bucknell be well represented, both for the personal good of the delegates, and the general welfare of the college now and in the years to come. Additional information concerning the conference can be obtained by conferring with Secretary Goehring in the Y. M. C. A. office or with Tilton, '16, 77 E. C., chairman of the Conference Committee

BUCKNELL DRAMATIC TRIO

WILL GIVE ENTERTAINMENT FOR Y. M. C. A.

The Bucknell Dramatic Trio, consisting of Miss Eudora Hamler, '14, Edgar C. Campbell, '16, and Norman R. Hill, '16, will give an entertainment in Bucknell Hall on Monday evening, June 8, 1914.

The ability of the Dramatic Trio to furnish an evening of high class entertainment is attested to by its numerous engagements in nearby cities, as Williamsport and Shamokin The natural talent of the members of the Trio, together with the efficient training given them by Miss Edith Schillinger, head of the elocution department, has made the Dramatic Trio very successful. The entertainment on June 8 is given under the auspices of the college Y. M. C. A., and so if you care to spend a profitable and pleasant evening and incidentally help the Association, come and bring your friends.

EAGLES MERE CONFERENCE

Are you going to the Y M. C. A. conference at Eagles Mere? If not, why not? The time for decision is fast approaching and a large delegation should attend from Bucknell. The college Y. M. C. A. of the present day needs trained men for its various departments. New problems are ever arising in our college life and men are needed to plan and execute ways and means of meeting these changing conditions. In view of this fact there is no better opportunity for training along these lines than that obtained by attendance at the Student Conference at Eagles Mere. Why not avail yourself of this opportunity?

There is no more delightful place to spend ten days of pleasure and profit than at this conference. The early morning plunge in the lake, the cool, inviting trails over the hills, the tennis tournaments, the exciting inter-collegiate and inter-vocational baseball games, the soul stirring messages by men of world-wide renown, the instructive Bible and Mission Study classes, and the deeply spiritual vesper services, all heartily invite you. Will you attend?

HILL GOSSIP

Fetter, '13, is visiting friends on the Hill.

Jackson, '13, was a visitor on the Hill last week.

Eshelman, '13, visited his S. A. E. brothers last week.

The Deutscher Verein picnicked at Blue Hill Saturday.

A son was born to Dr. and Mrs. Stewart Saturday, May 30.

The Sophomore-Freshmen track meet will be held on the campus Friday afternoon.

Sprout, '12, called on his Phi Gamma Delta brothers Thursday and Friday of last week.

A number of picnics were held on Saturday at Montour, White Deer, Blue Hill, and other places.

D. Armstrong, of Paulsboro, N. J., is spending a few days with his brother, E. B. Armstrong, '14.

All students who have not yet registered their schedule of studies for next year should do so at their lecture next Monday.

All Medics who will be here on Tuesday, June 16, are requested to see Cathrall, '14, in order to secure a place in the Medical Society division of the big parade.

Charles A. Kram, ex-'13, who has been sent from Washington by Secing houses in New York, preparatory review accounting methods in bank- to the framing of a uniform system for the country, is chief auditor in the Post Office Department at Washington.

DR. HARRIS IS GIVEN SURPRISE

FACULTY GATHER AT HIS HOME WEDNESDAY.

DR. ROCKWOOD MAKES EXCELLENT ADDRESS

Gives Speech in Behalf of the Faculty As He Presents the President With Hastings' "Enclycopedia of Religion and Ethics."

Thursday evening the faculty of the college and their wives surprised President Harris, the occasion being in part the celebration of the 25th anniversary of his coming to Bucknell They presented him with Hastings' Encyclopedia of Religion and Ethics, and an oak book case large enough to contain the 12 volumes, and a handsome engraved silver memorial plate. Dr. Harris was out for a walk while the guests were assembling, and was greatly surprised upon his return to find the large company of friends in charge of his house.

The address made by Dr. Rockwood in behalf of the faculty is as follows:

Mr. President:

We have met this evening in a friendly and informal manner to extend to you our congratulations and good wishes on your completion of 25 years of active service as the executive head of the University. While we bring you our greeting and good cheer we want also to express our sincere appreciation of the faithfulness and fidelity with which you have performed all the duties of your difficult office. In point of time your administration has been the longest in the history of the University, in results the most productive. For 25 years you have presided over the destinies of the University, guided its policy and labored unceasingly in the development of its material resources and in its advancement along intellectual and scholastic lines.

A quarter of a century, when we stand at the beginning of the period and look forward and try to see what the coming years have in store for us, seems like a very long time, but when we reach its close and look back, it does not appear so very long, the years fly by so rapidly. And so it does not seem such a great while ago that you came to us, delivered your inaugural address and entered upon the work of your administration. But in the years that have passed so quickly, you have accomplished most important and lasting results. New departments have been added to the University; new courses introduced; the teaching force enlarged; the enrollment of students greatly increased; many of the most attractive and useful buildings erected; and important additions made to the endowment funds and financial resources of the institution.

But it is not my purpose to dwell only on the material progress of the University. I wish also to speak of personal matters and some of the intimate relations between President and Faculty. You have allowed us the largest liberty in our class-room work. We have enjoyed academic freedom in the true sense of the term. We have planned and arranged our courses and conducted them according to methods that seemed to us most effective. We have greatly appreciated this freedom. It has been an additional incentive to us to strive to make our work a credit and honor to the University of which we form a part.

Many of the present members of the Faculty have been your pupils and received instruction under you in their college days and from your words and example gained inspiration for their life work. Many of these in pursuing graduate courses and in the choice of their profession have been largely influenced by your suggestions and advice. And now in witnessing their success in their chosen calling, you have one of the greatest sources of satisfaction and delight that a teacher can ever have. But besides these there are scores and hundreds of your former pupils in all parts of our country and in foreign lands who are occupying places of usefulness and honor among their fellow citizens and doing good

A picture of satisfaction

If it hadn't been for the Fatima Cigarettes the dog would perhaps be tied to a post. If it hadn't been for the dog, the opportunity to enjoy Fatimas wouldn't have been so great—which all goes to show that lovers of pure, good, choice tobacco find Fatima Cigarettes most companionable, most delightful and therefore a true adjunct of life indoors and out.

Twenty cigarettes, best quality of tobacco, in a plain package.

More Fatimas are sold in this country than any other brand of cigarettes.

PHILADELPHIA ALUMNI NEWS

PREPARATIONS BEING MADE FOR COMMENCEMENT WEEK.

SELECT GARB TO BE WORN IN THE MAMMOTH PARADE

Straw Hats, White Shirts, White Ties, White Trousers, Black Shoes, and Orange and Blue Parasols to Form the Outfit.

The committee appointed by Registrar Wilcox to arrange for the Philadelphia division of the mammoth alumni and undergraduate parade to be held at Lewisburg, Tuesday, June 16th, general announcement of which was made in the Orange and Blue of last week, has met and decided upon the following apparel as a uniform attire to be distinctive of the Quaker City contingent:

White shirts, white neckties, no coats, white trousers, duck, flannel or serge, black shoes. Each man to carry a bi-colored orange and blue parasol. Straw hats.

An arrangement has been made with a Philadelphia manufacturer for the making of these special Phila—Bucknell parasols at a very moderate price. Of course we expect to place a large order with him but it is imperative that the committee should know just how many to contract for. It is therefore requested that every man living within a radius of thirty miles from Billy Penn who is planning to be in Lewisburg on Dr. Harris' anniversary day send word at once to Stanley P. Davies, 1421 Arch Street, Philadelphia.

As the largest Bucknell Alumni centre Philadelphia should have the most conspicuous representation, in point of numbers at least in this biggest stunt Bucknell ever pulled off. A "pressure of business" excuse, or in fact none other will be accepted as valid on that day. You want to get in the crowd that's a-going to frolic up University Avenue with your Orange and Blue parasol.—R. G. Slifer, '98; C. A. Weymouth, '05; S. R. Smith, '09; S. P. Davies, '12, committee.

Tentative plans for activities during the coming fall and winter were outlined and approved at a meeting of the Executive Committee of the Bucknell Alumni Club of Philadelphia held at 318 Bulletin Building on Thursday. The program for 1914-1915 as suggested by Secretary Robey calls for four meetings to be held on or about the third Friday of September, November, February and April. It is the idea that the membership committee be in charge of the first meeting in September; that the proposal of a joint meeting with the Phila.—Bucknell Alumnae Club in November be submitted to the latter organization; that the athletic committee arrange for a special athletic meeting in February and that as usual the Annual Banquet and business meeting, the closing event of the year be held in April with the New Students Committee in charge.

It was agreed that the Secretary should negotiate with the Orange and Blue management looking toward an agreement whereby the combination offer of Club dues and Orange and Blue and Commencement News subscriptions may again be presented to the alumni, a column of space being granted in return for the publication of Philadelphia alumni news.

Vice president Slifer presided in the absence of President Weaver. Members present were Christ, Davies, Hassrick, Nesbit, Robel, Slifer, Weymouth and Wise.

AN OMISSION.

In the list of players awarded Varsity B's in basketball given in last week's issue of the Orange and Blue the name of Brenner, '17, was accidentally omitted

Brosius, '14, and Rishel, '15, spent Saturday in Williamsport.

Galbraith, '17, was visited by his father during the past week.

H. A. Siegner, of Hadden Heights, N. J., spent Memorial Day with Matlack, '17.

Champion, '17, attended the Senior Class play of the Williamsport High School on Friday evening.

DR. HARRIS' SURPRISE

(Concluded from second page)

service in all the learned professions, in missionary work, in teaching, in business, and in fact in all the walks and activities of life. Their success reflects credit upon the University in which they have been trained, but most especially is their success an honor and a just source of pride and gratification to you, as a teacher and leader of men.

Again you can find encouragement and delight in the permanent character and enduring quality of educational work. Colleges and Universities are among the most vigorous and longlived in the entire range of human institutions. In our own country, before the outbreak of the Revolutionary War, ten colleges were founded. All of these are in existence to-day and most of them are exceedingly strong and vigorous, in fact, among the most important and influential educational institutions in the land. The oldest of all was founded in 1636 and in 22 years will celebrate its 300th anniversary, But it is in the very prime and vigor of its youth and bids fair to live and grow for three centuries more. As it is with these institutions, so it is with Bucknell University. We can confidentially predict for it long years and many decades of growth and prosperity. In the years to come, so long as the institution shall stand, its officers, its friends and supporters will always think with admiration and gratitude of your faithful and successful work in building up the University and preparing the way for continued prosperity and larger growth in the future, just as we now appreciate the work of the fathers and founders of the institution for that which was accomplished in their day. You have given your best years to the University. You have wrought into it your very life and have filled it with your own hopeful and courageous spirit. In its future success and ever widening influence will be your true fame and most enduring memorial.

And now, Mr. President, it becomes my pleasant duty on behalf of the Faculty and my personal privilege as a member of the same to phesent to you these books, "Hastings' Enclyeopedia of Religion and Ethics", with accompanying case and engraved plate. Books seem an appropriate gift from Faculty to President, for we are all bookmen in the true sense of the word, lovers and users of books, makers and earnest critics of them. Then books form a suitable gift of friendship, because good books have many of the qualities of good friends. They never receive us unkindly, they always have something for us and give us the best they have, however frequently we may return to them.

We ask, you, Mr. President, to accept this gift, not because of any great material value that it represents, but because it is a mark of our regard and respect for you, as a man and a Christian teacher and educator. Accept it as a sign of our sincere appreciation of your patient, earnest, self-sacrificing, but always cheerful and hopeful labor in the upbuilding of the University. And finally we ask you, Mr. President, to receive and cherish this gift, as a token of our friendship and loyalty to you, our friend and leader, the honored President of Bucknell University.

WOMAN'S COLLEGE

Miss Mary Jones, '16, was the guest of Miss Pauline Fahringer at Sunbury over Sunday.

Miss Amanda Whittaker, '17, was visiting Miss Ruby Young, '16, at Dewart, over Sunday.

Mrs. Krouse, of Altoona, was visiting her daughter, Helen Krouse, '17, for several days last week.

Mrs. Cooke and son, of Haddenfield, N. J., are visiting Miss Jeanette Cooke, '17, at the Woman's College.

Misses Jess Oswalt, '15, Marion Bancroft, '15, and Marguerite Bancroft spent the 30th at their homes in Altoona.

Misses Olive Cooper, '14, Dorothy Bunnell, '16, and Edith Horton, '17, spent a most enjoyable Decoration Day at the home of Miss Frances McNall, '14, at Muncy.

Misses Ruth and Ethel Royal, former students of Bucknell, and Miss Margaret Stoughton were the guests of Miss Mary Stanton at the Woman's College for dinner Friday.

DR. HARRIS' SURPRISE

(Concluded from second page)

service in all the learned professions, in missionary work, in teaching, in business, and in fact in all the walks and activities of life. Their success reflects credit upon the University in which they have been trained, but most especially is their success an honor and a just source of pride and gratification to you, as a teacher and leader of men.

Again you can find encouragement and delight in the permanent character and enduring quality of educational work. Colleges and Universities are among the most vigorous and longlived in the entire range of human institutions. In our own country, before the outbreak of the Revolutionary War, ten colleges were founded. All of these are in existence to-day and most of them are exceedingly strong and vigorous, in fact, among the most important and influential educational institutions in the land. The oldest of all was founded in 1636 and in 22 years will celebrate its 300th anniversary. But it is in the very prime and vigor of its youth and bids fair to live and grow for three centuries more. As it is with these institutions, so it is with Bucknell University. We can confidentially predict for it long years and many decades of growth and prosperity. In the years to come, so long as the institution shall stand, its officers, its friends and supporters will always think with admiration and gratitude of your faithful and successful work in building up the University and preparing the way for continued prosperity and larger growth in the future, just as we now appreciate the work of the fathers and feel grateful to the early builders and founders of the institution for that which was accomplished in their day. You have given your best years to the University. You have wrought into it your very life and have filled it with your own hopeful and courageous spirit. In its future success and ever widening influence will be your true fame and most enduring memorial.

And now, Mr. President, it becomes my pleasant duty on behalf of the Faculty and my personal privilege as a member of the same to phesent to you these books, "Hastings' Enclycopedia of Religion and Ethics", with accompanying case and engraved plate. Books seem an appropriate gift from Faculty to President, for we are all bookmen in the true sense of the word, lovers and users of books, makers and earnest critics of them. Then books form a suitable gift of friendship, because good books have many of the qualities of good friends. They never receive us unkindly, they always have something for us and give us the best they have, however frequently we may return to them.

We ask, you, Mr. President, to accept this gift, not because of any great material value that it represents, but because it is a mark of our regard and respect for you, as a man and a Christian teacher and educator. Accept it as a sign of our sincere appreciation of your patient, earnest, self-sacrificing, but always cheerful and hopeful labor in the upbuilding of the University. And finally we ask you, Mr. President, to receive and cherish this gift, as a token of our friendship and loyalty to you, our friend and leader, the honored President of Bucknell University.

WOMAN'S COLLEGE

Miss Mary Jones, '16, was the guest of Miss Pauline Fahringer at Sunbury over Sunday.

Miss Amanda Whittaker, '17, was visiting Miss Ruby Young, '16, at Dewart, over Sunday.

Mrs. Krouse, of Altoona, was visiting her daughter, Helen Krouse, '17, for several days last week.

Mrs. Cooke and son, of Haddenfield, N. J., are visiting Miss Jeanette Cooke, '17, at the Woman's College.

Misses Jess Oswalt, '15, Marion Bancroft, '15, and Marguerite Bancroft spent the 30th at their homes in Altoona.

Misses Olive Cooper, '14, Dorothy Bunnell, '16, and Edith Horton, '17, spent a most enjoyable Decoration Day at the home of Miss Frances McNall, '14, at Muncy.

Misses Ruth and Ethel Royal, former students of Bucknell, and Miss Margaret Stoughton were the guests of Miss Mary Stanton at the Woman's College for dinner Friday.

Velvet

THE SMOOTHEST TOBACCO

OFT in the moony night with pipe and Velvet—that's enjoyment enough for some of us.

Velvet tobacco—the finest leaf in this great tobacco country—hung in big warehouses for over 2 years—a mellowing process impossible to counterfeit—only time, little by little, can change the leaf—eliminate the harshness (you call it bite!). Every puff of Velvet takes over 2 years to produce—no wonder it's good.

BUCKNELL UNIVERSITY.

VOLUME XVII) LEWISBURG, PENNA., MONDAY, JUNE 8, 1914. NUMBER 30

VARSITY WINS TWO GAMES

EASILY DEFEATS SUSQUEHANNA ON CAMPUS.

BEATS ALBRIGHT IN INTERESTING BATTLE

Liebensberger and Brenner Do Star Twirling in Their Respective Games.—Fielding Also Good in Both Contests.

As the season draws to a close the Varsity seems to have hit its stride and to play in better form with each succeeding game. Twice in succession during the past week the team put to rout the teams representing Susquehanna and Albright by the respective scores of 11-4 and 9-8. The team seemed to work with ease and smoothness under the newly acquired pep. Above the improvement of the infield and outfield stands the work of the pitching staff, the mainstays of which are found in Leibensberger and Brenner These two performers are working in tip-top form and have become bug-bugs to all opposing batsmen

Susquehanna

Liebensberger pitched in the first game of the week and was always master of the situation The portsider had his "stuff" working so well that seventeen Susquehanna batsmen succumbed as strike-out victims

The visitors were determined and worked over a couple of runs right at the outset In the fourth they registered their third run by an odd breck of the game while their fourth and last run came in the ninth as a direct result of a fielders choice and a double-decker by the catcher

The Varsity scored in every inning except the third and fourth frames, the largest cluster of runs coming in the eighth when Cruik cleared the sacks with a circuit clout through the third baseman and the left fielder The fifth run of this last cluster grew out of singles by Miller and Storer. Topham also assumed the home-run role and slashed the ball for out in deep left center for a personally conducted tour of the bases.

With Liebensberger pitching in such faultless style and the Bucknell sticksmiths aiding him so vigorously the Selinsgrove nine was never in the running.

The score:

BUCKNELL.

Albright.

Playing a great uphill game in which heavy-hitting gave an added spice the Orange and Blue put Albright down for the count by the score of 9-8. Until the seventh it was anybody's game when the Varsity donning its hitting clothes forged into the lead, never to be leaded, mainly through drives by Cruikshank and Miller, the latter's a beauty, sailing high and dry over the railroad tracks.

The visitors were always up and coming either at the bat or in the field. Time and time again the visiting catcher cut-off would-be baseStealers with his trusty "whip" Tip and Cruik, stellar performers in this pastime, were the only successful pilfers of the afternoon by great hookslides. The visitors gathered as many hits as did the Varsity, but were not as fortunate as the Orange and Blue in the breaks of the game. In the proverbial lucky seventh the Albright aggregation assumed the lead, after the Varsity had evened up matters, by virtue of a home run with one station occupied.

The Varsity played excellently in field outside of the errors of Worrilow at short. The relay work of the short-stop in conjunction with Topham after the latter has misjudged a hard-hit liner, instrumental in cutting off a runner at the plate, was a nifty piece of fielding. Soxe was right on the job nipping a promising rally in the bud by a fast peg to third which caught an Albright runner napping. Topham did great work in center garden gathering in some difficult catches

Cruikshank led in stick work with a perfect average for the day. Miller returned to form with a dandy home run and single which came at a time when most needed.

VISITED JOURNAL OFFICE.

Dr. Enoch Perrine's class in journalism from the college visited the Journal office last Tuesday morning to get first hand information concerning the different stages of newspaper work.

BUCKNELL RECEPTION TO BE A BIG FEATURE

EXTENSIVE PLANS BEING MADE FOR ENTERTAINMENT IN QUADRANGLE.

An opportunity to meet Dr. Martin G. Brumbaugh, the Republican nominee for the governorship, will be afforded the alumni and friends of Bucknell at the reception on Tuesday night of Commencement week. This reception will be the feature of the Bucknell Commencement. The Lewisburg Alumni Club will be host to all visiting alumni and friends of the college at a reception to be given in the quadrangle immediately following Tuesday night's band concert. Very complete arrangements have been made whereby all those attending will be presented to Dr. Harris, Dr. Brumbaugh and other honored guests.

The quadrangle itself is to be illuminated for the occasion. The commencement band will play throughout the reception, refreshments will be served to all those attending, facilities for meeting old friends and former classmates have been provided, motorists will be looked after, and finally there will be plenty of seats. It is going to be the biggest feature of the commencement. In case of rain the reception will be held in the main building. Come and bring your friends.

ORATORIO TO BE HELD SUNDAY

PROMISES TO BE AN EXCELLENT EVENT.

NEW YORK SINGERS TO TAKE PROMINENT PARTS

Dr. Hugh Schussler, Harvey W. Hindermyer, Miss Eva Wycoff and Miss Beatrice McCue to Sing in Oratorio in Baptist Church.

What will be one of the biggest events in the musical world about Bucknell will be held in the Baptist church next Sunday afternoon, when the oratorio "Elijah" will be presented to the public. Several noted singers will be brought here by those in charge and these singers will be well worthy of hearing. Those who will take part are Dr. Hugh Schussler, Harvey W. Hindermyer, Miss Eva Emmet Wycoff, and Miss Beatrice McCue, all of New York City.

MISS EVA WYCOFF.

Dr. Schussler is a singer of especial talent, having been twice chosen as bass in the Mozart feste with Mahler; the Wagnerfeste with Motel, Richter and the same good old Eliza as it was dramatized twice in the Rhineland. These are only a few of the parts which he has taken in musical work, besides doing general operatic and oratorio work for five years in Germany, Russia, Austria and Italy.

Harvey W. Hindermyer, Tenor, of New York City, the well known tenor in Concert and Oratorio, will sing the part of Obadiah in "Elijah." Besides holding a prominent church

DR. HUGH SCHUSSLER.

choir position in New York, Mr. Hindermyer does extensive Concert work.

Miss Wycoff, Soprano, has sung in oratorio and has appeared as soloist besides having traveled on the road as soloist two seasons with a concert company. She makes a specialty or recital programs. The critics speak of her musicanship and capability and of her voice as being sympathetic, brilliant, clear and beautiful.

Miss Beatrice McCue, Contralto, has proved herself an artist of distinction. She has a powerful voice of good quality, which she uses to a good advantage. Much could be said of the beauty of her phrasing, clear enunciation, rhythmic grace, light and shade, intelligent appreciation of the words which Miss McCue puts into her songs. The difficult passages in many of her selections are sung with such ease, that to the unknowing, they seemed only simplicity itself.

It is a great privilege for the students and friends of Bucknell to hear such singers as these, and the oratorio to be presented promises to be one of exceptional excellencee.

"DUTCH TREAT."

At 4:30 o'clock tomorrow afternoon on the Woman's College campus, a party will be held for all German students of the university. It will be a "Dutch Treat" and 10 cents will be the cost of refreshments. In case of rain the party will be held in the Bucknell Hall. All students who are taking or have taken German are urgently invited to be present.

SOPHOMORES DEFEAT FRESHMEN IN TRACK

EASILY WON FROM FIRST YEAR MEN BY THE SCORE OF 75-33.

In the annual under-class track meet the Sophomores easly defeated the Freshmen last Thursday afternoon by a score of 75 to 33. The Freshmen succeeded in getting but two first places, the 880 yard dash and the shot-put.

The winners of the events are as follows:

100 yard dash—First, Urbanowitz, '16; second, Switzer, '16; third, Grace, '17. Time, 10 4-5 sec.

220 yard dash—First, Urbanowitz, '16; second, Yon, '17; third, Davis, '16. Time, 24 sec.

440 yard dash—First, Urbanowitz, '16; second, Switzer, '16; third, Jeffrey, '16. Time, 59 sec.

880 yard dash—First, Grace, '17; second, Sanders, '16; third, Burlew, '17. Time, 2 min. 23 4-5 sec.

One mile—First, Butt, '16; second, Swope, '17; third, Burlew, '17. Time 4 min. 58 4-5 sec.

Two mile—First, Butt, '16; second, Swope, '17; third, Fusia, '17. Time, 11 min. 32-5 sec.

High jump—First, Davis, '16; second, Jeffrey, '16, and Hayes, '17, tie. Height, 5 feet.

Pole vault—First, Glass, '16; second, Pettit, '17; third, Davis, '16. Height, 10 feet.

Broad jump—First, Glass, '16; second, Hageman, '16; third, Collins, '17. Distance, 17 feet 10 inches.

Shot put—First, Fisher, '17; second, G. H. Smith, '16; third, Jeffery, '16. Distances, 30feet 10 inches.

Hammer throw—First, Nancarrow, '16; second, G. H. Smith, '16; third, Fulton, '16. Distance, 82 feet 8 in.

Discus—First, E. H. Smith, '16; second, Hayes, '17; third, Soars, '17. Distance, 83 feet 8 inches.

ATHLETIC ASSOCIATION ELECTS ASST. MANAGERS

HOLDS SPRING MEETING IN GYM ON SATURDAY MORNING.

The annual spring meeting of the Athletic Association, at which the assistant managers of baseball, basketball, track and tennis, and the two student members of the Advisory Board are elected, was held in the gymnasium last Saturday. The report of the Asst. Comptroller showed that the financial condition of the past year was good.

After the report of the Asst. Comptroller the election took place at which the following men were elected: Asst. Manager Baseball, Davis, '16; Asst. Manager Basketball, Oesterle, '16; Asst. Manager Track, Davenport, '16; Asst. Manager Tennis, Bigler, '16; Advisory Board Hedge, '15; and Hoke, '15.

NEWS WANTED NEXT WEEK.

Any articles or items which may be of interest for the Commencement News are very eagerly solicited. News concerning visitors and alumni will be needed, and the staff must depend to a large extent on what others will furnish them. Articles of news which can be prepared at once are especially desired this week. Hand or send all articles to Carl E. Geiger, Editor.

JUNIOR "EX" HELD MONDAY

FIVE SPEAKERS CONTEST FOR PRIZES.

ORATIONS CONFINED TO PUBLIC WELFARE

Annual Exhibition of Original Orations by Third Year Students Was Success.—Music Furnished by the Music Students.

The annual exhibition of the original orations by speakers chosen from the Junior class was held last Monday evening in Bucknell Hall. Of the ten originally selected, but six prepared their orations for delivery and of these, one, Miss Ethel Peterson, was unable to orate last Monday on account of sickness. The contest, however, was very successful as the orations given were both well written and well delivered.

All of the orations were confined to the general subject of Public Welfare; yet the breadth of the subject was such as to enable a great variety of orations. Music was furnished during the evening by several of the students of the School of Music.

The essence of the five orations is as follows:

Carl E. Geiger.

Geiger, the first speaker, orated on "Profit Sharing, a Good." He said: The question of profit sharing is one of great interest at the present time. As a system it must be worthy of consideration because it benefits all concerned. It benefits the employer by increasing the quantity of his output, by improving the quality of his products, by promoting care of implements and economy of materials and finally diminishing labor difficulties. It benefits the employee by making him a happier and richer man. It benefits the consuming public by giving them a better article for the same amount of money or even less, and by freeing them from strikes and lock-outs. Such a system, further based on righteousness and justice, must surely succeed if fairly tried.

Edward O. Clark.

Edward O. Clark, the next speaker, took as his subject "Public Sentiment and Peace." He said: War is no longer considered a necessary evil. It simply exists as a vestige of past barbarism and its abandonment by society is not far distant. Public sentiment can become a most potent factor in this direction. The abolition of slavery is a striking illustration of the power of sentiment. Neither the Civil nor the Spanish wars would have taken place had public sentiment been aroused to demand peaceful settlement. Society still remains inactive on the question of war and only so because the futility of war is not fully realized. She willingly gives relief from the cruelties of war but fails to deal with war itself. And this fact in the face of peaceful arbitration makes the situation all the more deplorable. The coming generation must be instructed in the truth concerning war so that, when the crisis comes, public sentiment can lift its voice for the cause of peace.

Esther M. McCormick.

Miss McCormick discussed "Vocational Training in the Public School." She said: If our nation wishes to maintain its prosperity, it is necessary that its citizens be intelligent and sensible. For many years, through our public school system, we have been attempting to train our young people to be good citizens. Yet from the fact that the great majority of pupils are uninterested in their school work, and from the fact that many of them leave school as soon as they reach the legal age we judge that our present system is far from perfect. Boys and girls must be given work that interests them, or they will not work.

Vocational training which is both interesting and practical, has been tried with much success. In the vocational school, the hand is trained

AN OPPORTUNITY.

In a week or so we shall all be departing for our respective homes to spend the summer. As we leave let us carry with us the thought of a bigger and greater Bucknell, and let us put the thought into practical use by boosting Bucknell to preparatory and high school graduates of our home towns.

Just think what it would mean to Bucknell if every present student would see to it that he brought one new student back with him next year. This does not seem to be asking much. You can easily convince one undecided person from your town that Bucknell is the college for him to attend. Let each one think of this matter as he leaves for home and act accordingly, and we predict that the result next fall will be worthy of the effort.

SOPHOMORE COTILLION

The annual Sophomore cotillion was held at Riverside Park, Milton, last Monday evening. The event was successful, there being about seventy five couples present. The Campbell orchestra, of Sunbury, furnished the music. The patronesses were Mrs. H. G. Dreisbach, Mrs. Benj. Griffith, and Mrs. T. D. Baker. The committee in charge of the affair was Van denBurgh, chairman, Davenport, DeHaven, Hartman, Fulton, Corrin, L. Campbell, Noble and Mellander.

CHINESE HAVE GOOD TEAM.

When the Chinese Students won from Indiana Normal 11 to 2 on Tuesday it gave them a string of 74 victories out of 83 games since they landed in the United States. Since then they have won several games among the eastern schools.

SPEAKS AT COMMENCEMENT

Dr. Enoch Perrine delivered the commencement address before the graduating class of the South Williamsport High School last week. Prof. Chester B. Renn, '04, superintendent of schools, awarded the diplomas.

DR. HARRIS SPEAKS

Last Wednesday morning Dr. Harris addressed the 117 graduates of the Williamsport High School and their friends at the annual commencement exercises in the Lycoming Opera House at Williamsport.

SOPHOMORES DEFEAT WEST MILTON TEAM.

The Sophomore baseball team last Saturday defeated the West Milton team by the score of 12 to 0. The battery for the Sophomores was Alter and Bigler.

JUNIOR "EX"

(Concluded from first page.)

as well as the brain. Not principles merely, but the application of principles is taught. Classical studies are not dropped entirely, but are correlated with actual work in laboratories. The effort is made to give the pupil the sort of an education that will make him an intelligent, efficient worker, alive to all possibilities, rejoicing in his work, and in getting the most possible out of life.

Edgar L. Rogers.

Rogers, the next speaker, discussed the Woman Movement. He said that the woman movement involves the question how women may orient themselves in the modern world and at the same time remain true to their nature. Women, until recently, had no chance to develop themselves, but since they have been given an opportunity for education equal to man's, they have made wonderful progress. Besides this equality of education, woman should have equal political rights. Child labor, the liquor traffic and other notorious evils would be rooted out if we gave woman a chance at the ballot. In short, woman should have equality of all opportunity. "All careers open to all talents" is a proposition we can not dispute. Believers in justice to women assume that she will ultimately secure every privilege, social and legal, possessed by man.

Florence B Barber

Miss Barber spoke on "Our Debt to Birds," and said: Centuries have come, centuries have gone and the human brother has ever loved his little brothers of the air, but the twentieth century adds to his love a realization of his indebtedness to them, not only aesthetically, but economically. Leading entomologists estimate that insects cause an annual loss of at least two hundred million dollars to the agricultural interests of the United States. Millions of insects devoured by thousands of birds means millions of dollars for public disbursement. Upon the approach of winter birds turn to wild patches for their food supply. In Virginia and North Carolina alone Bob Whites annually consume one thousand three hundred and forty-one tons of weed seeds. Another group of pests are rabbits, ground squirrels, rats and mice. Their chief natural enemies are the nineteen species of owls. One owl will kill one hundred rodents in a night, multiply one by all his fellows and we scarcely conceive of the good done while we sleep. Like all creatures birds are subject to disease—the incompetent and weak ones die. Therefore should hawks, eagles and others of their kind be slaughtered the game birds would lose thereby. It is a dangerous experiment to tamper with the balance of Nature. Man is trying to compute the economy of birds. He nears the billion mark and exclaims, "Can it be possible that three hundred millions dollars is the lowest monetary value of bird citizens?" But this does not close over our account with them for the aesthetic value of birds is beyond estimation. Wealth which may be had for the looking and listening accompanies every flash through the trees and every song through the sky. Flood the world with joy and cheer O, ye birds, and God forgive us in our blindness if we fail to protect thee! For are we not all His children, one family here.

DRAMATIC TRIO TONIGHT

The Bucknell Dramatic Trio will give an entertainment tonight in the Bucknell Hall at eight o'clock The receipts of the entertainment will go to the Y. M. C. A.. Tickets are 25 cents.

BACK SUBSCRIPTIONS.

All back subscriptions to the Orange and Blue should be paid at once as they are past due. If you have not settled for your subscription this year, kindly do so at once.

The Crozer Theological Seminary
Faculty of eleven professors and instructors.
Graduates of approved colleges who are candidates for the degree of Bachelor of Divinity may elect during their Seminary Course sufficient work in the University of Pennsylvania to secure its degree of Master of Arts.
Diplomas awarded in either three or four years, according to degree of preparation at entrance.
Scholarships for students of merit. Tuition and room rent free.
Library modern in administration and facilities for investigation.
MILTON G. EVANS, President,
CHESTER, PENNA.

The Newton Theological Institution
(FOUNDED 1825)

Eight miles from Boston (Mass.) State House situated in superb grounds of 52 acres belonging to the institution.

An Eminent Faculty, Fourteen Professors and Instructors, Convenient Dormitories and Lecture Rooms, Beautiful Chapel, a Noble Library, an Unsurpassed Library Building, and Equipment for Laboratory Work.

Courses leading to B. D. degree and special provision for Postgraduate students.

The proximity of the Seminary to Boston and Cambridge makes it easy for students to attend lectures by eminent specialists and the Lowell Institute Courses.

There are many opportunities for engaging in missionary and philanthropic work by which students acquire clinical experience and contribute to their self-support.

Reveries of the Freshman

"How well do I remember the day I first struck college, with one soft, dampchicken sandwich left over from my box of home lunch, and expecting every minute to be ducked in the pond, and then stood on my head. Do I remember Fatima Cigarettes? Here have one—I've stuck to them ever since those good old days. Nothing better than Fatima.'

Fatima Cigarettes have become the biggest selling brand of cigarettes in America—the loyalty of its smokers to these pure, choice tobacco cigarettes is unprecedented in the history of cigarettes.

ELOCUTION RECITAL

GIVEN IN INSTITUTE LAST FRIDAY EVENING.

The class completing the edurse in elocution gave its recital in the Institute study hall last Friday night. The program was very well carried out and showed much ability by those taking part.

The program was as follows:

In the Round Town of Jhansi—Rosetti—Music by S. Hawley—Florence Good, Eldorado. Miss Armstrong at the piano.

Nydia, the Blind Girl of Pompeii—Lytton—Arranged by Charlotte Cuchman from "The Last Days of Pompeii"—Floss Clark, Sunbury.

Pontius Pilate—Arnold—Rachel Davis, Woodstown, N. J.

Bergliot: Her War Cry and Her Mourning Wail—B. Bjorson. Music by Greig—Anne Dreisbach. Miss Hardesty at the piano.

Ophillias Mad Scene from "Hamlet"—Shakespeare—Nelle Stevens, Sunbury.

The Nurse Scene from Romeo and Juliet—Shakespeare—Juliet, Floss Clark; Nurse, Anne Dreisbach.

Cherry Blossoms—Onoto Watanna—Florence Good.

THE CHINESE UNIVERSITY.

The Chinese team, which will play here next Saturday, is not only a first class ball team, but it represents a first class university. All the elements that go to make up a modern institution of learning are embodied in the Chinese University.

The university is located in the city of Honolulu. Eight hundred students take advantage of the opportunity to attend this school. The University has a large and able faculty, most of whom are Americans. The student body is very cosmopolitan, and representatives are there from almost every nation. While a large proportion of the students are Chinese, they are mostly American citizens.

The students go in for all athletics, and especially all outdoor sports. The Chinese put out a good football team, but owing to the scarcity of schools in Hawaii, and to the long distances to other countries, play very few games. In Hawaii swimming is indulged in all the year round, and is placed as a regular sport.

Y. M. C. A. PRESIDENT

At a business meeting of the Y. M. C. A. held last Thursday evening, Hedge, '15, resigned as president and Fahringer, '15, was elected to fill the vacancy.

OMEGA ALPHA BANQUETS.

The Omega Alpha fraternity of the Academy held its eight annual banquet in Sunbury last Friday evening.

The engineers of the University of Nebraska have nearly completed a giant telescope. The barrel of this skygun is twenty feet long, with twelve lenses, and has nearly 1,200 different parts.

ECONOMIC PRIZES.

In order to arouse an interest in the study of topics relating to commerce and industry, and to stimulate those who have a college training to consider the problems of a business career, a committee composed of Prof. J. Laurence Laughlin, Univ. of Chicago, Prof. J. B. Clark, Columbia Univ., Prof. Henry C. Adams, Univ. of Michigan, Horace White, Esq., of New York City and Prof. Edwin F. Gay, Harvard Univ., has been enabled, through the generosity of Messrs. Hart, Schaffner & Marx, of Chicago to offer in 1915 four prizes for the best studies in the economic field.

The contest is divided into two classes. Class B includes only those who, at the time the papers are sent in, are undergraduates of any American college. Class A includes any other Americans without restriction. A first prize of One Thousand Dollars and a Second prize of Two Hundred dollars are offered to contestants in Class B. The papers should be sent in on or before June 1, 1915, to J. Laurence Laughlin, Esq., Univ. of Chicago, Chicago, Ill. Further information concerning the contest and a list of available subjects can be obtained in the library from a bulletin on the left wall just inside the door.
